IS IT POSSIBLE?

IS IT POSSIBLE to produce a new growth of hair on heads when once atrophy of the roots has done its work? The answer is "No!" But why allow the scalp to get into that condition when it has been demonstrated, beyond a doubt, that the premature decay of the hair can be arrested, and a splendid crop of new hair produced, even in advanced cases of baldness, by my preparations, which are the result of thirty-three years of study of the hair and its treatment.

SPECIFIC EXAMPLES.—I know hundreds of gentlemen who were losing their hair over twenty years ago, and who, by carrying out my instructions, saved their hair. I know scores of gentlemen who, in spite of an inherited tendency to baldness, have good hair at forty and fifty years of age.

APPARENTLY HOPELESS CASES.—I do not say my treatment is infallible, but I do say that cases which were thought to be hopeless have yielded to my treatment. I have thousands of genuine testimonials, which prove the truth of this assertion. These can be seen at my Consulting Rooms, 195 Collins St., Melbourne.

Mr. Reynolds, of Hobart, came to Melbourne to buy a wig. He consulted me, and bought my preparations, and by their use has now a lovely head of hair.

Mr. Casey, Sea Lake, was as bald as a billiard ball on the top of his head, and now he has a good growth of hair.

Mr. Murray, Queensland, writes:—"Your treatment of my hair is a splendid success. It has clothed my bald head with a good crop of hair"

A gentleman writes from **Ravensthorpe, Queensland**:—"The six months' course of your treatment has effected a complete cure of a very troublesome scalp disease which I have had for over twelve years."

Mr. Farthing, of Melbourne, had a scalp disease of long standing, which was cured in a few months.

Mrs. Kiddle, New South Wales, had eczema, with terrible irritation of the scalp, for 15 years. Irritation stopped immediately, and disease cured in a few months.

If you have any scalp disease, write me, or use my preparations, and get it cured at once, or it will destroy your hair. If you have a fairly good head of hair, and it is falling out, use my Baldene. Two months' treatment, by post, 11/6.

Gentlemen who are going bald should use **SPECIAL PARASENE** and **COSMO LOTION**—one at night and the other in the morning—and wash the head once a week with **SHAMPUNA**. **PRICE**, with postage (two months' treatment):—Victoria, 11/6; four months' 22/. Other States, 12/6 and 23/6.

Ladies with hair falling out should apply **RESTORER** at night and **COSMO LOTION** in the morning, and wash the hair with **SHAMPUNA**. Two months' treatment, 12/6; four months', 23/6.

NATURALINE is a splendid preparation for colouring Grey Hair. It acts quickly, naturally, and effectively, and is perfectly harmless. Made in all colours. Get the right strength. No. 1 for Light-Brown Hair, Medium or Medium-Brown Hair; No. 2 for Dark-Brown or a Light-Black; Extra Strong for very Black Hair. Price: Victoria, with postage, 6/3. Other States, 6/8.
