Exhibitors will, on personal application to one of the Stewards, be permitted to loose their dogs for a short time each day—in the morning, prior to the opening, and in the evening, after the closing of the Exhibition; but they will on no account be permitted to remove the same from the yards without a written order from the Secretary, and a deposit of £2. (See General Regulations, 39.)

5. Dogs considered by the Stewards and the Veterinary Surgeon unfit for exhibition, either from disease, vice, or other causes, will not be received; or removed if found necessary.

6. Dogs must be in their places in the yards on Wednesday, 26th September, 1917, at 9.30 a.m.

7. Labels will be sent for each Dog when the Exhibitor is not a resident of Melbourne or suburbs, on the reverse side of which Exhibitors will be required to write their names, addresses, and instructions for the return journey. Country and Inter-State Exhibitors must inform the Secretary by post or telegram of the despatch of their exhibits, giving all particulars, in order that arrangements may be made for receiving them. Two or more dogs may be sent in one hamper or box if it be properly divided and labelled.

8. The Society will be most anxious for the care and safety of the Dogs sent for exhibition or any other property entrusted to them, but it must be distinctly understood by Exhibitors, and all other persons, that the Society will not be responsible for the loss, detention of, or damage to any Dogs or other property, whether arising from accident or other cause whatever, or from any act or omission of themselves, their officers, agents, servants, or others.

9. The Society will engage a thoroughly practical man to feed and take charge of the dogs during the day, and also a night watchman.

In each Class the prizes are:—First prize, £1; second prize, 10/-.

be grown or made by the Exhibitor, except in the case of Agricultural So-
cieties being Exhibitors.

2. Three exhibits must be entered—two, at least, of which are duly shown—
for Champion awards to be made, unless the judge reports that an exhibit
(even though alone) is of exceptional merit and worthy of such award.

Note.—In horses and cattle there must be three competitors for the Govern-
ment prizes.

3. Stallions, 3 years old and over, must have obtained a Government Veter-
inary Certificate of Soundness.

4. The prizes to be awarded by Judges appointed by the Society.

5. In any case where, in the opinion of the Director of Agriculture, any
misstatement has been made regarding any exhibit the prize shall not be paid.

6. All exhibits to be subject to General Regulations.

Note.—Separate entries are not required for Champion Prizes of
Australia.

GENERAL REGULATIONS.

(Also See Special Notes in Each Section).

ENTRIES.

1. Entries will only be received subject to rules and regulations, and all exhibits must be the *bona fide property* of the Exhibitor at time of entry, and produce, which must be the growth of the preceding 12 months, must be grown or made by the Exhibitor, except in the case of Agricultural Societies being exhibitors.

2. No exhibit will be allowed to enter in more than one class, except for a sweepstake, a special or champion prize, or, in the case of dogs, puppies may also compete in aged classes. Where any exhibit has, through oversight, been allowed to compete in more than one class (not being a Special) such exhibit shall, whether awarded a prize or not, be deemed to be ineligible to compete, or to have competed, in any class other than the first in which its name or particulars appear in the Show Catalogue.

3. The Council reserves the right to reject at any time any entry submitted for this Exhibition. No disqualified animal shall be allowed to compete for a prize.

4. When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

CLOSING DATES OF ENTRIES.

5. Applications for stands for manures, machinery, and implements, single exhibits, or goods for exhibition only (Sections 48 and 57), must be made (by ordinary letter) on or before Saturday, 21st July. After the applications close, positions will be allotted, and a charge will be made for the space granted. Entries of this description of exhibits must afterwards be duly made on the Society's forms, before Saturday, 18th August, 1917, at 12 o'clock noon, for insertion in the Catalogue.

6. Entries (Contests excepted) must be made in writing on forms supplied by the Society, and (including those by post) must be in the hands of the Secretary, at the Office, Collins House, 360 Collins-street, Melbourne, on or before Saturday, 25th August, 1917, at 12 o'clock noon. Entries for Contests will be received on or before Saturday, 8th September, 1917, at 12 o'clock noon. Entry fees must accompany each entry. Entries for competition are limited to three exhibits in Dairy Cattle (Section 28), and two exhibits in Sheep and Swine, which exhibits must be brought before the Judge.

AGE OF EXHIBITS.

7. The date of birth of exhibits of live stock must be set forth in each entry. Any infringement of this rule will disqualify the exhibit.

8. The breeding year dates from 1st August in each year for horses, and 1st July in each year for cattle. Colonial bred shall mean bred in any of the Australian States or New Zealand.

Puppies must be under 12 months old.

QUALIFICATIONS FOR ENTRY.

9. All male animals competing in the breeding classes must be visibly entire, and any marks of spaying on females shall disqualify them from competing in such classes.

10. All sheep over 18 months old, except where otherwise specified, must have been shorn since 12th July in the preceding year. The date on which sheep were shorn to be stated on entry form. Any sheep infested with ticks or lice are liable to disqualification. The month and year of lambing of all sheep under $2\frac{1}{2}$ years old must also be stated.

VETERINARY CERTIFICATES.

11. All Stallions, 3 years old and over, must have obtained a Government Veterinary Certificate of soundness. All Mares, 3 years old or over, entered in sections I—II inclusive, must have obtained a certificate of soundness from a Government Veterinary Surgeon at one of the Stallion Parades or from the Society's Veterinary Surgeon. Such certificate must be produced to the Steward of the class when horses are paraded for judging. Stewards will collect and retain such certificates. Stallions will be examined by Government Veterinary Surgeons on the Show Grounds, on Monday, 24th September, commencing at 10 a.m. Mares on the same day by the Society's Veterinary Surgeons. (Only Mares entered in a recognised Stud Book will be examined at the Stallion Parades.) No veterinary examinations will be made on judging day. Judges are particularly requested to satisfy themselves, as far as possible, regarding the soundness of all other horses, before awarding the prizes, and to avoid giving prizes to animals showing symptoms of hereditary diseases. A Judge may consult the Society's veterinary surgeon if he deem it expedient. No protests on veterinary grounds will be received.

THE EXHIBITION.

12. The Exhibition will be open to the public on Tuesday from 10 a.m., admission 1s.; on other days from 9 a.m., admission 1s. Admission to main grand stand, 2s. 6d. extra; "Chirnside" grand stand, 1s. 6d. extra; and to the seated reserves, 1s. extra.

13. Members, on presentation of their badges, and members' ladies, on presentation of their tickets, will be admitted free to the grounds and grand stands subject to such regulations as the Council may make.

ENTRY TICKETS.

14. Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit will state the number of its box, stall, pen, or stand, as the case may be, which will correspond with its number in the official catalogue, and if the box, stall or pen is not occupied by such exhibit by noon on the first day of the Show the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the Grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendants' passes will be issued by the Secretary at the Show Grounds after 10 a.m. on Monday, 24th September, 1917.

PENALTY FOR NON-EXHIBITION.

15. In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparations, expense and disarrangement of the Show Yard, any person making an entry will be subject to a fine of £2 for each horse entry not exhibited, of £1 for each entry of cattle not exhibited, and 10s. for each entry of sheep or pigs not exhibited, unless a certificate under the hand of the Exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of the Exhibition, certifying that such non-exhibition is caused either by—(1) The death of the animal or animals; or (2) contagious or infectious diseases (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at the future meetings of the Society.

16. Wines, and Wheat exhibits must be lodged at the Show Grounds on or before Monday, 27th August, 1917, at 5 p.m. Fleeces, and Skins, on or before Tuesday, 18th September, 1917, at 5 p.m. Carriages, etc. (Section 47), Harness and Saddlery (Section 48), Dairy Produce (except Butter and Lard) (Section 52), Horticulture (Section 55), Machinery, Implements and Miscellaneous exhibits (Section 58), must be in their places in the yards before 6 p.m. on Monday, 24th September, 1917. 18. All exhibits must be placed where directed by the Secretary, and except live stock, in accordance with Regulation 39) must not be removed from their classes during the Exhibition.

REMOVAL OF DISAPPROVED EXHIBITS.

19. The Owner or Exhibitor of any exhibit or stand of exhibits disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit or stand of exhibits from the Society's Grounds.

PASSES FOR ATTENDANTS.

21. As many men will be allowed into the yards free as the Council may deem necessary to take charge of exhibits, and passes will be issued to all such on application to the Secretary.

RUGGING OF EXHIBITS.

22. Exhibits must not be rugged during the hours the Show is open to the public, and horse-boxes must not be locked during those hours, or the Exhibitor will be liable to a fine of ten shillings for every infringement of this regulation.

CLEANING OF STALLS.

23. Any Exhibitor or his employee putting manure out of his box, stall, or pen, or putting out a trough, or cleaning out an alley way after 8.30 a.m. on a Show day shall be liable to a fine of ten shillings.

PARADES.

24. When ordered by the Stewards, all prize-taking horses and cattle must be taken out on parade in accordance with the printed programme. Exhibitors shall be subject to a fine of ten shillings in each case in which the order of the Stewards to parade is not obeyed, and shall be liable to forfeit any prize awarded to their exhibit or exhibits. All horses and cattle parading must wear exhibit numbers.

AWARDING OF PRIZES.

25. No exhibitor or manager of an exhibiting company (except in the case of an owner riding, driving or leading his exhibit) will be allowed in that section of the yard in which his exhibit is placed during the adjudication of the Judge, and it shall be the duty of the Stewards to prevent any person interfering with the Judge, and, if necessary, to order the removal of such offender from the yards. Persons in charge must on no account leave their respective lots, or address the Judge, unless authorised by the Stewards of the section in which they are competing.

26. The Judge may award a second or third prize, instead of a first one, or may withhold a prize altogether, where the exhibits are not of sufficient merit. Any exhibit (for which no class is provided) likely to benefit the State, if entered as an extra in a competitive section, may be recommended a prize if considered meritorious, but no prize can be recommended by a Judge for extra exhibits if the prize list contains a class in which the same can compete.

27. The Judge is requested to make a reserve number of the exhibit next in merit beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he is also requested to give commendations when deserved.

28. The Judge shall award Reserve Champion Ribbons in all Horse and Cattle Sections, and Rosettes in Sheep and Swine Sections in which Champion awards are made, and the animal second in the class to the Champion shall be allowed to compete for the Reserve Championship.

29. Any Exhibitor or Attendant refusing to attach the Prize Card to any exhibit to which a prize is awarded, and to keep the same on during the hours of exhibition, will, on proof thereof to the Council, forfeit all prizes awarded to such exhibit during the Show, and may be disqualified from again competing, and no exhibitor will be allowed to display any Ribbon or Prize Card on his exhibit, stall, or stand, in addition to those issued by the Society for the year. One Prize Card only is issued for each prize won.

30. Stock exhibits wearing bridles or head stalls with their names or the names of their owners printed thereon are liable to disqualification.

31. The Council may withhold any prize when fraudulent or erroneous statements have been made regarding an exhibit, and may also withhold all prizes awarded to Exhibitors who have been guilty of false statements in relation to any of their exhibits; and Exhibitors guilty of false entries or statements may be debarred from again exhibiting, and, if Members, shall be liable to expulsion from the Society. Exhibitors must, if required, make a statutory declaration regarding their entries, if the Council so desire.

32. Any person insulting or interfering with a Judge during the Show will be subject to removal from the yards; and the prizes, if any, awarded to such person may be forfeited.

33. Cheques for prizes at the show will be passed for payment at the Council meeting on Tuesday, 16th October, 1917, one week after which date they will be payable on application to the Secretary.

34. Any prize or prizes awarded at this Show, and left unclaimed for six months, may be forfeited and cancelled by the Finance Committee of the Society.

PROTESTS.

35. Protests against awards must be lodged with the Secretary, in writing, before 12 noon on the day after such awards are made, with a deposit of £1 sterling, which will be forfeited to the Society if the protest be found, on due consideration, to be unfounded or frivolous.

36. Should any exhibit, having gained a prize, be disqualified, the next on the list does not necessarily obtain the same prize. The Council, with or without the advice of the Judge, shall decide the question.

37. All persons exhibiting shall accept the decision of the Judge appointed by the Society as to the merits of their exhibits, and in the case of protests, alleging infringement of the regulations, the decision of the Council shall be accepted as final and without appeal.

REMOVAL OF EXHIBITS.

38. No exhibit (except Live Stock, in accordance with Regulation 39) can be removed from the Exhibition until 5 p.m. on Saturday, when all exhibits may leave the yards.

39. Any exhibit of Horses or Cattle may be removed from the yards each day of the Exhibition after 5 p.m. on depositing with the Secretary an approved cheque for £10 (or for any exhibit of Dogs, £2), as a guarantee that the animal will be returned to the yards next morning before 10 a.m. In the event of the animal not being returned before the time specified, the deposit, together with all the prize money (if any) it has won, will be liable to forfeiture; but on the animal's return each day the cheque will be refunded to the Exhibitor.

WATER AND FORAGE.

40. Water will be provided in the yards for Live Stock and for the working of machinery, but exhibitors using gas engines, suction gas plants, and refrigerators must provide water storage tanks on their stands, and not permit water to run to waste. Exhibitors of stock will be required to provide their own forage (which can be purchased in the yards at Melbourne prices); and Exhibitors of machinery, fuel (which must be coke or wood, no coal being allowed), and materials necessary to enable them to comply with the regulations.

PRIVILEGES.

41. The successful tenderers for the privilege of photographing exhibits have the exclusive right thereto, with the reservation that the Council may allow the Press to take photographs of exhibits for the purposes of illustration.

42. The privilege of distributing trade lists, advertisements, or other documents is restricted exclusively to Exhibitors, at their respective stands. Any person infringing this regulation will incur expulsion from the yards. Any Exhibitor desiring to distribute trade lists, &c., must lodge a deposit of £1 with the Secretary before the Show opens, to be returned after the Show is closed if this regulation has been complied with, and to be forfeited if it has not.

CARE OF EXHIBITS.

43. Every reasonable care will be taken of exhibits, but no responsibility will be incurred by the Society.

USE OF PENS AND STALLS.

44. All exhibits of Live Stock, for which boxes, stalls, or pens are provided, have the use of such accommodation free for one week (and in the case of over-sea exhibits, for a fortnight) before the Show opens, but they must be removed from the grounds within one week after the last day of sales, or a charge will be made.

EXHIBITS AT SHOW GROUNDS.

45. The Society's carter will receive competitive exhibits of produce, poultry, dogs, &c., that are addressed to the Show Grounds Siding, and place the entries in their respective sections. The greatest care will be taken of the exhibits; but the Society will not be responsible for any accident, mistake, loss or damage from whatever cause arising, the exhibits being at the sole risk of the Exhibitor. For the carting of stock feed and non-competitive exhibits, &c., to any part of the ground the following charges will be made, for which receipts will be given:—Up to 1 cwt., 6d.; up to 3 cwt., 1s.; up to 6 cwt., 1s. 6d.; up to 10 cwt., 2s.; up to 15 cwt., 2s. 6d.; and each additional 5 cwt., 6d.

46. In order to facilitate the unloading and loading of Stock at the Show Grounds Siding, the Society has decided to have the grounds lighted at night, and to engage a corps of stock assistants, who will meet every stock train, and will assist Exhibitors with their stock, if required.

They will be permitted to charge Exhibitors not more than 9d. for each "lead" (one or more animals) of stock between 6 a.m. and 6 p.m., nor more than 1s. for each "lead" between 6 p.m. and 6 a.m.

VEHICLES OTHER THAN EXHIBITS.

47. Vehicles and motors other than listed exhibits will not be permitted to enter the grounds under a penalty of 1s. for each vehicle, and 2s. for each motor.

Vehicles and motors are not permitted to be driven indiscriminately about the grounds, but must proceed directly to their destination.

Railway Regulations.

IMPORTANT NOTICE.—Exhibitors desiring to have their stock conveyed by rail from the Show Grounds on Saturday evening must order their trucks before 6 p.m. on Friday, 28th September.

(Exhibits are consigned direct to Show Siding at Society's Grounds, and Exhibitors are particularly requested to send in their applications for trucks at once to the local Station-master, or to the Live Stock Agent, Railway Department, Melbourne, or through their own selling agents.)

1. The Undermentioned conditions shall be applicable in respect of agricultural machines and implements, machinery, produce, live stock (including dogs, poultry and other birds), buggies, drays, waggons, and other goods of a like nature, sent for exhibition to Agricultural Shows.

They may also, by special arrangement with the General Passenger and Freight Agent, be made operative in respect of:—

Agricultural machinery, sent for field trials.

Ploughs, sent for ploughing matches.

Horses, sent for horse parades.

2. The exhibits will, in the ordinary course, be carried in goods or cattle-trucks, by goods or mixed trains; but valuable animals may be sent in horse-boxes, providing they are available, per passenger trains, and charged the same as if loaded in cattle trucks by goods trains.

3. When the exhibits are consigned on the forward journey, the consignor will require to declare, on the consignment note therefor, that they are for exhibition, specifying the Show for which they are intended, and the waybill must be indorsed accordingly.

The ordinary freight charges shall be imposed and prepaid in respect of the forward journey in all cases, except that valuable animals carried by passenger trains in accordance with clause 2 will be charged goods train rates.

4. On the return journey any exhibits, or portion thereof, which are certified by the Secretary of the Show as having been exhibited, and not sold, will be carried "free" to the station whence they were forwarded, provided the journey is completed at any time within one month from the date of despatch on the forward journey. A certificate in the approved form must be handed in when the exhibits are consigned, and such certificate must be attached to the waybill.

If a greater number of vehicles be used for the carriage of exhibits on the return journey than was used on the forward journey, ordinary freight charges will be imposed in respect of exhibits carried in the additional vehicles.

All exhibits, or part thereof, which have been sold, or are not accompanied by the aforesaid certificate, will be subject to the ordinary freight charges on the return journey, and such charges shall, in all cases, be made "to pay."

5. Exhibits, accompanied by the aforesaid certificate, may be forwarded from one Show to another, subject to the freight charges, as prescribed in clause 3 of this division, being prepaid, and when the final destination is reached, they may be returned "free" to the original despatching station, conditionally on the observance of the provisions of clause 4 of this division. If, however, in proceeding to another Show, such exhibits be returned over any portion of the line in respect of which the full freight charges have been paid on the forward journey, the exhibits may be sent free over such portion of the line.

6. All exhibits are carried solely at the risk of the owner, and must be loaded and unloaded by or at the expense of the consignors or consignees.

7. Owners of stock going to or returning from Shows may be allowed free carriage of fodder, as specified hereunder, if it be loaded in the trucks with the animals:—

1 cwt. for each head of cattle each way.

2 cwt. for each horse each way.

20 lbs. for each sheep or pig each way.

8. Exhibits from the Department of Agriculture—viz., wheat, straw in bulk, olive oil, wine, honey, &c., fruit (preserved), charts, &c., fibres, including flax, hemp (dressed and undressed), willows, manures, vegetable oil, eggs, also cider and flax-making, grading and levelling implements, and other machinery, including model silos, and the necessary marquees, poles, and pegs, tables, trestles, and fittings forwarded for demonstration purposes at the various Agricultural Shows in the State, shall be charged Class "A" rate, subject to the tariff for "Smalls."

9. Consignors should give not less than four (4) days' notice to the station-master of the number and description of live-stock trucks, and 48 hours for other trucks, &c., required to load exhibits.

10. Judges appointed to act at Agricultural Shows will, on production of an approved certificate, be granted return tickets at Holiday Excursion Fares, and such certificate must be forwarded to the Auditor of Receipts, as the authority for the special issue.

11. If a full sheep-truck load of sheep, or a full cattle-truck load of horses, cattle, or pigs has been paid for on the forward journey, and the whole of the stock has been returned "free," in accordance with the provisions of clause 4 of this division, one stock attendant in respect of each truck will be granted a refund of the return fare paid by him. He must travel in the truck or in the van of a goods train with the stock, and must provide himself with a copy of form P69, duly completed by the station-masters at the forwarding and returning stations respectively. A receipt for the refund must be given on the certificate by the attendant, after which it must be forwarded to the Auditor of Receipts as a voucher.
