# YOU HAVE LAND TO CLEAR?

Naturally you want it done efficiently, cheaply and quickly.

"MONKEY" GRUBBER.

Have a look at the "MONKEY" GRUBBER, a wonderfully compact and powerful machine that exerts a strain just quickly enough to tear the roots from the ground. The machine is easy to rig, will work in any position, can be run about similar to a barn truck, embodies many time and labor-saving devices.

In addition to its utility as a Grubber, Contractors, Bridge-Builders, etc., are using it very successfully as a Winch.

## HEAVY LIFTS on the FARM or CONTRACTING

are easily handled with "MONKEY" or "WALLABY" JACKS.

They are quick and adaptable, will do your machinery lifts, grubbing, log rolling, etc., and any other awkward lifts that come your way. There are extension pieces for high lifts, multiple grips, lowering gear—all special features of our Jacks.

"MONKEY" JACK.

Standard sizes—2½, 4, 6, 8 and 10 ton Lifts.

 **TONIC MEALS** ensure the health of all Stock.

Sparrovale Farm say:—

"We have used Meggitt's Meal for the past nine years in the rearing of Calves. We have found nothing to equal Meggitt's Meal as a substitute for whole milk; until the early part of this year we were induced to substitute Meggitt's Specialised Calf Food. An increased milk yield has been registered with the use of your Specialised Cattle Food over our dairy herd this winter whilst maintaining the cows in good condition. These good results we have found most pronounced in the pure bred dairy herd in qualifying for the Government pure bred dairy herd test."

## WOOL'S the Test of Quality in SHEEP DIP

The excellence of "Vallo" Powder Sheep Dip is endorsed by well known Sheep-owners. Here is one of the many testimonials received.

"Wolfgang," Clermont, Q'land,  
August 4th, 1919

This is to certify that I have used "VALLO" Sheep Dip on 25,000 sheep, with very satisfactory results. The wool at shearing time was of good color, with a nice, soft touch and the sheep were quite free from Lice. You could still smell the dip in the wool.
