READ what some of them have to say:—

HOTHAM POULTRY FARM, President Avenue and Hotham Road, Sutherland, N.S.W., September 1, 1924.

To Manager, Merval Manufacturing Co., Eastern Market, Melbourne.

Dear Sir,—Please forward at once usual order, 2 cwt. MERVAL, to Sutherland Railway Station. I may state that on our Poultry Farm, which is the largest in Australia, we are regular users of MERVAL. After exhaustive tests and experiments, we are convinced that as a tonic and conditioner for poultry it stands alone. We use MERVAL weekly, and find that it maintains the highest standard of health and productive vigour throughout the yards. In quickly checking any signs of sickness, I have never known MERVAL to fail, and we seldom see a case of chicken pox, roup, or canker, anywhere on our extensive plant. I am quite certain that MERVAL has reduced our losses from all sources to an absolute minimum. After a week old our chickens are started on MERVAL, and it has proved a wonderful asset in promoting the uninterrupted growth and early maturity of the young stock. With regard to the above, we are highly pleased to state that the robust health and constitution of our stock, which is consistent with the use of MERVAL, gives us great satisfaction, and surely speaks well for the unrivalled efficiency of MERVAL.—Yours faithfully, (Sgd.) A. W. TILDESLEY.

R. H. SALMON, Claridge Stud Poultry Farm, Claridge, Natal, South Africa, writes:—

"I am glad to note that I can now draw my supplies of MERVAL as required from your South African distributors. Since arrival here two and a half years ago with my foundation stock from Australia, I have used your MERVAL weekly in the mash and with splendid results. This country is more prone to poultry troubles than Australia, and a complaint known as 'fowl sickness' is evidently the cause of heaviest mortality. I am certain that it is due to the use of MERVAL that my losses from the above cause have been so small, and not exceeding half a dozen birds altogether. Otherwise, I have lost absolutely nothing from sickness of any sort, and when chicken pox has been raging in the district I have not had a case of it in my yard. Knowing the value of MERVAL as a tonic both for keeping fowls in good health and as an aid to egg production, I would not be without it, and am pleased that supplies are available to South African breeders."

J. T. COATES, Harveston, Rockhampton, Queensland, writes:

"The last lot of MERVAL came to hand yesterday. I would like to say that, after having used MERVAL now for nearly three years, I have a higher opinion of it as a poultry tonic than ever. Our losses amongst the chickens this season amounted to less than 10 per cent. for 4000 chickens; those more than seven days old, only 3 per cent. died; and the losses from all causes among the grown fowls has been reduced to practically normal proportions. We use MERVAL once a week, mixed in the morning mash, and give it in the drinking water whenever any sign of sickness occurs in the yard, with the invariable result that all sickness disappears within a day or two. Our pullets have had MERVAL once a week since they were hatched this season, and they have commenced laying two months earlier than usual, and are altogether the finest lot we have ever raised. I am certain this is due to the regular use of MERVAL, which has kept them in a vigorous, healthy condition from birth."

R. R. CHRISTIE, St. Elmo Poultry Farm, Bentleigh, Vic., writes:—

"Please forward by to-morrow's train MERVAL to the value of £2. I may state I use it once a week in the wet mash, and I find it keeps my stock in perfect health, and I never see chicken pox or roup in my yard. I start my chickens from five to seven days old with MERVAL, and I find my losses from all causes is practically normal. I have no doubt MERVAL helped my birds to put up world's record."

L. C. VERREY, Oxshott, Surrey, England, writes:—

"Dear Sirs,—I have used MERVAL for the last twelve years, and I cannot speak too highly of it. Whenever I have a bird off colour, I at once use MERVAL. I reckon MERVAL the best tonic I ever used, and I have used a good many this last 30 years, and will never be without MERVAL in my yards."

R. M. SHACKLEFORD, Pasco Robles, California, writes:—

"Your letter of the 4th inst. has been received, also 1½ dozen cans of MERVAL for which I thank you. I have always balked at testimonials on anything that requires careful handling in its use, because of the fact that all people do not do things alike. I am willing, however, to state the fact that I moved about eight hundred pullets and young roosters from upland on to low river land. A few days afterwards they were affected with a very serious attack of canker, which spread so rapidly that in 48 hours all were more or less affected and some were dying. I telegraphed for MERVAL and shut off all running water—administered the MERVAL according to directions. The next day they were better. The second day they began to eat, only some half-dozen dying after MERVAL was given. I continued the treatment four days, then gave them fresh water for two days. Afterwards gave the MERVAL every other day for one week, feeding, in the meantime, good, rich food. At the end of that time every bird was thriving, and a stranger would not have discovered that there was an ailing chicken among the lot. Within four weeks from the time the chickens were attacked with canker, the roosters were ready for the market, and sold for a fair price, and were in good condition. We lost about 20 in all during the first two days after they were attacked with canker. I consider the cure very remarkable and effective, and shall never be caught without MERVAL on my ranch in the future. I will try your MERVAL on my fens as you suggest, and will report result to you."

C. C. DUNN, Spero Stud Farm, Cheltenham, Vic., writes:—

"It has always been my contention that poultry require a tonic towards the end of the summer months. About February chicken pox generally makes its appearance, and for some years I have been worried with this complaint, and in consequence have suffered financially. Having heard good accounts of MERVAL from several practical poultry farmers, I decided to give it a trial. Results obtained have far exceeded my expectations. The fowls and young stock never looked so well before, and only five cases of chicken pox out of 1100 birds. All my pullets in the current competitions had MERVAL once a week, from January to April 1, and I consider that being in such splendid health considerably helped them to put up a world's record for the Winter Test at Geelong, which was 584 eggs."

NOTE.—This is a Championship Show, and is held under the rules of the Royal Agricultural Society of Victoria and the Victorian Poultry and Kennel Club.

SPECIAL REGULATIONS.

1. All dogs must be registered with the Victorian Poultry and Kennel Club or the Victorian Kennel Association. Registration can be effected at the Society's office at time of entry for the Show.

2. All dogs must have double swivel chains and collars, without names, attached, to enable them to be taken out if required.

3. Any dog wearing a collar with its owner's name thereon will be disqualified from receiving a prize.

4. When being judged, dogs must wear exhibit numbers, which will be supplied by the Society.

5. Exhibitors will, on personal application to one of the Stewards, be permitted to loose their dogs for a short time each day—in the morning, prior to the opening, and in the evening, after the closing of the Exhibition; but they will on no account be permitted to remove their dogs from the yards without a written order from the Superintendent, and without leaving a deposit of £2. (See General Regulation, 39).

6. Dogs will be subjected to veterinary inspection, and those considered by the Stewards or the Veterinary Surgeon unfit for exhibition, either from disease, the effects of disease, vice, or other causes, will not be received; or removed if found necessary.

7. Labels will be sent for each dog when the exhibitor is not a resident of Melbourne or suburbs, on the reverse side of which Exhibitors will be required to write their names, addresses, and instructions for the return journey. Country and Interstate Exhibitors must inform the Secretary by post or telegram of the despatch of their exhibits, giving all particulars, in order that arrangements may be made for receiving them. Two or more dogs may be sent in one hamper or box if it be properly divided and labelled.

Note.—The Society's postal and telegraphic address at Show time is Show Grounds, Ascot Vale.

8. The Society will be most anxious for the care and safety of the Dogs sent for exhibition, or any other property entrusted to them, but it must be distinctly understood by Exhibitors, and all other persons, that the Society will not be responsible for the loss, detention of, or damage to any Dogs or other property, whether arising from accident or other cause whatever, or from any act or omission of themselves, their officers, agents, servants, or others.

9. The Society will engage a thoroughly practical man to feed and take charge of the dogs during the day, and also a night watchman.

10. In order to prevent the non-exhibition of Dogs which have been entered for the Show, thus causing unnecessary preparation, expense and disarrangement of the Show benches, any person making any entry will be subject to a fine of 10/- for each and every entry of Dogs not exhibited, unless a certificate under the hand of the Exhibitor or his

authorised agent be lodged with the Secretary of the Society before the day of the exhibition, certifying that such non-exhibition is caused either by (1) the death of the Dog or Dogs; or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by the Dog or Dogs becoming ineligible for the Class in which they have been entered, or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

All Societies must, however, compete in Section 13—Effective Arrangement. No Society will partake in the distribution of the prize money unless its exhibits are awarded 450 points or over. A list of the deleted sections or subsections (if any) to be delivered to the Society's office on the Show Grounds at least 48 hours before the judging is timed to commence. Prize money will be divided on the basis that the percentage of points actually scored bears to the number of points competed for.

3. Exhibits entered for the Agricultural Societies' Competitions are not eligible to compete in the general classes. Exhibitors wishing to compete in open classes must forward a separate exhibit.

4. Each exhibit will be allowed from 850 to 1000 square feet of floor space.

5. All collections of exhibits must be in charge of a responsible officer of the Society sending the same, who will have to arrange and display the exhibit to the best advantage. Exhibits must be completed before 9 a.m. on Thursday, 16th September.

6. On application to the Secretary, one approved attendant from each Society competing will be allowed to assist in locating the exhibits while the judging is taking place, but he will be removed from the building if he interferes with the judge in any way.

7. Exhibits must be produced, prepared or manufactured within a radius of 30 miles of the Show Grounds of the Society entering same, and, with the exception of wines, must have been produced within 12 months previous to date of entry. Wines may be of any age, but must be from a vineyard that is producing at time of exhibition. No exhibits produced or manufactured in the capital cities of Australia or within a five-mile radius of the General Post Office of same will be allowed to compete.

8. Exhibitors are required, in arranging their exhibits, to place them in such a manner as to facilitate judging. The Judges shall have the right to sample all foods and preserves.

EDUCATION DEPARTMENT—TECHNICAL BRANCH.**TECHNICAL SCHOOLS' EXHIBITION OF WORK.**

This Exhibition has been arranged for the purpose of showing to the people of Victoria some of the work done by students in Technical Schools. The curriculum of the schools contains many subjects and kinds of work necessary to the various industries, and though all the work done in the schools could not be shown in this pavilion, an attempt has been made to illustrate important sections of technical training in the space kindly granted by the Royal Agricultural Society.

Boys and girls who have completed a full course of preparatory technical training are helped to secure suitable employment, and the schools provide advance technical training in evening classes, so that boys and girls employed in skilled crafts and industries may supplement their training received during the day in the workshops, by attending the schools in the evening.

A booklet, giving general information regarding technical education, is available to anyone interested, and may be obtained at the pavilion, and a prospectus giving all particulars of classes will be forwarded, post free, on application to the Principal of a Technical School.

The Exhibition is divided into sections, as shown:—

Attendants' passes will be issued by the Secretary at the Show Grounds after 10 a.m. on Wednesday, 15th September, 1926.

PENALTY FOR NON-EXHIBITION.

15. In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparations, expense and disarrangement of the Show Yard, any person making an entry will be subject to a fine of £2 for each horse entry not exhibited, of £1 for each entry of cattle not exhibited, and 10/- for each entry of sheep or pigs not exhibited, unless a certificate under the hand of the Exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of the Exhibition, certifying that such non-exhibition is caused either by—(1) The death of the animal or animals; or (2) contagious or infectious diseases (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. Persons in charge must on no account leave their respective exhibits, or address the Judge, unless authorised by the Stewards of the section in which they are competing. Competitors not ready at the appointed time of adjudication will be liable to disqualification.

26. The Judge may award a second or third prize, instead of a first one, or may withhold a prize altogether, where the exhibits are not of sufficient merit.

27. The Judge is requested to make a reserve number of the exhibit next in merit beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he is also requested to give commendations when deserved.

28. The Judge shall award Reserve Champion Rosettes in all Horse, Cattle, Sheep and Swine Sections in which Champion awards are made, and the animal second in the class to the Champion shall be allowed to compete for the Reserve Championship.

29. Any Exhibitor or Attendant refusing to attach the Prize Card to any exhibit to which a prize is awarded, and keep the same on the exhibit during the hours of exhibition, or any exhibitor or attendant altering a Prize Card in any way, will, on proof thereof to the Council, forfeit all prizes awarded to such exhibit during the Show, and may be disqualified from again competing, and no exhibitor will be allowed to display any Ribbon or Prize Card on his exhibit, stall, or stand, in addition to those issued by the Society for the year. One Prize Card only is issued for each prize won.

30. Stock exhibits wearing bridles or head stalls with their names or the names of their owners displayed thereon are liable to disqualification.

31. The Council may withhold any prize when fraudulent or erroneous statements have been made regarding an exhibit, or when exhibits have been tampered with or improperly dealt with, and may also withhold all prizes awarded to Exhibitors who have been guilty of false statements in relation to any of their exhibits; and Exhibitors guilty of false entries or statements, or found guilty of tampering with or improperly dealing with their exhibits, may be debarred from again exhibiting, and, if Members, shall be liable to expulsion from the Society. Exhibitors must, if required by the Council, make a statutory declaration regarding their entries.

32. Any person insulting or interfering with a Judge during the Show will be subject to removal from the yards; and the prizes, if any, awarded to such person may be forfeited.

33. Cheques for prizes at the Show will be passed for payment at the Council meeting on Tuesday, 19th October, 1926, one week after which date they will be payable.

35. Protests against awards must be lodged with the Secretary, in writing, before 12 noon on the day after such awards are made, with a deposit of £1 sterling, which will be forfeited to the Society if the protest be found, on due consideration, to be unfounded or frivolous.

36. Should any exhibit, having gained a prize, be disqualified, the next on the list does not necessarily obtain the same prize. The Council, with or without the advice of the Judge, shall decide the question.

37. All persons exhibiting shall accept the decision of the Judge appointed by the Society as to the merits of their exhibits, and in the case of protests, alleging infringement of the regulations, the decision of the Council shall be accepted as final and without appeal.

REMOVAL OF EXHIBITS.

38. No exhibit (except Live Stock, in accordance with Regulation 39) shall be removed from the Exhibition until 5 p.m. on Saturday, 25th September, when all exhibits may be removed. Horses, Cattle, Sheep and Swine may be removed from the grounds on Friday, 24th September, after 5 p.m.

39. Any exhibit of Horses or Cattle may be removed from the yards each day of the Exhibition after 5 p.m. on depositing with the Secretary an approved cheque for £10 (or for any exhibit of Dogs, £2), as a guarantee that the animal will be returned to the yards next morning before 10 a.m. In the event of the animal not being returned before the time specified, the deposit, together with all the prize money (if any) it has won, will be liable to forfeiture; but on the animal's return each day the cheque will be refunded to the Exhibitor.

WATER AND FORAGE.

40. Water will be provided in the yards for Live Stock and for the working of machinery, but exhibitors using gas engines, suction gas plants and refrigerators must provide water storage tanks on their stands, and not permit water to run to waste. Exhibitors of stock will be required to provide their own forage (which can be purchased in the yards at Melbourne prices), but no feed must be stacked in any of the Stock Pavilions. Exhibitors of machinery will be required to provide their own fuel (which must be coke or wood, no coal being allowed), and materials necessary to enable them to comply with the regulations.

42. The privilege of distributing trade lists, advertisements, or other documents is restricted exclusively to Exhibitors at their respective stands. Any person infringing this regulation will incur expulsion from the yards. Any Exhibitor desiring to distribute trade lists, &c., must lodge a deposit of £1 with the Secretary before the Show opens, to be returned after the Show is closed if this regulation has been complied with, and to be forfeited if it has not.

CARE OF EXHIBITS.

43. Every reasonable care will be taken of exhibits, but no responsibility will be incurred by the Society.

USE OF PENS AND STALLS.

44. All exhibits of Live Stock, for which boxes, stalls, or pens are provided, have the use of such accommodation free for one week (and in the case of oversea exhibits, for a fortnight) before the Show opens, but they must be removed from the grounds within one week after the last day of sales, or a charge will be made.

EXHIBITS AT SHOW GROUNDS.

45. The Society's carter will receive competitive exhibits of produce, poultry, dogs, &c., that are addressed to the Show Grounds Siding, and place the entries in their respective sections. The greatest care will be taken of the exhibits; but the Society will not be responsible for any accident, mistake, loss or damage from whatever cause arising, the exhibits being at the sole risk of the Exhibitor. For the carting of stock feed and non-competitive exhibits, &c., to any part of the ground the following charges will be made, for which receipts will be given:—Up to 1 cwt., 6d.; up to 3 cwt., 1/-; up to 6 cwt., 1/6; up to 10 cwt., 2/-; up to 15 cwt., 2/6; and each additional 5 cwt., 6d.

46. In order to facilitate the unloading and loading of Stock at the Show Grounds Siding, the grounds will be lighted at night, and the Society will engage a corps of stock assistants, who will meet every stock train.

All stock assistants will be numbered, and will not approach the trucks unless requested by exhibitors.

They will be permitted to charge Exhibitors not more than 9d. for each "lead" (one or more animals) of stock between 6 a.m. and 6 p.m., nor more than 1/- for each "lead" between 6 p.m. and 6 a.m.

Railway Regulations.

IMPORTANT NOTICE.—Exhibitors desiring to have their stock conveyed by rail from the Show Grounds on Friday evening must order their trucks through the Show Grounds Station-master before 4 p.m. on Thursday, 23rd September.

(Exhibits are consigned direct to Show Siding at Society's Grounds, and Exhibitors are particularly requested to send in their applications for trucks at once to the local Station-master, or to the Live Stock Agent, Railway Department, Melbourne, or through their own selling agents.)

1. The undermentioned conditions shall be applicable in respect of agricultural machines and implements, machinery, produce, live stock (including dogs, poultry and other birds), buggies, motor-cars, drays, waggons, and other goods of a like nature, sent for exhibition to Agricultural Shows.

They may also, by special arrangement with the General Passenger and Freight Agent, be made operative in respect of:—

Agricultural machinery, sent for field trials.

Ploughs, sent for ploughing matches.

Horses, sent for horse parades.

2. The exhibits will, in the ordinary course, be carried in goods or cattle trucks, by goods or mixed trains; but valuable animals may, if it be convenient to the Commissioners, be carried in horse boxes by passenger trains, and charged the same as if loaded in cattle trucks and forwarded by goods trains. Each 3 stalls in "F" or "FF" to be regarded as equivalent to one full cattle truck.

3. When the exhibits are consigned on the forward journey, the consignor will require to declare, on the consignment note therefor, that they are for exhibition, specifying the Show for which they are intended, and the waybill must be endorsed accordingly.

The original freight charges shall be imposed and prepaid in respect of the forward journey in all cases, except that valuable animals carried by passenger trains in accordance with clause 2 will be charged goods train rates, whether loaded in horse boxes or cattle trucks.

4. On the return journey any exhibits, or portion thereof, which are certified by the Secretary of the Show as having been exhibited, and not sold, will be carried "free" to the station whence they were forwarded, provided the journey is completed at any time within one month from the date of despatch on the forward journey. A certificate in the approved form must be handed in when the exhibits are consigned, and such certificate must be attached to the waybill.

If a greater number of vehicles be used for the carriage of exhibits on the return journey than was used on the forward journey, ordinary freight charges will be imposed in respect of exhibits carried in the additional vehicles.

All exhibits, or part thereof, which have been sold, or are not accompanied by the aforesaid certificate, will be subject to the ordinary freight charges on the return journey, and such charges shall, in all cases, be made "to pay."

RAILWAY REGULATIONS

5. Exhibits, accompanied by the aforesaid certificate, may be forwarded on from one Show to another, subject to the freight charges, as prescribed in clause 3 of this division, being prepaid, and when the final destination is reached, they may be returned "free" to the original despatching station, conditionally on the observance of the provisions of clause 4 of this division. If, however, in proceeding to another Show, such exhibits be returned over any portion of the line in respect of which the full freight charges have been paid on the forward journey, the exhibits may be sent free over such portion of the line.

6. All exhibits are carried solely at the risk of the owner, and must be loaded and unloaded by or at the expense of the consignors or consignees.

7. Owners of stock going to or returning from Shows may be allowed free carriage of fodder, as specified hereunder, if it be loaded in the trucks with the animals:—

1 cwt. for each horse or head of cattle each way.
20 lbs for each pig or sheep each way.

8. Exhibits from the Department of Agriculture—viz., wheat, straw in bulk, olive oil, wine, honey, &c., fruit (preserved), charts, &c., fibres, including flax, hemp (dressed and undressed), willows, manures, vegetable oil, eggs, also the necessary marquees, poles, and pegs, tables, trestles, and fittings forwarded to the various Agricultural Shows in the State, shall be forwarded free.

9. Consignors should give not less than four (4) days' notice to the station-master of the number and description of live-stock trucks, and 48 hours for other trucks, &c., required to load exhibits.

10. Judges appointed to act at Agricultural Shows will, on production of an approved certificate, be granted return tickets at Holiday Excursion Fares.

11. If a full sheep-truck load of sheep, or a full cattle-truck load of horses, cattle, or pigs has been paid for on the forward journey, and the whole of the stock has been returned "free," in accordance with the provisions of clause 4 of this division, one stock attendant in respect of each truck will be granted a refund of the return fare paid by him. He must

travel in the truck or in the van of a goods train with the stock, and must provide himself with a copy of Form P69, duly completed by the station-masters at the forwarding and returning stations respectively. A receipt for the refund must be given on the certificate by the attendant, after which it must be forwarded to the Auditor of Receipts as a voucher.
