SPECIAL REGULATIONS.

1. This section is conducted under the rules of the Canine Control Council. (A copy of the rules may be inspected at the office of this Society). All dogs must be registered with the Canine Control Council. Registration can be effected at the Society's office at time of entry for the Show. Registration fee, 1/6.

2. All dogs must have chains and collars, without names, attached, to enable them to be taken out if required.

3. Any dog wearing a collar with its owner's name thereon will be disqualified from receiving a prize.

4. When being judged, dogs must wear exhibit numbers, which will be supplied by the Society.

5. Exhibitors will, on personal application to one of the Stewards, be permitted to loose their dogs for a short time each day—in the morning, prior to the opening, and in the evening, after the closing of the Exhibition; but they will on no account be permitted to remove their dogs from the yards without a written order from the Superintendent, and without leaving a deposit of £2. (See General Regulation 39).

7. Labels will be sent for each dog when the exhibitor is not a resident of Melbourne or suburbs, on the reverse side of which Exhibitors will be required to write their names, addresses, and instructions for the return journey. Country and Interstate Exhibitors must inform the Secretary by post or telegram of the despatch of their exhibits, giving all particulars, in order that arrangements may be made for receiving them. Two or more dogs may be sent in one hamper or box if it be properly divided and labelled.

Note.—The Society's postal and telegraphic address at Show time is Show Grounds, Ascot Vale.

8. The Society will be most anxious for the care and safety of the Dogs sent for exhibition, or any other property entrusted to them, but it must be distinctly understood by Exhibitors, and all other persons, that the Society will not be responsible for the loss, detention of, or damage to any Dogs or other property, whether arising from accident or other cause whatever, or from any act or omission of themselves, their officers, agents, servants, or others.

9. The Society will engage a thoroughly practical man to feed and take charge of the dogs during the day, and also a night watchman.

10. In order to prevent the non-exhibition of Dogs which have been entered for the Show, thus causing unnecessary preparation, expense and disarrangement of the Show benches, any person making any entry will be subject to a fine of 10/- for each and every entry of Dogs not exhibited, unless a certificate under the hand of the Exhibitor or his authorised agent be lodged with the Secretary of the Society at least three days before the opening of the exhibition, certifying that such non-exhibition is caused either by (1) the death of the Dog or Dogs; or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by the Dog or Dogs becoming ineligible for the Class in which they have been entered, or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

11. No dog shall be eligible to compete if it be proved to the satisfaction of the Council:—(a) That any dye, colouring, whitening or darkening matter has been used and remains on any part of the dog; (b) that any preparation, chemical or otherwise, has been used, which remains on the coat during the time of exhibition, for the purpose of altering its texture; (c) that any oil, grease or sticky substance has been used and remains on the coat during the time of exhibition; (d) that if any cutting, piercing, breaking by force, or any kind of operation or act which destroys the tissues of the ears or alters their natural formation or carriage, or shortens the tail, or alters the natural formation of the dog or any part thereof, has been practised, or any other thing done calculated to deceive, excepting cases of necessary operations certified to the satisfaction of the club; (e) that the lining membrane of the mouth has been cut or mutilated in any way.
