WHEAT, which millers grind into flour free of charge.

LIVESTOCK, which the Colonial Meat Company accepts delivery of, kills and dresses, and then delivers free of charge to the State Relief Committee's Central Store.

POTATOES, VEGETABLES, FIREWOOD, all of which are carried by rail free of charge if consigned to the State Relief Committee for distribution amongst fifty-two subsidiary committees and to many country centres.

It might be mentioned that the State Relief Committee deals only with the provision of foodstuffs and clothing. All sustenance matters are dealt with by the Minister in Charge of sustenance and his staff.

VISIT STAND No. 24, LENNON AVENUE.

JUDGING ARRANGEMENTS (CLASS 144).

The steers are to be weighed alive on the day previous to judging and the live weights handed to the Judge. In the first place, the steers are to be judged alive (by the Shorthorn Judge in the Shorthorn ring) on the lines of breed characteristics and suitability for the beef trade. A maximum number of 50 points can be awarded to exhibits when alive.

The steers are to be sold by auction at the Show Grounds on behalf of the exhibitor, and will (on a date to be fixed) be slaughtered in the presence of the judge (a butcher) weighed for dead weight, and judged on appearance when dressed, for color, quality and value of meat and hide. The maximum number of points which can be awarded for the dead carcass and hide is 50. The live weight is also to be furnished to the carcass judge, who has power to have the carcass cut as he wishes in order to arrive at a correct judgment. The prizes are to be awarded to the exhibits that gain most points in the two judgings, and are the property of the exhibitors who enter the steers and not of the purchaser.

In the first place, the steers are to be judged alive (by the Red Poll judge, in the Red Poll ring), on the lines of breed characteristics and suitability for the beef trade. A maximum number of 40 points can be awarded to exhibits when alive.

The steers are to be sold by auction at the Show Grounds on behalf of the exhibitor, and will (on a date to be fixed) be slaughtered in the presence of the judge (a butcher), weighed for dead weight, and judged on appearance, when dressed, for color, quality and value of meat and hide. The maximum number of points which can be awarded for the dead carcass and hide is 60. The live weight is also to be furnished to the carcass judge, who has power to have the carcass cut as he wishes, in order to arrive at a correct judgment. The prizes are to be awarded to the exhibits that gain most points in the two judgings, and are the property of the exhibitors who enter the steers, and not of the purchaser.

After the final awards are made, the meat must be placed on exhibition for two days at butchers' shops within a radius of six miles from Melbourne G.P.O., due notice of days and place to be given to the public. The judges are to be asked to furnish reports on this competition to the Red Poll Cattle Breeders' Association of Australasia, Temple Court, 422 Collins Street, Melbourne.

Note.—Exhibits in the above class are eligible to compete in Classes 301 and 309.

MADE IN AUSTRALIA.

Australian Illawarra Shorthorns

Founded and developed in Australia under Australian conditions, the Australian Illawarra Shorthorn Breed has made wonderful progress in New South Wales, Queensland, and Western Australia, and is fast gaining popularity with dairy farmers in Victoria, where this breed has only recently been introduced.

Their Dairy Qualities have made them a big factor in the Dairying Industry throughout the Commonwealth.

A Victorian Branch of the Australian Illawarra Shorthorn Society was formally established in 1930, and there are now forty financial members in this State.

Become a member and assist in furthering the interests of this great dairy breed. The Annual Subscription is £2/2/-. Join now and attend the Annual Meeting of Members in the Breeders' Room in the Administrative Building on the Show Grounds at 11 a.m. on Wednesday, 23rd September, 1931.
