# *A Nourishing* *and* *Sustaining Food*

**Good Chocolate** — chocolate made from the finest quality ingredients — is rich in food elements which are essential for growth and good health.

**Good Chocolate** provides tissue building proteins, mineral salts, and vitamins in a delicious, easily-digested form. It is particularly sustaining food too, because it contains such a high percentage of calories or units of energy in every  $\frac{1}{4}$  lb. block.

## Haymaking Machinery

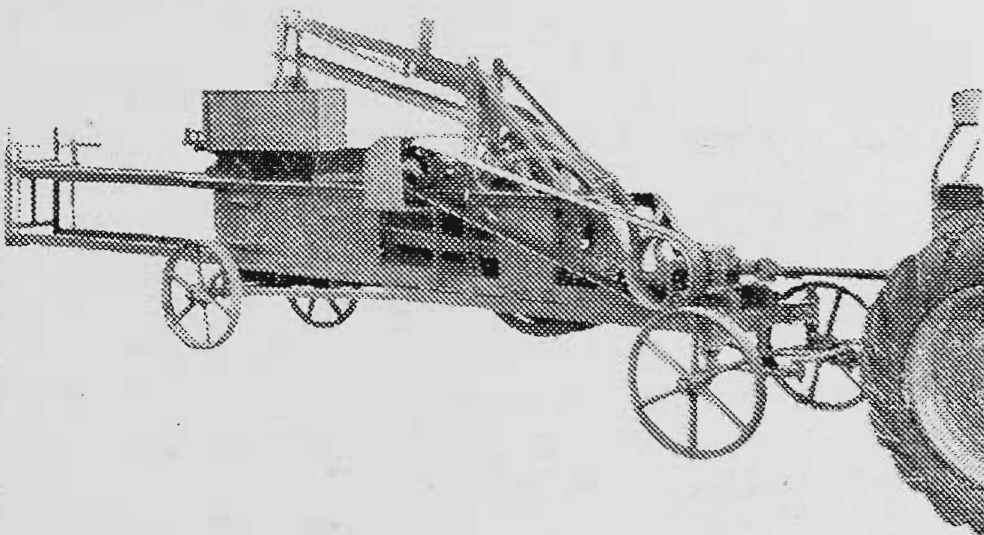

Cut 6 feet. Built in two types—Hydraulic Lift for Allis-Chalmers "B" and "C" Tractors, and Hand Lift to suit almost any Tractor.

Drop-forged, the fingers, knife head and sockets are tough—to withstand shocks—and, being hard, are long-lasting. Shafts run on roller bearings in oil baths. Drive, by "V" belt to crankshaft, is quiet, smooth and positive.

Rubber-tyred Castor Wheel.

The "Mitchell" Model "B" Press can be driven by Tractor P.T.O. or by belt from Tractor Pulley or any 5 h.p. engine. With an output of 40 cwts. per hour—and much more in favourable conditions—it saves its cost in a season.

Stallions over two years of age exhibited from States other than Victoria, and all Mares three years old or over, entered in Sections 1 to 9 (except Farm and Lorry Horses in Section 4) must be passed as sound and must have their entry tickets stamped "Pass to Ring" by a Government Veterinary Officer before entering the judging ring.

Stallions and Mares will be examined by Government Veterinary Surgeons on the Show Grounds on Wednesday, 22nd September, commencing at 10 a.m.

Where height is stipulated, horses and ponies must be measured, and an exhibit over or under the specified measurement may be transferred to its correct class. The official measurer will be in attendance on the Grounds on Tuesday, 21st, and Wednesday, 22nd September, at 10 a.m.; on Thursday, 23rd September, at 8 a.m., and on each remaining day of the Show from 9.30 a.m. to 10 a.m., and horses and ponies must be there to obtain their certificates, which must be produced to the Steward when entering the judging ring.

If the judge entertains a doubt as to the correctness of a height certificate, he has the power to order the exhibit to be re-measured. In such case the Steward shall accompany the exhibit to the Measurer's Stand and supervise the re-measuring.

All entrants in light horse, pony and contest sections must state performances of horse or pony on entry form. Immediately after the close of entries on 31st July, the Horse Committee will go through all forms, and from the information supplied will determine which entries will be accepted, and for which animals accommodation will be provided. In this connection first preference will be given to approved animals from other States. All entrants will be notified of the Committee's decision, and all fees paid on any entries not accepted will be re-

funded. In all Hunting and Jumping Contests, competitors will be limited to 30.

The upper portion of the door of the Horse Boxes outside the Pavilion must remain open during the hours the Show is open to the public. The Exhibitor will be liable to a fine of ten shillings for every infringement of this regulation.

Horses are not permitted to enter the Judging Ring if fitted with bearing reins.

Any Exhibitor who shall, without due cause, fail to parade any animal before the Judge when required so to do by the Steward of the Section, shall be liable to a fine of one pound.

Several feed stalls are available for Exhibitors. Charge, 12/6 during the currency of the Show. Exhibitors are not permitted to stack feed in the Horse Pavilions. The attention of Exhibitors is drawn to General Regulations 14 and 15. These will be strictly enforced.

Exhibits of horses which, in the opinion of the Society, are not in reasonable Show condition, shall be removed from the grounds and shall not be eligible to be offered for sale on the Show Grounds.

Exhibitors are advised to study the timetable, showing times at which judging in the various Classes is to be commenced. Judging in any Class will not commence before the time specified. No warning will be given, and any competitor not present when the Judge is ready to commence will miss the opportunity to compete.

## TRUCKS, TRANSPORTS AND CARAVANS.

Motor vehicles, including trucks and stock transports, will not be permitted to remain on the Show Grounds after unloading. They must be removed immediately, and will not be re-admitted until after 12 noon on Friday, 1st October, to load for the return.

Caravans will not be admitted to the Show Grounds.

## PARADES.

Prize-winning horses and cattle ONLY will be permitted to take part in Parades.

All prize-winning horses and cattle must be taken out on parade, in accordance with the printed programme. Exhibitors shall be subject to a fine of ten shillings in each case in which this regulation is not complied with, and shall also be liable to forfeit the prize or prizes awarded to their exhibit or exhibits.

All horses and cattle parading must wear exhibit numbers.

No ribbons will be permitted on exhibits except those won during the Show.

## EXERCISING HORSES.

The exercising of Clydesdales will be allowed on the arena track before 8.30 a.m. and after 5.30 p.m. on any day of the Show, and one week prior thereto, by permission of the Superintendent.

# **Your Railways** *are Inseparable*

The growth of railways has gone hand-in-hand with development of the State's resources. In 1852 the first railway line was opened; by 1864 there were 275 miles of tracks in operation, rising to 3,000 miles by 1894 and 4,748 miles to-day. During that 96 years the population of Victoria has increased five-fold, and public revenue has multiplied twenty-fold.

With the establishment of every new primary producing settlement, or of each new industry, the Victorian Railways have been ready to play their part in providing safe, sure, efficient transport. Now, as always, the system is at your service . . . and at the service of the whole community.

STEWARD: NOEL MASON, Esq.

### EQUITATION TESTS.

JUDGE: A. G. BAXTER, Esq.

STEWARD: NOEL MASON, Esq.

(Stallions are not eligible to compete in this Section.)

Where height is stipulated, horses must be measured, and an exhibit over or under the specified measurement may be transferred to its correct Class. Where a definite weight is specified, the horse must, in the opinion of the judge, be suitable for carrying such weight.

All horses in the 14-st., 12-st. and 10-st. Hack Classes (Open and Novice) must be paraded before judging, when the Judge will class them into their various classes in the following way:—The horses entered for 14-st. Hack shall be paraded, when any horse too light in the opinion of the Judge, shall be transferred to the 12-st. Class. Those entered in the 12-st. Class shall be next paraded, when the Judge shall class out any he considers too heavy or too light, and shall transfer the heavy to 14-st. and the light to 10-st. Class. Those entered for the 10-st. Class shall be paraded, and the Judge shall class out all considered too heavy, and transfer to 14-st. or 12-st. Class, as the case may be. Judging will then commence with the 14st. Class.

NOVICE: A Novice is a mare or gelding which has not won a first prize as a hack, competing singly, at any Australian Royal Show at time of judging. Winners of Consolation Classes at previous Royal Shows are eligible to compete.

Please state on entry form the name, colour and correct age of exhibit, also pedigree (if known).

All prize-winning horses must be paraded. (See Regulation at head of Horse Section.)

All entrants in light horse, pony and contest sections must state performances of horse or pony on the entry form. Immediately after the close of entries on 31st July, the Horse Committee will go through all forms, and from the information supplied, will determine which entries will be accepted, and for which animals accommodation will be provided. In this connection, first preference will be given to approved animals from other States. All entrants will be notified of the Committee's decision, and all fees paid on any entries not accepted will be refunded.

## DEAD LIMB

Off with that dead limb—extravagance. A little extravagance now and then may be good for everybody, but being extravagant all the time is neither good living nor real enjoyment. Let us recognize that thrift, combined with work is the most certain and universal factor making for the well-being and dignity of the individual. What you SAVE now will be yours to spend in happier days, when there will be an ample supply of labour and materials to produce all the things that you want to enjoy.

## QUALIFYING COMPETITIONS.

1. Each Country Agricultural Society in Victoria, or a gymkhana registered with the R.A.S. Light Horse Control Council, is invited to co-operate in qualifying competitors for this trophy, by providing annually a riding competition for girls under 15 years of age on the day of its Show.

2. Each Society conducting a qualifying competition is requested to notify the Royal Agricultural Society of Victoria of the names and addresses of the winner and "runner-up," so that if it is found that for any reason the winner was ineligible, an opportunity may be given the "runner-up" to compete in the Championship competition.

3. Such competition to be named "The Good Hands Qualifying Riding Competition," and the Royal Agricultural Society of Victoria to provide suitable certificate for presentation to the winner.

4. The holder of a R.A.S. Qualifying Certificate, won in the same year, shall not be eligible to compete.

5. The competitors shall be judged solely on their riding ability—mount, saddlery or costume will not be taken into account, but special attention will be paid to hands and seat, general management and control of the horse or pony.

## CHAMPIONSHIP COMPETITION.

6. Only holders of qualifying certificates won during the preceding twelve months will be eligible to compete for the Challenge Trophy at the Royal Melbourne Show. No entry fee will be charged.

7. The Championship competition shall be judged on the same basis as the qualifying competitions, but the Judge, before finally making his award, shall require his six finalists to change mounts and to execute a figure 8 on a canter, ride away from the Judge, return at a slow canter, stop at the Judge's signal and back.

8. The name of the winner will be engraved on the Challenge Trophy, and she will be entitled to hold it until 31st August in the year following her success.

9. A suitably inscribed Championship Sash will be presented to each successive winner of the Challenge Trophy.

10. The winner of the Challenge Trophy will be eligible to compete in future years, subject to age.

11. The Council of the Royal Agricultural Society of Victoria may, at its discretion, vary the conditions governing the qualifying and championship competition.

# CATTLE

## STEWARDS-IN-CHIEF:

Beef Cattle—W. J. T. CLARKE, Esq.

Deputy, L. M. DUGDALE, Esq.

Dairy Cattle—A. H. MOORE, Esq.

Deputy, KEITH McGARVIE, Esq.

The breeding year for all Cattle (including Fats) dates from 1st July in each year.

Cow or Heifer entered as "in milk" can be transferred to the "in calf" class, if she has not calved prior to judging day, or vice versa.

Cows or Heifers entered in the "in calf" classes must be stripped out prior to entering the judging ring.

Judges have the right to order any Cow competing for Championships to be milked dry before finally awarding the prizes.

In all Sections feed sheds are available for exhibitors. Charge, 12/6 during the currency of the Show. Feed-mixing bins may be hired for 2/6 each. Exhibitors are not permitted to stack feed in the Cattle Pavilions.

Cows and Heifers in milk must be at the grounds on Wednesday, 22nd September, and be fully milked out between 4 p.m. and 5 p.m. (except Friesians, Section 25, which will be stripped out at 9 p.m.), at which hour they will be stripped out in the presence of the Stewards, or whom they may appoint. They will be judged first on Thursday morning. The owner or his representative must be in attendance when females are being stripped out. All other cattle must be at the grounds before 9 a.m. on Thursday, 23rd September.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 1 p.m. on Friday, 1st October.

Entries of milking stock (Sections 19 to 26 inclusive) will only be accepted subject to the following regulations regarding the disposal of milk.

In order that the Society can comply with the provisions of the Dairy Supervision Act, exhibitors are not permitted to dispose of milk prior to and during the currency of the Show, either by sale or gift, other than to the Society's agent, who is situated at the Milk Room (beside the No. 1 Cattle Pavilion). All milk will be purchased according to butter-fat value, based upon a complete test of the bulked milk, and returns forwarded to exhibitors after the Show. No milk will be paid for unless approved milk utensils are used and hygienic methods are adopted.

Entries limited to two in each class (except where otherwise specified) from any one exhibitor.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

Any exhibitor who shall, without due cause, fail to parade any animal before the Judge, when required so to do by the Steward of the Section, shall be liable to a fine of £1.

Parades.—Prize-winning horses and cattle only will be permitted to take part in parades. All prize-winning horses and cattle must be taken out on parade, in accordance with the printed programme. Exhibitors shall be subject to a fine of ten shillings in each case in which this regulation is not complied with, and shall also be liable to forfeit the prize or prizes awarded to their exhibit or exhibits. All horses and cattle parading must wear exhibit numbers. No ribbons will be permitted on exhibits except those won during the Show.

If, in the opinion of the Secretary, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

All male exhibits of Cattle over the age of 12 months shall be rung through the nose, and when on parade or going to and from the parade shall be led by such ring. Exhibitors will be liable to a fine of £2 for every infringement of this regulation.

Each exhibitor is required to see that each of his exhibits is securely tethered in its stall, and in the case of polled breeds it is compulsory that they be tethered by the nose ring in addition to the head stall or neck rope.

Exhibitors of Cattle are not permitted to allow persons to ride on the backs of their exhibits. Exhibitors will be liable to a fine of £2 for any infringement of this regulation.

If, in the opinion of the Secretary, exhibits in this Section be deemed to be deformed, the owner or owners of such exhibit or exhibits shall, upon notice to that effect, remove such exhibit or exhibits from the Show Grounds.

Exhibits of Cattle which, in the opinion of the Society, are not in reasonable Show condition, shall be removed from the grounds and shall not be eligible to be offered for sale on the Show Grounds.

Any animal offered for sale may wear, in the sale ring, only those ribbons won in single competition.

In Classes where, to be eligible, animals are to be born between certain dates, which are shown, neither date is inclusive.

Note.—All steers exhibited at this and future Shows must be tattooed in accordance with Herd Book Regulations.

NOTE.—Exhibitors in the above Class are eligible to compete in Classes 560 and 561.

#### JUDGING ARRANGEMENTS (CLASS 317).

The steers are to be weighed alive on the day previous to judging and the live weights handed to the Judge. In the first place, the steers are to be judged alive (by the Shorthorn Judge in the Shorthorn ring) on the lines of breed characteristics and suitability for the beef trade. A maximum number of 40 points can be awarded to exhibits when alive.

The steers are to be sold by auction at Newmarket on behalf of the exhibitor, and on Thursday, 30th September, they will be slaughtered in the presence of the Judge (a butcher), weighed for dead weight, and judged on appearance when dressed for colour, quality and value of meat, hide and offal. The maximum number of points which can be awarded for the dead carcase, hide and offal is 60. The live weight is also to be furnished to the carcase judge, who has power to have the carcase cut as he wishes in order to arrive at correct judgment. The prizes are to be awarded to the exhibits that gain most points in the two judgings, and are the property of the exhibitors who enter the steers, and not of the purchasers.

After the final awards are made, the meat must be placed on exhibition for two days at butchers' shops within a radius of six miles from Melbourne G.P.O., due notice of days and place to be given to the public. The judges are to be asked to furnish reports on the competition to the Shorthorn Society of Australia (Victorian Branch), Temple Court, 422 Collins Street, Melbourne, C.1.

# Nundi Red Polls

(HOME OF GOOD COWS)

## Dual Purpose—Beef and Milk

**T**HE stud is bred for beef and butter-fat on some of the outstanding blood lines of the breed. It is one of the largest "AA" Red Poll Studs in Australia.

### BUTTERFAT

The entire Nundi herd of cows is now under Official Government butter-fat test, and figures comparable with many good dairy herds, under similar conditions, are being obtained.

Heifers have averaged from 25-40 lb. of butter-fat, and mature cows from 40-60 lb. a month, off natural pastures only.

Top sire this season was Nundi Neptune, a bull of grand scale, by the famous Knepp Minster (imp.) ex Nundi New Year, holder of a certificate for 329 lb. of fat in 273 days as a junior three-year-old. New Year is from Anahdale My Love, a half sister to Anahdale Stella, a cow that has qualified for 4th place among all breeds in the N.S.W. Government "Elite" Register for Life Time production. In this register a cow must have produced 3,600 lb. at least of butter-fat. Stella qualified with a handsome margin, producing 4,490 lb. in 10 years.

### BEEF

Nundi steers and fat cows always command very satisfactory prices when sold as fats.

A pen of three-year-old pure-bred steers, reared as skim poddies, sold recently for £22/11/- a head at the Wagga (N.S.W.) fat stock market.

## JUDGING ARRANGEMENTS.

The steers are to be weighed alive on the day previous to judging and the live weights handed to the Judge. In the first place, the steers are to be judged alive (by the Red Poll Judge, in the Red Poll ring), on the lines of breed characteristics and suitability for beef trade. A maximum number of 40 points can be awarded to exhibits when alive.

The steers are to be sold by auction at Newmarket on behalf of exhibitor, and on Thursday, 30th September, they will be slaughtered in the presence of the Judge (a butcher), weighed for dead weight, and judged on appearance when dressed, for colour, quality and value of meat, hide and offal. The maximum number of points which can be awarded for the dead carcass, hide and offal, is 60. The live weight is also to be furnished to the carcass Judge, who has power to have the carcass cut as he wishes, in order to arrive at a correct judgment. The prizes are to be awarded to the exhibits that gain most points in the two judgings, and are the property of the exhibitors who enter the steers, and not of the purchasers.

After the final awards are made, the meat must be placed on exhibition for two days at butchers' shops within a radius of six miles from Melbourne G.P.O., due notice of days and place to be given to the public. The Judges are to be asked to furnish reports on this competition to the Red Poll Cattle Breeders' Association of Australia, Temple Court, 422 Collins Street, Melbourne, C.1.

NOTE.—Exhibits in the above class are eligible to compete in Classes 570 and 571.

**JUDGING ARRANGEMENTS.**

The steers are to be weighed alive on the day previous to judging and the live weights handed to the Judge. In the first place the steers are to be judged alive (by the Dairy Shorthorn Judge, in the Dairy Shorthorn ring), on the lines of breed characteristics and suitability for the beef trade. A maximum number of 40 points can be awarded to exhibits when alive.

The steers are to be sold by auction at Newmarket on behalf of exhibitor, and on Thursday, 30th September, they will be slaughtered in the presence of the Judge (a butcher), weighed for dead weight, and judged on appearance, when dressed, for colour, quality and value of meat, hide and offal. The maximum number of points which can be awarded for the dead carcass, hide and offal, is 60. The live weight is also to be furnished to the carcass Judge, who has power to have the carcass cut as he wishes, in order to arrive at a correct judgment. The prizes are to be awarded to the exhibits that gain most points in the two judgings, and are the property of the exhibitors who enter the steers, and not of the purchasers.

After the final awards are made, the meat must be placed on exhibition for two days at butchers' shops within a radius of six miles from Melbourne G.P.O., due notice of days and place to be given to the public. The judges are to be asked to furnish reports on this competition to the Dairy Shorthorn Association of Australia, Temple Court, 422 Collins Street, Melbourne, C.I.

NOTE.—Exhibits in the above Class are eligible to compete in Classes 570 and 571.
