JUDGING ARRANGEMENTS.

The steers are to be weighed alive on the day previous to judging and the live weights handed to the Judge. In the first place, the steers are to be judged alive (by the Red Poll Judge, in the Red Poll ring), on the lines of breed characteristics and suitability for beef trade. A maximum number of 35 points can be awarded to exhibits when alive.

The steers are to be sold by auction at Newmarket on behalf of exhibitor, and on Thursday, 30th September, they will be slaughtered in the presence of the Judge (a butcher), weighed for dead weight, and judged on appearance when dressed, for colour, quality and value of meat, hide and offal. The maximum number of points which can be awarded for the dead carcass, hide and offal, is 65. The live weight is also to be furnished to the carcass Judge, who has power to have the carcass cut as he wishes, in order to arrive at a correct judgment. The prizes are to be awarded to the exhibits that gain most points in the two judgments, and are the property of the exhibitors who enter the steers, and not of the purchasers.

After the final awards are made, the meat must be placed on exhibition for two days at butchers' shops within a radius of six miles from Melbourne G.P.O., due notice of days and place to be given to the public. The Judges are to be asked to furnish reports on this competition to the Red Poll Cattle Breeders' Association of Australia, Temple Court, 422 Collins Street, Melbourne, C.I.

Special Prizes of £8, donated by THE DAIRY SHORTHORN ASSOCIATION OF AUSTRALIA (Special).—Prizes: £5, £2, £1. Entry fee 10/-.

JUDGING ARRANGEMENTS.

The steers are to be weighed alive on the day previous to judging and the live weights handed to the Judge. In the first place the steers are to be judged alive (by the Dairy Shorthorn Judge, in the Dairy Shorthorn ring), on the lines of breed characteristics and suitability for the beef trade. A maximum number of 35 points can be awarded to exhibits when alive.

The steers are to be sold by auction at Newmarket on behalf of exhibitor, and on Thursday, 29th September, they will be slaughtered in the presence of the Judge (a butcher), weighed for dead weight, and judged on appearance, when dressed, for colour, quality and value of meat, hide and offal. The maximum number of points which can be awarded for the dead carcass, hide and offal, is 65. The live weight is also to be furnished to the carcass Judge, who has power to have the carcass cut as he wishes, in order to arrive at a correct judgment. The prizes are to be awarded to the exhibits that gain most points in the two judgings, and are the property of the exhibitors who enter the steers, and not of the purchasers.

After the final awards are made, the meat must be placed on exhibition for two days at butchers' shops within a radius of six miles from Melbourne G.P.O., due notice of days and place to be given to the public. The judges are to be asked to furnish reports on this competition to the Dairy Shorthorn Association of Australia, Temple Court, 422 Collins Street, Melbourne, C.1.

NOTE.—Exhibits in the above Class are eligible to compete in Classes 578 and 579.

- 597 Estate of the late W. K. Atkinson, WILLOW PARK LORD BARRINGTON 20th (Prog. Vol. 5), red, little white, calved 30/10/47, bred by exhibitors, s Willow Park Rosy Barrington 30th (1229 A.), d Willow Park Melba 66th (2998 C.).

Cows competing in these Classes must have gained a Government Herd Testing Certificate during the year ending 31st July, 1949. In cases where tests are not those of the Victorian Department of Agriculture, certificates from the Department conducting the test must accompany the entry form.

KEROSENE TRACTORS

1. What is the Drawbar Horsepower and PULL IN POUNDS?
2. What does the Tractor WEIGH?
3. What is the PRICE of the Tractor?
4. Has it a PERFORMANCE RECORD that can be OWNER-CHECKED?
5. Is it a Tractor that can be EASILY SERVICED when necessary?
6. Can the expected period of EFFICIENT OPERATION be OWNER-CHECKED?

REMEMBER! "Caterpillar" Track-type Tractors and John Deere Wheel-type Tractors purchased 15 and 20 years ago ARE STILL AT WORK!

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 12 noon on Friday, 30th September.

All British Breeds Sheep exhibited (except imported sheep, which must be tattooed in accordance with the regulations of the recognised Flock Book of the country of origin) must be visibly and legibly tattooed with their breeder's registered flock number and the trade mark of the Australian Society of Breeders of British Sheep in accordance with the Rules of that Society.

All Corriedale Sheep exhibited (except imported sheep, which must be visibly and legibly tattooed in accordance with the regulations of the recognised Flock Book of the country of origin) must be tattooed with their breeder's registered flock number and the trade mark of the Australian Corriedale Association in accordance with the Rules of that Association.

Inspectors will examine all registered British Breeds, Corriedale, Polwarth and Fat Sheep exhibited prior to judging and discard all not up to standard and not fairly and evenly shorn. Any found to be not visibly and legibly tattooed will be disqualified.

Disqualified sheep may not be offered for sale on the Show Grounds. Exhibitors of disqualified sheep may remove them from the Show Grounds or leave them in their pens. If sheep are left in the pens a notice carrying the words, "Rejected by Inspectors and not permitted to be offered for sale," must be erected over them.

Sheep in Sections 29 to 42 inclusive, are only required in the yards from 10 a.m. on Monday, 26th September (when judging commences), until 12 noon on Friday, 30th September.

Sheep must not be rugged during the hours the Show is open to the public. The exhibitor will be liable to a fine of ten shillings for every infringement of this regulation.

A ewe entered as "with her own lamb at foot" may be transferred to the Class provided for ewe of her age if she has not lambed prior to judging day, or vice versa.

All sheep entered in Sections 29 to 42 (inclusive) must be registered in the exhibitor's name and be the property of exhibitors registered in an approved public Flock Book. Only one exhibitor will be recognised as the owner from any one holding.

All sheep in the British Breeds Classes (except shorn sheep) must have been fairly and evenly shorn between 1st August and 31st December, 1948. Date of shearing to be given on entry form. Corriedales must be shorn on or after 1st July, 1948.

Shearing dates for Merinos in accordance with Australian Sheepbreeders' Association regulations.

Exhibits in the wool are not eligible to be entered in the classes provided for shorn sheep, and if found to be so entered shall be removed from the yards.

Exhibits of shorn sheep must be closely and evenly shorn on or before 1st September, 1949. No Longwool sheep entered in a shorn class may have more than one and a half inches of wool on any part of its body on judging day, and no shortwool sheep may have more than three-quarters of an inch of wool on any part of its body on judging day.

In shorn sheep classes the carcass will be taken into consideration as well as the type.

Sheep that have been unfairly shorn or unfairly trimmed will be disqualified.

Sheep need not be entered by name or tag number, and no particulars other than the breeder's name and date of shearing will be published in the Show Catalogue.

 always dip your sheep with "Gamalene"*

Renewed.

- ★ "Gamalene" contains Benzene Hexachloride — the most powerful destroyer of wool parasites yet discovered.
- ★ An emulsion of the consistency of thin cream, easily poured, "Gamalene" mixes immediately with water.
- ★ There is nothing harsh in "Gamalene" to affect the wool or sensitive skin of sheep. It contains no mineral oils, or mineral solvents, no alkali or caustic ingredients, has no scouring action on the wool.
- ★ In "Gamalene" Liquid Dip, the insecticide is dissolved in oils of animal origin which are compatible with the wool greases. "Gamalene" is absorbed by these natural wool greases and cannot be washed out by rain.

"Gamalene" is packed in 2½ gallon cartons (2 tins) equivalent to 1000 gallons of wash.

SHEEP FEEDS

★

We are glad to advise Graziers that we can again supply the well-known "**RIVERINA SHEEP NUTS**," and all enquiries will receive prompt attention.

★

STOCK MEALS.

At the request of leading Stud Sheep Breeders we are now making up "**SPECIAL STOCK FEEDS**." These are popular with many graziers owing to their quality, reasonable cost and labor saving.

The Formulae of these Meals were specifically designed by us with the co-operation of Leading Stud Sheep Breeders and prominent Veterinary Officers primarily for the purpose of preparing **STUD SHEEP** for Shows and Sales.

We use only ingredients of the Highest Quality in our Meals, because we realise the importance of Correct Feeding for this purpose. The ingredients used are as follow:—Wheaten Chaff, Lucerne Chaff, Peanut Meal, Linseed Meal, Oats, Maize, Sorghum Grain, Barley, Bran, etc., Lime 1 per cent., and Salt 1 per cent.

The "**STARTER MEAL**" is recommended for feeding when Sheep are first brought in for preparation for Shows and Sales, and the formula is suitably adjusted for feeding at this stage.

The "**STANDARD MEAL**" contains a higher percentage of concentrates and is recommended for feeding the same sheep after they have been accustomed to hand feeding.

The "**FINISHER MEAL**" contains a still higher percentage of concentrates and is recommended for "topping off" for a few weeks prior to the Shows or Sales.

The Ideal Sheep for Early Fat Lambs use

Broughton Brook Dorsets

Regd. Flock No. 99

Founded on the best blood, and bred along scientific lines, the stud has attained a very high standard. Low set, thick carcasses, well-coupled necks, very strong backs, wide sprung ribs, good bone and undoubted constitution are features bred into these sheep. Fat lamb growers and stud breeders in all parts of Australia, and outside countries, are regular buyers of Broughton Brook Rams.

DORSET HORN STUD

FOUNDED IN 1922 BY MR. H. L. BAILLIEU, WITH A COMBINATION OF THE BEST IMPORTED AND SOUTH AUSTRALIAN BLOOD.

Two of the Ram Lambs Imported in 1936.

Dorsets are early and prolific lamb breeders. The Torrumbarry Estate Dorset Stud is one of the largest in Australia, and is noted for the soundness of its sheep and their strong Down character.

The Stud was augmented in September, 1936, by the importation of five Rams and 20 Special Stud Ewes, personally selected in England by Mr. H. L. Baillieu. These sheep, after selection, won first prize at Royal Sussex and County Shows; also first, second, third, and champion prizes at Royal Show held at Bristol.

In 1945 and 1947, further importations were made from the well-known CLENSTONE Stud, Dorset, England.

BLADIES OF GRASS

by

H. C. TRUMBLE

306 pages, 8½" x 5", Cloth Bound

57 illustrations and map

21/-, postage, 6d.

The author of this important book on pasture research is Professor of Agronomy in the University of Adelaide, and in charge of the famous Waite Research Institute, near Adelaide. He is also, incidentally, son of the famous international cricketer, Hugh Trumble, consequently his interest in grass extends beyond its use as pasture.

Professor Trumble has been at the Waite Institute since its beginnings, and can be regarded as one of the world's foremost authorities on pasture. This book is the result of his wide experience both at home and abroad, and contains the products of twenty years of continuous grassland investigation in South Australia. The book's especial value to Australian pastoralists lies in the fact that the researches dealt with have been conducted in this country under climatic conditions common to a wide area of the continent.

IT IS A BOOK NO PASTORALIST CAN AFFORD TO MISS!

COOPER SHEEP DIPS

Recent scientific research has developed new Sheep Dip formulae based on "Gammexane" Gamma B.H.C. The Cooper organisation has pioneered this research, and, in fact, introduced "Gammexane" Dips to Australia.

Lengthy trials and wide commercial use of the Cooper "Gammexane" Dip, GAMATOX, have given excellent results, but in no way does this detract from the merits of Cooper Arsenical Dips, which have achieved a world-wide reputation for their high efficiency.

PIGS

Section 45 — Pigs

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 5 p.m. on Friday, 30th September.

Age of all pigs to be calculated to 15th September in each year. The Society's veterinary surgeon's decision to be final on all matters regarding age. Exhibitors may be disqualified and debarred from further competition for any breach of regulations regarding the age of exhibits.

In classes 792 to 858 (inclusive) all exhibits over the age of four months must be registered in an approved Herd Book. Pigs in classes under the age of four months must be from litters notified in accordance with the Rules of the Australian Pig Society. In the Classes for sows with litters, the sire of the litter must also be registered, and the litter must have been duly recorded.

All sows 2 years old or over must be in pig or have produced a recorded litter during the 12 months prior to the closing date of entries.

All boars 15 months old or over must have had their tusks cut within one month prior to the Show, and the Superintendent is empowered to remove from the Show Grounds any boar whose tusks have not been cut.

The Registered Herd Book numbers of all exhibits and of the sires and dams of exhibits must be stated on entry form.

For particulars of registration in the Australian Pig Herd Book, apply to the Secretary, Australian Pig Society, Temple Court, 422 Collins Street, Melbourne.

Pigs not registered prior to 31st July will only be permitted to be entered for the Show on payment of double entry fees.

Exhibitors must be financial members of the Australian Pig Society, whose herds must be accredited as Brucellosis-free by the Department of Agriculture.

Entries are limited to two in each class from any one exhibitor, in whose name the exhibits must be registered in the Herd Book. Only one exhibitor will be recognised as an owner from any one holding.

Exhibitors must make a statutory declaration that their entries are true and correct in every particular, that their exhibits are eligible for entry according to the conditions specified, and subject to the Rules, Regulations and By-laws of the Society, and that their exhibits, and the holding or holdings on which such exhibits were kept, have been free from swine fever for 12 months prior to the date of entry.

Judges shall give consideration to sows entered in the "Sow and Litter" Classes when making Champion and Reserve Champion awards.

Several feed sheds are available for exhibitors in the Pig Section. On application to the Secretary, sheds will be reserved. Charge, 12/6 each, during the currency of the Show. Ten extra

large sheds beyond the end of the Pig Pavilion, each fitted with four sleeping bunks, may be reserved on payment of £1/10/- each.

No pig shall be transferred from its numbered pen without the sanction of the officer in charge.

TRUCKS, TRANSPORTS AND CARAVANS.

Motor vehicles, including trucks and stock transports, will not be permitted to remain on the Show Grounds after unloading. They must be removed immediately, and will not be re-admitted until after 12 noon on Friday, 30th September, to load for the return.

Judging in the Heavy Section will be commenced at 9 a.m. on Wednesday, 21st September, and in the Light Section at 9 a.m. on Tuesday, 27th September, and, with the exception of those engaged by the Society, no person will be admitted to the Pavilion until after the completion of judging. Tags bearing the pen numbers will be forwarded to exhibitors, together with entry tickets. These tags must be securely fastened

to the legs of the birds in accordance with the exhibit numbers on the entry tickets.

Selling prices of all Poultry exhibits may be displayed on coops.

Cards will be supplied free on application to the Poultry Superintendent, who will place them on the coops if requested by exhibitors who are unable to attend in person. A commission of 5 per cent. will be charged on all sales effected by the Superintendent on behalf of exhibitors.

IODINE

For Better Animal Health

Extracts from two of the many letters from
Poultry Farmers:—

QUEENSLAND

"We have used Iodine for some time and find it one of the best disease preventatives and cures we have ever used. Our farm carries 9,000 layers, hence the enquiry for bulk Iodine."

NEW SOUTH WALES.

"I have used Iodine for years with great success. I consider its use keeps the chicks healthy and free from a lot of trouble we had before."

No bird may be entered in more than one class, and birds entered in wrong classes will not be judged, and the entry fees will be forfeited.

Entry fee, 1/-. Prizes in each class will be:—First, 5/- and 40 per cent. of entry fees; Second, 2/6 and 20 per cent. of entry fees; Third, Card and 10 per cent. of entry fees. (See particulars of Special Prizes and Trophies at end of Section).

Budgerigars, Canaries and Cage Birds must be delivered to the Superintendent at the Pigeon Pavilion on the Show Grounds not later than 9 p.m. on Wednesday, 21st September. Country and interstate exhibitors may make arrangements with the Society to receive their birds and return them after the Show.

Exhibitors must provide suitable cages for their birds—standard, if possible. Gummed labels to be affixed thereto will be supplied by the Society, and no addition must be made to these labels by exhibitors. In the event of an exhibitor adding to the information included on the label by the Society, the bird to whose cage this label is attached will be disqualified.

No bird suffering from any disease will be allowed to be exhibited.

Judging will be commenced at 9 a.m. on Thursday, 22nd September, and, with the exception of those engaged by the Society, no person will be admitted to the Pavilion on that day. During the Show the birds will be in the custody of the Society, and must not be touched or handled by the owner or any person, on any pretence whatever, without the permission of the Superintendent.

Exhibitors will not be permitted to remove their birds before 9 p.m. on Saturday, 24th September.

The Society will arrange for a competent person to feed and otherwise attend to the birds, and caretakers will be on duty in the Pavilion night and day during the currency of the Show.

The greatest care will be taken of the exhibits, but the Society will not be responsible for any accident, mistake, loss or damage, from whatever cause arising, the exhibits being at the sole risk of the exhibitor. In case of the death of any exhibit, the same shall be certified by the Veterinary Surgeon or his deputy.

Exhibitors of birds which are protected or kept under permit, must produce their permit when called upon to do so. The Society does not accept any responsibility in this matter. Entries can only be accepted on this condition.

Birds that have been tampered with or improperly dealt with in any way shall be disqualified, and entry fees paid therefor shall be forfeited. The exhibitor shall also be liable to disqualification, and, if a member, to expulsion from the Society.
