EXPLANATORY

In the particulars included in the Catalogue, Ch. denotes Champion, and Dual Ch. denotes that the exhibit is also a Field Trial Champion. The prefixes, K.C.C. and Eng., indicate that the particular title was awarded by the Kennel ontrol Council, and/or the Kennel Club of England.

The numbers of points below each breed-heading are the points each Challenge Certificate winner in the breed will gain toward the title of K.C.C. Champion.

The letter w. means whelped, s. sire, and d. dam, and in those Classes which are for both dogs and bitches, the sign (d) denotes dog, and (b) bitch.

PRIZES:—Unless otherwise stated the prizes in each class are: First 10/- and Card; second, 5/- and Card; third, Card. Plain ribbons will be issued in the judging rings merely as an indication to the spectators of the judge's awards—blue for first, red for second and white for third.

Kennel Control Council Challenge Certificates, with inscribed blue ribbons, also Reserve Challenge Certificates, are offered at this Show, one of each certificate for each sex of every breed, at the discretion of the judge. On application to and confirmation by the Kennel Control Council, any dog which wins not fewer than four Challenge Certificates as distinct from Reserve Challenge Certificate under not fewer than four different judges at different Shows, and gains a total of 100 points shall, on approval being obtained from the K.C.C., be known as a K.C.C. Champion. Points shall be allotted as follow:—(a) Each Challenge Certificate winner — 10 points, plus 1 point for every dog and bitch six months of age or over entered in an ordinary class for the breed; (b) 25 points for each winner in the following groups, provided that no exhibit shall receive more than a total, in all, of 25 points at any one Show: Group 1, Toys; Group 2, Sporting Terriers; Group 3, Gundogs; Group 4, Hounds; Group 5, Non-Sporting.

The judges are empowered and are instructed not to award any prize to any animal which they consider is not of sufficient merit.

PAYMENT OF PRIZES.—All Special Prizes and prize money will be posted to the winners after the Show.

EXHIBITS DUE AT SHOW.—All exhibits must be benched by 9.30 a.m. on the day they are due to be exhibited. See headings each day.

Intending exhibitors are warned not to make an entry unless they are prepared strictly to observe this condition.

Every dog must be provided with a suitable collar and chain or a lead, but they must be benched with chains of metal. No cages may be used for dogs other than those provided or approved by the Society, and nothing which will affect the view of the public may be added to the cages. Not more than one exhibit may occupy any one bench or cage. A dog may not be so placed on the bench or in a cage as to be away from the view of the public. The position of exhibit numbers on benches or cages may not be altered.

EXHIBIT NUMBERS.—These will be posted to exhibitors before the Show. When dogs are being judged the handler must wear the exhibit number of only the dog being handled.

VETERINARY INSPECTION.—No dog will be admitted to the Show until submitted to veterinary examination and its exhibit number is stamped "Pass to Ring." Examinations will take place between 8.30 and 9.30 a.m. on each day of the exhibition.

JUDGING.—Judging will commence punctually at 10 a.m. on the day on which each breed is exhibited (see headings). In the case of Special Prizes in which Challenge Certificate winners from each breed are required to meet, the awards will be made on the last day of the Show.

In view of the need to expedite judging, exhibitors will be held wholly responsible for having their dogs in the judging rings immediately they are required for judging. After the Judge's Steward has given word to the judge to proceed with the judging of a competition, no other exhibit may enter the judging ring until after that competition has been completed. Exhibits which are not brought promptly to the rings when called, and exhibits, the owners or handlers of which omit to obey the orders of the Stewards, or are wearing more than one exhibit number, may be refused admission to the rings.

EXERCISING EXHIBITS.—By arrangement with the Superintendent, exhibitors will be permitted to exercise their dogs for a short time each day.

Except as stated herein, no exhibit may be absent from its bench unless for the purpose of being judged.

DISPLAY OF ADVERTISING.—Exhibitors will be permitted to display approved advertising material on the benches and cages allotted their exhibits. The display must be executed attractively, not in handwriting, and shall be removed promptly if deemed undesirable. It shall not go beyond the following: (1) A space not exceeding 2 ft. wide by 8 in. deep at the back of the bench; (2) The name, address and telephone number of the Kennel or exhibitor, or both; (3) The name of the exhibit; (4) A stud card stating the name of the exhibit, pedigree and stud fee; (5) Suitable words offering dogs and/or puppies for sale, but not actually naming any dog or puppy which is not exhibited, and not quoting any prices; (6) A photograph of the dog exhibited; (7) General decorative material other than announcements; (8) A statement of wins at other fixtures and prize cards or ribbons won at other fixtures shall not be permitted.

OWNER'S RISK.—The Society will be most anxious for the care and safety of dogs sent for exhibition, or any other property entrusted to it, but it must be understood distinctly by exhibitors, and all other persons, that the Society will not be responsible for the loss, detention of or damage to any dog or other property, whether arising from accident, or other cause whatever, or from any act or omission of itself, its officers, agents, servants, or others.

DEFINITION OF CLASSES.—PUPPY.—For dogs of six and not exceeding twelve months of age.

JUNIOR.—For dogs of six and not exceeding eighteen months of age.

NOVICE.—For dogs six months of age or over which have not won a first prize in any class at any exhibition (subject to footnote), Local, Encouragement, Maiden, Brace, Team, Litter, and all Puppy Classes excepted, or which have not won a Challenge Certificate, regardless of any class in which they competed.

LIMIT.—For dogs six months of age or over which have not won a total of four first prizes in any limit and/or Australasian-bred and/or Open Classes at any exhibition (subject to footnote).

AUSTRALASIAN-BRED. — For dogs six months of age or over, subject to any height and weight limitations, and not deemed to be imported.

OPEN.—For all dogs six months of age or over. If confined to a breed or variety, for all dogs of that breed or variety. The word "variety" shall be taken as referring to the pure bred varieties, for which a separate register is kept by the Kennel Control Council at the date of the exhibition at which the classes are offered.

NOTE.—The age of all dogs shall be computed from and inclusive of the day of their birth to midnight of the first day on which the breed is exhibited at the exhibition.

Wins at Parades shall count at subsequent Parades only, but wins at Shows shall count at subsequent Parades and Shows. Only wins up to and including the day before entries close shall count.

SHEEP DOG TRIALS, WOOD CHOPPING AND SHEAF TOSSING

Sheep Dog Trials.

(Conducted under the Rules of the Victorian Working Sheep Dog Association).

TRIAL RULES

(AS REVISED 27/5/48).

1. Owners of dogs competing in Open Trials must be financial members of the Victorian Working Sheep Dog Association or of a recognised Working Sheep Dog Association in another State, and their dogs must be registered in a recognised Stud Book, except in case of competitors living within 25 miles of the locality in which the Trial is to be held, the competitions held by the Royal Agricultural Society of Victoria and the annual competition for the Captain Payne and Cooper Utility trophies excepted.

2. An owner may appoint a nominee to work his dog, or dogs, in the trials, and such nominee will conjointly assume responsibility with the owner during the trials.

3. Any agricultural Society or Trial Club deciding to conduct trials under these rules shall on payment of a fee of 5/-, be included in the list of bodies affiliated with this Association. Members of the Association competing in Victoria are bound to confine their support to affiliated bodies.

4. Any dog having won a first prize at any sheep dog trial shall not be eligible to compete in a Novice Trial. A dog that has only divided a first prize competing singly or as one of a pair, is not debarred from competing as a novice.

5. No bitch in season shall be allowed to compete, but the owner shall be permitted to substitute another entry.

6. Any protest against a dog competing must be lodged in writing with the Secretary of the Show or Trial Committee within the time specified by that body, and be accompanied by a fee of £1, which will be returned if the protest is upheld. Such protest will be dealt with by the Show or Trial Committee, which will, within fourteen days, submit a report to this Association.

7. Competitors in Sheep Dog Trials shall take their place according to the draw, and any dog absent may not be allowed to compete except at the discretion of the Trial Committee under special circumstances.

8. No competitor shall be allowed on the course with his dogs for exercise after the commencement of the trials. Any person or persons bringing dogs on the ground and allowing them to run loose, either by mistake or otherwise, except when directed by the Trial Steward, may be fined £1.

9. If, in the opinion of the Judge or Committee of any body conducting a trial under these rules, any man ill-use his dog, he will be subject to a fine of £1, and may be debarred from competing again at any trial conducted under these rules.

10. In the event of any question or situation arising not provided for in the foregoing rules, the matter in question will be dealt with by the Show or Trial Committee, and its decision shall be final. Any action taken shall be reported to this Association within fourteen days, and the Executive Committee, if it deems fit, may make any alteration or addition to cover such contingency in the future.

11. The Judge's decision shall be final.

12. The maximum time allowed to competitors will be fixed before the trials commence. Any competitor withdrawing his dog before the expiry of the full time allowed, unless at the discretion of the Judge, shall not be entitled to a prize.

13. If the working of any dog is of inferior merit, the Judge has power to terminate the trial before the expiration of time allowed.

14. A sub-committee of not less than three or more than five competitors shall be appointed to inspect sheep for defects and cull before the trial commences, and no fresh sheep shall be allowed, except in extraordinary circumstances, at the Judge's discretion.

14 (a) A sub-committee of three members of the Council shall be appointed at each trial to co-operate with the local trial committee.

15. If a dog shall bite or in any way injure a sheep, such dog will at once be disqualified and the competitor held responsible for any damage done to the sheep. Should a dog bark or snap at the sheep when they are stuck up, points may be deducted.

16. The competitor will not be allowed to assist his dog in any way, except by signal, whistle or word of mouth. Any competitor who, by action, sound or unfair manoeuvre, stops or turns sheep at any obstacle, shall have points deducted, and if the obstacle is negotiated by such action, full obstacle points shall be deducted.

17. The competitor, with his dog, shall stand at a flag indicating the starting point, and shall not cast his dog until directed by the Trial Steward. No dog shall be held at the starting point.

18. Any dog coming between the worker and sheep in the cast will be disqualified. The Judge, at his discretion, need not disqualify a

dog getting between worker and sheep when negotiating an obstacle. In Field Trials a dog shall be allowed to pass between the worker and the sheep when negotiating obstacles other than the Bridge and Pen.

19. When the competitor has to move from one given point to another, he must do so in a direct line, and not stop to work his dog. Infringement of this rule will entail a deduction of points for each offence. If any sheep escape from pen when worker is in the act of closing gate, he shall remain in such position until all sheep are penned.

20. At the conclusion of each trial, the competitor must take his sheep to the enclosed yard as expeditiously as possible.

21. Should there be a "final" trial by selected dogs, the Judge will give his awards to those gaining highest aggregate number of points. At least one dog more than there are prizes offered shall be selected to compete in a "final" trial.

22. In any final trial the Judge, or Judges, with the assistance of the Trial Committee, may alter the course or vary the test for dogs selected to compete.

23. In field trials, if any dog fails at first attempt to sight his sheep, he may be recalled and re-directed.

24. When working a pair of dogs, both dogs must be cast, one off either hand and, in the opinion of the Judge, both dogs working together must do a fair share of the work.

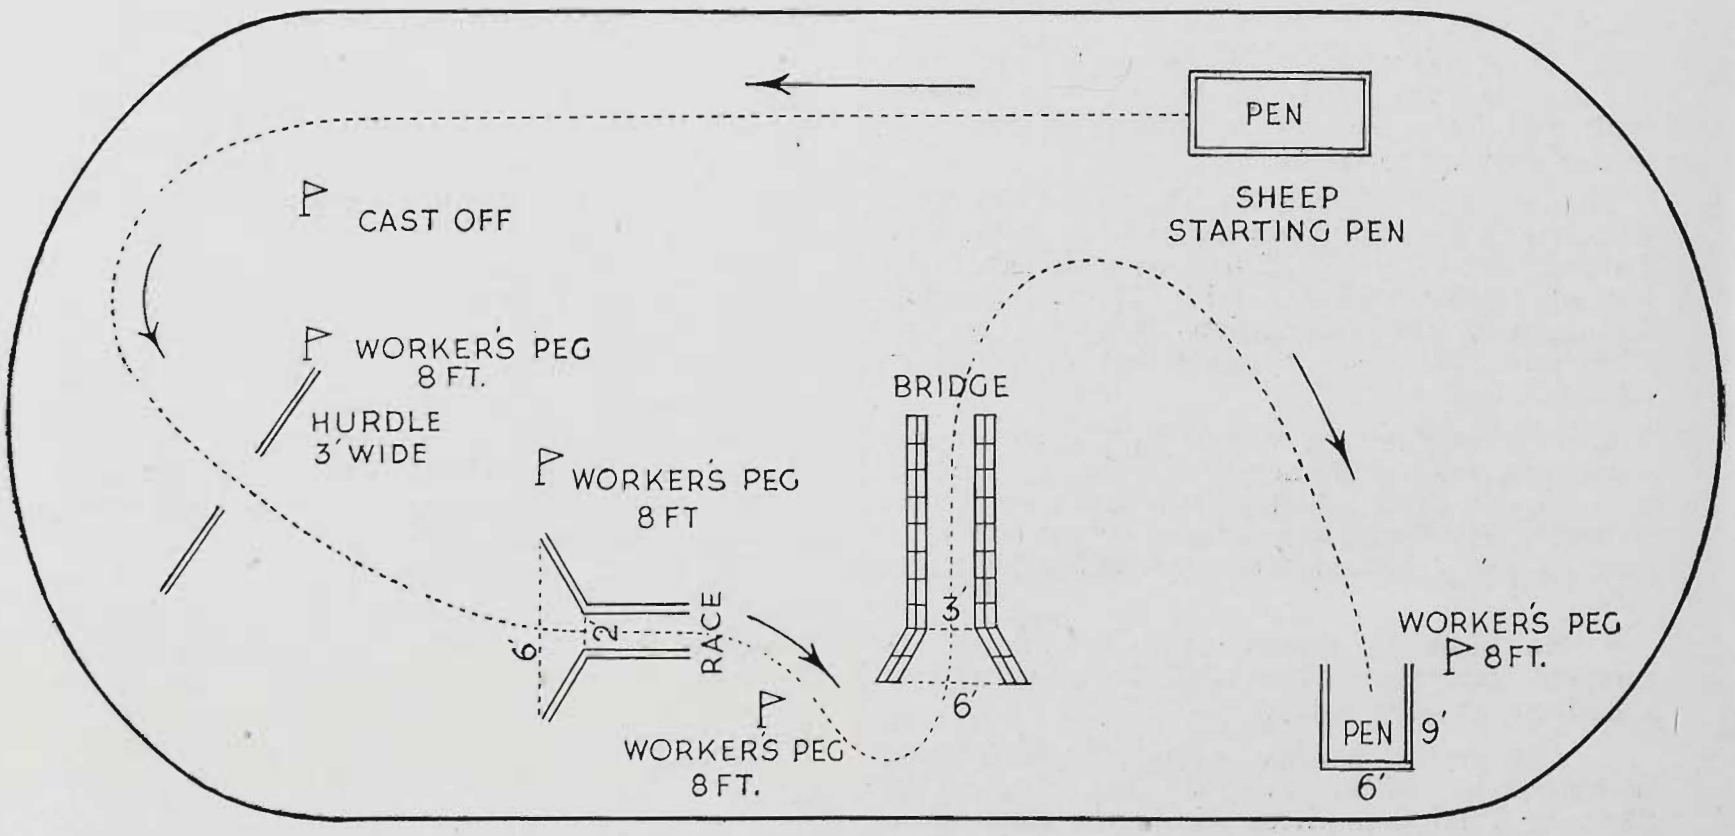

25. The stick used by competitors shall be not more than two feet long, straight and without flaps.

26. No dog shall be permitted to compete in a Trial or be brought near a Trial Ground if it has had distemper or has been exposed to the risk of distemper during a period of seven weeks prior to the date on which the Trial is to be held. Owners of dogs may be asked to sign a declaration to this effect before being allowed to compete in a Trial.

27. Any person or persons refusing to conform with these rules will be expelled from the ground, and may be disqualified from competing at any future trials conducted under these rules.

28 These Trial Rules shall not be altered or added to unless notice of the proposed alteration or addition shall have been given to the Secretary, and by him to each member of Council, at least fourteen (14) days prior to the Council meeting at which the motion is to be considered, and the motion is carried by a majority of the Council members present at the meeting.

AWARDING OF PRIZES.

25. It shall be the duty of the Stewards to prevent any person interfering with the Judge, and, if necessary, to order the removal of such offender from the yards. Persons in charge must on no account leave their respective exhibits, or address the Judge, unless authorised by the Stewards of the section in which they are competing. Competitors not ready at the appointed time of adjudication will be liable to disqualification.

26. The Judge may award a second or third prize, instead of a first one, or may withhold a prize altogether, where the exhibits are not of sufficient merit.

27. The Judge is requested to make a reserve number of the exhibit next in merit beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he is also requested to give commendations when deserved.

28. The Judge shall award Reserve Champion Sashes in all Horse and Cattle Sections, and Rosettes in all Sheep and Pig Sections in which Champion awards are made, and the animal second in the class to the Champion shall be allowed to compete for the Reserve Championship.

29. Any exhibitor or attendant refusing to attach the Prize Card to any exhibit to which a prize is awarded, and keep the same on the exhibit during the hours of exhibition, or any exhibitor or attendant altering a Prize Card in any way, will, on proof thereof to the Council, forfeit all prizes awarded to such exhibit during the Show, and may be disqualified from again competing, and no exhibitor will be allowed to display any Ribbon or Prize Card on his exhibit, stall or stand, in addition to those issued by the Society for the year. One Prize Card only is issued for each prize won.

30. Stock exhibits wearing bridles or head stalls, with their names or the names of their owners displayed thereon, are liable to disqualification.

31. The Council may withhold any prize when fraudulent or erroneous statements have been made regarding an exhibit, or when exhibits have been tampered with or improperly dealt with, and may also withhold all prizes awarded to exhibitors who have been guilty of false statements in relation to any of their exhibits: and exhibitors guilty of false entries or statements, or found guilty of tampering with or improperly dealing with their exhibits, may be debarred from again exhibiting, and if Members, shall be liable to expulsion from the Society. Exhibitors must, if required by the Council, make a statutory declaration regarding their entries.

32. Any person insulting or interfering with a Judge during the Show will be subject to removal from the yards; and the prizes, if any, awarded to such person may be forfeited.

33. Cheques for prizes at the Show will be passed for payment at the Council meeting on Tuesday, 17th October, one week after which date they will be payable.

34. Any prize or prizes awarded at this Show, and left unclaimed for six months, may be forfeited and cancelled by the Finance Committee of the Society.

PROTESTS.

35. Protests against awards must be lodged with the Secretary, in writing, before 12 noon on the day after such awards are made, with a deposit of £1 sterling, which will be forfeited to the Society if the protest be found, on due consideration, to be unfounded or frivolous.

36. Should any exhibit, having gained a prize, be disqualified, the next on the list does not necessarily obtain the same prize. The Council, with or without the advice of the Judge, shall decide the question.

37. All persons exhibiting shall accept the decision of the Judge appointed by the Society as to the merits of their exhibits, and in the case of protests, alleging infringement of the regulations, the decision of the Council shall be accepted as final and without appeal.

REMOVAL OF EXHIBITS.

38. No exhibit (except Live Stock, on account of illness or injury, which must be certified to by the Society's Veterinary Surgeon or in accordance with Regulation 39) shall be removed from the Exhibition until 5 p.m. on Saturday, 30th September, when all exhibits may be removed. Exhibitors wishing to obtain a Veterinary Surgeon's Certificate to permit removal of exhibits from the grounds must lodge a fee of £1 with each application. Horses, Cattle (except Fat Cattle) and Pigs may be removed from the Grounds on Friday, 29th September, after 1 p.m. Fat Cattle may be removed after 5 p.m. on Thursday, 28th September. Sheep may be removed after 12 noon on Friday, 29th September.

39. Any exhibit of Horses or Cattle may be removed from the yards at the close of the Exhibition each day on depositing with the

Secretary an approved cheque for £10 (or for any exhibit of Dogs, 10/- with a maximum of £1 for any one exhibitor), as a guarantee that the animal will be returned to the yards next morning before 9.30 a.m. In the event of the animal not being returned before the time specified, the deposit, together with all the prize money (if any) it has won, will be liable to forfeiture; but on the animal's return each day, the cheque will be refunded to the exhibitor.

WATER AND FORAGE.

40. Water will be provided in the yards for Live Stock and for the working of machinery, but exhibitors using gas engines, suction gas plants and refrigerators, must provide water storage tanks on their stands, and not permit water to run to waste. Exhibitors of stock will be required to provide their own forage (which can be purchased in the yards at Melbourne prices), but no feed must be stacked in any of the Stock Pavilions. Exhibitors of machinery will be required to provide their own fuel (which must be coke or wood, no coal being allowed), and materials necessary to enable them to comply with the regulations.

PRIVILEGES.

41. The successful tenderers for the privilege of photographing exhibits have the exclusive right thereto, with the reservation that the Council may allow the Press to take photographs of exhibits for the purposes of illustration.

DISTRIBUTION OF ADVERTISING MATERIAL.

42. The privilege of distributing trade lists, advertisements or other documents is restricted exclusively to exhibitors at their respective stands. Any person infringing this regulation will incur expulsion from the yards. Any exhibitor desiring to distribute trade lists, etc., must lodge a deposit of £1 with the Secretary before the Show opens, to be returned after the Show is closed if this regulation has been complied with, and to be forfeited if it has not.

CARE OF EXHIBITS.

43. Every reasonable care will be taken of exhibits, but no responsibility will be incurred by the Society.

USE OF PENS AND STALLS.

44. All exhibits of Live Stock, for which boxes, stalls or pens are provided, have the use of such accommodation free for one week (and in the case of oversea exhibits, for a fortnight), before the Show opens, but they must be removed from the grounds within one week after the last day of sales, or a charge will be made.

EXHIBITS AT SHOW GROUNDS.

45. The Society's carter will receive competitive exhibits of produce, poultry, dogs, etc., that are addressed to the Show Grounds Siding, and place the entries in their respective sections. The greatest care will be taken of the exhibits; but the Society will not be responsible for any accident, mistake, loss or damage from whatever cause arising, the exhibits being at the sole risk of the exhibitor. For the carting of stock feed and non-competitive exhibits, etc., to any part of the ground, the following charges will be made, for which receipts will be given:—Up to 1 cwt., 6d.; up to 3 cwt., 1/-; up to 6 cwt., 1/6; up to 10 cwt., 2/-; up to 15 cwt., 2/6; and each additional 5 cwt., 6d.

46. In order to facilitate the unloading and loading of stock at the Show Grounds Siding, the grounds will be lighted at night, and the Society will engage a corps of stock assistants, who will meet every stock train.

All stock assistants will be numbered, and will not approach the trucks unless requested by exhibitors.

They will be permitted to charge exhibitors not more than 9d. for each "lead" (one or more animals) of stock between 6 a.m. and 6 p.m., nor more than 1/- for each "lead" between 6 p.m. and 6 a.m.

VEHICLES OTHER THAN EXHIBITS.

47. Vehicles and motors other than listed exhibits will not be permitted to enter the grounds.

A paddock for parking motor-cars and other vehicles is provided. Charges — Motors or Vehicles, 1/-.

Vehicles and motors are not permitted to be driven indiscriminately about the grounds, but must proceed directly to their destinations.

Sales

Sales of exhibits (for the carrying out of which the Society will offer every facility) will be held on the showgrounds, and the Society reserves to itself the right to decide time and order of sales in all sections. All animals intended for sale must be duly entered and exhibited at the Show.

A commission of 1 per cent. shall be paid to the Society in respect of all stock sold on the Show Grounds.

LOUIS MONOD, Secretary.

Temple Court, 422 Collins Street, Melbourne.

Railway Regulations

Supplementary to the General Conditions for the Carriage of Goods and Live Stock.

IMPORTANT NOTICE.—Exhibitors desiring to have their stock conveyed by rail from the Show Grounds on Friday evening must order their trucks through the Show Grounds Station-Master before 12 noon on Wednesday, 28th September.

Exhibits are consigned direct to Show Siding at Society's Grounds, and exhibitors are particularly requested to send in their applications for trucks at once to the local Station-master, or to the Live Stock Agent, Railway Department, Melbourne, or through their own selling agents.

1. The undermentioned conditions shall be applicable in respect of agricultural machines and implements, machinery, produce, live stock (including dogs, poultry and other birds), buggies,

trotting sulkies* accompanying trotting horses, motor-cars, drays, waggons and other goods of a like nature sent for exhibition at Shows.

They may also, by special arrangement with the General Passenger and Freight Agent, be made operative in respect of:—

Agricultural machinery sent for field trial in which a number of machines participate.

Ploughs sent for ploughing matches.

Horses sent for horse parades.

2. The exhibits will be carried at the convenience of the Commissioner by Passenger, Mixed or Goods trains as may be desired by the consignors. Valuable animals may be sent by passenger trains in horse boxes if this class of vehicle be available, and charged the same rate as if loaded in cattle trucks, and forwarded by Goods trains. Each three stalls in "F." or "F.F." horse box to be regarded as equivalent to one full cattle truck.

3. When the exhibits are consigned on the forward journey, the consignors will require to declare, on the consignment note therefor, that they are for exhibition, specifying the Show for which they are intended, and the way-bill must be endorsed accordingly.

The ordinary freight charges shall be imposed and prepaid in respect of the forward journey in all cases.

4. On the backward journey, any exhibits, or portion thereof, which have been sent by rail as paying freight on the forward journey, exhibited, and not sold, will, subject to the conditions in Clause 7 and on production of the approved certificates, signed by the Secretary of the Show, be carried "free" to the station whence they were forwarded, provided the journey is completed at any time within one month from the date of despatch on the forward journey. The certificates must be handed in when the exhibits are consigned, and attached to the waybill.

If, on the backward journey, a greater number of vehicles be used for the carriage of exhibits than was used on the forward journey, ordinary freight charges will be imposed in respect of exhibits carried in the additional vehicles.

Tarpaulins, if used at request of owner to cover live stock trucks, shall be charged for at the rate of 3/5 per tarpaulin.

All exhibits, or part thereof, which have been sold, or are not accompanied by the aforesaid certificate, will be subject to the ordinary freight charges and conditions on the backward journey.

*Wherever practicable, trotting sulkies shall be afforded similar transport on the return journey as was given on the forward journey, so that, as far as possible, the sulkies may accompany the horses.

Stud sheep purchased at Agricultural and Pastoral Shows by exhibitors thereat, and forwarded from the Show uncrated in the same truck at the exhibitor's returned unsold exhibits of sheep to the original forwarding station of the latter, shall be charged at Class "2" mileage rate on the basis of 3 cwt. per animal, and subject to the Tariff for Smalls, where cheaper than the ordinary rate.

5. Exhibits, accompanied by the aforesaid certificate, may be forwarded on from one Show to another, subject to the freight charges and conditions, as prescribed in Clause 3 of this division, which freight charges must be prepaid, and when the final destination is reached, they may be returned "free" to the original despatching station, subject to the conditions in Clause 7. If, however, in proceeding to another Show, such exhibits be returned over any portion of the line in respect of which the full freight charges have been paid on the forward journey, the exhibits may be sent free, subject to the conditions in Clauses 4 and 7, over such portion of the line.

6. Exhibits must be loaded and unloaded by or at the expense of the consignors or consignees. In all cases where Show exhibits are loaded or unloaded by the department, the charges prescribed for the service shall be imposed.

7. Exhibits, other than live stock, may, where alternative rates apply, be consigned on the forward or the backward journey at the sender's option either at the rates and conditions prescribed in the Goods Rates Book for carriage at Commissioners' Risk or at Owner's Risk. On the backward Journey, when consigned at Commissioners' Risk, the full Commissioners' Risk Rate shall be imposed, but if such exhibits be consigned at Owner's Risk, they will be carried free.

Live stock exhibits shall be carried at the prescribed rates for livestock on the forward journey, and shall be carried on the backward journey free, but whether on the forward or backward journey, such carriage shall be subject to the conditions prescribed in the Goods Rates Book in respect to the carriage of live stock.

Special attention is directed to the following conditions which is supplementary to the general conditions respecting the carriage of live stock:—

The Commissioners will not be liable for the loss of or injury to any horses, cattle, or other animals, or birds in excess of the amounts specified hereunder, unless at the time of delivery thereof at the station or siding for the purpose of being carried, the value of such horses, cattle or other animals, or birds, shall have been declared by the consignor thereof, and the increased charges hereunder set forth (which are in addition to the freight charges), shall have been paid to and accepted by the employee duly authorised to receive same.

On horses, cattle or other animals insured at the risk of the Commissioners, power is reserved to them to regulate the number of animals which shall be carried in each truck, and the Commissioners will not be responsible for a loss or injury which may occur to any live stock during the loading or unloading, or during transit, when such loss or injury arises from fear or restiveness, or through such live stock being suffocated or trampled upon, and without negligence on the Commissioners' part.

The Commissioners' liability is limited as follows, viz.:—For any horse, £50. For any neat cattle, per head, £20. For any sheep, pig, dog, or other small animal, or bird, per head, £1.

The increased charges are as under, and must be prepaid upon consignment of the stock:—

Distance in Miles.	Per cent. on the Declared Value in excess of the Commissioners' Liability.	Minimum Additional Charges. Horses and Cattle, including Bulls.	Minimum Additional Charges. Pigs, Sheep (including Rams), Dogs or other small animals or birds.

Provided that in all cases any animal or bird exceeding in value £100 shall be insured only under special agreement.

8. Owners of stock going to and returning from Shows may be allowed free carriage each way of fodder, as specified hereunder, if it be loaded in the trucks with the animals:—

1 cwt. for each horse or head of cattle.

20 lbs. for each pig or sheep.

9. Exhibits from the Department of Agriculture, viz., wheat, straw in bulk, olive oil, wine, honey, etc., fruit (preserved), charts, etc., fibres, including flax, hemp (dressed and undressed), willows, manures, vegetable oil, eggs, also the necessary marquees, poles and pegs, tables, trestles, and fittings, forwarded to the various Agricultural Shows in the State, shall be carried free both on the forward and backward journeys at owner's risk; when consigned at Commissioners' risk on the forward or backward journey the full Commissioners' Risk Rate shall be imposed.

10. District exhibits forwarded by local Agricultural Societies to the Royal Agricultural Show shall be carried on the forward journey at the Grain Rate subject to the "tariff for Smalls" and returned free under the usual show conditions.

11. Consignors should give not less than four (4) days' notice to the stationmaster of the number and description of live stock trucks, and 48 hours for other trucks, etc., required to load exhibits.

12. If a full sheep-truck load of sheep, or a full cattle-truck load of horses, cattle or pigs has been paid for on the forward journey, and the whole of the stock has been returned "free," in accordance with the provisions of Clause 4 of this division, one stock attendant, in respect of each truck, will be granted a refund of the return fare paid by him. He must travel in the truck or in the van of a goods train with the stock, and must provide himself with a copy of Form P69, duly completed by the Station-masters at the forwarding and returning stations respectively. A receipt for the refund must be given on the certificate by the attendant. This refund shall, however, only be allowed provided a straight up and down journey is made between two stations. When the stock is returned from any station other than that to which it was waybilled by the original despatching station, the stock attendant certificates for the journeys made must be retained by the stock attendant until he returns to the original despatching station, and forwarded by the Stationmaster at that station to the General Passenger and Freight Agent, where any refund due will be adjusted.
