UNION TRUSTEE uses

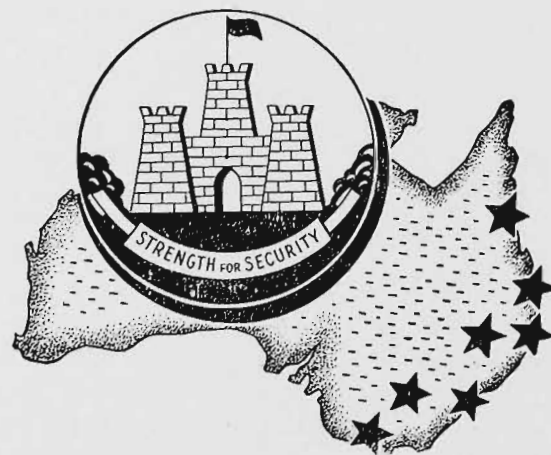

★"Local knowledge" to benefit
Your Estate

THERE is one exclusive feature of Union Trustee Company service that can be of direct benefit to your estate. This is the "local knowledge" gained by having offices in three capital cities. Each office has its individual Board of Directors, each its own highly skilled staff of experts. Thus, whether an estate has interests in more than one State, or is concentrated in a single area, the Company is ideally equipped to act as Executor, Trustee or Attorney.

In appointing Union Trustee as your Executor you are assured of continuity of service—and charges are exceedingly moderate for the services rendered.

A senior officer of the Company will gladly explain in detail the wide variety of services it performs.

Call or write for your copy of the booklet, "Important Facts"—which will be forwarded, post free.

The E.F.A. was formed to fill a long-felt need of the Light Horse community. Its purpose is to help all those who are interested in riding horses for whatever purpose, except professional racing.

Its activities will include advice and help in conducting Shows, pony clubs, jumping and dressage tests, hunter trials, one and three-day event competitions, etc. Qualified instructors will be made available to those who wish to train themselves and their horses for Dressage tests, hack classes, or Show jumping.

The provision of instructors and such things as Olympic-type jumps is necessarily expensive. The E.F.A. (Victorian Branch) needs your help to meet costs and your ideas and criticisms to ensure that its efforts are directed towards the attainment of the highest standards of horsemanship amongst Australian riders.

HORSES

STEWARDS-IN-CHIEF:

HEAVY HORSES: A. E. DAHLENBURG, Esq.
LIGHT HORSES: HAROLD HOWE, Esq.

All horses and ponies entered in Sections 1 to 8 inclusive are required to be at the grounds from 9 a.m. on Thursday, 18th September, until 1 p.m. on Friday, 26th September, unless otherwise specified.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 1 p.m. on Friday, 26th September.

The breeding year dates from 1st August in each year.

Any prize awarded to a mare exhibited as being in foal may be withheld until the production of a certificate that she has produced a foal after the exhibition and previous to the 1st January next ensuing.

All Stallions over 2 years of age, owned in Victoria, must be registered as required by the provisions of the Horse Breeding (Victoria) Act 1928.

Stallions over two years of age exhibited from States other than Victoria, need not be registered under the Act, but must be examined and passed by a Government Veterinary Officer in respect of both soundness and type, except registered Clydesdales carrying a current certificate of soundness issued in South Australia which will be accepted for exhibition purposes on production of this certificate.

All Stallions and Mares over two years of age entered in Sections 1 to 6 (except Farm and Lorry Horses in Section 2) must, after examination by a Government Veterinary Officer, have their Entry Tickets stamped "Pass to Ring" before entering the judging ring.

Stallions and Mares will be examined by Government Veterinary Surgeons on the Show Grounds on Wednesday, 17th September, commencing at 10 a.m.

Where height is stipulated, horses and ponies must be measured, and an exhibit over or under the specified measurement may be transferred to its correct class. The official measurer will be in attendance on the Grounds on Tuesday, 16th, and Wednesday, 17th September, at 10 a.m., on Thursday, 18th September, at 8 a.m., and on each remaining day of the Show from 9.30 a.m. to 10 a.m., and horses and ponies must be there to obtain their certificates, which must be produced to the Steward when entering the judging ring.

When measuring a horse, galloway or pony an allowance of half ($\frac{1}{2}$) of an inch for shoes will be made. Should an exhibit be measured with shoes on and the exhibitor disagree with the Official Measurer's decision as to the height of the animal, he may, should he desire, have it re-measured without shoes. The Official Measurer may, in his discretion, request the removal of shoes from any horse, galloway, or pony, prior to measurement.

If the judge entertains a doubt as to the correctness of a height certificate, he has the power to order the exhibit to be re-measured. In such case the Steward shall accompany the exhibit to the Measurer's Stand and supervise the re-measuring.

Exhibits in classes in which an age certificate from the Society's Veterinary Surgeon is required must be paraded for examination at 4 p.m. on Wednesday, 17th September.

All entrants in saddle and contest sections must state performances of horse or pony on a form. Immediately after the close of entries the Horse Committee will go through all forms, and from the information supplied will determine which entries will be accepted, and for which animals accommodation will be provided. In this connection first preference will be given to approved animals from other States. All entrants will be notified of the Committee's decision, and all fees paid on any entries not accepted will be refunded. In all Hunting and Jumping Contests, competitors may be limited to 30.

Any exhibitor who supplies wrong information on entry or performance form will render himself liable to disqualification.

The upper portion of the door of the Horse Boxes outside the Pavilion must remain open during the hours the Show is open to the public. The Exhibitor will be liable to a fine of ten shillings for every infringement of this regulation.

Horses are not permitted to enter the Judging Ring if fitted with bearing reins.

Any Exhibitor who shall, without due cause, fail to parade any animal before the Judge when required so to do by the Steward of the Section, shall be liable to a fine of one pound.

Several feed stalls are available for Exhibitors. Charge, 12/6 during the currency of the Show. Exhibitors are not permitted to stack feed in the Horse Pavilions. The attention of Exhibitors is drawn to General Regulations 14 and 15. These will be strictly enforced.

Exhibits of horses which, in the opinion of the Society, are not in reasonable Show condition, shall be removed from the grounds and shall not be eligible to be offered for sale on the Show Grounds.

Exhibitors are advised to study the timetable, showing times at which judging in the various Classes is to be commenced. Judging in any Class will not commence before the time specified. No warning will be given, and any competitor not present when the Judge is ready to commence will miss the opportunity to compete.

TRUCKS, TRANSPORTS AND CARAVANS.

Motor vehicles, including trucks and stock transports, will not be permitted to remain on the Show Grounds after unloading. They must

be removed immediately, and will not be re-admitted until after 12 noon on Friday, 26th September, to load for the return.

Caravans will not be admitted to the Show Grounds.

PARADES.

All horses and prize-winning cattle will be required to take part in Parades, in accordance with the printed programme. Exhibitors shall be subject to a fine of ten shillings in each case in which this regulation is not complied with, and shall also be liable to forfeit the prize or prizes awarded to their exhibit or exhibits.

All horses and cattle parading must wear exhibit numbers.

No ribbons will be permitted on exhibits except those won during the Show.

EXERCISING HORSES.

The exercising of all horses, galloways and ponies, will be allowed on the trotting track only before 8.15 a.m. on any day of the Show, and one week prior thereto, by permission of the Superintendent.

JUDGE: E. A. JONES, Esq.
 STEWARD: F. W. W. SCOTT, Esq.

All Galloways entered in this Section must be registered in the Equestrian Federation of Australia's Register. For particulars regarding registration apply to the Secretary Equestrian Federation of Australia (Victorian Branch) 422 Collins Street, Melbourne C.1.

Galloways entered in this Section must be measured by the Society's Official Measurer and

The Official Measurer may, in his discretion, request the removal of shoes from any horse, galloway, or pony, prior to measurement.

Stallions and Mares over two years of age must, after examination by a Government Veterinary Officer, have their Entry Tickets stamped "Pass to the Ring" before entering the judging ring.

When measuring a horse, galloway or pony, an allowance of half ($\frac{1}{2}$) of an inch for shoes will be made. Should an exhibit be measured with shoes on and the exhibitor disagree with the Official Measurer's decision as to the height of the animal, he may, should he desire, have it re-measured without shoes. The Official Measurer may, in his discretion, request the removal of shoes from any horse, galloway, or pony, prior to measurement.

All horses in the 14-st., 12-st. and 10-st. Hack Classes must be paraded before judging, when the Judge will classify them into their various classes in the following way:—The horses entered for 14-st. Hack shall be paraded, when any horse too light in the opinion of the Judge, shall be transferred to the 12-st. Class. Those entered in the 12-st. Class shall be next paraded, when the Judge shall class out any he considers too heavy or too light, and shall transfer the heavy to 14-st. and the light to 10-st. Class. Those entered for the 10-st. Class shall be paraded, and the Judge shall class out all considered too heavy, and transfer to 14-st. or 12-st. Class, as the case may be. Judging will then commence with the 14st. Class.

Please state on entry form the name, colour and correct age of exhibit, also pedigree (if known).

All horses galloways and ponies must be paraded. (See Regulation at head of Horse Section.)

All entrants in saddle and contest sections must state performances of horse or pony on a form. Immediately after the close of entries, the Horse Committee will go through all forms, and from the information supplied will determine which entries will be accepted, and for which animals accommodation will be provided. In this connection, first preference will be given to approved animals from other States. All entrants will be notified of the Committee's decision, and all fees paid on any entries not accepted will be refunded.

Notwithstanding any regulation to the contrary, an exhibit may be entered in one ordinary class in the Saddle Section and one ordinary class in the Harness Section.

SADDLERY.

DEFINITION OF PACES.

(In accordance with the Statutes and General Regulations of the Federation Equestre Internationale).

HALT: At the Halt, the horse, standing square on his four legs and immobile, **must** be ready to move forward at the least pressure of the riders legs.

EXTENDED WALK: At the extended walk, the horse should cover as much ground as quickly as possible **WITHOUT** haste and without breaking. The hind-legs passing clearly beyond the tracks of the fore legs. The rider gives freedom to the head and neck of the horse without, however, losing contact, so as to be able at any moment to make the horse change his pace, his speed, or his direction.

EXTENDED TROT: At the extended trot, the horse extends his action, his neck is stretched, his shoulders vigorously driven on by the haunches, gains ground forward without noticeably increasing height.

ORDINARY WALK: The ordinary walk is a free, regular and unrestrained walk. The horse walks briskly, but with a calm, deliberate and even step, each clearly marked, distinct and equally spaced. The rider keeps a light and steady contact on the reins.

ORDINARY TROT: The ordinary trot is a pace between an extended and a collected trot. The horse goes forward freely and quite straight, engages his haunches which remain very active, pulls gently at the reins with a balanced and even bearing. His strides should be as far as possible equal; the hind legs follow exactly in the tracks of the fore-legs.

ORDINARY CANTER: The Ordinary Canter is a pace between an extended and collected Canter. The horse, perfectly straight from the poll to the tail, goes freely with a natural balance.

REIN-BACK: The rein-back is the walk backwards of the horse. It is correct when the horse lifts his feet and brings them down in pairs diagonally almost simultaneously, the haunches remaining well in line. The horse walks back step by step, constantly ready, at the wish of the rider, either to halt or to advance without halting.

HARNESS: WALTER HABEL, Esq.
VEHICLE: H. PERSSON, Esq.

STEWARDS:

S. A. GREAVES, Esq., L. MARSHALL, Esq.

(Stallions are not eligible to compete in this Section).

Where height is stipulated, horses must be measured, and an exhibit over or under the specified measurement may be transferred to its correct Class.

When measuring a horse, galloway or pony, an allowance of half ($\frac{1}{2}$) of an inch for shoes will be made. Should an exhibit be measured with shoes on and the exhibitor disagree with the Official Measurer's decision as to the height of the animal, he may, should he desire, have it re-measured without shoes. The Official Measurer may, in his discretion, request the removal of shoes from any horse, galloway, or pony, prior to measurement.

Please state on entry form the name, colour and correct age of exhibit, also pedigree (if known).

In all light harness Classes the judge may try the best four horses on the trotting track before making his final awards.

The Steward in charge has been authorised to scratch any horse if it is not ready to compete at the proper time.

Owners desirous of scratching their horses for any event must do so with the Hunter's Shed Steward at least two hours before the advertised time of starting. Failure to comply with this regulation will render exhibitors liable to a penalty of 10/- for the first offence and £1 for second or later offences.

Stallions are not eligible to compete in any arena event except jumping and trotting contests.

All entrants in saddle and contest sections must state performances of horse or pony on the entry form. Immediately after the close of entries, the Horse Committee will go through all forms, and from the information supplied will determine which entries will be accepted, and for which animals accommodation will be provided. In this connection, first preference will be given to approved animals from other States. All entrants will be notified of the Committee's decision, and all fees paid on any entries not accepted will be refunded. In all Jumping Contests competitors may be limited to 30.

All animals entered for Jumping Competitions Groups A, B, C, D, E and F, must be registered in the Equestrian Federation of Australia's Register. For particulars regarding registration, apply to the Secretary, Equestrian Federation of Australia (Victorian Branch), 422 Collins Street, Melbourne.

JUMPING COMPETITIONS.

Exhibitors will please note that entries should not be made for individual classes except for the Section Four, Teams and Qualified classes and classes in Group F (14.2 and under).

The jumping section is divided into groups.

Group A, is for horses judged by the Committee to be worthy of inclusion in that Group.

Group B, is for horses whose past performances indicate that they are not up to the standard of Group A.

Group C, is for horses whose past performances indicate that they have some ability but through lack of experience have not achieved the successes of Groups A and B.

Group D, is for qualified hunters.

Group E, is for Section fours, trios etc.

Group F, is for ponies and galloways 14 hands 2 inches and under.

In each of Groups A, B and C there will be 7 single and 1 pair event.

Intending competitors will not enter for classes by number but simply indicate the number of classes in which they desire to compete.

The Committee after studying the performances will grade the horses and allocate them to the various classes.

In Group D (Qualified Hunters) exhibitors will enter their horses for the class or classes in which they wish to compete.

Exhibitors wishing to enter in the teams and section four events will also enter in the class or classes in which they wish to compete. (In these classes horses may be made up into teams, irrespective of the group in which they may be graded.

Entries for the "Pen" event will also enter for this class irrespective of grading.

In Group F there will be no grading and intending exhibitors will enter their ponies and galloways for the classes in which they wish them to compete.

Please note that ponies and galloways 14 hands 2 inches and under may compete only in Group F events.

Entry fees are not to be forwarded with entry forms for jumping competitions. After entries have been graded they will be allotted to classes and an account for fees forwarded to exhibitors.

Competitors in all jumping competitions will ride at catch weights unless otherwise stated. In classes where a minimum weight is specified, loss of weight entails elimination. Weighing-in is obligatory before and after such competition, and must be carried out in the presence of the official appointed Clerk of Scales for the Show.

All jumping competitions are for amateur or professional riders unless otherwise stated.

NAME.....

ADDRESS.....

- (e) Jumping an obstacle before it is re-set.

ELIMINATED.

- (f) Horse leaving the arena whether mounted or riderless, before completing the course.

ELIMINATED.

- (g) LANDING IN WATER OR DITCH, WHETHER ONE OR MORE FEET.

4 FAULTS.

(NOTE: Should a Horse land in water or ditch, in addition to knocking down the fence, he cannot be penalised more than 4 faults. It is only one obstacle.

OBSTACLE KNOCKED DOWN:

FOUR FAULTS.

(a) An obstacle is said to be knocked down when, through the fault of the Horse or rider, any part is knocked down, or one of its ends at least is dislodged.

(b) Touches, raps and tips do not penalise. SLATS WILL ON NO ACCOUNT BE USED.

(c) WHEN AN OBSTACLE IS COMPOSED OF SEVERAL ELEMENTS PLACED ON TOP OF ANOTHER IN THE SAME VERTICAL PLANE, SUCH AS SEVERAL BARS FIXED TO THE SAME UPRIGHT (POST AND RAILS), A KNOCK DOWN OF THE TOP ELEMENT ONLY IS PENALISED.

(d) When an obstacle to be taken in one jump is composed of several elements NOT in the same plane (TRIPLE BARS, DOUBLE OXER), a knock-down of one or more elements will be penalised only as for one knock-down.

REFUSAL: 3 Faults for 1st: 6 for 2nd: Elimination for 3rd.

(a) If, in the opinion of the Judge (s), the Horse/Pony is presented at the fence and refuses to attempt to jump, or runs out at the side, it shall count as a refusal, whether the fence is knocked down or not.

If the fence is knocked down it shall be put up again before the rider makes another attempt. The rider should not continue his/her round until the Judge(s) gives the signal. Should a competitor, who has knocked down a fence when refusing, deliberately jump that fence before it is re-set, he/she will be eliminated.

If the Horse/Pony, in attempting to refuse, slides into the obstacle, pushing it down, and its hind-legs cross the line, it shall count a jump and 4 faults be scored. If, however, the Horse/Pony stops before the hind-legs cross the line of the jump, and is taken back, it shall count as a refusal, 3 faults.

IF THE HORSE/PONY, AFTER REFUSING, IS PUSHED THROUGH THE FENCE, the FAULTS MADE WILL BE ADDED TO THOSE FOR THE REFUSAL. When the obstacle is composed of more than one element to be taken

in a single jump or leap by the Horse/Pony (i.e., Double Oxer, Parallel Bars, Triple Bars, etc.) the line shall be deemed to be that of the element nearest the take-off side of the obstacle.

(b) Showing an obstacle to the Horse after a refusal and before resuming the course incurs elimination.

(c) Should a competitor, on entering the Ring, show his Horse an obstacle before commencing the round, he will be eliminated.

(d) If a Horse, when refusing an obstacle, knocks down the obstacle and jumps it before it is re-set, he will be eliminated.

(e) IF A HORSE REFUSES AND SLIDES THROUGH THE OBSTACLE, THE COMPETITOR MUST RETURN AND AWAIT THE RE-SETTING OF THE OBSTACLE AND THEN RE-JUMP IT. SHOULD HE CONTINUE WITHOUT ATTEMPTING TO RE-JUMP THE OBSTACLE HE WILL BE ELIMINATED.

RUN OUTS:

(a) A Horse is considered to have run out if he JUMPS THE WINGS, FLAGS, SHRUBS OR OTHER MARKS SHOWING THE LIMITS OF THE OBSTACLE.

(b) A run out is penalised as for a refusal, but should the competitor fail to attempt to re-jump the obstacle he will be eliminated.

REFUSALS AT A DOUBLE OR TREBLE:

Clearing an obstacle which is a Double or a Treble constitutes a particular test, and the fences cannot, therefore, be separated.

Consequently, if a Horse refuses, runs out, or falls in between any of these obstacles, the rider is obliged to start over again from the first of these fences.

All faults, including refusals at each fence during the various attempts, will be totalled up.

The complete Double or Treble should be numbered as one obstacle only.

TIME:

(a) Unless otherwise stated in the conditions of the Class. The "Time Allowed" for the course will be announced before each event.

(b) THE "TIME LIMIT" IS TWICE THE "TIME ALLOWED".

(c) FAULTS FOR TIME:—FOR EVERY SECOND OR PART OF A SECOND EXCEEDING THE "TIME ALLOWED" $\frac{1}{2}$ FAULT. EXCEEDING THE "TIME LIMIT". ELIMINATED.

JUMPING-OFF:

In the event of equality of faults for first place there will be a jump-off, and either time will decide, or a shortened course with larger obstacles may be used.

2. Each Society conducting qualifying competitions is requested to notify the Royal Agricultural Society of Victoria of the names and addresses of the winners and "runners-up," so that if it is found that, for any reason, the

4. The holder of a R.A.S. Qualifying Certificate, won in the same year, shall not be eligible to compete.

8. The names of the winners will be engraved on the Challenge Trophies, and they will be entitled to hold them until 31st August in the year following their success.

9. Suitably inscribed Championship Sashes will be presented to each successive winner of the Challenge Trophies.

CATTLE

STEWARDS IN CHIEF

Beef Cattle—W. J. T. CLARKE, Esq.
Deputy—L. M. DUGDALE, Esq.

Dairy Cattle—A. H. MOORE, Esq.
Deputy: KEITH McGARVIE, Esq.

The breeding year for Beef Cattle and Fat Cattle dates from 1st September and for Dual Purpose and Dairy Cattle from 1st July in each year.

Cow or Heifer entered as "in milk" can be transferred to the "in calf" class, if she has not calved prior to judging day, or vice versa.

Cows or Heifers entered in the "in calf" classes must be stripped out prior to entering the judging ring.

Judges have the right to order any Cow competing for Championships to be milked dry before finally awarding the prizes.

In all Sections feed sheds are available for exhibitors. Charge, 12/6 during the currency of the Show. Feed-mixing bins may be hired for 2/6 each. Exhibitors are not permitted to stack feed in the Cattle Pavilions.

Cows and Heifers in milk, except Friesians, must be at the grounds on Wednesday, 17th September, and be fully milked out between 4 p.m. and 5 p.m., at which hour they will be stripped out in the presence of the Stewards, or whom they may appoint. Friesians will be stripped out between 4 a.m. and 5 a.m. on Thursday, 18th September and they must not be milked prior to 4 a.m. on that day. They will be judged first on Thursday morning. The owner or his representative must be in attendance when females are being stripped out. All other cattle must be at the grounds before 9 a.m. on Thursday, 20th September.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 1 p.m. on Friday, 26th September.

Entries of milking stock (Sections 16 to 23 inclusive) will only be accepted subject to the following regulations regarding the disposal of milk.

In order that the Society can comply with the provisions of the Dairy Supervision Act, exhibitors are not permitted to dispose of milk prior to and during the currency of the Show, either by sale or gift, other than to the Society's agent, who is situated at the Milk Room (beside the No. 1 Cattle Pavilion). All milk will be purchased according to butter-fat value, based upon a complete test of the bulked milk, and returns forwarded to exhibitors after the Show. No milk will be paid for unless approved milk utensils are used and hygienic methods are adopted.

In classes where entries are limited to one from each exhibitor two animals may be nominated, but only one may be exhibited. In such case no refund will be made of the entry fee paid on the cancelled entry.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

Any exhibitor who shall, without due cause, fail to parade any animal before the Judge, when required so to do by the Steward of the Section, shall be liable to a fine of £1.

Parades.—Prize-winning cattle only will be permitted to take part in parades. All prize-winning cattle must be taken out on parade, in accordance with the printed programme. Exhibitors shall be subject to a fine of ten shillings in each case in which this regulation is not complied with, and shall also be liable to forfeit the prize or prizes awarded to their exhibit or exhibits. All cattle parading must wear exhibit numbers. No ribbons will be permitted on exhibits except those won during the Show.

If, in the opinion of the Secretary, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

All male exhibits of Cattle over the age of 12 months shall be rung through the nose, and when on parade or going to and from the parade shall be led by such ring. Exhibitors will be liable to a fine of £2 for every infringement of this regulation.

Each exhibitor is required to see that each of his exhibits is securely tethered in its stall, and in the case of polled breeds it is compulsory that they be tethered by the nose ring in addition to the head stall or neck rope.

If, in the opinion of the Secretary, exhibits in this Section be deemed to be deformed, the owner or owners of such exhibit or exhibits shall, upon notice to that effect, remove such exhibit or exhibits from the Show Grounds.

Exhibits of Cattle which, in the opinion of the Society, are not in reasonable Show condition, shall be removed from the grounds and shall not be eligible to be offered for sale on the Show Grounds.

Any animal offered for sale may wear, in the sale ring, only those ribbons won in single competition.

In Classes where, to be eligible, animals are to be born between certain dates, which are shown, neither date is inclusive.

Except where otherwise determined by Council all cattle must be certified T.B. free. An animal need not be individually tested for T.B. if from a Government-certified T.B.-free herd. Individual tests must be completed not earlier than 90 days prior to the opening date of the Show. Certificates for individual tests must accompany entry forms.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be secured from the Society.

TRUCKS, TRANSPORTS AND CARAVANS.

Motor vehicles, including trucks and stock transports will not be permitted to remain on the Show Grounds after unloading. They must be removed immediately, and will not be re-admitted until after 12 noon on Friday, 26th September, to load for the return.

Caravans will not be admitted to the Show Grounds.
