

FAT LAMB CARCASS COMPETITION

Section 41 —

Fat Lamb Carcass Competition

CLASS

1. Three lambs—suitable for export: bred by the exhibitor from Flock rams (exclusively from flocks registered in the recognised British Breeds flock book and from dams that are crossbred—not two British Breeds—comeback, grade Corriedales, grade Polwarth, or Merino). If crossbred, cross must be stated on entry form.

Prizes: First, £60; Second, £40; Third, £25; Fourth, £15; Fifth, £10, all presented by the AUSTRALIAN MEAT BOARD, 9-11 O'CONNELL STREET, SYDNEY, N.S.W.
Prize Cards and Sashes will be presented by the Society.

The carcasses will be judged on the following scale of points:—

	Points
(1) Legs—Short boned, fully fleshed with sufficient covering of fat on lower parts	35
(2) Loin—Wide and full with no excess of fat covering	35
(3) Fat—Not excessive, a smooth covering and an even distribution of fat of "creamy" texture over whole carcass	30
Total maximum points	100

Lambs 26 lbs. to 42 lbs. frozen weight will be accepted but each carcass over 36 lbs. will incur a penalty of 1 point for each lb. over that weight.

Thus an entry of three lambs each weighing 42 lb. would suffer a deduction of 18 points.

CONDITIONS OF ENTRY:

1. Each exhibitor shall, after the 1st August, 1960, and before 22nd December, 1960, send for sale a consignment of not less than 50 lambs to either—

- (a) A Selling Agent at Newmarket or
- (b) Thos. Borthwick & Sons (A/asia) Ltd. through his nominated Selling Agent.

2. From such consignment a selection of six lambs representative of the whole consignment shall be made. Such selection to be made by the exhibitor. The six lambs so selected shall be indelibly branded or ear-tagged by the exhibitor with his initials so that they may be clearly identified. The Society shall have the right to inspect each consignment from which entries are drawn to decide whether or not such six lambs are a fair representation of the consignment. Should the R.A.S. Inspector consider that they are not so representative than he may refuse entry or alter the selection in any way deemed by him to be reasonable and his decision in this regard shall be final.
3. The six lambs finally selected shall be purchased by Thos. Borthwick & Sons (A/asia.) Ltd. and they shall pay the exhibitor the price per lamb obtained by the exhibitor for the sale of the consignment of lambs as mentioned in paragraph 1.
4. The six finally selected lambs shall be slaughtered by Thos. Borthwick & Sons (A/asia.) Ltd. and their grader shall select three of same which in his opinion are the best three lambs. Such three lambs shall thereupon become the exhibit.
5. Any person wishing to become an exhibitor shall give written notice to the Secretary of the Royal Agricultural Society, Epsom Road, Ascot Vale, of his entry at least seven days prior to the date when his lambs are due to reach Newmarket saleyards and also advise:
 - (a) The date on which the lambs are due at Newmarket.
 - (b) The name of the exhibitor's selling agent.
 - (c) The breed—sire and dam—of the consignment of lambs.
6. All lambs must be bred by and the property of the exhibitor.
7. Any person may make more than one entry provided the lambs are taken from different consignments.
8. Judging shall take place after the 22nd December, 1960, by Judges appointed by the Society and their decision shall be final.
9. Entry free.

GOATS

Does in milk must be at the grounds on Wednesday, 21st September, and be fully milked out between 8 p.m. and 9 p.m., at which hour they will be stripped out (see Class 11 for 24-hour milk production record) in the presence of the Stewards, or whom they may appoint. They will be judged first on Thursday morning. The owner or his representative must be in attendance when females are being stripped out.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until 12 noon on Friday, 30th September.

Unless authorised by the Society no live stock will be permitted to enter the grounds other than those entered for exhibition.

Kids not entered for competition will not be permitted in the Show Grounds unless actually being suckled by their mothers, which must be entered for competition.

Goats, other than Does in milk, are required to be in the yards before 9 a.m. on Thursday, 22nd September. They will be on exhibition until 12 noon, Friday, 30th September.

Attendants leading goats in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

Any exhibitor who shall, without due cause, fail to parade any animal before the Judge, when required so to do by the Steward of the Section, shall be liable to a fine of £5.

Parades.—Prize-winning goats only will be permitted to take part in parades. All prize-winning goats except Angoras must be taken out on parade, in accordance with the printed programme. Exhibitors shall be subject to a fine of ten shillings in each case in which this regulation is not complied with, and shall also be liable to forfeit the prize or prizes awarded to their exhibit or exhibits. Attendants leading goats in the judging ring and during parades must wear the exhibit number of the goat. No ribbons will be permitted on exhibits except those won during the Show.

If, in the opinion of the Secretary, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

Exhibitors are permitted to display cards over the stalls stating that an animal is for private sale; such cards not to exceed 12 in. x 10 in.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Sweepstakes, special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are denoted with a star (*). Should an exhibit be incorrectly entered in more than one ordinary class, such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the goat section must be in the hands of the Secretary, at his office, Royal Show Ground, Epsom Road, Ascot Vale, W.2, on or before the time stated at head of this section.

The Society's Veterinary Surgeon's decision regarding age shall be final.

Any marks of speying on females shall disqualify them from competing in such classes.

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its box, stall, pen or stand, as the case may be, which shall correspond with its number in the official catalogue, and if the box, stall or pen be not occupied by such exhibit by noon on the first day of the Show, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendant's passes will be issued by the Superintendent at his office on the Show Grounds.

Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Secretary of the Society considers reasonable.

GOATS

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

All exhibits must be placed where directed by the Secretary or his deputy, and (except in accordance with Regulation 18) must not be removed from their allotted places during the Exhibition without the written consent of the Secretary being first obtained.

The Owner or Exhibitor of any exhibit or Stand of exhibits disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit or stand of exhibits from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

Exhibits must not be rugged during the hours the Show is open to the public. Exhibitors will be liable to a fine of ten shillings for every infringement of this regulation.

Exhibitors must keep the stalls allotted to their animals clean and give proper attention to their stock right throughout the Show.

Any exhibitor or his employee putting manure out of a box, stall, or pen, or putting out a trough, or cleaning out an alley way after 8 a.m. on a Show day shall be liable to a fine of ten shillings.

No advertisement or notice (except by permission of the Council) is permitted on any stall or building.

No bedding other than straw or hay may be used in any box or stall.

The General Regulations and Regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

TRUCKS, TRANSPORTS AND CARAVANS

Motor vehicles, including trucks and stock transports will not be permitted to remain on the Show Grounds after unloading. They must be removed immediately, and will not be re-admitted until after 12 noon on Friday, 30th September, to load for the return.

Caravans will not be admitted to the Show Grounds.

PIGS

Steward-in-Chief: J. M. Gardiner, Esq.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 11 p.m. on Saturday, 1st October. Pigs entered in Sections 46 to 51 must be penned not later than 12 noon on Wednesday, 21st September.

Judging of stud classes will commence at 9 a.m. on Thursday, 22nd September.

With the exception of both Saturdays and Thursday (Show Day) the Pavilion will remain open to the public until 7 p.m. On the both Saturdays and Show Day the Pavilion will remain open until 9 p.m. but will close between 5 p.m. and 6 p.m.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor.

No exhibit may be entered in more than one ordinary class. Throughout the schedule special classes are denoted with a star (*).

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the Pig Sections must be in the hands of the Secretary, at his office, Show Grounds, Epsom Road, Ascot Vale, W.2, on or before 12 noon on Saturday, 23rd July. Entry fee must accompany each entry.

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its pen, which shall correspond with its number in the official catalogue, and if the pen be not occupied by such exhibit by 12 noon on Wednesday, 21st September, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendants' passes will be issued by the Superintendent at his office on the Show Grounds.

Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

The Owner or Exhibitor of any exhibit disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

All pigs will be inspected by a nominee of the Royal Agricultural Society of Victoria and a Veterinary Surgeon, and any pig not up to Show standard or in a fit state of health or not conforming with the Rules of the Royal Agricultural Society of Victoria and the Australian Pig Society will be rejected.

Exhibitors must keep the stalls allotted to their animals clean and give proper attention to their stock right throughout the Show.

No bedding other than straw may be used in any box or stall.

Any exhibitor or his employee putting manure out of a pen, or putting out a trough, or cleaning out an alley way after 8 a.m. on a Show day shall be liable to a fine of ten shillings.

With the exception of Sow and Litter Classes exhibitors are permitted to display cards over the pens stating that an animal is for sale; such cards not to exceed 12 in. x 10 in. and must not be put up until after 12 noon on Wednesday,

PIGS

21st September. Cards may be placed on Sow and Litter pens after completion of judging. No other advertisements or notices (except by permission of the Council) are permitted on any pens or buildings.

The General Regulations and regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

Age of all pigs to be calculated to 15th September in each year. The Society's veterinary surgeon's decision shall be final on all matters regarding age. Exhibitors may be disqualified and debarred from further competition for any breach of regulations regarding the age of exhibits.

In Sections 46 to 51 (inclusive) all exhibits over the age of four months must be registered in an approved Herd Book. Pigs in classes under the age of four months must be from litters notified in accordance with the Rules of the Australian Pig Society. In the classes for sows with litters, the sire of the litter must also be registered, and the litter must have been duly recorded.

For particulars of registration in the Australian Pig Herd Book, apply to the Secretary, Australian Pig Society, Show Grounds, Epsom Road Ascot Vale, W.2.

Pigs not registered prior to 15th July will only be permitted to be entered for the Show on payment of double entry fees.

Exhibitors must be financial members of the Australian Pig Society, whose herds must be accredited as Brucellosis-free by the Department of Agriculture.

The date of birth and name of sire and dam of exhibit in the 4 months old or under classes and the over 4 months and not over 6 months old classes must be supplied at time of entry.

All boars over 12 months old must have had their tusks cut back to gum level one week prior

to the Show, and the Superintendent is empowered to remove from the Show Grounds any boar whose tusks have not been cut.

The Registered Herd Book numbers of all exhibits and of the sires and dams of exhibits must be stated on entry form.

Entries are limited to two in each class from any one exhibitor, in whose name the exhibits must be registered in the Herd Book.

Judges shall give consideration to sows entered in the "Sow and Litter" Classes when making Champion and Reserve Champion awards.

No sow (other than those entered in the sow and litter classes) will be permitted to be exhibited with a litter.

Any boar, entered in the breeding classes, not deemed to be completely entire by the Society's Veterinary Surgeons may not compete or be offered for sale on the Show Grounds.

Several feed sheds are available for exhibitors in the Pig Section. On application to the Secretary, sheds will be reserved. Charge, £1/5/- each, during the currency of the Show. Ten extra large sheds beyond the end of the Pig Pavilion, each fitted with four sleeping bunks, may be reserved on payment of £3 each.

No pig shall be transferred from its numbered pen without the sanction of the Superintendent.

All pigs entered in the stud classes will be paint branded with exhibit numbers.

SPECIAL NOTE.—Exhibitors please note that birds MUST be penned before 9 p.m. on Wednesday, 21st September.

In order to avoid disappointments, exhibitors are advised to despatch their birds so that they will arrive as early as possible on that day.

Poultry arriving at Spencer Street Railway Station on Wednesday, 21st September, will be picked up and conveyed to the Show Grounds by the Society's carrier.

Judging will be commenced at 9 a.m. on Thursday, 22nd September. The pavilion will be open to the public from 9 a.m. until 9 p.m. from Friday, 23rd September, to Saturday, 1st October.

When forwarding poultry by rail, exhibitors are particularly requested to mark clearly in each compartment of the coop the exhibit number of the bird that was sent therein, so that the same arrangement of birds may be made for the return journey.

Metal leg bands bearing the pen numbers will be forwarded to exhibitors, together with entry tickets. These bands must be securely fastened to the legs of the birds in accordance with the exhibit numbers on the entry tickets.

Trio Classes are restricted to two entries from any one exhibitor but to not more than one entry in any class.

The Council reserves the right to reject at any time any entry or prohibit any person or bird from competing in any class.

When a special prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

Every bird entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the bird is unable to compete on one of the following grounds:—

- (ii) The bird is unfit for exhibition due to injury or disease.
- (iii) The bird has become ineligible for the class entered.
- (iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every bird not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

Unless authorised by the Society no live stock will be admitted to the Grounds other than those entered for exhibition.

WITHDRAWAL OF ENTRY.—Every bird entered must be exhibited unless a certificate signed by the owner is lodged with the Society prior to the date of the Show, stating that the bird is unable to compete on one of the following grounds:

- (i) The bird has died.
- (ii) The bird is unfit for exhibition due to injury or disease.
- (iii) The bird has become ineligible for the class entered.
- (iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every bird not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

Entries must be made on forms supplied by the Society, and will only be received subject to the Rules and Regulations of the Society.

Exhibits must be bona fide property of the exhibitor at time of entry.

No bird may be entered in more than one class, and birds entered in wrong classes will not be judged, and the entry fees will be forfeited.

Budgerigars, Canaries, Finches and other Cage Birds must be delivered to the Superintendent at the Pigeon Pavilion on the Show Grounds not later than 9 p.m. on Wednesday, 21st September. Country and Interstate exhibitors may make arrangements with the Society to receive their birds and return them after the Show.

All birds will be benched by Stewards only.

Exhibitors must provide "standard" cages for their birds. Gummed labels to be affixed thereto will be supplied by the Society, and no addition must be made to these labels by exhibitors. In the event of an exhibitor adding to the information included on the label by the Society, the bird to whose cage this label is attached will be disqualified.

No bird suffering from any disease will be allowed to be exhibited.

Judging will be commenced at 9 a.m. on Thursday, 22nd September, and, with the exception of those engaged by the Society, no person will be admitted to the Pavilion until judging is completed. The Pavilion will be open to the public from 9 a.m. until 9 p.m. on Friday, 23rd September, and Saturday, 24th September.

During the Show the birds will be in the custody of the Society, and must not be touched or handled by the owner or any person, on any pretence whatever, without the permission of the Superintendent.

Exhibitors will not be permitted to remove their birds before 9 p.m. on Saturday, 24th September.

The Society will arrange for a competent person to feed and otherwise attend to the birds, and caretakers will be on duty in the Pavilion night and day during the currency of the Show.

Selling prices of all birds may be displayed on cages. Cards will be supplied free on application to the Superintendent, who will place them on the cages if requested by exhibitors who are unable to attend in person.

The greatest care will be taken of the exhibits, but the Society will not be responsible for any accident, mistake, loss or damage, from whatever cause arising, the exhibits being at the sole risk of the exhibitor. In case of the death of any exhibit, the same shall be certified by the Veterinary Surgeon or his deputy.

Exhibitors of birds which are protected or kept under permit, must produce their permit when called upon to do so. The Society does not accept any responsibility in this matter. Entries can only be accepted on this condition.

Birds that have been tampered with or improperly dealt with in any way shall be disqualified, and entry fees paid shall be forfeited. The exhibitor shall also be liable to disqualification, and, if a member, to expulsion from the Society.

BUDGERIGARS

The Council reserves the right to reject at any time any entry or prohibit any person or bird from competing in any class.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

be tons ahead . . .

WHILE OTHERS ARE STILL GREASING THEIR BALERS!

No greasing required with the Massey-Ferguson 503 P.T.O. Baler! When the hay's ready for the taking you just hitch the 503 to your tractor, and away you go to get *all* your hay and get it *fast*! No delays! No worries!

A high-profit hay crop takes more than a good stand of hay and good haying weather. It takes fast-working crop-gathering *equipment*, too . . . And the 503's fast, alright . . . It delivers up to 10 tons of perfectly formed bales an hour. And they're the *leanest* bales you ever saw, with the *protein-rich* part of the hay saved . . . the part that puts *those extra-profit* pounds on livestock.

LOOK . . . COMPARE . . .

YOU'LL BE A MASSEY-FERGUSON MAN!

Sealed bearings, oilite and nylon bushings eliminate lubrication. The most compact baler on the market, only 8 ft. wide. Simple two-way hitch for transport and working position.

- Bale Size — 14" x 18" x 30" or 38".
- Bale Weights — Vary according to the desired density.
- Pick-up Width — 48" with 2" flare.
- Plunger Speed — 70-72 strokes per minute.
- Plunger Stroke — 26".
- Knoller — Synchronised, twin type, fully automatic.
- Twine Box — Takes 4 spools for 1,000 bales. Bales tied under compression.
- Positive pick-up and adjustment for free-riding.

Farm better,
live better with
Massey-Ferguson.
Pace-setters in
power-farming.

PORTAL CONSTRUCTION

brings new strength, new capacity, new economy to your farm building requirements

Portal Construction is no "pruned down to price" structure . . . it is absolutely top quality. ANDASTEEL portal farm buildings are fabricated from heavy channel with angle steel bracing and ties—all of at least 3/16" thickness. In storage you get far greater capacity than any other similar building because of the higher roof pitch and absence of internal members. Standard sizes are 60 ft. x 20, 25 or 30 ft. spans with 14 ft. wall height.
