Light Horses: P. B. RONALD, Esq.

REGULATIONS RELATIVE TO ENTRIES

All horses and ponies entered in Sections 1 to 8 inclusive are required to be at the grounds from 9 a.m. on Thursday, 17th September, until 1 p.m. on Friday, 25th September, unless otherwise specified.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 1 p.m. on Friday, 25th September.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

With the exception of Thursday (Show Day) the Horse Pavilion will remain open to the public until 7 p.m.

On Show Day they will remain open until 9 p.m. but will close between 5 p.m. and 6 p.m.

The breeding year dates from 1st August in each year.

Any prize awarded to a mare exhibited as being in foal may be withheld until the production of a certificate that she has produced a foal after the exhibition and previous to the 1st January next ensuing.

Stallions over two years of age exhibited from States other than Victoria, need not be registered under the Act, but must be examined and passed by a Government Veterinary Officer in respect of both soundness and type, except registered Clydesdales carrying a current certificate of soundness issued in South Australia which will be accepted for exhibition purposes on production of this certificate.

All Stallions over 2 years of age, owned in Victoria, must be registered as required by the provisions of the Horse Breeding (Victoria) Act 1928.

All Stallions and Mares over two years of age entered in Sections 1 to 6 (except Farm and Lorry Horses in Section 2) must be examined by a Government Veterinary Officer and if passed, have their Entry Tickets stamped "Pass to Ring" before entering the judging ring. No appeal against a Government Veterinary Officer's decision will be entertained.

Stallions and Mares will be examined by Government Veterinary Surgeons on the Show Grounds on Wednesday, 16th September, commencing at 10 a.m.

Where height is stipulated, horses and ponies must be measured, and an exhibit over or under the specified measurement may be transferred to its correct class. The official measurer will be in attendance on the Grounds on Tuesday, 15th, and Wednesday, 16th September, at 10 a.m., on Thursday, 17th September, at 8 a.m., and on each remaining day of the Show from 9.30 a.m. to 10 a.m., and the neck numbers of horses and ponies must be endorsed by the measurer.

When measuring a horse, galloway or pony an allowance of half ($\frac{1}{2}$) of an inch for shoes

may be made at the discretion of the Measurer. Should an exhibit be measured with shoes on and the exhibitor disagree with the Official Measurer's decision as to the height of the animal, he may, should he desire, have it re-measured without shoes. The Official Measurer may, in his discretion, request the removal of shoes from any horse, galloway, or pony, prior to measurement.

If the judge entertains a doubt as to the correctness of a height certificate, he has the power to order the exhibit to be re-measured. In such case the Steward shall accompany the exhibit to the Measurer's Stand and supervise the re-measuring.

All entrants in saddle and contest sections must state performances of horse or pony on a form. Immediately after the close of entries the Horse Committee will go through all forms, and from the information supplied will determine which entries will be accepted, and for which animals accommodation will be provided. In this connection first preference will be given to approved animals from other States. All entrants will be notified of the Committee's decision, and all fees paid on any entries not accepted will be refunded.

Any exhibitor who supplies wrong information on entry or performance form will render himself liable to disqualification.

Horses are not permitted to enter the Judging Ring if fitted with bearing reins.

Any Exhibitor who shall, without due cause, fail to parade any animal before the Judge when required so to do by the Steward of the Section, shall be liable to a fine of one pound.

Several feed stalls are available for Exhibitors. Charge, 12/6 during the currency of the Show.

Exhibits of horses which, in the opinion of the Society, are not in reasonable Show condition, shall be removed from the grounds and shall not be eligible to be offered for sale on the Show Grounds.

Exhibitors are advised to study the time table, showing times at which judging in the various Classes is to be commenced. Judging in any Class will not commence before the time specified. No warning will be given, and any competitor not present when the Judge is ready to commence will miss the opportunity to compete.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor or held by the exhibitor under a written lease recognised by the Society at the time of entry.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Sweepstakes, special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are denoted with a star (*). Should an exhibit be incorrectly entered in more than one ordinary class such exhibit shall be deemed ineligible to

compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

Applications for stands for harness and saddlery, vehicles, machinery and implements, single exhibits, or goods for exhibition only, must be made by ordinary letter. After the applications close, positions will be allotted and a charge will be made for the space granted.

All entries must be made in writing on forms supplied by the Society. Entries for Horse and Contest Sections, except Trotting must be in the hands of the Secretary, at his office, Showgrounds, Epsom Road, Ascot Vale, W.2, on or before Friday, 12th June, 1959, at 4.30 p.m. Entries for the Trotting Contest Section must be in the hands of the Secretary of the Trotting Control Board, Show Grounds, Epsom Road, Ascot Vale, W.2, on or before Wednesday, 5th August, 1959, at 3 p.m. Entries for all other sections must be in the hands of the Secretary on or before 12 noon on Saturday, 18th July. Entry fee must accompany each entry.

The Society's Veterinary Surgeon's decision regarding age shall be final.

All male animals competing in the breeding classes must be completely entire. Any male animal in the breeding classes not deemed to be completely entire by the Society's Veterinary Surgeon may not compete or be offered for sale on the Show Grounds. Any marks of speying on females shall disqualify them from competing in such classes.

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its box, stall, pen or stand, as the case may be, which shall correspond with its number in the official catalogue, and if the box, stall or pen be not occupied by such exhibit by noon on the first day of the Show, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendants' passes will be issued by the Superintendent at the Show Grounds.

Every animal entered must be exhibited unless a certificate signed by the owner is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

* Denotes Special Class.

An exhibit may only be entered in one ordinary class in each of Sections 5, 6, 7 and 8 and in as many Special Classes as it is eligible to compete in Sections 5, 6, 7, 8 and 9.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class in the same section. (This regulation does not apply to the Miscellaneous & Dressage Classes, which include Classes 103 to 110 and 148 to 150 inc.)

An exhibit must compete and qualify in an ordinary class before becoming eligible for Champion Prizes.

(Stallions are not eligible to compete in this Section. Dressage Classes excepted).

All animals entered in this Section must be registered in the Equestrian Federation of Australia's Register. For particulars regarding registration apply to the Secretary Equestrian Federation of Australia (Victorian Branch), Royal Show Grounds, Epsom Road, Ascot Vale, W.2.

Where height is stipulated, horses must be measured, and an exhibit over or under the specified measurement may be transferred to its correct Class. Where a definite weight is specified, the horse must, in the opinion of the judge, be suitable for carrying such weight.

All horses in the 14-st., 12-st. and 10-st. Hack Classes must be paraded before judging, when the Judge will classify them into their various classes in the following way:— The horses entered for 14-st. Hack shall be paraded, when any horse too light in the opinion of the Judge, shall be transferred to the 12-st. Class. Those entered in the 12-st. Class shall be next paraded, when the Judge shall class out any he considers too heavy or too light, and shall transfer the heavy to 14-st. and the light to 10-st. Class. Those entered for the 10-st. Class shall be paraded, and the Judge shall class out all considered too heavy, and transfer to 14-st. or 12-st. Class, as the case may be. Judging will then commence with the 14st. Class.

N.B.:—Hacks which are not paraded for classification will not be eligible to compete.

Please state on entry form the name, colour and correct age of exhibit, also pedigree (if known).

All entrants in saddle and contest sections must state performances of horse or pony on a form. Immediately after the close of entries, the Horse Committee will go through all forms, and from the information supplied will determine which entries will be accepted, and for which animals accommodation will be provided. In this connection, first preference will be given to approved animals from other States. All entrants will be notified of the Committee's decision, and all fees paid on any entries not accepted will be refunded.

Notwithstanding any regulation to the contrary, an exhibit may be entered in one ordinary class in the Saddle Section and one ordinary class in the Harness Section.

ALL OVER VICTORIA . . .

Farmers are talking about the amazing results obtained from using . . .

WATKINS MINERAL FOOD SUPPLEMENT

the scientifically compounded, properly balanced, Mineral Supplement for Cattle, Sheep, Pigs and Horses.

READ WHAT THESE SATISFIED USERS ARE SAYING :

- " . . . Watkins Mineral Food Supplement has been used by me constantly for the past four years . . . Dairy cows, calves, steers, Ryeland and Romney sheep—in fact, all my sheep—get it regularly. I am very happy with the results. I have healthier stock, less sickness, use a lot less drench, and get a lot more wool, especially off the young sheep."

(Signed) IVAN H. WOOD, Markwood.

- " . . . I keep a lot of pigs for which I use Watkins Minerals, and the most surprising part of it is that I bought suckers at 5/- each that were hardly worth taking. I gave them Watkins Minerals and in one month I have taken them back to market and received £6/1/- and £5/1/- each. What great results! . . . "

(Signed) C. E. A. REICHEL, T,
Private Bag 78, Nhill.

- "During the past 12 months I have been using your M.F.S. and have found same very beneficial to lambing ewes. My reasons for stating same are: 1—Sheep are very fond of M.F.S. 2—Ewes cut more wool and keep their condition better than ewes that have not had access to M.F.S. . . . "

(Signed) B. BLAKENEY, Yarck.

DRESSAGE TESTS

OBJECT AND GENERAL PRINCIPLES

The object of Dressage is the harmonious development of the physique and ability of the horse. As a result, it makes the horse calm, supple and keen, thus achieving perfect understanding with its rider.

These qualities are revealed by:

- the freedom and regularity of the paces;
- the harmony, lightness and ease of the movements;
- the lightening of the forehand and the engagement of the hind quarters;
- the horse remaining absolutely straight in any movement along a straight line and bending accordingly when moving on curved lines.

The horse thus gives the impression of doing of his own accord what is required of him. Confident and attentive, he submits generously to the control of his rider.

His walk is regular, free and unconstrained. His trot is free, supple, regular, sustained and active. His canter is united, light and cadenced. His quarters are never inactive or sluggish. They respond to the slightest indication of the rider and thereby give life and spirit to all the rest of his body.

By virtue of a lively impulsion and the suppleness of his joints, free from the paralysing effects of resistance, the horse obeys willingly and without hesitation and responds to the various aids calmly and with precision.

In all his work, even at the halt, the horse must be on the bit. A horse is said to be "on the bit" when the hocks are correctly placed, the neck is more or less raised according to the extension or collection of the pace, the head remains steadily in position, the contact with the mouth is light and no resistance is offered to the rider.

The position of the horse when "on the bit" depends on the conformation as well as on the degree of training of the horse.

SPECIFIC REQUIREMENTS

HALT. At the halt, the horse, standing square on his four legs and immobile, must be ready to move forward at the least pressure of the rider's legs.

EXTENDED WALK. At the extended walk, the horse should cover as much ground as quickly as possible WITHOUT haste and without breaking. The hindlegs passing clearly beyond the tracks of the forelegs. The rider gives freedom to the head and neck of the horse without, however, losing contact, so as to be able at any moment to make the horse change his pace, his speed, or his direction.

EXTENDED TROT. At the extended trot, the horse extends his action, his neck is stretched, his shoulders vigorously driven on by the haunches, gains ground forward without noticeably increasing height.

ORDINARY WALK. The ordinary walk is a free, regular and unrestrained walk. The horse walks briskly, but with a calm, deliberate and even step, each clearly marked, distinct and equally spaced. The rider keeps a light and steady contact on the reins.

ORDINARY TROT. The ordinary trot is a pace between an extended and a collected trot. The horse goes forward freely and quite straight, engages his haunches which remain very active, pulls gently at the reins with a balanced and even bearing. His strides should be as far as possible equal; the hind legs follow exactly in the tracks of the fore legs.

ORDINARY CANTER. The ordinary canter is a pace between an extended and collected canter. The horse perfectly straight from the poll to the tail, goes freely with a natural balance.

REIN-BACK. The rein-back is the walk backwards of the horse. It is correct when the horse lifts his feet and brings them down in pairs diagonally almost simultaneously, the haunches remaining well in line. The horse walks back step by step, constantly ready, at the wish of the rider, either to halt or to advance without halting.

Comments:

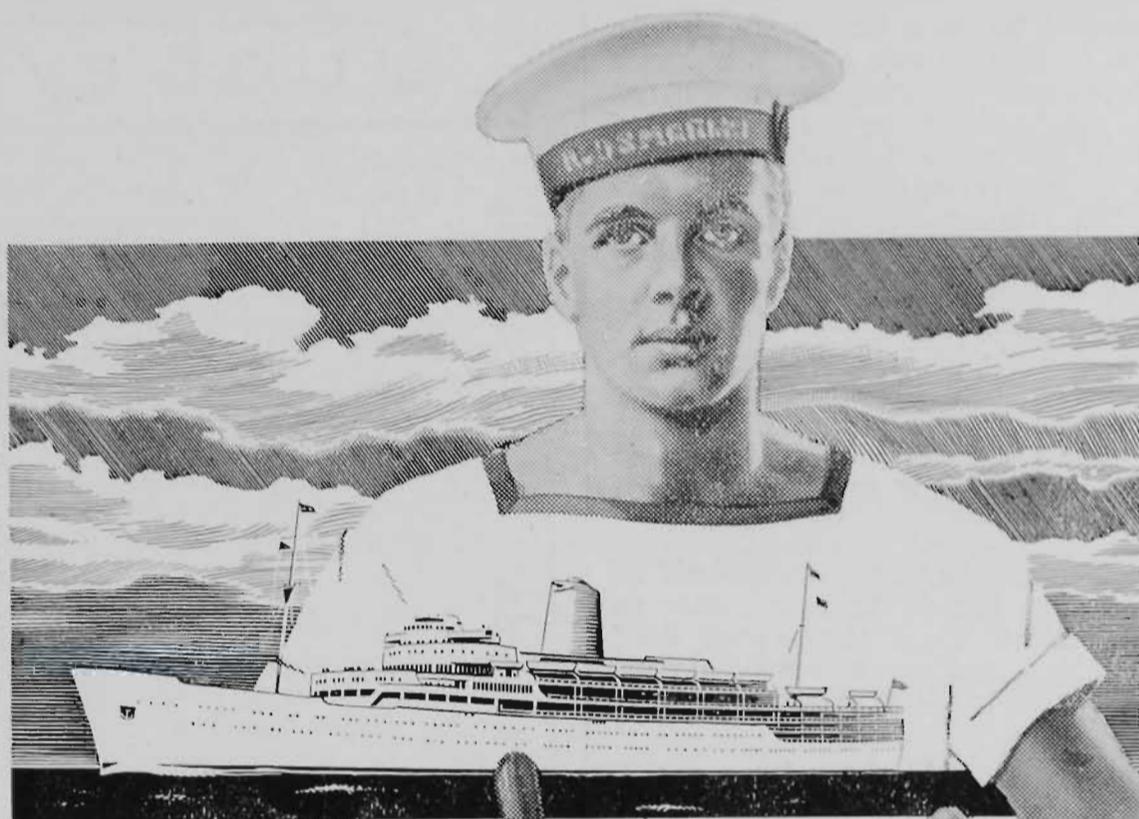

1. All movements in Dressage tests may be progressive unless otherwise stated. It is, therefore, better to put in one or two strides at the walk and get the "move-off" smooth and straight, than to try to break straight into the trot and cause the movement to be rough and crooked.

2. In the extended trot make the horse lengthen his stride and let there be a definite difference between the extended and the ordinary trot. Be careful to maintain the cadence throughout the transition and the correct bend round the corners. Keep the ordinary trot lively though with shortened strides and the same cadence.

3. Make good wide loops, making sure you go right up to the side line. It is better even to come back a little at the end of each loop as you pass the centre and then change the bend smoothly. Keep the slow trot active.

4. In the halt, the horse must stand absolutely still on all four legs on the track parallel to the long side and remain on the bit. Count six slowly. The horse must move off smoothly, remaining on the bit without throwing up his head.

5. Turn about on the haunches, the inside hind leg being the pivot, the fore legs performing a semi-circle with even strides round this pivot, the outside fore leg moving over and in front of the left. The pivoting leg when raised should be replaced on the same spot; it is a bad

fault if it is drawn back. The horse should be flexed in the direction of the turn, but the neck should not be bent. The rider's outside hand should not be carried across the withers. As soon as the turn is completed and the horse parallel to the long side he should proceed at once at the walk. After three or four strides at the walk break into the canter. Here the transition should not be progressive as it definitely lays down that the canter be done from the walk. Be careful to avoid the quarters coming in and the head being bent out or thrown up.

6. Be sure that the circle is round and goes well up to the prescribed dimensions. There should be no variation in the pace. The horse should be flexed in the direction to which he is going and the hind legs follow in the tracks of the fore legs.

A very common fault is that the second half of the circle is flatter than the first; it is better to err in the other direction as if the second half of the circle is flat it makes a more abrupt return to the long side and prevents it from being smooth.

7. Come smoothly away from the short side, make the loops well up to but not beyond the quarter lines and maintain the same bend throughout. The horse should always be bent to the leading leg whether cantering false or true. Be careful not to get on two tracks and be sure to make all three loops the same size.

8. The old canter should be continued to within six feet of the prescribed point and the change produced progressively, i.e., through the trot. There should be at least one stride at the walk and the new canter obtained from the walk not more than six feet beyond the prescribed point. The horse's body must remain straight on the diagonal line throughout.

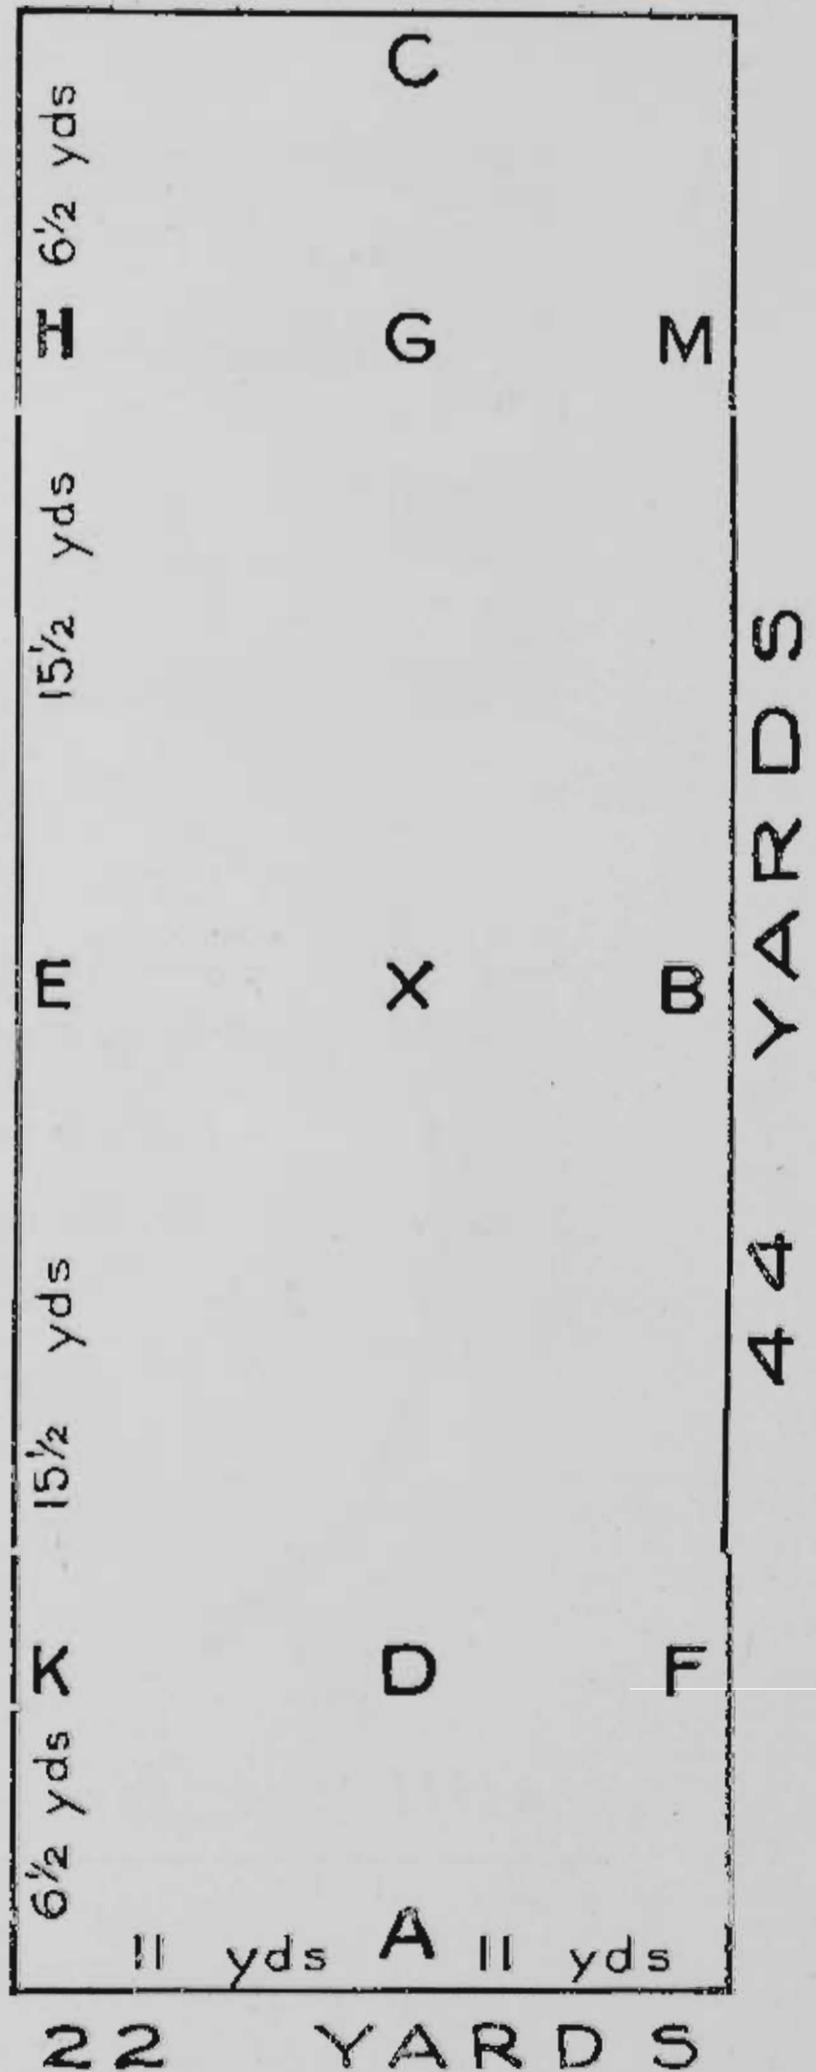

9. After the salute, the horse must move off with a loose rein straight towards the judges. The aid to turn may be given by a slight contact of the outside rein, the horse then being allowed to walk up the long side with a loose rein.

10. The horse should go freely and actively forward maintaining activity and cadence in all paces, with smooth transitions. Good and steady head and tail carriage, no raising or beating of the head, no tail swishing. Clear four-time walk evenly spaced. Springing activity from one diagonal to the other in the trot. Canter definitely three-time and straight.

11. Rider's body should be upright with seat well down in the saddle and should be still, the hands and the legs steady. The hands must always remain on their own side of the horse's neck with the elbows close to the sides and legs should never be in front of the perpendicular. The heels well down even when giving aids and knees turned well into the saddle. All aids should be correct and as invisible as the training of the horse permits.

DRESSAGE

F.E.I. THREE-DAY EVENT DRESSAGE TEST

GENERAL REMARKS

The Test

The F.E.I. Three-Day Event Dressage Test will be interpreted in accordance with the relevant Rules of the F.E.I.

In this test, it is required to show that the horse possesses the submission, energy and suppleness needed to perform with ease the smooth and extended paces which characterise riding in the open. This being the case, the test should be carried out with vigorous impulsion, the quarters and shoulders working strongly together, in a sustained pace, the horse well on the bit and accepting it. The degree of collection requires a light but firm contact on reins of medium length, the neck easy, the head flexed at the poll and slightly in advance of the vertical, but never a fully collected position.

System of Marking.

All the 30 movements are awarded from 0 to 6 good marks by each judge and two collective marks from 0 to 24 are awarded for general impression. There are, therefore, 228 good marks which can be awarded by each judge. Any penalties incurred for overtime or errors of course are deducted from each judge's sheet and the total marks of the three judges are then averaged. The good marks thus obtained are subtracted from 228, to express the score in penalty points.

Time

The time allowed for the test is 12 minutes.

Errors of Course

The test must be executed from memory. Errors of course or wrong sequence of movements, whether corrected or not, are penalised as follows:—

- First error—2 marks.
Second error—5 marks.
Third Error—elimination.

Arena.

The arena is 66 yards long and 22 yards wide and is separated from the spectators by a free space of 22 yards on all sides. Guiding marks are placed not less than 4 yards from the sides.

The centre line is marked throughout its length on the ground. The position of the points G and X are marked each by a large spot.

All movements must be executed at the points indicated and the turns and circles within the prescribed dimensions. Unless a change of rein is indicated, all movements are carried out straight round the arena.

Saddlery

English saddle and simple double bridle, i.e., bridoon and bit with curb chain, are compulsory, lipstrap optional. Martingales and bearing, side or running reins of any kind are forbidden, as also are bandages, boots or any sort of blinkers. Riding whips are prohibited.

The Championship Competitions shall be judged on the same basis as the qualifying competitions, but the Judge, before finally making his award, shall require his six finalists to execute a figure 8 at a canter, ride away from the Judge, return at a slow canter, stop at the Judge's signal and back, all six using the same mount (with snaffle bridle) which will be provided by the Society.

8. The names of the winners will be engraved on the Challenge Trophies, and they will be entitled to hold them until 31st August in the year following their success.

9. Suitably inscribed Championship Sashes will be presented to each successive winner of the Challenge Trophies.

10. The winners of the Challenge Trophies will be eligible to compete in future years, subject to age.

DEFINITIONS, GENERAL RULES AND PENALTIES

OBSTACLE KNOCKED DOWN:

1. An obstacle is considered as having been knocked down when through the fault of the horse, or rider:

- (a) Any part, or the whole, of it is knocked down, even when the falling part is arrested in its fall by any other portion of the obstacle.
- (b) When at least one of its ends is dislodged from its support.
- (c) Any framework intended to maintain the solidity of the obstacle, and forming an integral part of its support fails. Touches and displacements, in whatever direction, do not count.

2. (a) When an obstacle, or part of an obstacle, is composed of several elements placed one on top of the other and in the same vertical plane, the dislodging of the top element alone is penalised.

(b) When an obstacle to be taken in one jump is composed of several elements not fixed in the same vertical plane (oxer, brook, triple bar, water jump or ditch, preceded or followed by another obstacle, etc.), the fall of one or more elements is counted only as one fault, irrespective of the number and position of the elements knocked down.

(c) If an obstacle that has been knocked down does not actually fall until after the horse has left the arena, it will not be penalised.

(d) If any element of an obstacle that has been knocked down prevents the horse from jumping the next obstacle it must be removed. The time required for doing this is deducted from the total time of the round.

DISOBEDIENCE:

3. The following are considered as disobediences and are penalised as such:
Rectified deviation from the course.

CONTESTS—JUMPING

Refusal.
Run-out.
Resistance.

Any form of circle or series of circles, in any part of the course for any reason, except that a horse may circle once without penalty to re-take the track after a run-out or a refusal. Approaching an obstacle sideways, or zig-zagging, or turning sharply towards it, do not constitute a disobedience, provided the horse has not passed the obstacle.

DEVIATION FROM THE COURSE:

4. There is a deviation from the course when the horse does not follow the plan for the course as shown on the diagram posted up, as when the rider:

(a) Disregards a flag to indicate the course to be followed.

(b) Does not clear the obstacles in the prescribed order.

(c) Jumps an obstacle outside the course, or misses one on the course.

5. (a) To rectify a deviation from the course the rider must resume the course from the spot where the error was committed.

(b) A deviation from the course rectified before clearing an obstacle is penalised as a disobedience.

(c) A deviation from the course not rectified, or rectified only after taking an obstacle, whether this forms part of the course or not, incurs the penalty of elimination. Officials or others in the arena are never allowed to warn the competitor of his error.

REFUSAL:

(a) A refusal consists of stopping in front of an obstacle to be jumped, whether or not the horse knocks it down or displaces it.

(b) Stopping at an obstacle without knocking it down and without reining back, followed immediately by a standing jump, is not penalised.

(c) If the halt is perceptible, or if the horse steps back even a single pace, voluntarily or not, or retakes the track, a refusal is incurred.

(d) If a horse, having knocked down an obstacle in stopping, jumps this obstacle before it has been re-erected, he is eliminated.

(e) If a horse slides through an obstacle the Ground Jury must decide whether it is to count as an obstacle knocked down or as a refusal. If they decide it was a refusal they must immediately ring the bell and the competitor must return and rejump the obstacle. Should he fail to do so and jump another obstacle he is eliminated. Should the Jury decide it was not a refusal, they will not ring the bell and the competitor must continue his round. He is then penalised as for an obstacle knocked down.

(f) The action of showing an obstacle to the horse after a refusal and before resuming the course is penalised by elimination.

RUNNING OUT:

7. It is considered as running-out and the horse must be brought back to jump the obstacle again, failing which he is eliminated, when:

(a) The horse, not being properly under control of his rider, avoids the obstacle he should have jumped.

(b) He jumps the obstacle outside the boundary flags which mark it.

RESISTANCE:

8. It is considered to be a resistance when the horse, wherever he may be, refuses to go forward (stops, runs back, turns round more or less completely, rears, etc.).

All horses are eliminated that:

(a) Resist their riders for a period of sixty consecutive seconds during the round.

(b) Take more than sixty seconds to jump an obstacle, except in the case of a fall.

(c) Have not passed the starting line sixty seconds after being given the signal to start.

FALLS:

9. (a) A rider is considered to have fallen when he is separated from his horse, which has not fallen, in such a way as to necessitate remounting, or vaulting, into the saddle.

(b) A horse is considered to have fallen when the shoulder and quarters have touched either the ground, or the obstacle and the ground.

10. (a) A fall is penalised wherever it takes place within the course and whatever the cause.

(b) The penalty to be imposed for a fall is set out in Table "A", "B", or "C".

(c) When the horse or rider falls in knocking down an obstacle the penalties for both occurrences are added together. The same applies to a fall following a disobedience.

UNAUTHORISED ASSISTANCE:

11. Any intervention by a third party, whether solicited or not, with the object of facilitating the task of the rider or helping his horse, is unauthorised assistance and is forbidden under penalty of elimination.

The judges have full powers to decide whether the rider will be eliminated or not.

Bringing back a runaway horse after a fall or helping the rider to re-adjust the saddlery, or to remount, is not considered as unauthorised assistance. The course must be re-taken at the exact spot where it was interrupted.

DOUBLE, TREBLE AND MULTIPLE OBSTACLES:

12. A double, treble, or multiple obstacle is one composed of two, three or more fences or parts, and with a maximum inner distance between them of 39 ft. 5 ins. (12 metres), which must be taken in two, three or more successive jumps. The distance is measured from the base of the one fence or the landing side to the base of the next fence on the take-off side.

In double, treble and multiple obstacles, each fence or part of the whole must be jumped separately, on penalty of elimination. When there is a refusal, run-out, or fall, the rider must take the whole obstacle again, or he will be eliminated. Exception is made for completely closed obstacles.

All the faults for mistakes and resistances made at each fence and during the various attempts are counted separately and added together, but should a refusal be due to a fall between two fences it will not be penalised.

BANKS, SLOPES AND RAMPS:

13. Banks, slopes, ramps and sunken roads, irrespective of whether they include any sort of fence and whatever the direction in which they should be taken, will be regarded as double,

CONTESTS—JUMPING

treble or multiple obstacles. Each part must be jumped separately and faults will be penalised as for these obstacles.

14. A bank or platform («butte») without the addition of a fence, or with only one pole, can be taken in a flying jump. This way of jumping does not incur any penalties.

OBSTACLES COMPLETELY CLOSED

15. (a) If an obstacle is completely closed (such as in-and-out, square or hexagonal) the rule for rejumping the whole obstacle does not apply.

(b) In such cases, if the horse leaves the enclosure on the wrong side, he is considered as having jumped an obstacle that is not part of the course and he is eliminated.

(c) If, on the other hand, once in the enclosure, there is a refusal or fall, the rider is obliged to leave the enclosure by jumping out of it in the correct direction. If he is unable to do so within 60 seconds or after several attempts, making in all three refusals during the round, he is eliminated. He has not the right to displace, or cause to be displaced, or to modify any of the elements of the obstacle.

TIME:

(a) Unless otherwise stated in the conditions of the Class the "Time Allowed" for the course will be announced before each event.

(b) THE "TIME LIMIT" IS TWICE THE "TIME ALLOWED".

(c) FAULTS FOR TIME:—FOR EVERY SECOND OR PART OF A SECOND EXCEEDING THE "TIME ALLOWED" $\frac{1}{2}$ FAULT. EXCEEDING THE "TIME LIMIT". ELIMINATED.

JUMPING-OFF:

At the discretion of the Stewards, the system of jumping-off for first place, shall be either successive or decided by time.

Ties for lower awards not taking part in the jump-off will divide the prize-money.

EXCEPTIONS TO THIS RULE WILL BE CLEARLY STATED IN THE CONDITIONS OF THE EVENT CONCERNED.

247. *THE "BUCKLEY AND NUNN" ACE JUMPING CONTEST.

SPECIAL PRIZES, £80 (of which £65 is presented by BUCKLEY AND NUNN LTD., 294-312 BOURKE ST., MELBOURNE).—First prize, £50; Second prize, £20; Third prize, £6; Fourth prize, £4.

CONDITIONS

This contest will, at the discretion of the Council, be restricted to all horses and galloways competing in Group A and horses and galloways which are winners in Group B, at the time of the commencement of this event. On the wings of each obstacle will be placed a large facsimile playing card to indicate the point value of such obstacle. The contestants, having passed the starting line, shall jump five obstacles of his or her own choice. The obstacles may be jumped from either direction, and in any order. The same obstacle shall not be jumped more than twice. For each obstacle which has been clearly jumped the competitor will be awarded points as indicated by the facsimile playing card. Point value of each obstacle shall be:—

Ace	6 points
King	4 points
Queen	3 points
Knave	2 points
Ten	1 point

The larger obstacles carry a greater point value. The prizes shall be awarded to the contestant securing the greatest aggregate number of points for the five obstacles in the shortest time. (The time shall be taken from when the horse passes through the start flags until the forelegs touch down after jumping last obstacle). In the event of a tie for first place the fastest time will decide the award. The minor awards will be made in accordance with the number of points gained. Disobedience and refusals to the limit of three will only be penalised indirectly by loss of time. A contestant cannot by-pass an obstacle which his mount has failed or refused to jump. The obstacle must first be cleared before proceeding to the next obstacle. A contestant jumping more or fewer than five obstacles shall be eliminated from the contest. Ladies and gentlemen may ride at catch weights.

Prior to this event owners whose horses become eligible to compete will be notified and also advised regarding the time of closing of entries.

Entry fee, £1/10/-; R.A.S. of V. Members, £1.

Limited to (A) The 10 horses or galloways in Group A which have the least number of faults in Classes finalised before this event.

(B) The 5 horses or galloways in Group B which have the least number of faults in Classes finalised before this event.

(C) All winners of Classes in Groups A and B finalised before this event.

(D) Any other horses, or galloways the Council may consider to be worthy of inclusion.

Should there be a greater number of horses in each individual Group which qualify because of equality of faults the number shall be reduced by a ballot of those with the greatest number of faults.

Prior to this event owners whose horses become eligible to compete will be notified, and also advised regarding the time of the closing of entries.

JUMPING-OFF

In the event of equality of faults for first place there will be a jump-off over a course of which certain obstacles may be heightened or enlarged.

If after this jump-off there is still a tie for first place, a second jump-off will take place over a course reduced in the number of fences—some obstacles may be heightened or enlarged—and in the event of equality of faults in this jump-off, time will decide.

Ties for lower awards not taking part in the second jump-off will divide the prize-money.
