CATTLE

STEWARDS-IN-CHIEF

Beef Cattle: JOHN BOTT, Esq.
Deputy: W. A. ANGLISS, Esq.

Fat Cattle: JOHN BOTT, Esq.
Deputy: J. E. M. COLECHIN, Esq.

Dairy Cattle: K. McGARVIE, Esq.
Deputy: G. P. H. WILSON, Esq.

CONDITIONS OF ENTRY AND EXHIBITION, ETC.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. At time of entry and until after exhibition, all exhibits must be the bona fide property of the exhibitor or held by the exhibitor under a written lease recognised by the Society.

The foregoing clause regarding leases does not apply in the Ayrshire Section. All exhibits in that section must be the bona-fide property of the exhibitor.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

The breeding year for Dairy Cattle dates from 1st July in each year.

Entries are accepted on the distinct understanding that stock may not be removed from the Showgrounds until after 11 p.m. on Saturday, 30th September.

The conditions governing the number of entries permitted will be found at the head of each breed section.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are denoted with a star (*). Should an exhibit be incorrectly entered in more than one ordinary class, such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

Every animal entered must be exhibited unless a certificate signed by the owner is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

(i) The animal has died.
(ii) The animal is unfit for exhibition due to injury or disease.
(iii) The animal has become ineligible for the class entered.
(iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

All entries must be made in writing on forms supplied by the Society. Entries for all cattle sections must be in the hands of the Secretary, at his office, Royal Show Grounds, Epsom Road, Ascot Vale, W.2, on or before the time stated at head of each cattle section.

Except where otherwise determined by Council, all cattle must be certified Tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be Tuberculin tested within ninety days prior to opening date of the Show. Certificates for these individual tests must accompany entry forms.

All exhibits must be placed where directed by the Secretary or his deputy, and (except in accordance with Regulation 18) must not be removed from their allotted places during the Exhibition without the written consent of the Secretary being first obtained.

Unless authorised by the Society no livestock will be permitted to enter the Grounds other than those entered for exhibition.

The General Regulations and Regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

ENTRY TICKETS

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its box, stall, pen or stand, as the case may be, which shall correspond with its number in the official catalogue, and if the box, stall or pen be not occupied by such exhibit by noon on the first day of the Show, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the grounds. Attendant's passes will be issued by the Superintendent at his office on the Show Grounds.

CATTLE

ARRIVAL AND DEPARTURE OF EXHIBITS

Exhibitors are required to deliver their Cattle (except Fat Cattle) to the Show Grounds in time to ascertain from the Cattle Superintendent where their exhibits are to be placed and to have them in their allotted positions by 1 p.m. on Wednesday, 20th September.

Exhibitors will not be permitted to remove their stock until 11 p.m. on Saturday, 30th September.

NECK NUMBERS

Numbers corresponding to the exhibit numbers in the catalogue must be worn by the exhibits when appearing before the Judge.

Neck numbers must be obtained by the exhibitor from the office of the Superintendent.

"IN MILK CLASSES AND DISPOSAL OF MILK

Cow or Heifer entered as "in milk" can be transferred to the "in calf" class, if she has not calved prior to judging, or vice versa.

Cows and heifers, in milk, except Dairy Shorthorns and Guernseys, must be fully milked out in readiness for "stripping out" by the Stewards at 4.00 p.m. on Wednesday, 20th September.

Dairy Shorthorn cows and heifers, in milk, must be in readiness for "stripping out" at 8.00 p.m. on Wednesday, 20th September.

The "stripping out" of Guernseys will take place at 4.00 a.m. on judging day and the judging of "In Milk" Classes in the Guernsey Section will commence immediately after lunch.

With the exception of Guernseys all "In Milk" Classes will be judged first.

The owner or his representative must be in attendance when females are being stripped out, and the exhibits which are to receive such attention must be in readiness in the stalls allotted to them.

Entries of milking stock (Sections 18 to 25 inclusive) will only be accepted subject to the following regulations regarding the disposal of milk.

In order that the Society can comply with the provisions of the Dairy Supervision Act, exhibitors are not permitted to dispose of milk prior to and during the currency of the Show, either by sale or gift, other than to the Society's agent, who is situated at the Milk Room (beside the No. 1 Cattle Pavilion). All milk will be purchased according to butter-fat value, based upon a complete test of the bulked milk, and returns forwarded to exhibitors after the Show. No milk will be paid for unless approved milk utensils are used and hygienic methods are adopted.

JUDGING

Judging will be in catalogue order and will take place at the time stated at the head of each breed section.

Any exhibitor who shall, without due cause, fail to parade any animal before the Judge, when required so to do by the Steward of the Section, shall be liable to a fine of £5.

Judges have the right to order any Cow competing for Championships to be milked dry before finally awarding the prizes.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society. This regulation will be strictly enforced.

AGE, DEFORMITY AND USE OF HORMONES

The Society's Veterinary Surgeon's decision regarding age shall be final.

If, in the opinion of the Secretary, exhibits in this Section be deemed to be deformed, the owner or owners of such exhibit or exhibits shall, upon notice to that effect, remove such exhibit or exhibits from the Show Grounds.

All male animals competing in the breeding classes must be completely entire. Any male animal in the breeding classes not deemed to be completely entire by the Society's Veterinary Surgeon may not compete or be offered for sale on the Show Grounds. Any marks of speying on females shall disqualify them from competing in such classes.

In all Beef Dual Purpose and Dairy Cattle Sections any animal entered which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

The Owner or Exhibitor of any exhibit or Stand of exhibits disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit or stand of exhibits from the Society's Grounds.

The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

SECURITY OF ANIMALS

All male exhibits of Beef and Dual Purpose Cattle born on or before 31st August, 1960, shall be rung through the nose and whilst on parade and in judging rings shall be led by such ring.

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials, any bull is considered unsafe, such bull shall be placed under such control as directed by the Stewards or Society's officials.

All bulls exhibited in the Dairy Sections shall be tethered by the nose ring in addition to the headstall or neck rope.

CATTLE

All females must be provided with effective halters and be thoroughly broken to lead. Exhibitors will be liable to a fine of £2 for every infringement of this regulation.

Each exhibitor is required to see that each of his exhibits is securely tethered in its stall. Every poll bull and every wholly or partially dehorned bull entered in the Beef & Dual Purpose Sections, must be securely tethered by an effective headstall in addition to a nose ring or neck rope.

If, in the opinion of the Secretary, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

PARADES

Prize-winning cattle only will be permitted to take part in parades. All prize-winning cattle must be taken out on parade, in accordance with the printed programme. Exhibitors shall be subject to a fine of ten shillings in each case in which this regulation is not complied with, and shall also be liable to forfeit the prize or prizes awarded to their exhibit or exhibits. All cattle parading must wear exhibit numbers. No ribbons will be permitted on exhibits except those won during the Show.

Attendants leading stock on parade must wear uniform grey coats which can be procured from the Society.

This regulation will be strictly enforced.

SALES

Exhibitors are permitted to display cards over the stalls stating that an animal is for sale; such cards not to exceed 12 in. x 10 in. and must not be put up until after 12 noon on Wednesday, 20th September. No other advertisements or notices (except by permission of the Council) are permitted on any stalls or buildings.

Any animal offered for sale may wear, in the sale ring, only those ribbons won in single competition.

An upset price of 100 guineas shall apply for all beef bulls offered in the sale ring.

A commission of 1 per cent. shall be paid to the Society in respect of all stock sold on the Show Grounds.

PAVILIONS — Cleanliness and Hours of Exhibition

Exhibitors shall, to the satisfaction of the Cattle Superintendent:

(i) Keep each stall allotted to them and their stock in a clean and proper condition throughout the Show.

(ii) Clean out their stalls or boxes before 8 a.m. each day.

Failure to comply with this rule shall render the exhibitor liable to a fine not exceeding £5 for each separate offence.

Any exhibitor or his employee putting manure out of a box, stall, or pen, or putting out a trough, or cleaning out an alley way after 8 a.m. on a Show day shall be liable to a fine of ten shillings.

All cattle pavilions will be open to the public from 9 a.m. until 5 p.m. daily, and on the first Saturday, the Wednesday, the second Thursday and the last Saturday of the Show will, in addition to the aforementioned period, remain open between 6 p.m. and 9 p.m.

No bedding other than straw or hay may be used in any box or stall.

Exhibits must not be rugged during the hours the Show is open to the public. Exhibitors will be liable to a fine of ten shillings for every infringement of this regulation.

FEED SHEDS, MIXING BINS AND FODDER ARRANGEMENTS

In all Sections feed sheds are available for exhibitors. Charge, £1/5/- during the currency of the Show. Feed-mixing bins mays be hired for 5/- each. Exhibitors are not permitted to stack feed in the Cattle Pavilions except on the fodder lofts or in their own feed sheds.

For the convenience of exhibitors fodder merchants will be situated on the Show Grounds for the purpose of accepting orders for stock foods, etc., delivery of which must be made before 9 a.m. each day during the Show.

CHAMPIONSHIP DISCS

Discs denoting Champion and Reserve Champion are provided by the R.A.S. for display over the winning animals. Such discs are the property of the Society and removal without authority may result in appropriate action being taken. Discs may be purchased from the Society by the successful exhibitors, at cost.

VETERINARY ARRANGEMENTS

A veterinary service commencing on the Sunday preceding the Show will be available until the Sunday immediately after the Show.

TRUCKS, TRANSPORTS AND CARAVANS.

Section 12—Poll Shorthorns

Judge: T. ASHBY, Esq.
Stewards: SIR RUPERT W. J. CLARKE, Bart.
S. G. WESTERN, Esq.

An exhibitor may enter up to five animals in any one Class, of which only three may be shown.

Entries will be accepted on the understanding that, should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show.

✻ Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

The Judge in this Section will be asked not to award prizes to grossly overfat animals.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

All adult animals entered in this Section must be registered in a recognised Poll Shorthorn Herd Book. All animals not of age for registration must be the recorded progeny of registered parents. For particulars of registration in the Poll Shorthorn Herd Book of Australasia, apply to the Secretary, Poll Shorthorn Society of Australasia, 33 Macquarie Place, Sydney, N.S.W.

Inspectors appointed by the Poll Shorthorn Society of Australasia will examine stock exhibited to ensure that they are correctly and legibly tattooed in accordance with Herd Book regulations. The Inspectors shall also check to see that all cattle have had adequate Show preparation and that bulls born on or before 31st August, 1960, are rung through the nose. The Inspectors shall report their findings to the Chief Cattle Steward.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded (see Regulation at head of Cattle Section).

Section 14 — Poll Herefords

Judge: GORDON E. KIRKBY, Esq.
Stewards: G. HOWELL, Esq.
T. TEHAN, Esq.
W. K. HICKS, Esq.
K. M. WEBSTER, Esq.

An exhibitor may enter up to five animals in any one Class, of which only three may be shown.

Entries will be accepted on the understanding that, should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show.

* Denotes Special Class.

A cattle exhibit can only be entered in one Ordinary Class.

An exhibit cannot be entered in a Special Class unless it has been entered in an Ordinary Class.

The Judge in this Section will be asked not to award prizes to grossly overfat animals.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

All bulls, irrespective of age, must be registered in the Australian Poll Hereford Herd Book. All females not of age for registration must be the progeny of registered sires and dams and duly recorded in the calf register of the Australian Poll Hereford Society.

For particulars of registration in the Poll Hereford Herd Book, apply to the Secretary, Australian Poll Hereford Society, 179 Mary Street, Brisbane, Queensland.

Inspectors appointed by the Australian Poll Hereford Society (Victorian Committee) will examine stock exhibits to ensure that they are correctly and legibly branded in accordance with Herd Book regulations. The Inspectors shall also check to see that all cattle have had adequate Show preparation and that bulls born on or before 31st August, 1960, are rung through the nose. The Inspectors shall report their findings to the Chief Cattle Steward.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

Entry fee, £1/5/-; R.A.S. of V. Members, £1.

KAHLUA ABERDEEN ANGUS STUD

MOSS VALE, NEW SOUTH WALES

"BRED TO BREED"

KAHLUA-MOONLIGHT 3rd
A TYPICAL KAHLUA BRED FEMALE

The "Kahlua" Stud was founded in 1934. Since then it has developed an enviable breeding and show record.

Kahlua has on many occasions won the ribbon awarded to the most successful exhibitor at both the Sydney and Melbourne Royal Shows and over a long period of years one-half of the prize winners at each of these Royal Shows have been the progeny of Kahlua sires and/or Kahlua dams. Kahlua has produced several champions, senior and junior, of both sexes and has won 36 medals. Kahlua-bred sires and dams have served successfully in various studs throughout the Commonwealth.

ANGUS

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show.

* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special Class unless it has been entered in an Ordinary Class.

The Judge in this Section will be asked not to award prizes to grossly overfat animals.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

All cattle entered in this Section must be registered in a recognised Angus Herd Book. For particulars of registration in the Angus Herd Book, apply to the Secretary, The Angus Society of Australia, O'Brien House, 56 Young Street, Sydney, New South Wales.

Inspectors appointed by the Angus Society of Australia (Victorian Committee) will examine stock exhibited to ensure that all are correctly and legibly branded in accordance with Herd Book regulations. The Inspectors shall also check to see that all cattle have had adequate Show preparation and that bulls born on or before 31st August, 1960, are rung through the nose. The Inspectors shall report their findings to the Chief Cattle Steward.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in the process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

Entry fee, £1/5/-; R.A.S. of V. Members, £1.

How good is a used car Warranty?

It's only as good as the good faith behind it.

This is what two of our many satisfied clients have to say—

Dear Sir,

Relating to our purchase of FAIRLANE SEDAN, HDW-945 on 10 February 1961.

We would like you to know that we have appreciated the co-operation and consideration we have received during the Warranty period. The few items which needed attention were, in the main, fixed up promptly and efficiently by your appointed repair shop.

Thanking you for your services.

Yours faithfully,
Ronald E. Hilsberg

Dear Sir,

"It is with pleasure I write to thank you for the excellent manner in which you handled my complaints regarding the used Chev. car purchased from your department. I can say that I am more than happy with its performance, and can honestly say there is not another car house in Melbourne that would keep to a warranty like Preston's.

It gives me great confidence to recommend anyone seeking a good used car and I will see you for sure when ready for another car.

Yours faithfully,
Bruce Thompson."

Letter to a City Cousin

". . . and a good season could mean money in the bank this year.

And talking of banks, George, what a friendly, helpful fellow we have managing our local office of the E. S. & A. Bank . . . On your advice I called on him the other day. He gave me a very warm welcome and went to no end of trouble to explain how the E. S. & A. could help me in many ways.

Already I've opened a cheque account and can, if I wish, make full use of the Bank's many services, which include hire purchase finance for farm machinery and household goods and assistance with travel arrangements interstate or abroad.

I certainly am glad I now bank with the E. S. & A."

Exhibitors will be advised of the date and time of collection of their exhibits.

Transport costs will be charged to the exhibitor concerned on the basis of number of stock and distance travelled.

GENERAL RULES

1. Exhibits in this Section can only be entered in one ordinary class.
2. An exhibit cannot be entered in a special class unless it has been entered in Class 150, 151 or 152.
3. All exhibitors in Section 20 shall state on their entry forms:—

   e.g., "Poll Shorthorn — Hereford cross. Sire, Burton Lea Poll Shorthorn; dam, grade Hereford cow."

   (d) Whether an exhibit has been artificially bred.

FAT CATTLE

4. Any exhibitor who is awarded a cash prize in Section 20 may elect to receive a trophy to the value of that prize money or any part thereof.

5. The Society reserves the right to reject or limit entries at its discretion. Accommodation is limited.

6. Except in those classes where suitability for export trade is required, suitability for local trade is implied.

7. Where an exhibitor's entry is based on age as shown by its teeth, it must not show evidence of having had more teeth than specified for the class.

8. Unless otherwise stated all entries in Section 20 are required to be grass-fed. "Grass-fed" means that the exhibit has been grazed on pasture or crop and may have received hay or ensilage but not grain or concentrates and must not have been stall-fed.

9. The Council reserves the right to display all or any part of any carcase in the refrigerated show-case in the Centenary Hall.

GENERAL JUDGING RULES AND ARRANGEMENTS

1. Classes 150 to 155 inclusive will be penned on 19th September, judged alive on 20th, carcases appraised on 22nd and displayed on 23rd.
Classes 156 and 158 will be penned on 20th September, judged alive on 21st and shown alive until 23rd, carcases appraised on 26th and displayed on 27th.

2. Live judging in all ordinary classes shall be carried out by the official Fat Cattle Judge.

3. Special classes will be judged alive by the appropriate Breed Judge who will award a maximum of 100 points for conformation.

4. In all special classes the prize is awarded for the animal obtaining the highest aggregate of points from both live and carcase judging. These points are not aggregated in the ordinary classes.

5. In classes where three animals are penned the prize is awarded on the basis of total points scored by all three exhibits in either the live judging or carcase judging and not on the basis of the best individual of the three penned.

6. The Chief Steward may, at his discretion, transfer any animal or pen of animals from the class in which they were entered to any other class.

7. In single animal Classes 150, 151 and 152, exhibits will not be awarded a points score, but will be placed first, second and third at the Judge's discretion.

Pens of animals will be judged alive on the scale of points recommended by the Australian Meat Board, thus:—

	Points
1. Conformation	45
2. Weight for age	20
3. Degree of finish and evenness of flesh	25
4. Evenness of Pen	10
	100

8. In general cattle will be judged for early maturity, quality and conformation and evenness of flesh coupled with the least waste.

Carcase Judging

Carcases in Class 155 will be judged by visual appraisal on the points score system recommended by the Australian Meat Board and set out for that class.

AUSTRALIAN ILLAWARRA SHORTHORNS

Section 21 — Australian Illawarra Shorthorns

Judge: G. R. WILLIAMS, Esq.
Stewards: F. W. BEDWELL, Esq.
ALLAN McDONALD, Esq.
J. C. WEST, Esq.

The breeding year for dairy cattle dates from 1st July in each year.

Entries are accepted on the understanding that, should they be in excess of the accommodation, breed societies will be called upon to reduce them to the accommodation available.

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show.

Inspectors appointed by the A.I.S. Society (Vic. Branch) will examine the tattoo marks of all exhibits and any found to be not in order may cause the exhibit to be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard. (See Regulation at head of Cattle Section.)

⁂ Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

Yearlings. No exhibitor will be permitted to enter more than 3 yearlings irrespective of sex.

No heifers born after 31st December, 1960, may be exhibited.

No bulls born after 31st December, 1960, may be exhibited.

Entries of milking stock will only be accepted subject to the Special Regulation regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this Section must be registered in the Australian Illawarra Shorthorn Herd Book or other recognised Herd Book. Animals under 12 months must be recorded as the progeny of registered parents. For particulars of registration in the Australian Illawarra Shorthorn Herd Book, apply to the Secretary, Victorian Branch, Australian Illawarra Shorthorn Society, Royal Show Grounds, Epsom Road, Ascot Vale, W.2.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials any bull is considered unsafe, such bull shall be placed under such control as directed by the Stewards or Society's officials.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

"IN MILK" CLASSES. Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society after judging, shall be deemed to be "dry".

- **There are some 300 FRIESIAN studs in Victoria. They can readily supply your needs for bulls.**

YEAR by YEAR
FRIESIANS
are gaining ground in every country engaged in dairying as a major primary industry.

★

FRIESIANS are gaining because they consistently give the big yields of milk and butterfat which are the main factor in dairying economy these days.

FRIESIANS regularly lead all breeds for milk production. That is why there is always a premium for in-calf **FRIESIAN** cows and heifers.

You can ensure **High Production**, long working life, and robustness and quiet disposition in your herd by using **Friesian** bulls.

LISTS OF BREEDERS CAN BE OBTAINED FROM:

The FRIESIAN CATTLE CLUB OF AUSTRALIA
504 RACECOURSE ROAD, FLEMINGTON, VICTORIA. 'Phone: FF 3254.
