## CONDITIONS OF ENTRY AND EXHIBITION, ETC.

(See also the conditions at the head of each Breed Section)

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. At time of entry and until after exhibition, all exhibits must be the bona fide property of the exhibitor or held by the exhibitor under a written lease recognised by the Society.

The foregoing clause regarding leases does not apply in the Ayrshire Section. All exhibits in that section must be the bona-fide property of the exhibitor.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

The breeding year for Dairy Cattle dates from 1st July in each year.

Entries are accepted on the distinct understanding that stock may not be removed from the Showgrounds until after 11 p.m. on Saturday, 29th September.

The conditions governing the number of entries permitted will be found at the head of each breed section.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are denoted with a star (\*). Should an exhibit be incorrectly entered in more than one ordinary class, such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

Every animal entered must be exhibited unless a certificate signed by the owner is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

All entries must be made in writing on forms supplied by the Society. Entries for all cattle sections must be in the hands of the Secretary, at his office, Royal Show Grounds, Epsom Road, Ascot Vale, W.2, on or before the time stated at head of each cattle section.

Except where otherwise determined by Council, all cattle must be certified Tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be Tuberculin tested within ninety days prior to opening date of the Show. Certificates for these individual tests must accompany entry forms.

All exhibits must be placed where directed by the Secretary or his deputy, and (except in accordance with Regulation 19) must not be removed from their allotted places during the Exhibition without the written consent of the Secretary being first obtained.

Unless authorised by the Society no livestock will be permitted to enter the Grounds other than those entered for exhibition.

The General Regulations and Regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

## ENTRY TICKETS

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its box, stall, pen or stand, as the case may be, which shall correspond with its number in the official catalogue, and if the box, stall or pen be not occupied by such exhibit by noon on the first day of the Show, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibitor and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the grounds. Attendant's passes will be issued by the Superintendent at his office on the Show Grounds.

Entries of milking stock (Sections 20, 21 and 23 to 27 inclusive) will only be accepted subject to the following regulations regarding the disposal of milk.

In order that the Society can comply with the provisions of the Dairy Supervision Act, exhibitors are not permitted to dispose of milk prior to and during the currency of the Show, either by sale or gift, other than to the Society's agent, who is situated at the Milk Room (beside the No. 1 Cattle Pavilion). All milk will be purchased according to butter-fat value, based upon a complete test of the bulked milk, and returns, less dairy costs, will be forwarded to exhibitors after the Show. No milk will be paid for unless approved milk utensils are used and hygienic methods are adopted.

### JUDGING

Judging will be in catalogue order and will take place at the time stated at the head of each breed section.

Any exhibitor who shall, without due cause, fail to parade any animal before the Judge, when required so to do by the Steward of the Section, shall be liable to a fine of £5.

All male animals competing in the breeding classes must be completely entire. Any male animal in the breeding classes not deemed to be completely entire by the Society's Veterinary Surgeon may not compete or be offered for sale on the Show Grounds. Any marks of speying on females shall disqualify them from competing in such classes.

In all Beef Dual Purpose and Dairy Cattle Sections any animal entered which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

### INSPECTION OF STOCK

Exhibitors in the stock sections shall, if requested by the Steward-in-Chief of the Section or by the Secretary or his agent, submit his exhibits in whole or part, for inspection by a Veterinarian or Veterinarians appointed by the Society.

Judge: J. P. KELLY, Esq.

Stewards: SIR RUPERT W. J. CLARKE, Bart.  
Lt. Col. M. H. McARTHUR.  
S. G. WESTERN, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Cattle Section.

An exhibitor may enter up to five animals in any one Class, of which only three may be shown.

Entries will be accepted on the understanding that, should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Judging will be in catalogue order and will immediately follow Red Polls which commences at 9 a.m. on the opening day of the Show.

\* Denotes Special Class.

## POLL SHORTHORNS

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

The Judge in this Section will be asked not to award prizes to grossly overfat animals.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

All adult animals entered in this Section must be registered in a recognised Poll Shorthorn Herd Book. All animals not of age for registration must be the recorded progeny of registered parents. For particulars of registration in the Poll Shorthorn Herd Book of Australasia, apply to the Secretary, Poll Shorthorn Society of Australasia, 33 Macquarie Place, Sydney, N.S.W.

Inspectors appointed by the Poll Shorthorn Society of Australasia will examine stock exhibited to ensure that they are correctly and legibly tattooed in accordance with Herd Book regulations. The Inspectors shall also check to see that all cattle have had adequate Show preparation and that bulls born on or before 31st August, 1961, are rung through the nose. The inspection shall take place on the Wednesday preceding the opening day of the Show, commencing at 2 p.m., at which time each exhibitor is required to have his stock attended and in readiness for inspection. The Chairman of the Inspection Committee shall submit his report to the Secretary or his deputy by 4 p.m. on that day and in the event of a dispute the decision of the Society's Special Committee dealing with Protests and Disputes shall be final.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded (see Regulation at head of Cattle Section).

Entry fee, £1/5/-; R.A.S. of V. Members, £1.

Judge: J. H. ANDERSON, Esq.

Stewards: G. HOWELL, Esq.

T. TEHAN, Esq.

W. K. HICKS, Esq.

K. M. WEBSTER, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Cattle Section.

An exhibitor may enter up to five animals in any one Class, of which only three may be shown.

Entries will be accepted on the understanding that, should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show.

*No alter award*

\* Denotes Special Class.

A cattle exhibit can only be entered in one Ordinary Class.

An exhibit cannot be entered in a Special Class unless it has been entered in an Ordinary Class.

The Judge in this Section will be asked not to award prizes to grossly overfat animals.

**Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.**

All bulls, irrespective of age, must be registered in the Australian Poll Hereford Herd Book. All females not of age for registration must be the progeny of registered sires and dams and duly recorded in the calf register of the Australian Poll Hereford Society.

For particulars of registration in the Poll Hereford Herd Book, apply to the Secretary, Australian Poll Hereford Society, 179 Mary Street, Brisbane, Queensland.

Inspectors appointed by the Australian Poll Hereford Society (Victorian Branch) will examine stock exhibits to ensure that they are correctly and legibly branded in accordance with Herd Book regulations. The Inspectors shall also check to see that all cattle have had adequate Show preparation and that bulls born on or before 31st August, 1961, are rung through the nose. The inspection shall take place on the Wednesday preceding the opening day of the Show, commencing at 2 p.m., at which time each exhibitor is required to have his stock attended and in readiness for inspection. The Chairman of the Inspection Committee shall submit his report to the Secretary or his deputy by 4 p.m. on that day and in the event of a dispute the decision of the Society's Special Committee dealing with Protests and Disputes shall be final.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all

other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

Entry fee, £1/5/-; R.A.S. of V. Members, £1.

## Section 17—Angus

Judge: R. H. TOUT, Esq.

Stewards: W. A. ANGLISS, Esq.  
 R. W. RITCHIE, Esq.  
 M. H. MUNCKTON, Esq.  
 R. M. C. LITTLE, Esq.  
 J. A. PHILLIPS, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Cattle Section.

An exhibitor may enter up to five animals in any one Class, of which only three may be shown.

Entries will be accepted on the understanding that, should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show.

\* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

The Judge in this Section will be asked not to award prizes to grossly overfat animals.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

All cattle 12 months old and over on the opening day of the Show, entered in this Section, must be registered in a recognised Angus Herd Book. Animals under 12 months old must be the recorded progeny of registered parents. For particulars of registration in the Angus Herd Book, apply to the Secretary, The Angus Society of Australia, O'Brien House, 56 Young Street, Sydney, New South Wales.

Inspectors appointed by the Angus Society of Australia (Victorian Committee) will examine stock exhibited to ensure that all are correctly and legibly branded in accordance with Herd Book regulations. The Inspectors shall also check to see that all cattle have had adequate Show preparation and that bulls born on or before 31st August, 1961, are rung through the nose. The inspection shall take place on the Wednesday preceding the opening day of the Show, commencing at 2 p.m., at which time each exhibitor is required to have his stock attended and in readiness for inspection. The Chairman of the Inspection Committee shall submit his report to the Secretary or his deputy by 4 p.m. on that day and in the event of a dispute the decision of the Society's Special Committee dealing with Protests and Disputes shall be final.

## ANGUS

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in the process of accreditation under the Accredited Tubercl-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

## KAHLUA ABERDEEN ANGUS STUD

### MOSS VALE, NEW SOUTH WALES

"BRED TO BREED"

KAHLUA-MOONLIGHT 3rd  
A TYPICAL KAHLUA BRED FEMALE

Kahlua has on many occasions won the ribbon awarded to the most successful exhibitor at both the Sydney and Melbourne Royal Shows, and over a long period of years one-half of the prize winners at each of these Royal Shows were the progeny of Kahlua sires and/or Kahlua dams. More than one-half of the bulls catalogued for show and sale at the 1962 Sydney Royal Show had a Kahlua background.

Kahlua has produced many champions, senior and junior, of both sexes and has won 36 medals. Kahlua-bred sires and dams have served successfully in various studs throughout the Commonwealth.

# ROVER

## *REFINEMENT AND LUXURY*

The unmistakable air of prestige, the lustre of hand-finished coach work—and the smooth power of a near-silent engine—all reflect traditional Rover refinement. The fully imported Rover 3-Litre Saloon has its own exclusive automatic transmission—disc brakes, and if you wish—power steering. May we suggest a demonstration ride?

## **RUGGEDNESS AND RELIABILITY**

See them at . . .

The world's most versatile vehicle is Land-Rover. The flat-tray Land-Rover with its 6 ft. 6 in. x 5 ft. 6 in. tray—adds extra utility to 'go-anywhere' ability. The flat-tray Land-Rover, with its versatile four-wheel drive, carries a full 15 cwt. load. It is available with detachable dropsides and tailgate, and stake-sides for livestock transport.

## Section 21 — Dairy Shorthorns

Judge: H. SUTTON, Esq.

Stewards: F. E. SELWYN SCOTT, Esq.  
H. ROBB, Esq.  
R. JOHN SCOTT, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Cattle Section.

An exhibitor may enter up to five animals in any one Class, of which only three may be shown.

Entries will be accepted on the understanding that should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show.

\* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

No heifer born after 30th June, 1961, and no bull born after 31st December, 1961, may be exhibited in this Section.

Entries of milking stock will only be accepted subject to the Special Regulations regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this Section must be registered in a recognised Herd Book. For particulars of registration in the Dairy Shorthorn Herd Book of Australia, apply to the Secretary, The Dairy Shorthorn Association of Australia, Royal Show Grounds, Epsom Road, Ascot Vale, W.2.

Inspectors, appointed by the Dairy Shorthorn Association of Australia, will examine stock exhibited to ensure that all are correctly and legibly tattooed in accordance with Herd Book regulations. The Inspectors shall also check to see that all cattle have had adequate Show preparation and that bulls born on or before 31st August, 1961, are rung through the nose. The inspection shall take place on the Wednesday preceding the opening day of the Show, commencing at 2 p.m., at which time each exhibitor is required to have his stock attended and in readiness for inspection. The Chairman of the Inspection Committee shall submit his report to the Secretary or his deputy by 4 p.m. on that day and in the event of a dispute the decision of the Society's Special Committee dealing with Protests and Disputes shall be final.

No dehorned bull may be exhibited in this Section.

The Dairy Shorthorn Judge will not penalise female exhibits because they are dehorned.

"IN MILK" CLASSES. Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society after judging shall be deemed to be dry.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

(For particulars of conditions in Type and Utility Classes, see Section 28.)

THE GIPPSLAND AND NORTHERN CO-OPERATIVE CO. LTD. has donated the sum of £3/3/- towards the prize money in this section.

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show.

\* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a special class unless it has been entered in an ordinary class.

**Yearlings.** In this Section exhibitors are not permitted to enter more than two yearling bulls. No Class is provided for yearling heifers.

No heifers born after 30th June, 1961, may be exhibited.

WORTHY ROBERT 8th (imp.) has had 20 daughters with 51 lactations with an ACTUAL average of 9,700 lbs. milk and 475 lbs. b.f.

PETWOOD PROSPEROUS 17th (imp.) has had 10 daughters with 14 lactations with an ACTUAL average of 9,829 lbs. milk and 484 lbs. b.f.

OVERPORT TIDY'S ROBERT 2nd has made a good start and the Stud believes that working on a herd improved by his sire, W. Robert 8th, and afterwards by P. Prosperous 17th (2 bulls of top FERNHILL blood), his results will even better his predecessors'.

TYPE: Half our milking herd is at the Show (4AAA's, 5AA's and 2 heifers on first calf) as well as Tidy's Robert 2nd and one of his yearling sons. The Overport Team, like its milking herd, is culled ruthlessly and carries no "passengers". Its job is to provide that class of competition that the Stud itself always seeks. In so doing it hopes to advance the Breed and to demonstrate the type and quality of the Golden Guernsey.

We should have one or two "poddy" bull calves to offer at the Show (inspection on the farm). Contact our Manager, Mr. Jack Holland, who does such a good job with our cows and will be happy to talk Guernseys with you.

With less risk every year—

T. D. KENNEDY, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Cattle Section.

Entries are accepted on the understanding that, should they be in excess of the accommodation, exhibitors will be required to reduce their teams to the accommodation available.

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show.

\* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a special class unless it has been entered in an ordinary class.

Yearlings. No exhibitor will be permitted to enter more than 2 yearlings irrespective of sex.

No heifers born after 31st December, 1961, may be exhibited.

No bulls born after 31st December, 1961, may be exhibited.

Entries of milking stock will only be accepted subject to the Special Regulation regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this Section must be registered in the Friesian Herd Book of Australia or in an approved Friesian Herd Book outside the Commonwealth. For particulars of registration in the Friesian Herd Book of Australia, apply to the Secretary, Friesian Cattle Club of Australia, Victorian Branch, 504 Racecourse Road, Flemington, W.I, Victoria. Females recorded in the Appendices to the F.H.B. of A. will not be eligible to compete in this Section.

Cattle entered in this Section will be identified by the photographs appearing on the Certificates of Registration. Exhibitors must bring the Certificates of Registration, with photographs thereon, to the Show Grounds and produce them to the Inspectors. Tattoo numbers will not be accepted for identification. Any cattle for which Certificates of Registration bearing photographs are not produced may be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard. (See regulation at head of cattle section).

Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be "dry".

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in the process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Attendants leading stock in the judging ring and on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's officials.

The Judge of Friesians will not penalise exhibits if they are dehorned.

## CHAMPION DAIRY COW

A trophy order valued at £25 together with a cash prize of £25, both presented by the Dairy-ing and Wholemilk Sections of the Australian Primary Producers' Union (Victorian Division), for the Champion Dairy Cow of the Australian Illawarra Short-horn, Ayrshire, Dairy Shorthorn, Friesian, Guernsey, Jersey, and Red Poll breeds.

*1094 - A.M. CHAMBERS - A.I.S.*  
 The successful exhibitor will also receive the Society's Championship Sash.

## CONDITIONS FOR JUDGING

Each Judge of the abovementioned breeds will be required to nominate two cows, not necessarily the Champion or Reserve Champion, to compete for the trophy and prize.

In addition, each Judge will be required to nominate a third cow purely as a reserve.

Competition is restricted to cows exhibited in the "In Milk" Classes.

Should any breed fail to provide the requisite two cows, it cannot take part in the competition. This, however, would not debar the Judge of that breed from adjudicating to determine the award.

All cows nominated by the judges must be stripped out in the presence of the Stewards at 5 p.m. on the evening before judging.

Judges shall be required to refrain from conferring on the exhibits before or during judging.

All judges of the breeds named will take part in the judging and will allot 3 points for first, 2 for second and 1 for third according to their placings of individual animals.

If considered to be worthy, both nominations of any one breed can be placed first, second or third.

A Steward appointed by the Society will assess the points and the cow gaining the greatest number of points, shall be the winner.

In the event of a tie, an independent referee appointed by the Society shall then decide the winner.

At the conclusion of judging, each Judge's placings will be announced.
