## 251. THE "GOOD HANDS" CHALLENGE TROPHY FOR BOYS.

Presented by Mrs. HAROLD BARTRAM for competition in perpetuity at the Royal Melbourne Show.

## QUALIFYING COMPETITIONS.

1. Any Gymkhana affiliated with the Equestrian Federation of Australia (Victorian Branch) and each Country Agricultural Society in Victoria is invited to co-operate in qualifying competitions for these trophies, by providing annually riding competitions for competitors under 15 years of age on the day of its show.

IT IS COMPULSORY FOR COMPETITORS TO RIDE USING AN ORDINARY SNAFFLE (i.e. a plain snaffle with a straight bar or jointed in the centre. The mouthpiece must be smooth).

2. Each Society conducting qualifying competitions is required to notify the Royal Agricultural Society of Victoria of the names and addresses of the winners and "runners-up", so that if it is found that, for any reason, the winners were ineligible, an opportunity may be given the "runners-up" to compete in the Championship Competitions.

3. Such competitions to be named "The Good Hands Qualifying Riding Competitions," and the Royal Agricultural Society of Victoria to provide suitable certificates for presentation to the winners.

4. The holder of a R.A.S. Qualifying Certificate, won in the same year, shall not be eligible to compete.

5. The competitors shall be judged solely on their riding ability — mount, saddlery or costume will not be taken into account, but special attention will be paid to hands and seat, general management and control of the horse or pony.

## CHAMPIONSHIP COMPETITION

6. Only holders of qualifying certificates won during the preceding twelve months will be eligible to compete for the Challenge Trophies at the Royal Melbourne Show. No entry fee will be charged.

7. The Championship Competition shall be judged on the same basis as the qualifying competitions, but the Judge, before finally making his award, shall require his six finalists to execute a figure 8 at a canter, ride away from the Judge, return at a slow canter, stop at the Judge's signal and back, all six using the same mount which will be selected by the Society's referee, from horses ridden in this competition. (See regulation regarding saddlery in 1.)

8. Eligible competitors are accepted on the condition that they will be prepared to provide the selected mount.

9. The names of the winners will be engraved on the Challenge Trophies, and they will be entitled to hold them until 31st August in the year following their success.

10. Suitably inscribed Championship Sashes will be presented to each successive winner of the Challenge Trophies.

11. The winners of the Challenge Trophies will be eligible to compete in future years, subject to age.

12. The Council of the Royal Agricultural Society of Victoria may, at its discretion, vary the conditions governing the qualifying and Championship Competitions.

DEFINITIONS, GENERAL RULES AND PENALTIES

OBSTACLE KNOCKED DOWN:

1. An obstacle is considered as having been knocked down when through the fault of the horse, or rider:

- (a) Any part, or the whole, of it is knocked down, even when the falling part is arrested in its fall by any other portion of the obstacle.

## JUMPING

(b) When at least one of its ends is dislodged from its support.

(c) Any framework intended to maintain the solidity of the obstacle, and forming an integral part of its support falls. Touches and displacements, in whatever direction, do not count.

2. (a) When an obstacle, or part of an obstacle, is composed of several elements placed one on top of the other and in the same vertical plane, the dislodging of the top element alone is penalised.

(b) When an obstacle to be taken in one jump is composed of several elements not fixed in the same vertical plane (oxer, brook, triple bar, water jump or ditch, preceded or followed by another obstacle, etc.), the fall of one or more elements or foot in the water is counted only as one fault, irrespective of the number and position of the elements knocked down.

(c) If an obstacle that has been knocked down does not actually fall until after the horse has left the arena, it will not be penalised.

(d) If any element of an obstacle that has been knocked down prevents the horse from jumping the next obstacle it must be removed. The time required for doing this is deducted from the total time of the round.

(e) All obstacles with water (with the exception of the water jump which is subject to special rules) must be marked by a lath both on the take-off side and on the landing side.

**DISOBEDIENCE:**

3. The following are considered as disobediences and are penalised as such:

Rectified deviation from the course.

Refusal.

Run-out.

Resistance.

Any form of circle or series of circles, in any part of the course for any reason, except that a horse may circle once or more without penalty to re-take the track after a run-out or a refusal. In a course that is not marked by a continuous line, unless there is any indication to the contrary on the plan or notified by the Jury, any circle (whereby the horse crosses its original track), wherever it may be on the course, is penalised as a disobedience. Approaching an obstacle sideways, or zig-zagging, or turning sharply towards it, do not constitute a disobedience, provided the horse has not passed the obstacle.

**DEVIATION FROM THE COURSE:**

4. There is a deviation from the course when the horse does not follow the plan for the course as shown on the diagram posted up, as when the rider:

(a) Disregards a flag to indicate the course to be followed.

(b) Does not clear the obstacles in the prescribed order.

(c) Jumps an obstacle outside the course, or misses one on the course.

5. (a) To rectify a deviation from the course the rider must resume the course from the spot where the error was committed.

(b) A deviation from the course rectified before clearing an obstacle is penalised as a disobedience.

(c) A deviation from the course not rectified, or rectified only after taking an obstacle, whether this forms part of the course or not, incurs the penalty of elimination. Officials or others in the arena are never allowed to warn the competitor of his error.

**REFUSAL:**

(a) A refusal consists of stopping in front of an obstacle to be jumped, whether or not the horse knocks it down or displaces it.

(b) Stopping at an obstacle without knocking it down and without reining back, followed immediately by a standing jump, is not penalised.

(c) If the halt is perceptible, or if the horse steps back even a single pace, voluntarily or not, or retakes the track, a refusal is incurred.

(d) If a horse, having knocked down an obstacle in stopping, jumps this obstacle before it has been re-erected, he is eliminated.

(e) If a horse slides through an obstacle, the officiating judge must decide immediately whether it is to count as a refusal or as an obstacle knocked down. If he decides it is a refusal, the bell is sounded at once and the competitor must retrace his steps and re-jump the obstacle. Should he fail to do so and jumps an obstacle, other than another of the same combination, he is eliminated. Should the Judge decide it was not a refusal, he will not ring the bell and the competitor must continue his round. He is then penalised as for an obstacle knocked down.

(f) The action of showing an obstacle to the horse after a refusal and before resuming the course is penalised by elimination.

**RUNNING OUT:**

7. It is considered as running-out and the horse must be brought back to jump the obstacle again, failing which he is eliminated, when:

(a) The horse, not being properly under control of his rider, avoids the obstacle he should have jumped.

(b) He jumps the obstacle outside the boundary flags which mark it.

**RESISTANCE:**

8. It is considered to be a resistance when the horse, wherever he may be, refuses to go forward (stops, runs back, turns round more or less completely, rears, etc.).

All horses are eliminated that:

(a) Resist their riders for a period of sixty consecutive seconds during the round.

(b) Take more than sixty seconds to jump an obstacle, except in the case of a fall.

(c) Have not passed the starting line sixty seconds after being given the signal to start.

**FALLS:**

9. (a) A rider is considered to have fallen when he is separated from his horse, which has not fallen, in such a way as to necessitate re-mounting, or vaulting, into the saddle.

(b) A horse is considered to have fallen when the shoulder and quarters have touched either the ground, or the obstacle and the ground.

10. (a) A fall is penalised wherever it takes place within the course and whatever the cause. After a fall the rider must continue the course from the point where he fell, or from any other point, provided he does not reduce the length of the course.

## JUMPING

(b) The penalty to be imposed for a fall is set out in Table "A", "B", or "C".

(c) When the horse or rider falls in knocking down an obstacle the penalties for both occurrences are added together. The same applies to a fall following a disobedience.

**UNAUTHORISED ASSISTANCE:**

11. Any intervention by a third party, whether solicited or not, with the object of facilitating the task of the rider or helping his horse, is unauthorised assistance and is forbidden under penalty of elimination.

The judges have full powers to decide whether the rider will be eliminated or not.

Bringing back a runaway horse after a fall or helping the rider to re-adjust the saddlery, or to remount, is not considered as unauthorised assistance. The course must be re-taken at the exact spot where it was interrupted.

Handing his whip to a rider who has dropped it during the round is unauthorised assistance.

**DOUBLE, TREBLE AND MULTIPLE OBSTACLES:**

12. A double, treble, or multiple obstacle is one composed of two, three or more fences or parts, with a minimum inner distance between each of them of 23 ft. (7 metres) up to a maximum inner distance between them of 39 ft. 5 ins. (12 metres), (with the exception for the Hunting Competitions where the distance may be less than 23 ft.), which must be taken in two, three or more successive jumps. The distance is measured from the base of the one fence on the landing side to the base of the next fence on the take-off side.

In double, treble and multiple obstacles, each fence or part of the whole must be jumped separately, on penalty of elimination. When there is a refusal, run-out, or fall, the rider must take the whole obstacle again, or he will be eliminated. Exception is made for completely closed obstacles.

All the faults for mistakes and resistances made at each fence and during the various attempts are counted separately and added together, but should a refusal be due to a fall between two fences it will not be penalised.

**BANKS, SLOPES AND RAMPS:**

13. Banks, slopes, ramps and sunken roads, irrespective of whether they include any sort of fence and whatever the direction in which they should be taken, will be regarded as double, treble, multiple or closed obstacles. Each part must be jumped separately and faults will be penalised as for these obstacles.

The Jury must decide before the competition whether the obstacle is to be considered as closed or as a double, treble, or multiple obstacle. This decision must be included on the plan of the course.

If this mention is not indicated on the plan, the obstacle must be regarded as a double, treble or multiple obstacle.

14. A bank or platform (-butte-) without the addition of a fence, or with only one pole, can be taken in a flying jump. This way of jumping does not incur any penalties.

**OBSTACLES COMPLETELY CLOSED:**

(15). (a) If an obstacle is completely closed (such as in-and-out, square or hexagonal) the rule for rejumping the whole obstacle does not apply.

(b) In such cases, if the horse leaves the enclosure on the wrong side, he is considered as having jumped an obstacle that is not part of the course and he is eliminated.

(c) If, on the other hand, once in the enclosure, there is a refusal or fall, the rider is obliged to leave the enclosure by jumping out of it in the correct direction. If he is unable to do so within 60 seconds or after several attempts, making in all three refusals during the round, he is eliminated. He has not the right to displace, or cause to be displaced, or to modify any of the elements of the obstacle.

**TIME:**

(a) Unless otherwise stated in the conditions of the Class the "Time Allowed" for the course will be announced before each event.

(b) THE "TIME LIMIT" IS TWICE THE "TIME ALLOWED".

(c) FAULTS FOR TIME:—FOR EVERY SECOND OR PART OF A SECOND EXCEEDING THE "TIME ALLOWED"  $\frac{1}{4}$  FAULT. EXCEEDING THE "TIME LIMIT". ELIMINATED.

**JUMPING-OFF:**

In jumping competitions judged under Table A, the winner will be decided by one of the following methods (to be indicated in the competition concerned).

Table "A1". In the event of equality of faults for first place in the second Jump-off the prize will be divided.

Table "A2". In the event of equality of faults for first place in the second Jump-off time will decide.

Table "A3". In the event of equality of faults for first place in the first Jump-off time will decide.

Table "A4". In the event of equality of faults for any award in the first round of the Competition time will decide. In the event of equality of faults and time for first place there may be one Jump-off at the discretion of the Judge.

**DEFINITION OF JUMPING ARENA:**

The Jumping Arena will, when practicable, be entirely enclosed, but if not, will be clearly marked with flags or some other easily recognised indicator. At all times the Trotting Track will be taken as off the Jumping Arena. It will be the responsibility of all competitors to acquaint themselves with the extent of the arena and its markings before competing.

THE COUNCIL RESERVES THE RIGHT TO INTRODUCE A STANDARD AT ANY TIME.

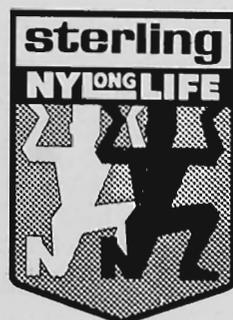

CRUELTY TO HORSES is forbidden either in the arena, exercise area or elsewhere. A competitor found guilty of committing a definite act of cruelty will be disallowed from taking part in any further competitions at the Show where the offence was committed. The decision rests with the Judge and no appeal will be considered.

280. THE "OLYMPIC TYRE" TOP SCORE STAKES.

F.E.I. Rules.

**SPECIAL PRIZES, \$200 (presented by THE OLYMPIC TYRE & RUBBER CO. PTY. LTD., CROSS ST., WEST FOOTSCRAY.**

First prize, \$90; Second prize, \$50; Third prize, \$30; Fourth prize, \$20; Fifth prize, \$10. For horses and galloways over 14.2 hands.

The course will consist of twelve obstacles. Each obstacle is allotted a number of points according to its difficulty, namely, six obstacles valued respectively 100, 90, 80, 70, 60 and 50 points and two sets of obstacles valued respectively 40 and 30, and one obstacle at 20 and one at 10 points.

Each rider is allowed 60 seconds for the course. The obstacle valued at 10 points is designated as the first obstacle and must be jumped in the direction indicated. Thereafter the competitor may jump any obstacle in any order or direction in the time of 60 seconds which begins from the moment when the horse crosses the start line.

A bell will indicate the end of the time allowed. An obstacle will not be considered as having been jumped and points scored until the horse's forelegs touch the ground on landing, within the expiry of the time allowed when the bell will be sounded.

Each obstacle may be jumped twice only for scoring purposes. The jumping of an obstacle for the third time does not entail elimination of the rider concerned; however no points are gained for doing so.

An obstacle refused does not have to be jumped. If, after the refusal the rider wishes to jump this obstacle he is free to do so. If by his refusal he has knocked down the obstacle he must at once proceed to another obstacle. The obstacle will not be rebuilt during the round. There is no elimination for three refusals; these are penalised automatically by loss of time.

The rider gaining the most points is winner of this competition. In case of equality of points, for first place only there will be a single jump-off according to the same formula with time limited to 40 seconds.

**286. THE "McEWANS" TOP SCORE STAKES.**  
F.E.I. Rules.

**SPECIAL PRIZES, \$160 (which is presented by JAMES McEWAN & CO. PTY. LTD., BOURKE STREET, MELBOURNE).**—First prize, \$70; Second prize, \$42; Third prize, \$24; Fourth prize, \$16; Fifth prize, \$8.

For horses and galloways over 14.2 hands.

The course will consist of twelve obstacles. Each obstacle is allotted a number of points according to its difficulty, namely, six obstacles valued respectively 100, 90, 80, 70, 60 and 50 points and two sets of obstacles valued respectively 40 and 30, and one obstacle at 20 and one at 10 points.

Each rider is allowed 60 seconds for the course. The obstacle valued at 10 points is designated as the first obstacle and must be jumped in the direction indicated. Thereafter the competitor may jump any obstacle in any order or direction in the time of 60 seconds which begins from the moment when the horse crosses the start line.

A bell will indicate the end of the time allowed. An obstacle will not be considered as having been jumped and points scored until the horse's forelegs touch the ground on landing, within the expiry of the time allowed when the bell will be sounded.

Each obstacle may be jumped twice only for scoring purposes. The jumping of an obstacle for the third time does not entail elimination of the rider concerned; however no points are gained for doing so.

An obstacle refused does not have to be jumped. If, after the refusal the rider wishes to jump this obstacle he is free to do so. If by his refusal he has knocked down the obstacle he must at once proceed to another obstacle. The obstacle will not be rebuilt during the round. There is no elimination for three refusals; these are penalised automatically by loss of time.

The rider gaining the most points is winner of this competition. In case of equality of points, for first place only, there will be a single jump-off according to the same formula with time limited to 40 seconds.

Entry fee: \$6; R.A.S. of V. Members, \$4.

## 292. THE "COLES STORES" FAULT AND OUT RELAY. (Teams of two.)

F.E.I. Rules.

**SPECIAL PRIZES: \$200 (which is presented by G. J. COLES & CO. LTD., MELBOURNE).**—First prize, \$80; Second prize, \$50; Third prize, \$30; Fourth prize, \$20; Fifth prize, \$12; Sixth prize, \$8.

## CONDITIONS

Owners are permitted to pair, and pairs must be declared to the jumping stewards (at the ring stewards box) one hour before event is scheduled to commence, after which the draw will be posted. In the event of a pair separately owned winning, the prize will be shared.

The course will not contain combination obstacles.

Competitors will jump as many obstacles (in the correct order) as possible within 90 seconds, the competitors changing over as many times as there is reason to do so until they are stopped by the clock.

The horse jumping the course when the time is sounded must then jump the following obstacle. The time will be taken when the horse's forelegs touch the ground; this obstacle does NOT count in classification. If for any reason the rider does not jump the obstacle at which the clock is stopped he is gonged and the clock stopped. The team will then be placed last of those gaining an equal number of points.

In the course of the competition the rider will be always gonged at the first fault committed no matter what this may be. The partner takes over immediately and continues the course. If it was a jumping fault, the partner takes over the round and jumps the obstacle following that where the fault was incurred.

If the fault was a disobedience, the partner takes over the round and must jump the obstacle where the disobedience occurred.

Notwithstanding the conditions above, if a rider completes one circuit of the course without fault, the other member of the team MUST take over the jumping. The competition then proceeds in accordance with the conditions as previously detailed.

## CLASSIFICATION:

In this competition, two points will be awarded for each obstacle jumped clear and one point for each obstacle knocked down.

From the total number of points scored by a team the following are deducted: 1 point for the first disobedience (or fall); 2 points for the second disobedience (or fall); 2 points for the third disobedience (or fall). The fourth disobedience entails elimination of the team.

In the case of equality of time and points there is a compulsory jump-off for first place only, over the same or a reduced course.

For horses and galloways over 14.2 hands.

**299. \*THE INTER PONY CLUBS TEAMS JUMPING CONTEST.**

Special Sashes will be awarded to teams up to and including Sixth placing. Ribbons will be presented to members of the unplaced teams.

Individual members of placegetting teams will receive prize cards.

For teams of four riders who must be of twelve years of age and under twenty-one years of age, on the first day of the Royal Melbourne Show. Competitors must be members of the Pony Club or Zone they represent, and have regularly participated in rallies as members of his or her Club since 1st October, 1969, or since becoming a member of his or her Club. All ponies, galloways or horses entered must have been ridden regularly at rallies of the Club they represent.

The winning team will be that which has the least number of faults adding together the faults of the best three scores in the team. All four horses to jump. Should a Club be unable to field a team of four, it shall be permissible for a team of three to compete. In this case, the three sources are added to give the team score. Unless the three members complete the Course, the team concerned is eliminated.

Competitors must wear Pony Club uniform; Pony Club jumper in the colours of the Club, uniform shirt and tie, jodhpurs and short boots. Hard hats must be worn. Only blunt spurs without rowels may be worn. If the spur is curved, the curve must be downwards. Whips carried must not exceed 30 inches in length overall.

In the first round the obstacles will be set to a minimum height of 3'6" and a maximum height of 4'. In the event of equality for first place there will be a jump-off over a course of which certain obstacles may be enlarged. If after this jump-off there is still equality for first place, there will be a second jump-off in which the nearest time to the time allowed will be the deciding factor. The speed for the event will be 382 yards per minute and the competition will be judged on Table "A".

The Pony Club Association of Victoria may enter not more than ten teams with the Royal Agricultural Society of Victoria. Teams will be selected by the Association on performance in the pre-selection event at the Zone Competitions, conducted prior to the Show. The Association must furnish to the Society the names of the horses and riders in the teams, not later than 5.00 p.m., on 9th September, 1970.

Entry fee, \$4 per team.

**300. THE "NATIONAL BANK" INTERNATIONAL AND INTERSTATE TEAMS' JUMPING CONTEST.**

**SPECIAL PRIZES, \$250 (presented by THE NATIONAL BANK OF AUSTRALASIA LTD., 271 COLLINS STREET, MELBOURNE.)—First, \$120; Second, \$80; Third, \$50.**

This contest will be restricted to teams of four horses over 14.2 hands and riders from each State of the Commonwealth of Australia, the Dominion of New Zealand or any country within the British Commonwealth of Nations. Should a team be able to produce only three riders the team captain must enter only three horses and riders. Each State, Dominion or Country will be limited to a maximum of two teams each. In the event of teams from four or more States, Dominions or Countries being nominated, one team only from each State, Dominion or Country will be eligible to compete. Teams will be selected by their respective State Branches of the E.F.A. or their National Federation from horses already nominated and which have competed in jumping events in Group "A". One reserve horse and rider for each team may also be nominated. The reserve horse can only take part if one of the four horses is ill or the victim of an accident and this is confirmed by the official Veterinary Surgeon at least thirty minutes before the start of the competition. The reserve horse must be ridden by the rider of the horse which is ill or injured. Once a final selection of riders and horses has been submitted to the Director no substitution will be allowed even from reserve horses and riders except on production of an approved medical or veterinary certificate as the case may be.

Riders may ride in one team only and may ride only one horse in that team. In the case of a State, Dominion or Country nominating more than one team they are required to be nominated as the State, Dominion or Country's "A" and "B" team. No rider may be nominated for any State, Dominion or Country other than that in which he or she is resident and no horse may be nominated for any State, Dominion or Country except that in which its nominator is resident. The committee may in its absolute discretion accept the nomination of a composite team from States, Dominions or Countries provided that such team does not consist of more than 50% of horses and/or riders from any one State, Dominion or Country. Nominations must be submitted to the Director in writing not later than 6 p.m. on the day preceding the day on which the event is scheduled to be contested.

Each team is required to jump two distinct rounds over the same course at a rate of 436 yards per minute. To be tried over a course as stipulated by the Committee.

The classification of the teams is established by totalling the faults over the jumps and those for time incurred by the three best horses of each team in each round. If for any reason, a competitor does not finish the course at any stage of the competition the team is not thereby eliminated, but can continue. But each horse eliminated or withdrawn during a round is penalised by 20 faults added to the faults incurred by the competitor belonging to any team who has the most faults over the same course during the same round. The actual faults made by the horse that was stopped do not count; they are replaced by those of the horse which had the worst round, unless he himself had the most faults, in spite of having been eliminated or withdrawn.

The prize money will be divided among the owners of the horses in the winning teams. Riders must be 15 years of age or over on the first day of the Show. Should a team win this contest after its third horse has completed its second round then the fourth horse may be withdrawn. The order in which the horses compete will be decided by lot. The captain of each team then decides the order in which he wants his riders to start. All those numbered one go first, then all those numbered two, and so on.

All the horses in the team may take part in the jump-off, if there is one. In case of equality for first place, the time of the three best horses of each team in this jump-off decides.

The Committee reserves the right to invite riders from overseas countries not specifically mentioned herein to take part in this contest either as a team or as a member/or members of a composite team.

Specified Rate — 436 yards per minute.

Entry — Free.
