It's not what you put into a bank that counts.

It's what you get out of it.

We pay up to 9% p.a. on term deposits. Savings Investment Accounts earn 8% p.a. and our minimum deposit is lower than most other banks.

CBC Passbook Savings Accounts could earn you a little more interest.

Active cheque account users could save money on charges because CBC does not charge collection fees on cheques deposited.

There are other things that CBC can offer, corporate and investment services; travel, and a range of other personal banking services.

Spend a few minutes in your nearest CBC branch and make your own comparisons. We'd like to think you get a little more out of the CBC.

CBC.

Your passport to banking services with a difference.

The CBC, like all Australian banks, is as safe as Australia itself. But we like to think that CBC offers some good sound banking services that give you a little more!

We pay a little more Savings Account interest than most banks. You can earn 8% p.a. on a CBC Savings Investment Account, on a lower minimum deposit than most banks. You can earn up to 9% p.a. on a CBC Interest Bearing Deposit. And if you're an active cheque account user, you could save money on CBC charges — because we don't charge collection fees on cheques deposited!

There are many other good sound reasons why you should look into banking CBC. Spend a few minutes in your nearest CBC branch, and make your own comparisons.

PRIZES

First, Second and Third Prize Cards in each Class at the discretion of the Judge.

Ribbons will be issued in the judging rings as an indication to the spectators of the Judges' awards—blue for first, red for second and white for third, and in addition a yellow for fourth and a green for fifth ribbon will be awarded where there are at least ten dogs exhibited in the class.

WITHDRAWAL OF ENTRY.—Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:

(i) The animal has died.

(ii) The animal is unfit for exhibition due to injury or disease.

(iii) The animal has become ineligible for the class entered.

(iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than $10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

Kennel Control Council Challenge Certificates, with Inscribed Blue Sashes with Medallions, are offered at this Show, one for each sex of every breed, at the discretion of the Judge. On application to and confirmation by the Kennel Control Council, any dog which wins not fewer than four Challenge Certificates, under not fewer than four different Judges at different Shows, and gains a total of 100 points shall, on approval being obtained from the K.C.C., be known as an Australian Champion (Aust. EXHIBITS BENCHED AT SHOW.—All exhibits must be benched whilst being exhibited. Times of benching are listed under Judging Arrangements, etc. **Intending exhibitors are warned not to make an entry unless they are prepared strictly to observe this condition.**

REMOVAL OF EXHIBITS.—Exhibits may be removed from the Show after it closes. Times of closing are listed under Judging Arrangements, Etc.

BENCHING.—Only exhibits in the one ownership will be benched together and different breeds or variety of breeds although owned by the same exhibitor will not be benched together.

As straw is not permitted, exhibitors are advised to provide suitable bench rugs for their exhibits.

Every dog must be provided with a suitable collar and chain or a lead, but they must be benched with chains of metal. No cages may be used for dogs other than those provided or approved by the Society, and nothing which will affect the view of the public may be added to the cages. Not more than one exhibit may occupy any one bench or cage unless directed by the Society. A dog may not

be so placed on the bench or in a cage as to be away from the view of the public. The position of exhibit numbers on benches or cages may not be altered.

UNDER NO CIRCUMSTANCES ARE EXHIBITORS PERMITTED TO SIT ON THE BENCHES.

Folding seats are on hire in the Dog Pavilion at 30 cents per day.

EXHIBIT NUMBERS.—These will be posted to exhibitors before the Show. When dogs are being judged the handler must wear the exhibit number of only the dog being handled.

CHECKING OF EXHIBITS.—No dog will be admitted to the Show unless its exhibit number is stamped and this will take place between 8 a.m. and 9 a.m. each day.

JUDGING.—For judging times and "check in" times, see page 5. In the case of Special Prizes in which Challenge Certificate winners from each breed are required to meet, the awards will be made on the last Saturday of the Show.

In view of the need to expedite judging, exhibitors will be held wholly responsible for having their dogs in the judging rings immediately they are required for judging. After the Judge's Steward has given word to the Judge to proceed with the judging of a competition, no other exhibit may enter the judging ring until after that competition has been completed. Exhibits which are not brought promptly to the rings when called, and the owners or handlers of which omit to obey the orders of the Stewards, or are wearing more than one exhibit number, may be refused admission to the rings.

EXERCISING EXHIBITS.—Exhibits may be exercised during the luncheon and tea adjournments and by special arrangement with the Dog Superintendent.

Dogs must not be allowed off leads at any time whilst on the Show Grounds; neither will they be permitted on the lawns nor near the flower beds.

Except as stated herein, no exhibit may be absent from its bench unless for the purpose of being judged.

DISPLAY OF ADVERTISING.—Exhibitors will be permitted to display approved advertising material on the benches and cages allotted their exhibits. The display must be executed attractively, not in handwriting, and shall be removed promptly if deemed undesirable. It shall not go beyond the following: (1) A space not exceeding 600 mm wide by 200 mm deep at the back of the bench; (2) The name, address and telephone number of the Kennel or exhibitor, or both; (3) The name of the exhibit; (4) A stud card stating the name of the exhibit, pedigree and stud fee; (5) Suitable words offering dogs and/or puppies for sale, but not actually naming any dog or puppy which is not exhibited, and not quoting any prices; (6) A photograph of the dog exhibited; (7) General decorative material other than announcements; (8) **A statement of wins at other fixtures and prize cards or ribbons won at other fixtures shall not be permitted.**

OWNER'S RISK.—The Society will be most anxious for the care and safety of dogs sent for exhibition, or any other property entrusted to it, but it must be understood distinctly by exhibitors, and all other persons, that the Society will not be responsible for the loss, detention of or damage to any dog or other property, whether arising from accident, or other cause whatever, or from any act or omission of itself, its officers, agents, servants, or others.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

JUNIOR.—For dogs of six and not exceeding eighteen months of age.

OPEN.—For all dogs six months of age or over (and of a breed or variety recognised by the Australian National Kennel Council. If confined to a breed or variety, for all dogs of that breed or variety. The word "variety" shall be taken as referring to the pure-breed varieties, for which a separate register is kept by the K.C.C. at the date of the exhibition at which the Classes are offered).

NOTE.—The age of all dogs shall be computed from the date of their birth to the first day of the exhibition.

VETERINARY AUTHORITIES WARN THAT FLEAS ARE A HEALTH HAZARD'

Even the best-bred animals can get fleas. And biting fleas not only cause uncomfortable itching and burning—they **are a real hazard** to the health of your pet. Ordinary washes, sprays, dusts and collars can never be really successful against fleas, simply because it's impossible for these methods to cover 100% of your pet's skin surface. So the fleas live to bite again. Cyflee* is the modern, carefully researched treatment which eliminates fleas rapidly and safely. It has been developed by veterinary scientists in Cyanamid research laboratories, and has been proven highly effective in clinical tests in Australia and the world over.

You simply add Cyflee to your pet's food; the animal won't even notice it, but Cyflee goes through its system and within eight hours of the first dosage 90%-100% of all fleas on your pet's body will have been eliminated.

Cyflee is available in three forms—tablets and liquid for dogs, liquid for cats.

Cyflee is the revolutionary new way to rid your pet of fleas. You can use it with complete confidence.

CBC.

Your passport to banking services with a difference.

The CBC, like all Australian banks, is as safe as Australia itself. But we like to think that CBC offers some good sound banking services that give you a little more!

We pay a little more Savings Account interest than most banks. You can earn 8% p.a. on a CBC Savings Investment Account, on a lower minimum deposit than most banks. You can earn up to 9% p.a. on a CBC Interest Bearing Deposit. And if you're an active cheque account user, you could save money on CBC charges — because we don't charge collection fees on cheques deposited!

There are many other good sound reasons why you should look into banking CBC. Spend a few minutes in your nearest CBC branch, and make your own comparisons.

Second dog breeders tour of the U.K.

Planned for June 1977, the tour will include two weeks in London, a conducted tour of Northern England and Scotland and visits to Dog Shows all over Britain.

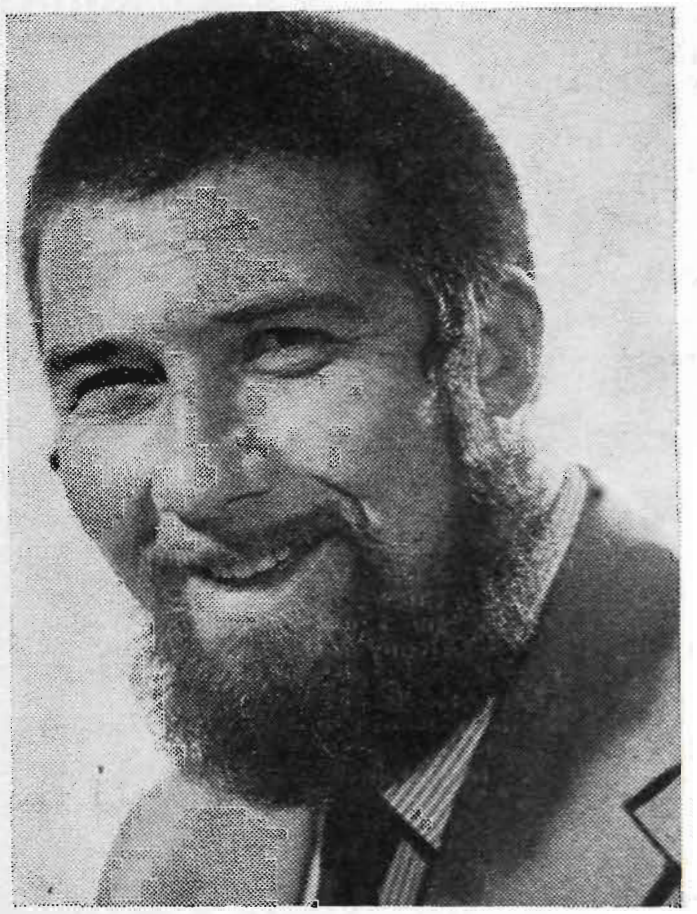

Keith Higgins has all the details. Meet him at the Dog Pavilion.

Keith can tell you which shows are on, where and when, and has passes. He knows which kennels are best and can answer questions about quarantine regulations.

If you're flying your dog internationally or within Australia talk with Keith and learn how Ansett and British Airways will assist not only you but also your canine friends to travel.

Two great airlines are working together to give you and the dog breeders of Australia every assistance.

For more information send in either one of these coupons or see Keith Higgins.

CBC.

Your passport to banking services with a difference.

The CBC, like all Australian banks, is as safe as Australia itself. But we like to think that CBC offers some good sound banking services that give you a little more!

We pay a little more Savings Account interest than most banks. You can earn 8% p.a. on a CBC Savings Investment Account, on a lower minimum deposit than most banks. You can earn up to 9% p.a. on a CBC Interest Bearing Deposit. And if you're an active cheque account user, you could save money on CBC charges — because we don't charge collection fees on cheques deposited!

There are many other good sound reasons why you should look into banking CBC. Spend a few minutes in your nearest CBC branch, and make your own comparisons.

YOUR BANK FOR ALL SEASONS

Every man on the land knows that each season is something of a gamble.

But your CBA manager can show you ways of hedging your bets.

For instance, he can give you some interesting facts on savings investment accounts, or term deposit schemes that will not only give you security against next season's harvest, but can also make sure you get the most from this year's income.

That's not all. The CBA is a total Services Group.

Not only for general banking and finance, but also for import-export business, investment, leasing, insurance–even travel and holidays.

Your CBA manager is a specialist in all these. You don't even have to be a customer to discuss them with him.

YOUR BANK FOR ALL SEASONS

Every man on the land knows that each season is something of a gamble.

But your CBA manager can show you ways of hedging your bets.

For instance, he can give you some interesting facts on savings investment accounts, or term deposit schemes that will not only give you security against next season's harvest, but can also make sure you get the most from this year's income.

That's not all. The CBA is a total Services Group.

Not only for general banking and finance, but also for import-export business, investment, leasing, insurance—even travel and holidays.

Your CBA manager is a specialist in all these. You don't even have to be a customer to discuss them with him.

The Trotting Control Board has donated $1,760 towards the prize money in these racing events.

To be held under the Rules of the Trotting Control Board as applying to Agricultural Shows.

Nominations close with the Secretary, Trotting Control Board, Royal Show Grounds, Ascot Vale, 3032, at 5 p.m. on 18th August.

TO BE ELIGIBLE TO NOMINATE, HORSES MUST HAVE BEEN PLACED IN A RACE AT A ROYAL SHOW (FINAL) OR PLACED IN A RACE AT A REGISTERED MEETING (THREE YEAR OLD RACES EXCEPTED).

ACCEPTANCES WILL BE DECLARED AT THE OFFICE OF THE **TROTTING CONTROL BOARD** IN THE MEMBERS GRANDSTAND, ON THE ROYAL SHOW GROUNDS, ASCOT VALE, 3032, on the day on which the race is to be held. Acceptance times will be one hour before each race, at which times acceptance fees must be paid and drivers nominated for all accepted horses. The owners of horses not scratched by then shall be liable for acceptance fees. All competing horses must be on the grounds at the time of acceptance.

SCRATCHINGS SHOULD NOT BE NOTIFIED TO THE SOCIETY, BUT TO THE TROTTING CONTROL BOARD AT ITS MAIN OFFICE IN THE MEMBERS GRANDSTAND ON THE SHOW GROUNDS.

Nominations will be confined to horses registered with and approved by the Trotting Control Board, Royal Show Grounds, Ascot Vale, 3032.

ALL RACES ARE FRAMED ACCORDING TO THE FRONTS ADOPTED UNDER THE UNIFORM HANDICAPPING REGULATIONS.

WINS AT THIS SHOW WILL CARRY PENALTIES ONLY AT AGRICULTURAL SHOWS.

A horse may be nominated for a race of which the front is faster than its assessment at the time nominations close, but should such horse win, it shall incur a penalty from the front of the race won and not from the horse's assessment prior to such win.

Trotters may compete against pacers in all races unless otherwise stated.

The Society reserves the right to run any race or races in divisions in accordance with Rules of Trotting 144 and 145, provided that in observance of the law, not more than 3 races may be run in the daytime nor more than 3 races in the night-time, including divisions of races in both cases. Where any race is run in divisions, the stake money for each division will be at least 50% of that stated in the programme and payable to the placegetters in the same proportions irrespective of the number of divisions run, provided that in no case shall the stake for the winner of a division be less than $100.

Races may be started from behind the mobile barrier at the discretion of the Stewards.

All trainers nominating, and drivers competing, must hold current licences or permits issued by the Trotting Control Board.

The registered colours of the trainer or the owner (or, if the horse is leased, then the registered colours of the trainer or lessee) must be stated on the nomination form, and be worn by the driver.

All drivers injured whilst participating in registered trotting races may be granted financial assistance from the Trotting Control Board's Driver's Accident Scheme.

Exercise on the track will be permitted daily during the Show, between 6 a.m. and 8 a.m. only.

Stallions or mares entered in the trotting races are also eligible to be entered to compete for the Championship awards in the "breeding" classes and if so entered, must be in attendance when judging in Section 4 takes place.

The Society reserves the right to alter the conditions of any race, or to delete any race from the programmes, if the acceptors are considered to be lacking in number or quality, or for any other reason.
