Clay Bakers

Our bakers are brick and tile makers, pottery and earthenware pipe makers. The art of ceramics is one of man's greatest achievements and we at Brick and Pipe Industries work with some of the richest clay deposits in the world. Out of our kilns come strong and sturdy building products.

Only 20 years ago a small percentage of homes had brick walls. Today over 90 per cent are brick. All kinds of brick. Old world, antique and clean cut, smooth styles. Designers and builders of houses have over 50 brick styles and textures to use in many creative ways.

Baking roofing tiles, although old fashioned, is still the best way to keep the weather out. Our Terra Cotta Roofing Tiles hold their colour better than competitive roofing materials. We also make and bake strong, walkable floor tiles. Through one of our subsidiary companies, we are the largest stoneware pipe manufacturer in Australia. Pipes that go deep under the ground and have the longest life due to the high firing of the clay.

In Victoria, Nubrik produce about 7 million bricks a week through 9 plants. Our new plant at Scoresby is recognized as the largest brick plant in the Southern Hemisphere. Its huge kilns produce more than one million high quality bricks each week.

Just like the ancient art of baking bread, clay baking needs technique, knowledge, and research. Brick and Pipe are professional clay bakers — making better products to 'build your dreams on'.

An organ makes it "home-ier" on the range.

Hammond Concorde $7,949 (price at time of printing).

If you think you're not musical, chances are you haven't tried to play an organ. A Hammond organ is perhaps one of the easiest instruments to learn. And so rewarding. Not only because you're making music, but because you can make it together. As a family.

An organ lets you have the kind of old-fashioned family fun we haven't seen since before television. Come and tinkle on the keys and talk to the guys at Allans. We're distributors for the entire Hammond range from cheap to not-so-cheap.

We'll happily deliver an organ from our range to your range, any time.

The Prue Acton Eye

and how to get it.

First our Lasting Shadows. Prue Acton's new super soft long lasting shadows don't dry or cake. Or, worst problem of all, take all the colour into awful creases. Because we use a lanoline base, and the finest pure talc so it isn't drying. They come in 40 of the most glorious colours, lids have set eyes on – to mix and match, colour and shade.

Then Flashlashes Mascara with the big applicator brush to colour and separate. Flashlashes won't dry your lashes. They won't break or split. Prue uses just pure water and deep pure earth oxide colours that colour right to the fine tips. The big brush and beautiful mascara. With these two you've got to be flashing the best lashes.

(ii) The animal is unfit for exhibition due to injury or disease.

DOGS—SPECIAL PRIZES

Every dog must be provided with a suitable collar and chain or a lead, but they must be benched with chains of metal. No cages may be used for dogs other than those provided or approved by the Society, and nothing which will affect the view of the public may be added to the cages. Not more than one exhibit may occupy any one bench or cage. A dog may not be so placed on the bench or in a cage as to be away from the view of the public. The position of exhibit numbers on benches or cages may not be altered.

UNDER NO CIRCUMSTANCES ARE EXHIBITORS PERMITTED TO SIT ON THE BENCHES.

Folding seats are on hire in the Dog Pavilion at 30 cents per day.

EXHIBIT NUMBERS.—These will be posted to exhibitors before the Show. When dogs are being judged the handler must wear the exhibit number of only the dog being handled.

In view of the need to expedite judging, exhibitors will be held wholly responsible for having their dogs in the judging rings immediately they are required for judging. After the Judge's Steward has given word to the Judge to proceed with the judging of a competition, no other exhibit may enter the judging ring until after that competition has been completed. Exhibits which are not brought promptly to the rings when called, and the owners or handlers of which omit to obey the orders of the Stewards, or are wearing more than one exhibit number, may be refused admission to the rings.

EXERCISING EXHIBITS.—Exhibits may be exercised during the luncheon and tea adjournments and by special arrangement with the Dog Superintendent.

The display must be executed attractively, not in handwriting, and shall be removed promptly if deemed undesirable. It shall not go beyond the following: (1) A space not exceeding 600 mm wide by 200 mm deep at the back of the bench; (2) The name, address and telephone number of the Kennel or exhibitor, or both; (3) The name of the exhibit; (4) A stud card stating the name of the exhibit, pedigree and stud fee; (5) Suitable words offering dogs and/or puppies for sale, but not actually naming any dog or puppy which is not exhibited, and not quoting any prices; (6) A photograph of the dog exhibited; (7) General decorative material other than announcements; (8) **A statement of wins at other fixtures and prize cards or ribbons won at other fixtures shall not be permitted.**

OWNER'S RISK.—The Society will be most anxious for the care and safety of dogs sent for exhibition, or any other property entrusted to it, but it must be understood distinctly by exhibitors, and all other persons, that the Society will not be responsible for the loss, detention of or damage to any dog or other property, whether arising from accident, or other cause whatever, or from any act or omission of itself, its officers, agents, servants, or others.

VETERINARY AUTHORITIES WARN THAT FLEAS ARE A HEALTH HAZARD'

Even the best-bred animals can get fleas. And biting fleas not only cause uncomfortable itching and burning—they are a **real hazard** to the health of your pet. Ordinary washes, sprays, dusts and collars can never be really successful against fleas, simply because it's impossible for these methods to cover 100% of your pet's skin surface. So the fleas live to bite again. Cyflee* is the modern, carefully researched treatment which eliminates fleas rapidly and safely. It has been developed by veterinary scientists in Cyanamid research laboratories, and has been proven highly effective in clinical tests in Australia and the world over.
You simply add Cyflee to your pet's food; the animal won't even notice it, but Cyflee goes through its system and within eight hours of the first dosage 90%-100% of all fleas on your pet's body will have been eliminated.
Cyflee is available in three forms—tablets and liquid for dogs, liquid for cats.
Cyflee is the revolutionary new way to rid your pet of fleas. You can use it with complete confidence.

Clay Bakers

Our bakers are brick and tile makers, pottery and earthenware pipe makers. The art of ceramics is one of man's greatest achievements and we at Brick and Pipe Industries work with some of the richest clay deposits in the world. Out of our kilns come strong and sturdy building products.
Only 20 years ago a small percentage of homes had brick walls. Today over 90 per cent are brick. All kinds of brick. Old world, antique and clean cut, smooth styles. Designers and builders of houses have over 50 brick styles and textures to use in many creative ways.
Baking roofing tiles, although old fashioned, is still the best way to keep the weather out. Our Terra Cotta Roofing Tiles hold their colour better than competitive roofing materials. We also make and bake strong, walkable floor tiles. Through one of our subsidiary companies, we are the largest stoneware pipe manufacturer in Australia. Pipes that go deep under the ground and have the longest life due to the high firing of the clay.
In Victoria, Nubrik produce about 7 million bricks a week through 9 plants. Our new plant at Scoresby is recognized as the largest brick plant in the Southern Hemisphere. Its huge kilns produce more than one million high quality bricks each week.
Just like the ancient art of baking bread, clay baking needs technique, knowledge, and research. Brick and Pipe are professional clay bakers — making better products to 'build your dreams on'.

An organ makes it "home-ier" on the range.

Hammond Concorde $7,949 (price at time of printing).

If you think you're not musical, chances are you haven't tried to play an organ. A Hammond organ is perhaps one of the easiest instruments to learn. And so rewarding. Not only because you're making music, but because you can make it together. As a family.

An organ lets you have the kind of old-fashioned family fun we haven't seen since before television. Come and tinkle on the keys and talk to the guys at Allans. We're distributors for the entire Hammond range from cheap to not-so-cheap.

We'll happily deliver an organ from our range to your range, any time.

chew-eez™

The treat for dogs that can't brush their teeth after every meal!

Guarding the home, retrieving sticks, burying bones, doing tricks...face it, a dog has a pretty busy schedule. Certainly too busy to brush his teeth. What's a mother to do? Easy. Give your dog CHEW-EEZ.
CHEW-EEZ have been chemically tested at two leading American Universities* They were proven to be a delicious tasting TREAT high in protein. And those dogs that chewed them developed healthier gums and whiter teeth than dogs that didn't.

Buy CHEW-EEZ. No dog is too busy to chew. At pet shops and stores. Also on sale at the Dog Pavilion, The Royal Show.

The Trotting Control Board has donated $1,760 towards the prize money in these racing events.

To be held under the Rules of the Trotting Control Board as applying to Agricultural Shows.

Nominations close with the Secretary, Trotting Control Board, Royal Show Grounds, Ascot Vale, 3032, at 5 p.m. on 20th August.

TO BE ELIGIBLE TO NOMINATE, HORSES MUST HAVE BEEN PLACED IN A RACE AT A ROYAL SHOW (FINAL) OR PLACED IN A RACE AT A REGISTERED MEETING (THREE YEAR OLD RACES EXCEPTED).

ACCEPTANCES WILL BE DECLARED AT THE OFFICE OF THE **TROTTING CONTROL BOARD** IN THE MEMBERS GRANDSTAND, ON THE ROYAL SHOW GROUNDS, ASCOT VALE, 3032, on the day on which the race is to be held. Acceptance times will be one hour before each race, at which times acceptance fees must be paid and drivers nominated for all accepted horses. The owners of horses not scratched by then shall be liable for acceptance fees. All competing horses must be on the grounds at the time of acceptance.

SCRATCHINGS SHOULD NOT BE NOTIFIED TO THE SOCIETY, BUT TO THE TROTTING CONTROL BOARD AT ITS MAIN OFFICE IN THE MEMBERS GRANDSTAND ON THE SHOW GROUNDS.

Nominations will be confined to horses registered with and approved by the Trotting Control Board, Royal Show Grounds, Ascot Vale, 3032.

ALL RACES ARE FRAMED ACCORDING TO THE FRONTS ADOPTED UNDER THE UNIFORM HANDICAPPING REGULATIONS.

WINS AT THIS SHOW WILL CARRY PENALTIES ONLY AT AGRICULTURAL SHOWS.

A horse may be nominated for a race of which the front is faster than its assessment at the time nominations close, but should such horse win, it shall incur a penalty from the front of the race won and not from the horse's assessment prior to such win.

Trotters may compete against pacers in all races unless otherwise stated.

The Society reserves the right to run any race or races in divisions in accordance with Rules of Trotting 144 and 145, provided that in observance of the law, not more than 3 races may be run in the daytime nor more than 3 races in the night-time, including divisions of races in both cases. Where any race is run in divisions, the stake money for each division will be at least 50% of that stated in the programme and payable to the placegetters in the same proportions irrespective of the number of divisions run, provided that in no case shall the stake for the winner of a division be less than $100.

Races may be started from behind the mobile barrier at the discretion of the Stewards.

All trainers nominating, and drivers competing, must hold current licences or permits issued by the Trotting Control Board.

The registered colours of the trainer or the owner (or, if the horse is leased, then the registered colours of the trainer or lessee) must be stated on the nomination form, and be worn by the driver.

All drivers injured whilst participating in registered trotting races may be granted financial assistance from the Trotting Control Board's Driver's Accident Scheme.

Exercise on the track will be permitted daily during the Show, between 6 a.m. and 8 a.m. only.

Stallions or mares entered in the trotting races are also eligible to be entered to compete for the Championship awards in the "breeding" classes and if so entered, must be in attendance when judging in Section 4 takes place.

The Society reserves the right to alter the conditions of any race, or to delete any race from the programmes, if the acceptors are considered to be lacking in number or quality, or for any other reason.
