DOES YOUR CURRENT BANK HAVE A HABIT OF MAKING YOU SWEAT?

Does your current bank treat you like it doesn't need your business?

Working at a pace that suits itself rather than your needs?

Does it keep you waiting, guessing, sweating on major decisions?

At State Bank, we can change the face of business banking by responding to your needs with two simple promises.

Our rates are extremely competitive. Our decision process is fast.

And there's a bonus.. We offer service that a lot of large trading banks don't.

The kind of service that will immediately demonstrate just how important we think you and your business are.

Unlike the large national banks, that seem to virtually take your repeat business for granted.

If you want to remain competitive, it will pay you to call and discuss your next financial proposition with Peter Rodda on (03) 604 7390.

REFINED TOUGH
FOR LONGER DIESEL ENGINE LIFE

OUR COUNTRY

rimula x

the oil that protects.

Use only Rimula X Oil 15W/40 multigrade, the oil ingeniously refined "tough" to better protect high performance diesel engines against wear, and to extend their operating life. You get extra protection with Rimula X Oil because the remarkable base oil is further strengthened by formidable additives that extend its long life lubrication capability well beyond most diesel engine manufacturers specifications.

Change now to Rimula X Oil 15W/40 multigrade. Your engine will start more easily. The extreme temperatures and stresses created by hard working conditions will be contained, and the engine's moving parts will be kept exceptionally clean. With Rimula X Oil your engine will run more smoothly, and emissions will be minimised. All of which means reduced down time and a better return on your diesel engine investment.

Same day Bank Loans.

Your plans might be for that new car, having the garden landscaped, carpets for the family-room, home extensions, or just about anything.

With an ANZ Bank Loan you don't even have to bank with us to qualify. You'll be surprised how easy it is to get a decision.

In most cases we can give you an answer the same day. And it's usually "yes". Unlike some other banks, ANZ Managers have more ability to approve loans without going to "head office".

Your nearest ANZ Manager is keen to lend you money, and is waiting to help you plan your loan. Now is the best time to apply.

Instant Banking at the Royal Melbourne Show.

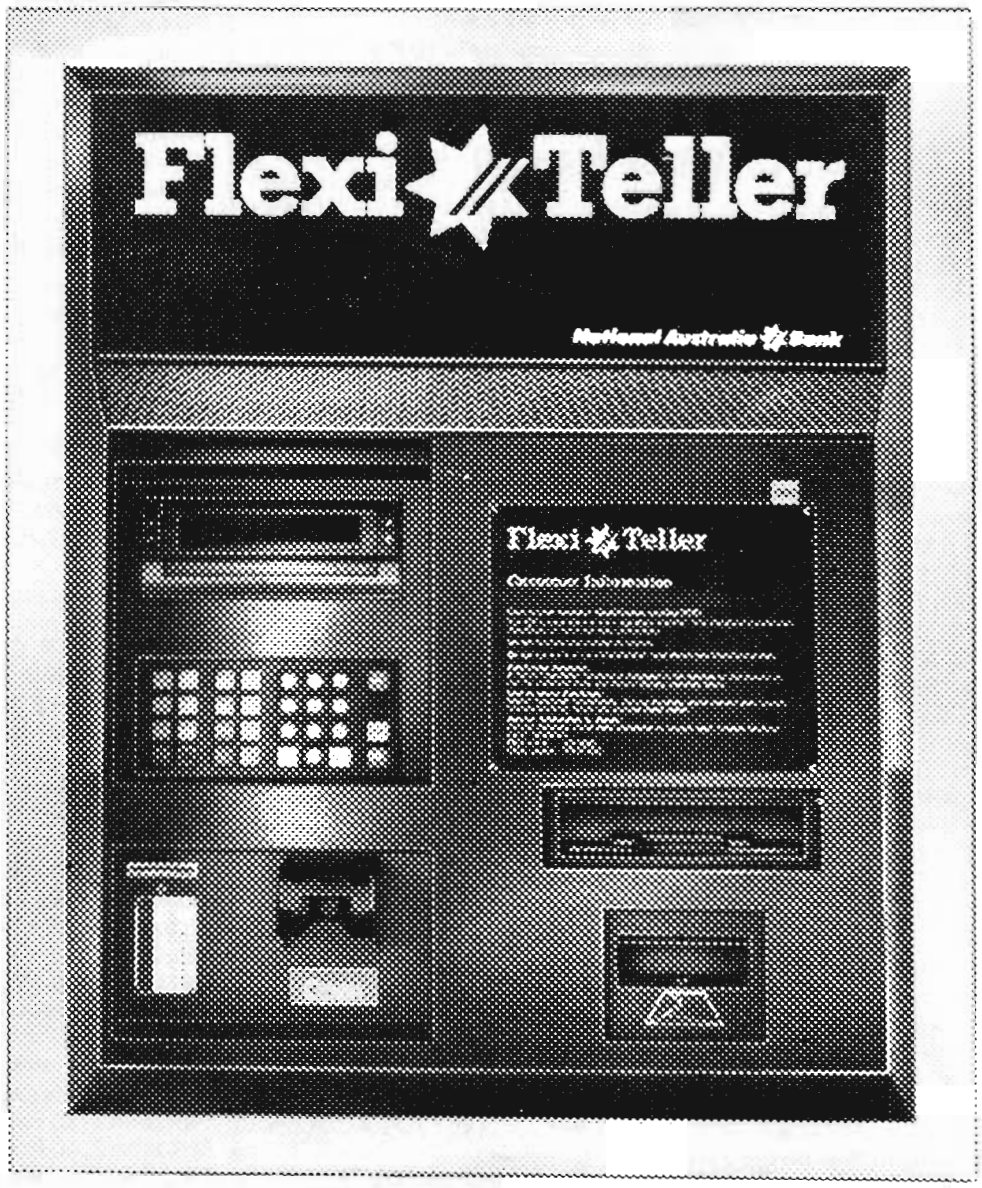

The Show is one of those occasions when you may need cash fast, and be right out of luck.

Not any more.

National Australia Bank has installed a FlexiTeller Automatic Teller Machine at this year's Show, for your convenience. You'll find it on the corner of Plummer Avenue and Smith Street, open from 6am to midnight.

All you need to withdraw up to $500 a day or $1,000 a week, is a FlexiCard with a Personal Identification Number. You can also transfer from one account to another, lodge deposits and obtain account information. All this from your Cheque Account or Everyday Savings Account!

If you don't already have a FlexiCard, now's an ideal time to apply at your local branch.

The Show must go on! So if you need cash fast, simply pop over to your FlexiTeller machine and get together with National Australia Bank. Your bank.

WHEN YOU NEED MONEY TO IMPROVE

There will always be times when you need money for things like new equipment or property improvements.

Or, occasionally, your expenses might simply outstrip your income. Whatever the reason, we can offer you a number of financial solutions.

For instance, we have a range of short, medium and long term loans with repayment plans that can be structured to suit your needs.

Or we can arrange an overdraft for you, which, once established enables you to draw the funds when you need them.

And if, for unforeseen reasons, your seasonal borrowings need to exceed your overdraft limit, we'll do our best to provide you with a special line of credit to bridge the gap, and at competitive market rates.

So when you need money to improve, or for whatever reason, ask Westpac. As the Bank for the Land, we'll do our best to help you.

Re-think your way to Europe!

WITH A FREE OVERNIGHT STOP IN JAPAN!

Think of Japan as your new gateway to Europe. A fascinating gateway if you take advantage of one of JAL's unique new Tokyo stopover offers.

Or a most practical gateway if what you want is speed and comfort.

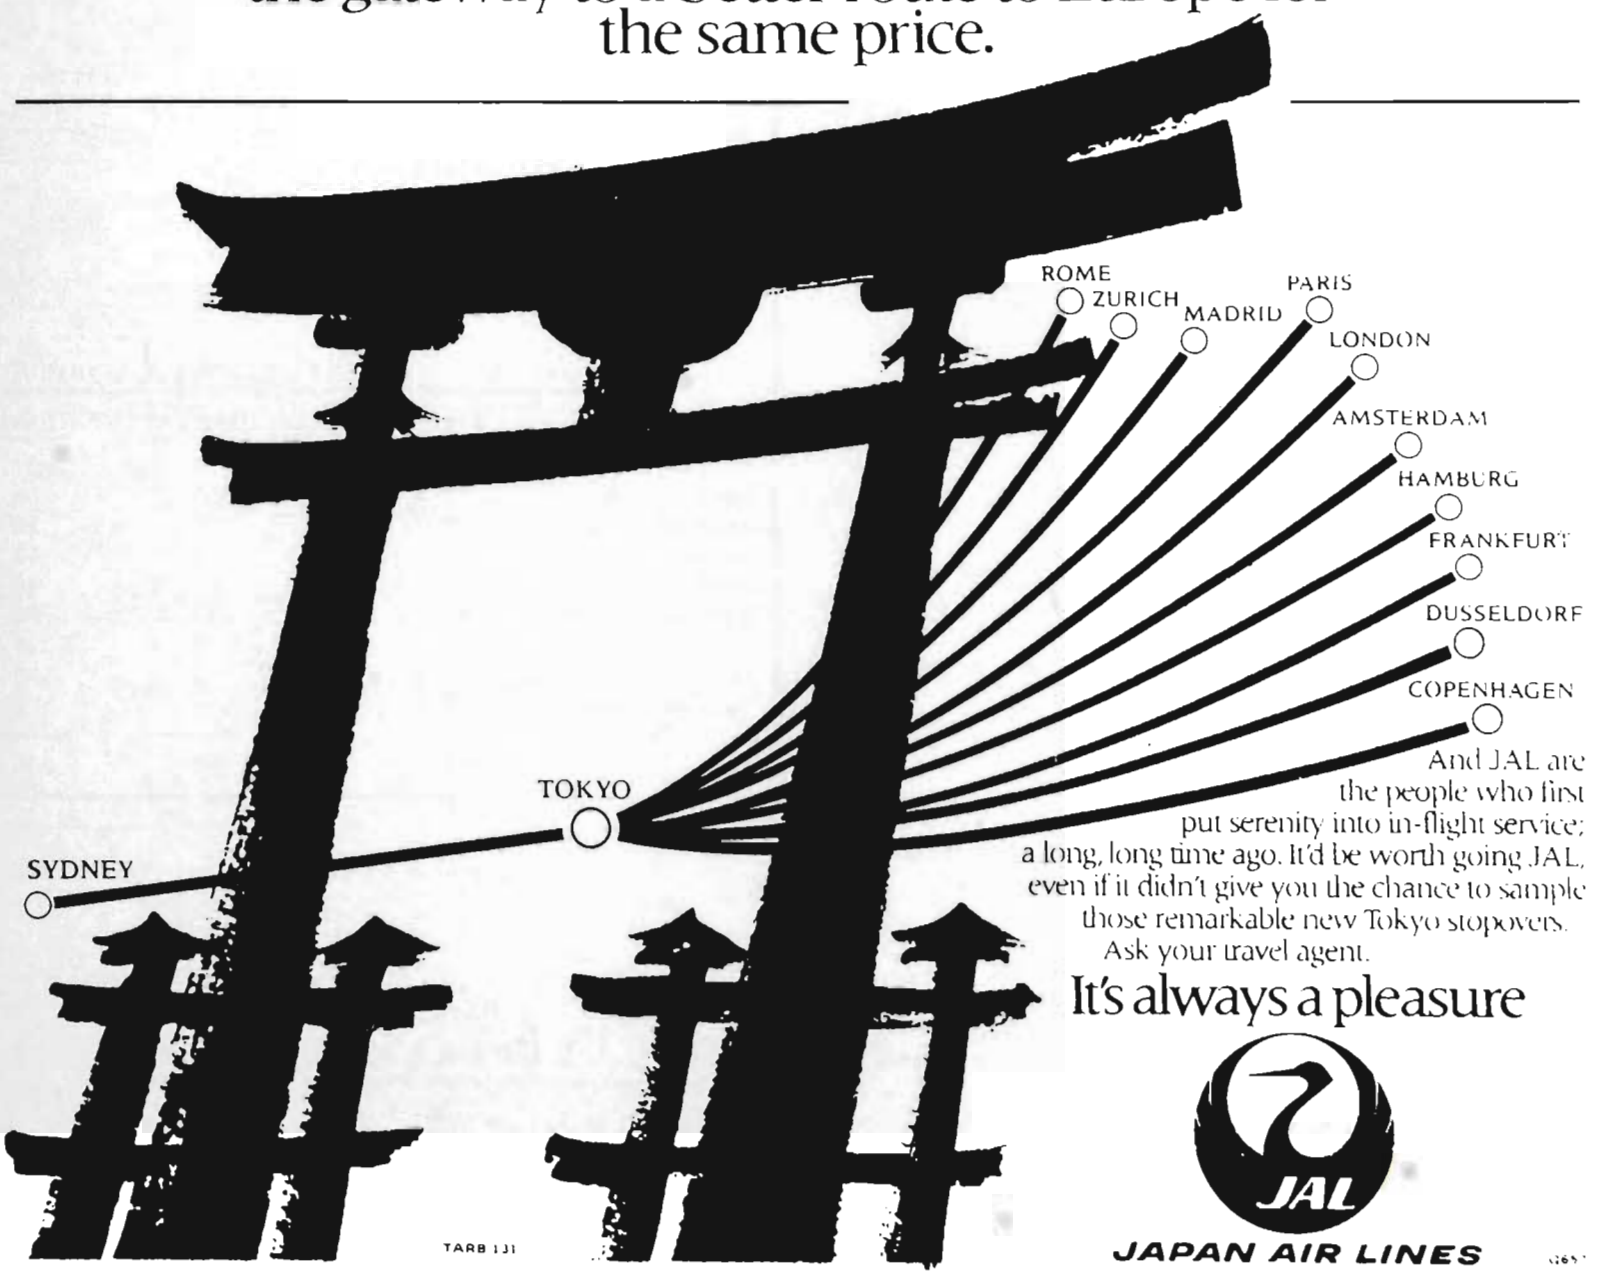

Japan Air Lines fly you Sydney-Tokyo in one easy hop. Then either on over the Pole or across to Moscow and straight on to any of ten major European cities.

In fact no-one else gives you all these European destinations just two easy stops from Sydney.

Because the earth's not flat, it takes a real globe of the world to show truly how direct and practical this fast and gently curving JAL route is. Or you could fly it and see. Depending which European destination you're heading for, it'll take about the same time as more ordinary routes. Or somewhat less, allowing for plane-changing you won't have to do at European airports.

Other things you may not know about JAL is that they are actually the world's largest I.A.T.A. airline. Flying the world's most advanced Jumbos. And touching down or taking off somewhere around the globe about every four minutes. Every day.

Look at the world JAL's way and you've discovered the gateway to a better route to Europe for the same price.

And JAL are the people who first put serenity into in-flight service; a long, long time ago. It'd be worth going JAL, even if it didn't give you the chance to sample those remarkable new Tokyo stopovers. Ask your travel agent.

It's always a pleasure

WHEN YOU NEED MONEY TO IMPROVE

There will always be times when you need money for things like new equipment or property improvements.

Or, occasionally, your expenses might simply outstrip your income. Whatever the reason, we can offer you a number of financial solutions.

For instance, we have a range of short, medium and long term loans with repayment plans that can be structured to suit your needs.

Or we can arrange an overdraft for you, which, once established enables you to draw the funds when you need them.

And if, for unforeseen reasons, your seasonal borrowings need to exceed your overdraft limit, we'll do our best to provide you with a special line of credit to bridge the gap, and at competitive market rates.

So when you need money to improve, or for whatever reason, ask Westpac. As the Bank for the Land, we'll do our best to help you.

CHALLENGE 79

DOES YOUR CURRENT BANK HAVE A HABIT OF MAKING YOU SWEAT?

Does your current bank treat you like it doesn't need your business?

Working at a pace that suits itself rather than your needs?

Does it keep you waiting, guessing, sweating on major decisions?

At State Bank, we can change the face of business banking by responding to your needs with two simple promises.

Our rates are extremely competitive. Our decision process is fast.

And there's a bonus.. We offer service that a lot of large trading banks don't.

The kind of service that will immediately demonstrate just how important we think you and your business are.

Unlike the large national banks, that seem to virtually take your repeat business for granted.

If you want to remain competitive, it will pay you to call and discuss your next financial proposition with Peter Rodda on (03) 604 7390.

'Farmpol' means a good night's sleep for the man on the land.

Many farmers and graziers believe their problems are peculiar to their industry.

At Federation we think that there's a lot of truth in that belief.

In fact, we have spent so much time and effort over many years working with the man on the land, that we have designed a special 'umbrella' policy called Farmpol that covers most of a Farmer's needs.

But, if you believe you have special insurance problems that are causing you a few sleepless nights, discuss them with us, we're there to help and it's all part of the service.

It is precisely because Federation has the depth of experience in the Farming and Agricultural Industry, that we can package your insurance needs like nobody else and still keep your bank manager smiling.

Same day Bank Loans.

Your plans might be for that new car, having the garden landscaped, carpets for the family-room, home extensions, or just about anything.

With an ANZ Bank Loan you don't even have to bank with us to qualify. You'll be surprised how easy it is to get a decision.

In most cases we can give you an answer the same day. And it's usually "yes". Unlike some other banks, ANZ Managers have more ability to approve loans without going to "head office".

Your nearest ANZ Manager is keen to lend you money, and is waiting to help you plan your loan. Now is the best time to apply.

Instant Banking at the Royal Melbourne Show.

The Show is one of those occasions when you may need cash fast, and be right out of luck.

Not any more.

National Australia Bank has installed a FlexiTeller Automatic Teller Machine at this year's Show, for your convenience. You'll find it on the corner of Plummer Avenue and Smith Street, open from 6am to midnight.

All you need to withdraw up to $500 a day or $1,000 a week, is a FlexiCard with a Personal Identification Number. You can also transfer from one account to another, lodge deposits and obtain account information. All this from your Cheque Account or Everyday Savings Account!

If you don't already have a FlexiCard, now's an ideal time to apply at your local branch.

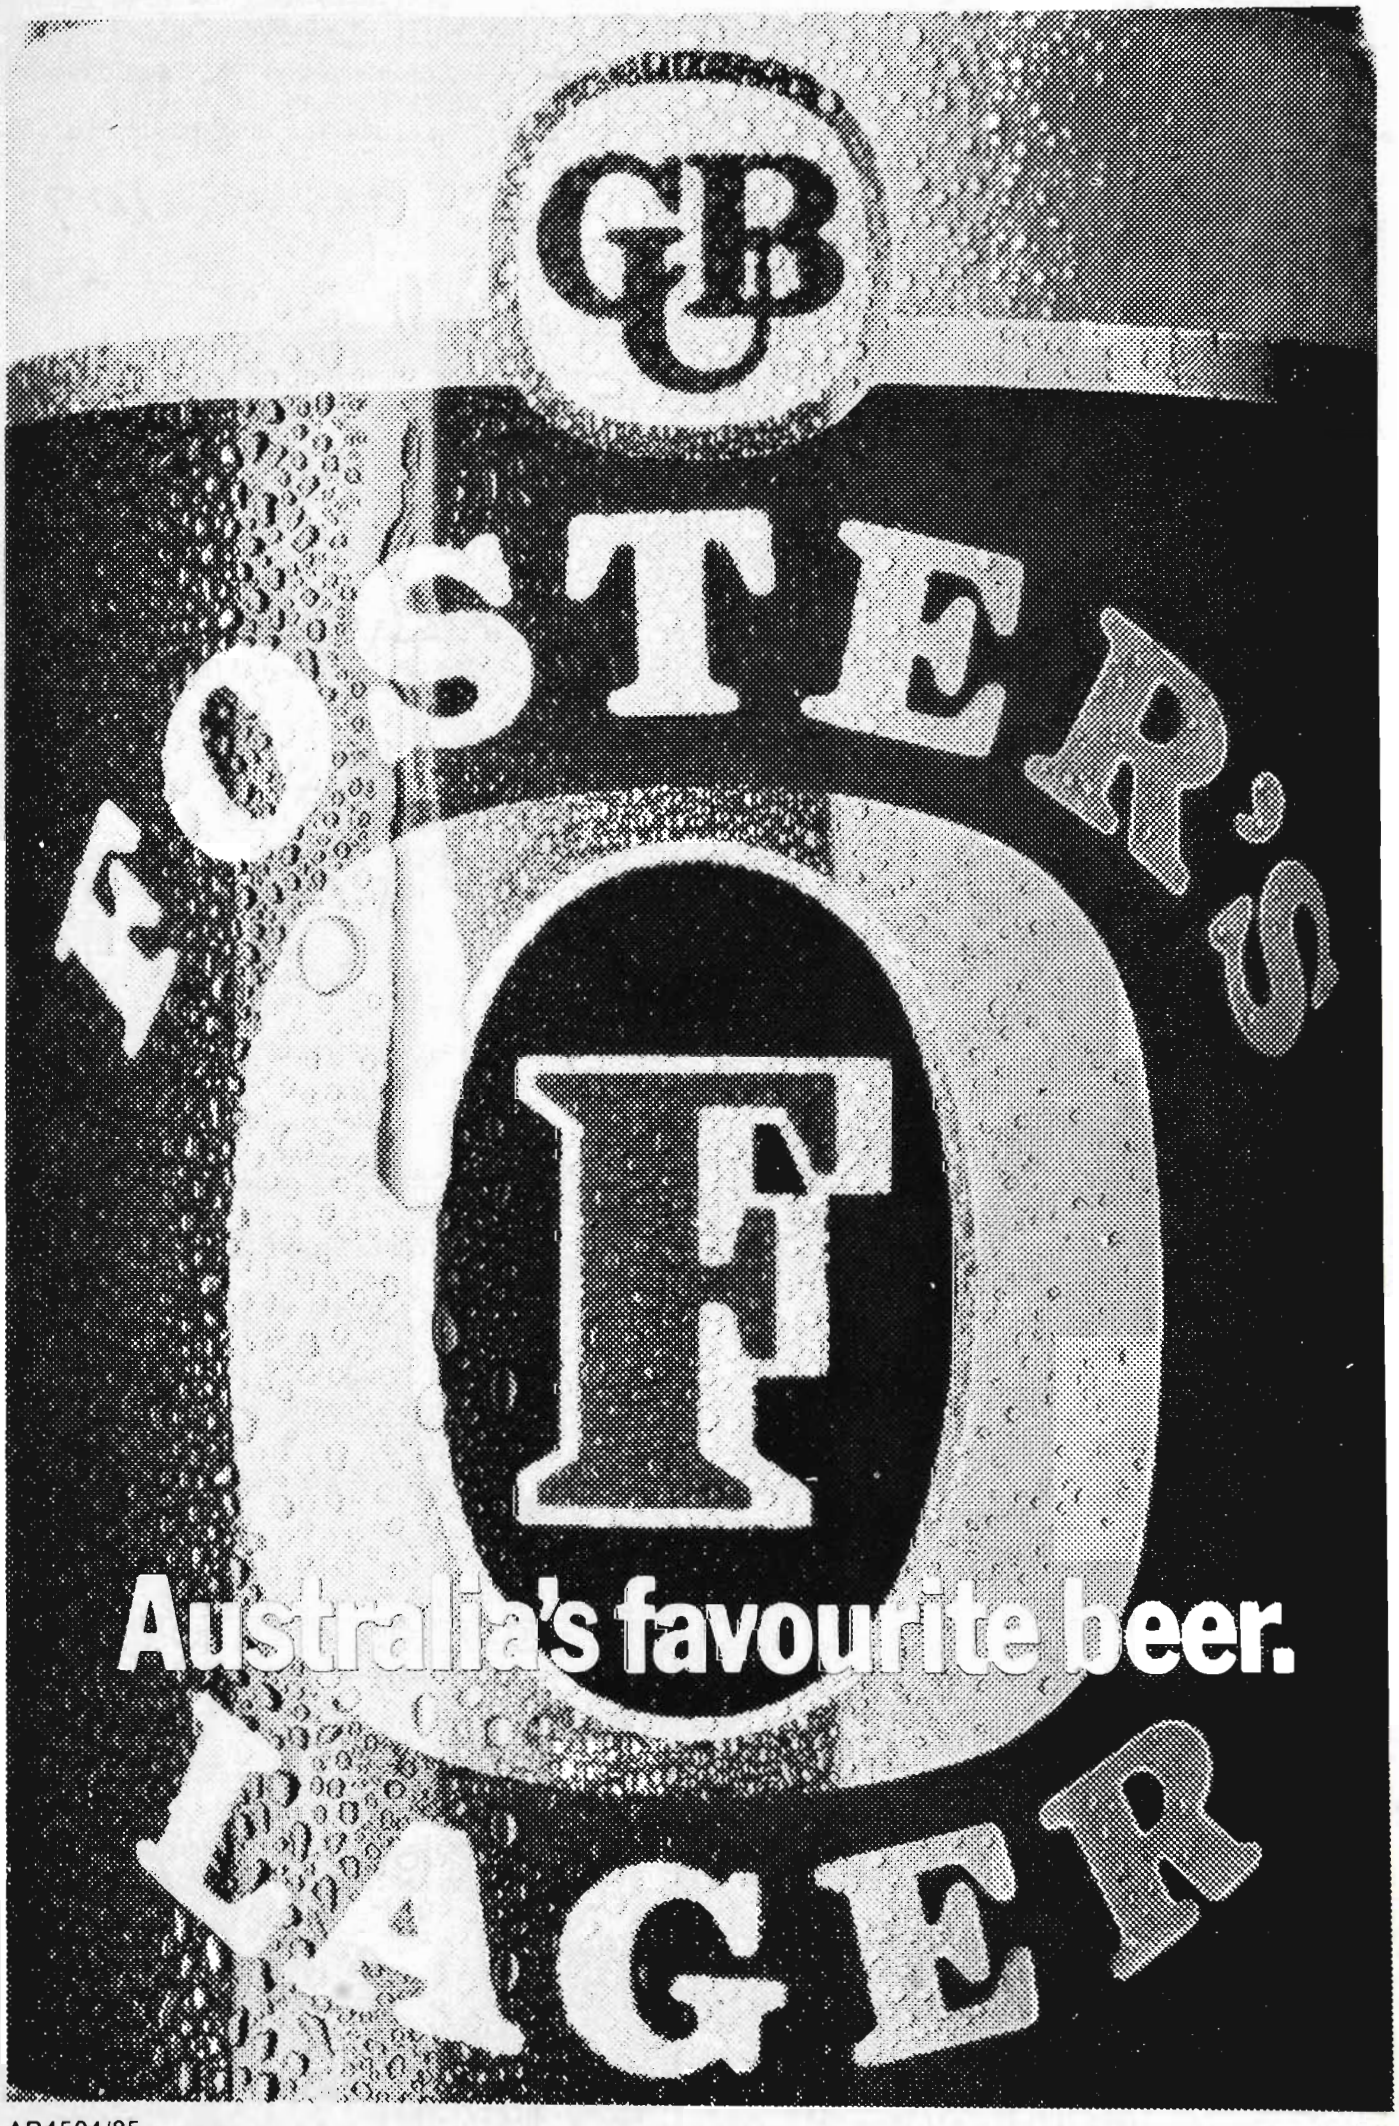

The Show must go on! So if you need cash fast, simply pop over to your FlexiTeller machine and get together with National Australia Bank. Your bank.

Financial Strategies for Women

AMP has successfully launched a major new marketing campaign to promote a greater awareness of AMP's products and services to Australian women.

The campaign recently made its debut with extensive national print and television advertising which featured a free offer of a new booklet, "AMP's Financial Strategies for Women".

The linchpin of the campaign has been the development of AMP's new Women's Advisory Service. Newly appointed Women's Advisers in each state are playing a crucial role in enabling AMP to effectively service women's financial needs, as well as complementing the work of agents in gaining new business for AMP.

The new Women's Adviser for Victoria is

Same day Bank Loans.

Your plans might be for that new car, having the garden landscaped, carpets for the family-room, home extensions, or just about anything.

With an ANZ Bank Loan you don't even have to bank with us to qualify. You'll be surprised how easy it is to get a decision.

In most cases we can give you an answer the same day. And it's usually "yes". Unlike some other banks, ANZ Managers have more ability to approve loans without going to "head office".

Your nearest ANZ Manager is keen to lend you money, and is waiting to help you plan your loan. Now is the best time to apply.

FOREWORD BY CHAIRMAN

Those who come to view this exhibition or to study the pages of this catalogue will never realise the amount of work that goes into an exercise of this nature. It is the culmination of a year's work undertaken by a great number of people coming from all walks of life.

These are the "Amateurs" and I make no apology for its use as it has been used in its true meaning i.e. "to Love". This word does not connote any reflection as to the quality of their work as can be seen by the standard of the exhibits.

It is the expression of that real, yet intangible, minute ingredient, that drives these workers, be it from the solitude of their darkrooms, or in the processing and preparing the material for this exhibition, or the panel of selectors and their retinue who spend so many hours viewing and selecting the incessant stream of prints and slides.

YOU, the VIEWER, please pause . . . and reflect. This is truly a labour of LOVE!

But all this would not have been possible were it not for the generosity of a number of benefactors who year after year, in a material way, support us with their donations and awards.

My heartfelt thanks are therefore due:

To THE ROYAL AGRICULTURAL SOCIETY of VICTORIA, through the Arts and Crafts Committee and their Co-ordinator Ms. Jan Gray, who have been so helpful in every aspect . . .

To KODAK (AUSTRALASIA) Pty. Ltd., who have this year and for a number of years undertaken to be the major sponsor . . .

To The AUSTRALIAN PHOTOGRAPHIC SOCIETY Inc. for the donation of the two Silver Plaques and for granting their approval . . .

To the COMMITTEE OF VAPS, for their help and encouragement during the whole year . . .

To all those who entered their prints and slides, for without these, no exhibition is possible . . .

To the many members of the Melbourne Camera Club and the many members of other clubs in Victoria (this is truly a family affair), who toiled in the processing, judging and attendance at the Royal Show . . .

To the JUDGES who exhibited such great skill and expertise in their selection . . .

To all those persons who worked incessantly behind the scenes, shunning the publicity but, without whose help the scenario of this exhibition would never have unfolded . . .

And on behalf of the members of my COMMITTEE, please accept my warmest thanks!
