DOES YOUR CURRENT BANK HAVE A HABIT OF MAKING YOU SWEAT?

Does your current bank treat you like it doesn't need your business?

Working at a pace that suits itself rather than your needs?

Does it keep you waiting, guessing, sweating on major decisions?

At State Bank, we can change the face of business banking by responding to your needs with two simple promises.

Our rates are extremely competitive. Our decision process is fast.

And there's a bonus. We offer service that a lot of large trading banks don't.

The kind of service that will immediately demonstrate just how important we think you and your business are.

Unlike the large national banks, that seem to virtually take your repeat business for granted.

If you want to remain competitive, it will pay you to call and discuss your next financial proposition with Peter Rodda on (03) 604 7390.

R.A.S.V. BEEF CATTLE JUDGING CHAMPIONSHIP

A Beef Cattle Judging Demonstration and Competition will

take place on the Jersey Ring, on Friday 26th September, 1986, commencing at 10.30 a.m.

The Demonstration and Competition will be conducted on a Beef breed. In future years different breeds will be used.

Competitors will be asked to place six bulls in the order they fancy.

The three prominent breed Judges appointed will agree on what might be termed the correct order of placing the cattle and will question the final six competitors over the P.A. system as to the reasons for their placements when determining the ultimate winner of the Competition.

Entrants should bear in mind that the Judges will award points to competitors for correctness of dress (within reason) and footwear; the manner in which Stewards (where present) are handled, and general decisiveness and ring craft.

A Spokesman for the Judges' Panel will give explanations to competitors as to why the cattle were placed in the order decided upon by the Judges and at the same time will demonstrate the

use of ring-craft as an aid to making correct decisions and as a methodical means of permitting spectators to understand the Judges' reasoning.

This will be a post entry competition and there is no entry fee.

Instant Banking at the Royal Melbourne Show.

The Show is one of those occasions when you may need cash fast, and be right out of luck.

Not any more.

National Australia Bank has installed a FlexiTeller Automatic Teller Machine at this year's Show, for your convenience. You'll find it on the corner of Plummer Avenue and Smith Street, open from 6am to midnight.

All you need to withdraw up to \$500 a day or \$1,000 a week, is a FlexiCard with a Personal Identification Number. You can also transfer from one account to another, lodge deposits and obtain account information. All this from your Cheque Account or Everyday Savings Account!

If you don't already have a FlexiCard, now's an ideal time to apply at your local branch.

The Show must go on! So if you need cash fast, simply pop over to your FlexiTeller

machine and get together with National Australia Bank. Your bank.

REFINED TOUGH

FOR LONGER DIESEL ENGINE LIFE

rimula x

the oil that protects.

Use only Rimula X Oil 15W/40 multigrade, the oil ingeniously refined "tough" to better protect high performance diesel engines against wear, and to extend their operating life. You get extra protection with Rimula X Oil because the remarkable base oil is further strengthened by formidable additives that extend its long life lubrication capability well beyond most diesel engine manufacturers specifications.

Change now to Rimula X Oil 15W/40 multigrade. Your engine will start more easily. The extreme temperatures and stresses created by hard working conditions will be contained, and the engine's moving parts will be kept exceptionally clean. With Rimula X Oil your engine will run more smoothly, and emissions will be minimised. All of which means reduced down time and a better return on your diesel engine investment.

Rimula X 15W/40 multigrade is a multi-purpose oil which is excellent for lubricating your petrol engine as well as a range of transmissions and hydraulic equipment.

Convert to Rimula X Oil now. It is compatible with almost any other oil which may be in your engine.

Re-think your way to Europe!

WITH A FREE OVERNIGHT STOP IN JAPAN!

Think of Japan as your new gateway to Europe. A fascinating gateway if you take advantage of one of JAL's unique new Tokyo stopover offers.

Or a most practical gateway if what you want is speed and comfort.

Japan Air Lines fly you Sydney-Tokyo in one easy hop. Then either on over the Pole or across to Moscow and straight on to any of ten major European cities.

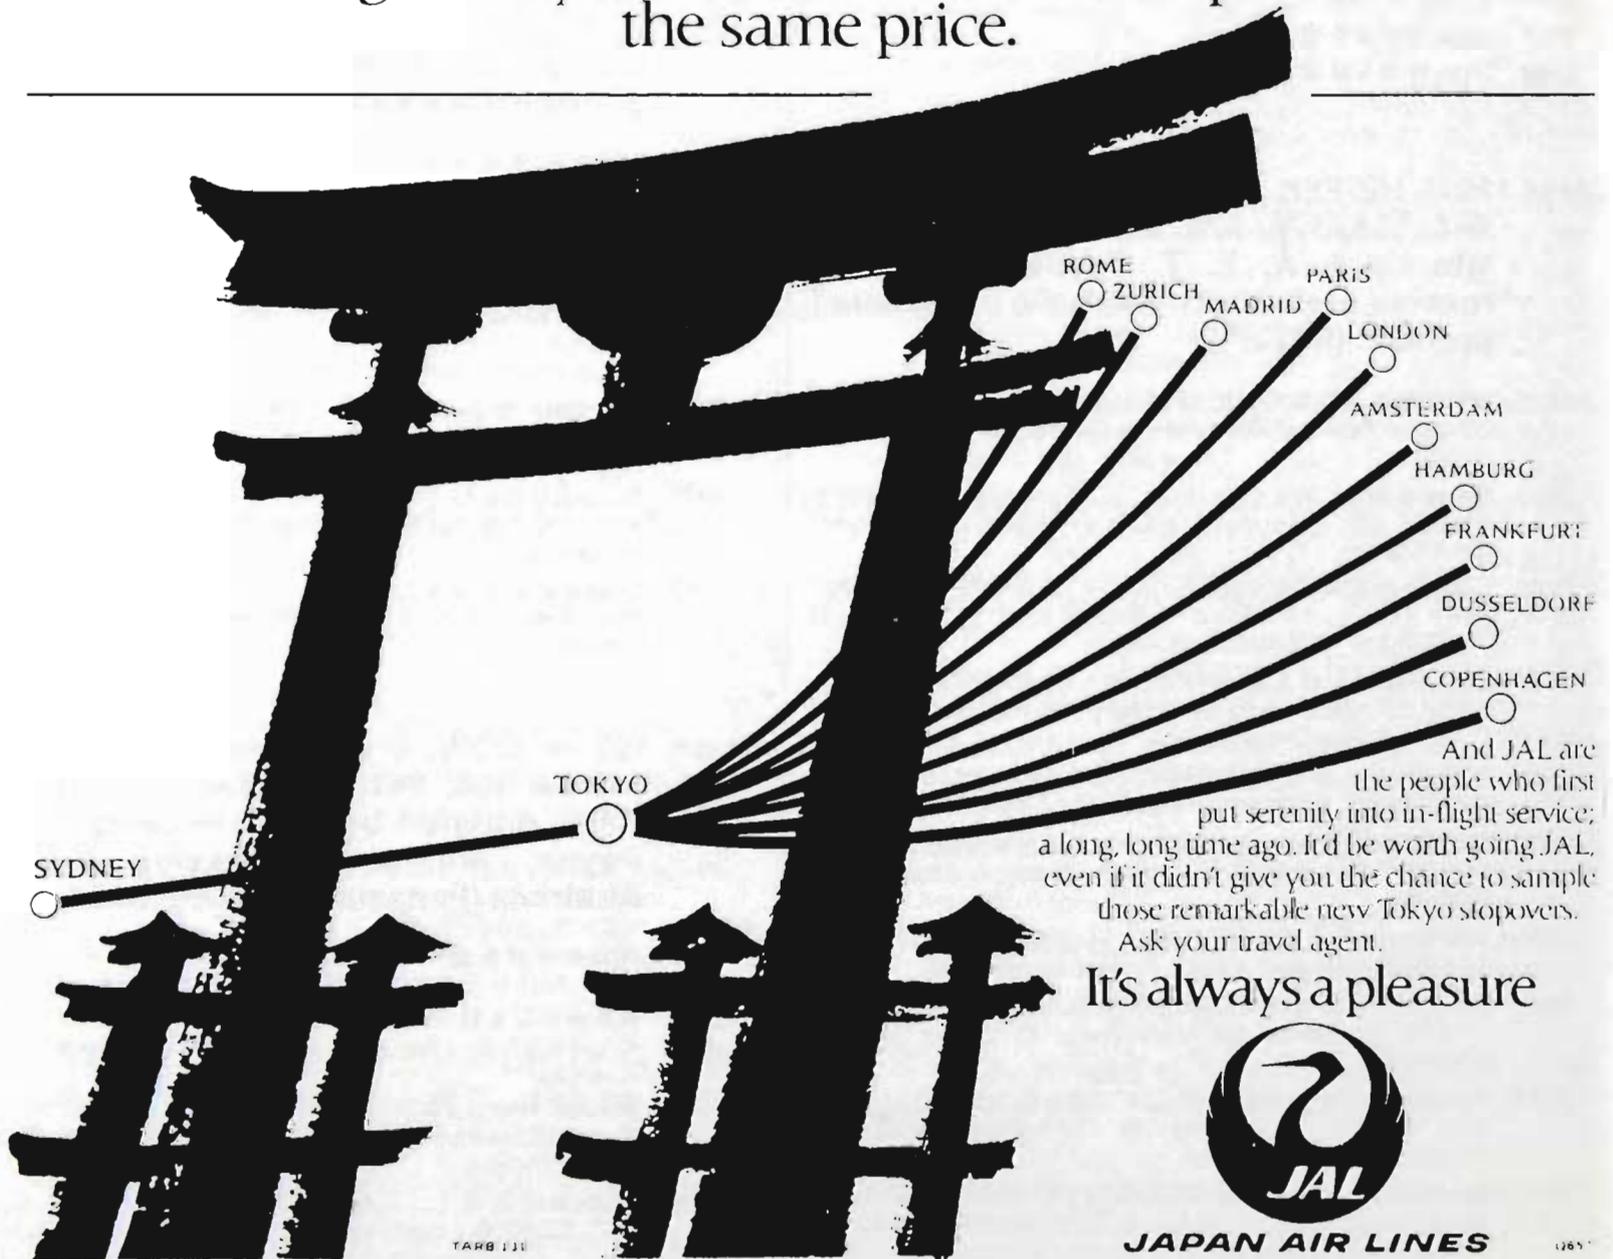

In fact no-one else gives you all these European destinations just two easy stops from Sydney.

Because the earth's not flat, it takes a real globe of

the world to show truly how direct and practical this fast and gently curving JAL route is. Or you could fly it and see. Depending which European destination you're heading for, it'll take about the same time as more ordinary routes. Or somewhat less, allowing for plane-changing you won't have to do at European airports.

Other things you may not know about JAL is that they are actually the world's largest I.A.T.A. airline. Flying the world's most advanced Jumbos. And touching down or taking off somewhere around the globe about every four minutes. Every day.

Look at the world JAL's way and you've discovered the gateway to a better route to Europe for the same price.

'Farmpol' means a good night's sleep for the man on the land.

Many farmers and graziers believe their problems are peculiar to their industry.

At Federation we think that there's a lot of truth in that belief.

In fact, we have spent so much time and effort over many years working with the man on the land, that we have designed a special 'umbrella' policy called Farmpol that covers most of a Farmer's needs.

But, if you believe you have special insurance problems that are causing you a few sleepless nights, discuss them with us, we're there to help and it's all part of the service.

It is precisely because Federation has the depth of experience in the Farming and Agricultural Industry, that we can package your insurance needs like nobody else and still keep your bank manager smiling.

'Farmpol' means a good night's sleep for the man on the land.

Many farmers and graziers believe their problems are peculiar to their industry.

At Federation we think that there's a lot of truth in that belief.

In fact, we have spent so much time and effort over many years working with the man on the land, that we have designed a special 'umbrella' policy called Farmpol that covers most of a Farmer's needs.

But, if you believe you have special insurance problems that are causing you a few sleepless nights, discuss them with us, we're there to help and it's all part of the service.

It is precisely because Federation has the depth of experience in the Farming and Agricultural Industry, that we can package your insurance needs like nobody else and still keep your bank manager smiling.

MAKE YOUR MONEY WORK AS HARD AS YOU DO

There's not much point in working hard, if your money doesn't work hard too.

So whether you are looking for capital growth or an increase in income, Westpac offers you many ways to invest your money.

For example, if you don't want your money "tied-up" for too long, you could invest in high interest Flexible Deposits and Bonus Deposits. Or you could put your money in Unsecured Notes, on terms of one month and thereafter "at call" with AGC.

In fact, through the Westpac Banking Group you can invest in just about anything, from Commonwealth Bonds, Treasury Bills and Blue Chip Industrials to speculative investments.

If you're not sure which type of investment you want, no problem. We've got the experience and the expertise to point you in the right direction.

We'll make your money work as hard as you do. Ask the Bank for the Land.

If exhibits are sent by rail, address to the Director (Wool Exhibition), Royal Agricultural Society of Victoria, Spencer Street Railway Station, Melbourne, Vic.

ALL EXHIBITORS ARE REQUESTED TO INCLUDE PRECISE INSTRUCTIONS, AS TO THE DESIRED METHOD OF DISPOSAL AT THE CONCLUSION OF THE SHOW. THE SOCIETY WILL RE-PACK AND RE-ADDRESS EXHIBITS TO ANY NOMINATED AUTHORISED WOOL BROKER IN MELBOURNE IF SO INSTRUCTED, OR RE-ADDRESS TO PLACE OF ORIGIN. No championship award need be made if, in the opinion of the Chief Judge, the standard does not warrant a championship being awarded.

Financial Strategies for Women

AMP has successfully launched a major new marketing campaign to promote a greater awareness of AMP's products and services to Australian women.

The campaign recently made its debut with extensive national print and television advertising which featured a free offer of a new booklet, "AMP's Financial Strategies for Women".

The linchpin of the campaign has been the development of AMP's new Women's Advisory Service. Newly appointed Women's Advisers in each state are playing a crucial role in enabling AMP to effectively service women's financial needs, as well as complementing the work of agents in gaining new business for AMP.

The new Women's Adviser for Victoria is

WHEN YOU NEED MONEY TO IMPROVE

There will always be times when you need money for things like new equipment or property improvements.

Or, occasionally, your expenses might simply outstrip your income. Whatever the reason, we can offer you a number of financial solutions.

For instance, we have a range of short, medium and long term loans with repayment plans that can be structured to suit your needs.

Or we can arrange an overdraft for you, which, once established enables you to draw the funds when you need them.

And if, for unforeseen reasons, your seasonal borrowings need to exceed your overdraft limit, we'll do our best to provide you with a special line of credit to bridge the gap, and at competitive market rates.

So when you need money to improve, or for whatever reason, ask Westpac. As the Bank for the Land, we'll do our best to help you.

- (iii) **The animal has become ineligible for the class entered.**
- (iv) **Some other cause which the Council or Director of the Society considers reasonable.**

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

All exhibits must be placed where directed by the Director or his deputy, and (except in accordance with Regulation 17) must not be removed from their allotted places during the Exhibition without the written consent of the Director being first obtained.

If, in the opinion of the Director, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

Unless authorised by the Society no live stock will be permitted to enter the grounds other than those entered for exhibition.

REFINED TOUGH

FOR LONGER DIESEL ENGINE LIFE

rimula x

the oil that protects.

Use only Rimula X Oil 15W/40 multigrade, the oil ingeniously refined "tough" to better protect high performance diesel engines against wear, and to extend their operating life. You get extra protection with Rimula X Oil because the remarkable base oil is further strengthened by formidable additives that extend its long life lubrication capability well beyond most diesel engine manufacturers specifications.

Change now to Rimula X Oil 15W/40 multigrade. Your engine will start more easily. The extreme temperatures and stresses created by hard working conditions will be contained, and the engine's moving parts will be kept exceptionally clean. With Rimula X Oil your engine will run more smoothly, and emissions will be minimised. All of which means reduced down time and a better return on your diesel engine investment.

Rimula X 15W/40 multigrade is a multi-purpose oil which is excellent for lubricating your petrol engine as well as a range of transmissions and hydraulic equipment.

Convert to Rimula X Oil now. It is compatible with almost any other oil which may be in your engine.

- (c) any loss, damage or injury occasioned to or by any exhibitor or any person acting on his behalf.

4. The exhibitor enters entirely at his own risk. - (II) The animal is unfit for exhibition due to injury or disease.
- (III) The animal has become ineligible for the class entered.
- (IV) Some other cause which the Council or Director of the Society considers reasonable.

26. The Judge may award a second or third prize instead of a first, or may withhold a prize altogether where he considers the exhibits are not of sufficient merit.

27. The Judge is requested to make a reserve number, by marking it as such, of the exhibit next in merit beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he is also requested to give commendations when deserved.

28. No exhibit or person in charge thereof shall be equipped with, wear or display anything which indicates the ownership of the exhibit.

29. All exhibitors and competitors shall accept the decision of the Judge as final as to the merits of the exhibit or competitor.

CONDITIONS OF ENTRY AND EXHIBITION

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until 9.00 p.m. on Saturday 27th September except Interstate exhibitors and Pigs purchased by non-exhibitors who will be permitted to remove stock after the conclusion of the Pig Sales on Friday, 26th September, after 4.30 p.m.

The General Regulations and regulations appearing at the heading of each Section and the conditions on the entry form also form part of the conditions of entry.

No exhibit may be entered in more than one ordinary class. Throughout the schedule special classes are denoted with a star (*).

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the Pig Sections must be in the hands of the Director, at the office of the Society, Show Grounds, Epsom Road, Ascot Vale, 3032, before 4.30 p.m. Wednesday, 6th August. Entry fee must accompany each entry.

The Australian Pig Breeders' Society has requested that each exhibitor be required to pay 25 cents per entry towards the cost of the Pig Society's Club Building. The Royal Agricultural Society of Victoria has agreed to this request and it is therefore a condition of entry that each exhibitor shall pay a fee of 25 cents per entry. This amount to be sent to the Royal Agricultural Society of Victoria with the entry.

Every animal entered must be exhibited unless a certificate signed by the owner is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:-

(I) **The animal has died.**

(II) **The animal is unfit for exhibition due to injury or disease.**

(III) **The animal has become ineligible for the class entered.**

(IV) **Some other cause which the Council or Director of the Society considers reasonable.**

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

Sows in the 12 months and not over 19 months old classes, must have either produced a recorded litter within 6 months prior to 15th September, 1986 or if under the age of 15 months must be visibly in pig.

Sows 9 months old and not over 12 months must, in the Judges opinion, be visibly in pig or have produced a recorded litter within 6 months to 15th September, 1986.

All boars over 12 months old must have had their tusks cut back to gum level two weeks prior to the Show, and the Superintendent is empowered to remove from the Show Grounds any boar whose tusks have not been cut.

Any boar, entered in the breeding classes, not deemed to be completely entire by the Society's Veterinary Surgeons may not compete or be offered for sale on the Show Grounds.

No exhibitor shall transfer any pig from the space allocated to such exhibitor without the approval of the Superintendent.

All pigs entered in the stud classes will be paint branded with exhibit numbers.

Exhibitors in the Stud Sections must be financial members of the Australian Pig Breeders' Society. Accreditation for freedom from Swine Brucellosis is no longer a condition of entry.

Interstate exhibitors must conform with the Stock Diseases Regulations 1970 which require stud pigs and pigs for breeding to be accompanied by a Third Schedule to these regulations, i.e. Health Certificate.

The decision of the inspector(s) shall be final subject only to appeal to the Chief Steward in the Pig Section and his opinion shall be final.

The inspector(s) or Chief Steward shall not be required to furnish to the exhibitor any reasons for their decision.

Financial Strategies for Women

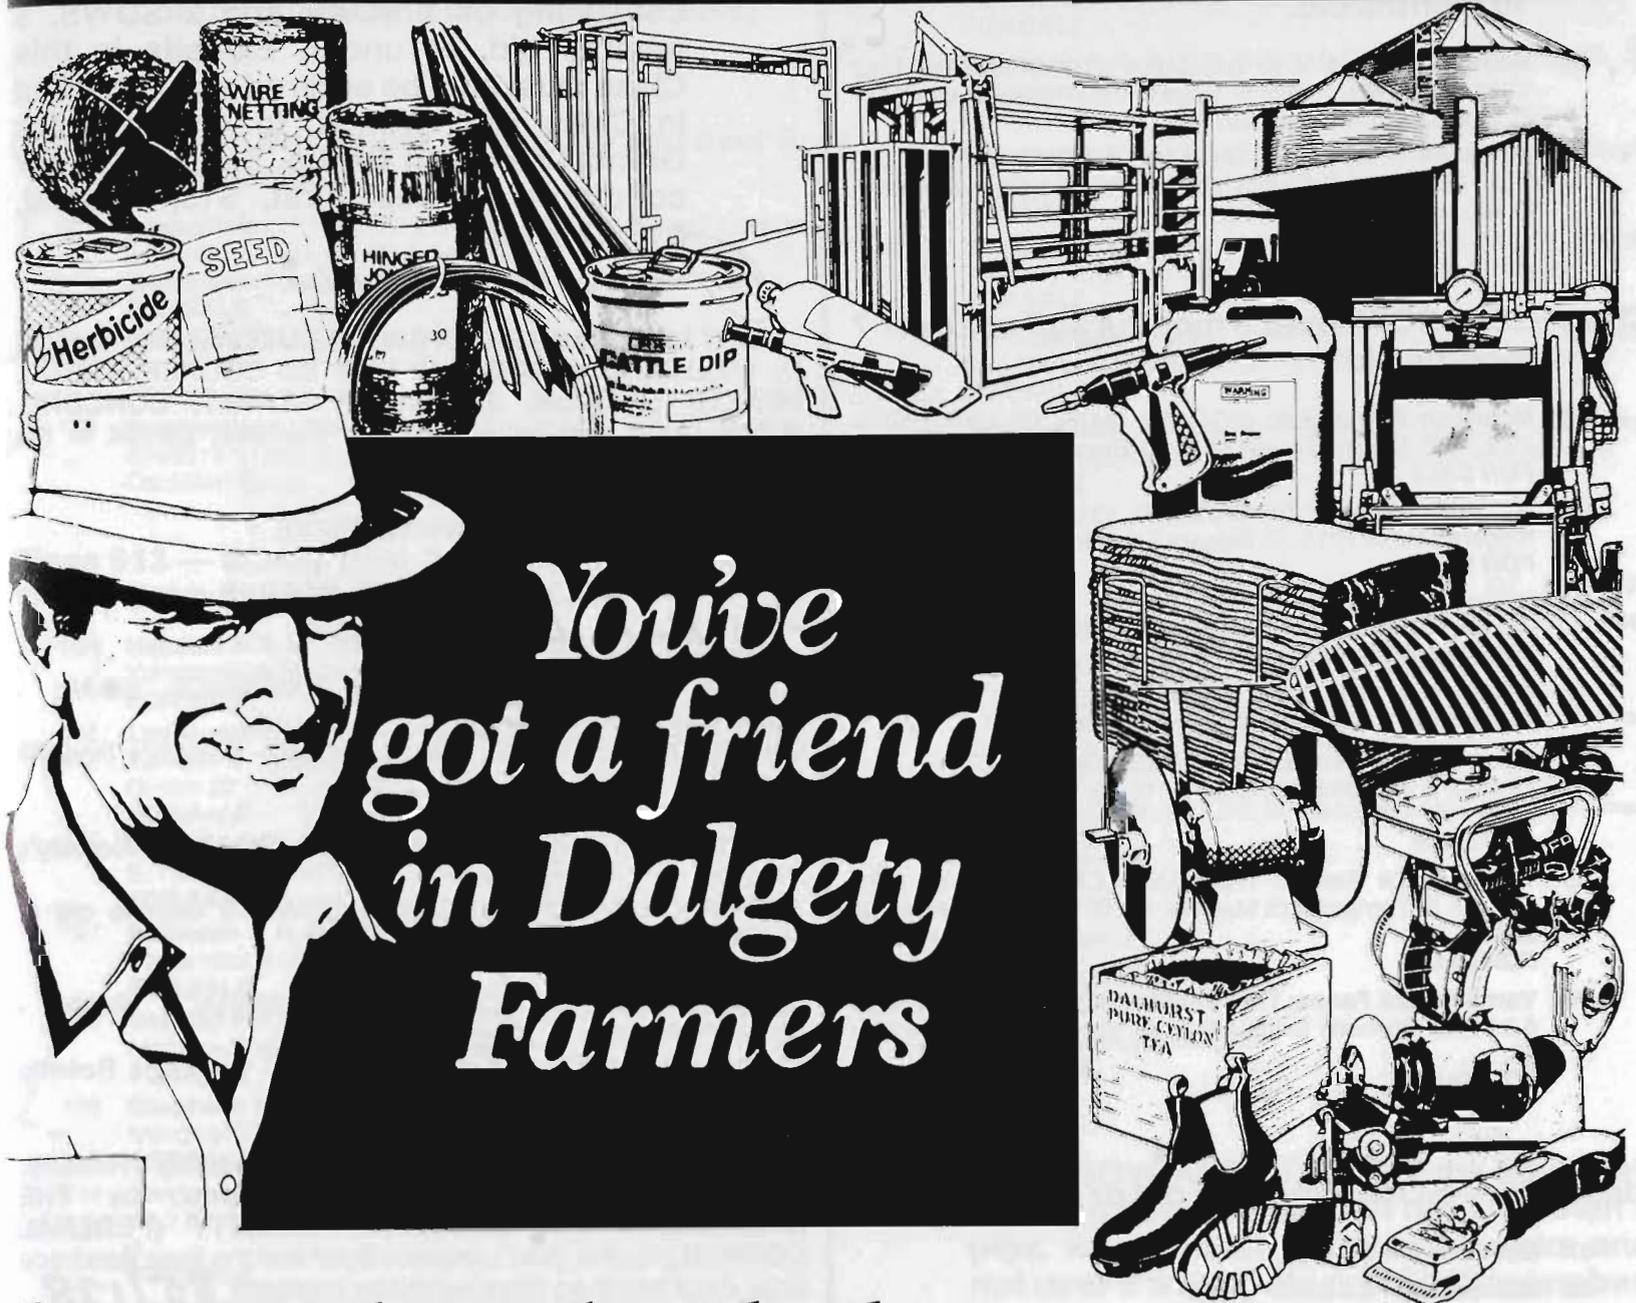

AMP has successfully launched a major new marketing campaign to promote a greater awareness of AMP's products and services to Australian women.

The campaign recently made its debut with extensive national print and television advertising which featured a free offer of a new booklet, "AMP's Financial Strategies for Women".

The linchpin of the campaign has been the development of AMP's new Women's Advisory Service. Newly appointed Women's Advisers in each state are playing a crucial role in enabling AMP to effectively service women's financial needs, as well as complementing the work of agents in gaining new business for AMP.

The new Women's Adviser for Victoria is
Glenys O'Brien
who can be contacted on
(03) 617 6510
or through any AMP office.

SPECIAL PERFORMANCE CLASS Performance Tested Boars

Entry Fee: Free

This class will feature Boars which have successfully completed the 14th Test at the Victorian Australian Pig Breeders Society Boar Testing Station at Toolleen.

The judges will visually assess the exhibits, irrespective of breeding, for those characteristics which they believe to be the most valuable needed in breeding stock for present day commercial conditions.

Visual judging will take place on Sunday, 21st September and each Breed winner will be eligible to compete for the Junior Championship of its respective Breed.

The **"B. & D. HAMBLIN"** Trophy donated by Mr. & Mrs. B. Hamblin will be awarded to the winner of the visual judging. *181*
THE AUSTRALIAN PIG BREEDERS SOCIETY (Victorian Branch) will donate a trophy to the exhibit which scores the highest index in the Test. *181*

(This index will be calculated using a formula combining growth rate over the test period, with the measurement of fat at the P2 position, using an ultrasonic measuring device. For Boars to pass the test, they must achieve an above average score in growth rate and back fat measurement).

'Farmpol' means a good night's sleep for the man on the land.

Many farmers and graziers believe their problems are peculiar to their industry.

At Federation we think that there's a lot of truth in that belief.

In fact, we have spent so much time and effort over many years working with the man on the land, that we have designed a special 'umbrella' policy called Farmpol that covers most of a Farmer's needs.

But, if you believe you have special insurance problems that are causing you a few sleepless nights, discuss them with us, we're there to help and it's all part of the service.

It is precisely because Federation has the depth of experience in the Farming and Agricultural Industry, that we can package your insurance needs like nobody else and still keep your bank manager smiling.

'Farmpol' means a good night's sleep for the man on the land.

Many farmers and graziers believe their problems are peculiar to their industry.

At Federation we think that there's a lot of truth in that belief.

In fact, we have spent so much time and effort over many years working with the man on the land, that we have designed a special 'umbrella' policy called Farmpol that covers most of a Farmer's needs.

But, if you believe you have special insurance problems that are causing you a few sleepless nights, discuss them with us, we're there to help and it's all part of the service.

It is precisely because Federation has the depth of experience in the Farming and Agricultural Industry, that we can package your insurance needs like nobody else and still keep your bank manager smiling.

Instant Banking at the Royal Melbourne Show.

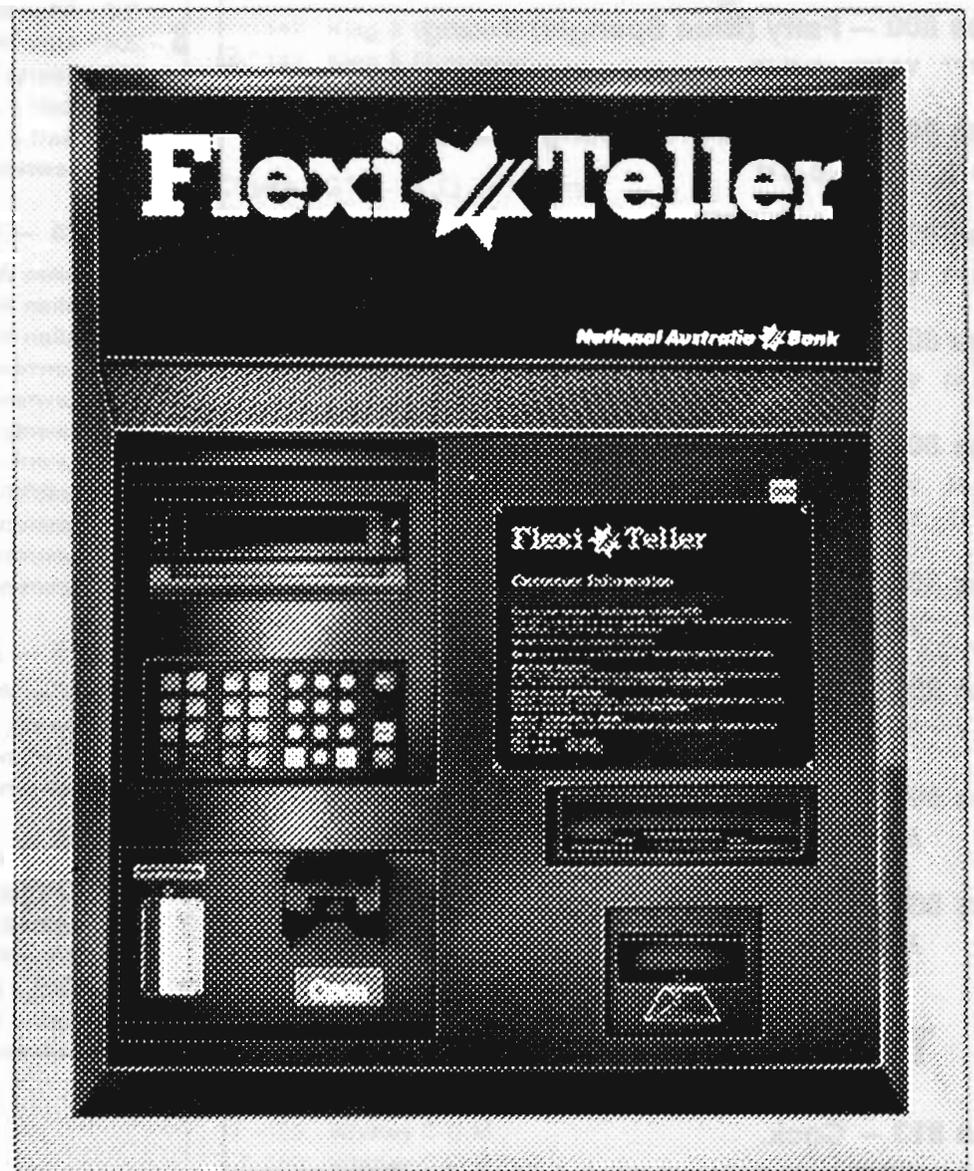

The Show is one of those occasions when you may need cash fast, and be right out of luck.

Not any more.

National Australia Bank has installed a FlexiTeller Automatic Teller Machine at this year's Show, for your convenience. You'll find it on the corner of Plummer Avenue and Smith Street, open from 6am to midnight.

All you need to withdraw up to \$500 a day or \$1,000 a week, is a FlexiCard with a Personal Identification Number. You can also transfer from one account to another, lodge deposits and obtain account information. All this from your Cheque Account or Everyday Savings Account!

If you don't already have a FlexiCard, now's an ideal time to apply at your local branch.

The Show must go on! So if you need cash fast, simply pop over to your FlexiTeller

machine and get together with National Australia Bank. Your bank.

Financial Strategies for Women

AMP has successfully launched a major new marketing campaign to promote a greater awareness of AMP's products and services to Australian women.

The campaign recently made its debut with extensive national print and television advertising which featured a free offer of a new booklet, "AMP's Financial Strategies for Women".

The linchpin of the campaign has been the development of AMP's new Women's Advisory Service. Newly appointed Women's Advisers in each state are playing a crucial role in enabling AMP to effectively service women's financial needs, as well as complementing the work of agents in gaining new business for AMP.

The new Women's Adviser for Victoria is
Glenys O'Brien
who can be contacted on
(03) 617 6510
or through any AMP office.

DOES YOUR CURRENT BANK HAVE A HABIT OF MAKING YOU SWEAT?

Does your current bank treat you like it doesn't need your business?

Working at a pace that suits itself rather than your needs?

Does it keep you waiting, guessing, sweating on major decisions?

At State Bank, we can change the face of business banking by responding to your needs with two simple promises.

Our rates are extremely competitive. Our decision process is fast.

And there's a bonus. We offer service that a lot of large trading banks don't.

The kind of service that will immediately demonstrate just how important we think you and your business are.

Unlike the large national banks, that seem to virtually take your repeat business for granted.

If you want to remain competitive, it will pay you to call and discuss your next financial proposition with Peter Rodda on (03) 604 7390.

BRIEF REPORT ON WINE JUDGING

by W. B. Chambers

Exhibits in all Australian Wine Shows are judged on a comparative basis, i.e. all the entries in the class are judged at the same time. The other method used in Varietal classes in Adelaide is the International system where the wines are judged and pointed individually.

Exhibits are judged on a point score with a maximum of 20 points. On the judging sheets this is divided into:

1. 3 points for colour and condition; usually wines with poor colour are rejected for defects on both nose and palate.
2. 7 points for nose.
3. 10 points for palate; a wine with an excellent nose may fall down on the palate due to excessive acidity or tannin defects. Conversely, some wines with only a fair nose may have excellent balance on the palate.

Medal are awarded for the following points:

- | | |
|-------------|----------------|
| 18.5 — 20 | — Gold Medal |
| 17.0 — 18.4 | — Silver Medal |
| 15.5 — 16.9 | — Bronze Medal |

All exhibits are judged on the blind. Judges do not handle the bottles.

In Melbourne the judges are arranged into three groups, each of three judges with a Chairman of Judges who arranges the groups of judges, divides the classes to be judged between the three groups, gives guidance and occasionally resolves disagreements.

Each class is set up and poured by associate judges, who also have a set of glasses and assess the classes with the judges.

The judges assess the wines, point them and then collaborate on the medals awarded.

Judges are generally selected from those who work in or are connected with the Wine Industry. Potential judges are recommended to the Royal Agricultural Society and are given experience as associate judges. New Judges are selected from the best performers.

The following definitions of the various wine types are taken from the specifications of the Adelaide Wine Show. I have altered them to fit in with the Royal Agricultural Society of Victoria schedule.

Varietal wines should comprise at least 80% of the specified variety.

DRY WHITE TABLE WINE

Should be in brilliant condition, pale to medium straw in colour, preferably with a slight green tinge. Light to full bodied, medium to high acidity with a fresh bouquet, clean after taste no lingering sweetness. In the wooded classes the oak should be in harmony with the vinosity of the wine. Alcoholic strength should be between 8% and 14% alcohol.

MEDIUM DRY WHITE WINE

Specification similar to Dry White Table Wine but with some sweetness not exceeding 1 degree baume.

SWEET WHITE TABLE WINE

Should be in brilliant condition, straw to light golden colour, medium to full bodied with a bouquet which is aromatic or complete and distinctly sweet in flavour. Its alcoholic strength should not exceed 14% by volume and it should not show excessive sulphur dioxide. Baume should exceed 1 degree.

ROSE

A still, light and tart table wine with a slight tannin finish and a fresh fruity flavour but without muscat character. Colour pink, but many have a trace of apricot or amber tint. Alcoholic strength should be between 8% and 14% alcohol by volume.

LIGHT BODIED DRY RED

Colour, light to medium red. A blue or purple tint may be present. Aroma and bouquet — varietal aroma may occur in varying degrees. It should be fresh and fruity and in harmony with the body and flavour of the wine. Palate — soft and light without being thin and rounded in the mid palate. Body should be in balance with the body of the wine. Finish clear and crisp with soft astringency. The alcoholic strength should be between 8% and 12% by volume.

DRY RED

Colour medium to deep red. According to age a blue or purple tint may be present in a young wine or a light brown edge may be present in an aged wine. Aroma and bouquet — varietal aroma may occur in varying degrees. It should be fruity and in harmony with the body and flavour of the wine. The bouquet may show evidence of maturation in oak vessels and in older wines bottle age. Palate soft rounded and generous in the mid palate. Body medium is full in balance with the acidity. Finish clean with tannin preferably combined with the flavour of oak tannin from maturation in wood but this should not predominate. The alcoholic strength should be between 8% and 14.5% by volume.

SWEET WHITE DESSERT

Golden to dark brown in colour depending on age. Must not show muscat character but have fruity and aromatic bouquet. It must be full bodied, soft and luscious. Strength not to exceed 20.5% alcohol by volume.

MUSCAT

Colour golden to red. Distinct bouquet and palate. Full bodied and soft and luscious. Strength not to exceed 20.5% alcohol by volume.

RUBY PORT

Colour medium to dark red. Bouquet and palate full and fruity. Excessive astringency is not acceptable. Strength not to exceed 20.5% alcohol by volume.

TAWNY PORT

Colour pale red with distinct amber tinge to deep amber with redish tinge. Bouquet fruity and aromatic, palate full and soft with distinct dryness on the finish. Some flavour of oak tannin from the maturing wood is desirable. A lingering sweetness on the after palate is undesirable. Strength not to exceed 20.5% alcohol by volume.

VINTAGE PORT

Colour deep ruby to light ruby, possibly with slight amber tint, depending on age. Bouquet fruity and characteristic of bottled aged vintage port. Should not show wood character. Flavour full and soft with firm astringent finish and no lingering sweetness. Strength not to exceed 20.5% alcohol by volume.

SHERRY, Pale, Dry, Fino

Colour straw to pale golden. Bouquet characteristic of flor sherry. Flavour light and dry without excessive acidity or astringency, but some oak character. Finish dry, aromatic with distinct 'nutty' aftertaste of flor sherry. Strength not to exceed 20.5% alcohol by volume.

SHERRY, Amontillado

Colour golden to light amber. Bouquet showing more age than Fino sherry. Palate fuller and softer than Fino with some oak astringency showing through. Finish dry and aromatic with characteristic 'nutty' aftertaste of sherry. Strength not to exceed 20.5% alcohol by volume.

SHERRY, Oloroso

Colour amber to brown. Bouquet fruity and aromatic and showing both oak and sherry character. Palate soft and round but with a dry finish. Strength not to exceed 20.5% alcohol by volume.

CHAMPAGNE

Colour should be pale to light straw. Should have good acidity and not be too light in body. Bouquet should be fresh without particular varietal character and should

indicate some years in the bottle. The wine should be fairly dry but show no astringent finish. Bubbles should be fine and persistent.

SPARKLING RED WINE

Colour should be light to medium ruby. Older wines may show a trace of amber but not more than a trace. Bouquet fruity but should show bottle age. Fairly pronounced acidity. Full flavour and body, some sweetness but with dry finish. May show slight oak character. Bubbles should be fine and persistent.

VERMOUTH

Vermouths should distinctly aromatic clearly showing their herbal character. Little or no grape character should be evident and the complex character and aroma arising from the mixture of herbs used in their infusion should be harmonious.

DRY FRENCH STYLE VERMOUTH

Should be vary pale to light straw colour, delicate in character, dry and yet soft on the palate. It should not show any bitterness or be aggressively dominated by any particular herb.

SWEET ITALIAN STYLE VERMOUTH

May be pale to red in colour, delicate to bold in its character, sweet but not excessively so on the palate. It should not show any bitterness or be aggressively dominated by any particular herb.

TWO YEAR OLD BRANDY

Entries in this class should be representative of popular commercial brandies, but should avoid fruitiness. The brandy should be well balanced distillate of wine made from neutral grape varieties. It should avoid excessive heads or tails and should not show varietal character (e.g. Muscat). It should be smooth but without evident sweetness. A clear balance bouquet is essential. Colour light amber.

OLD BRANDY

Colour may be somewhat darker than in the young brandy class. Well matured oak should be distinguishable on both bouquet and flavour. Bouquet should be clean and somewhat ethereal but well balanced showing no particular constituent to excess. Flavour should be full smooth and aromatic. Finish aromatic without trace of fusel oil. No varietal character or fruitiness should be evident. Some slight sweetness is acceptable.
