# RURAL CAPITAL

## Responsible lending to rural enterprises.

The management decisions on finance are critical to the success of rural enterprises. Cashflow, when to borrow, when to modernise, expand, to set aside funds for contingencies, all play a role in operating a successful and secure enterprise.

The Rural Finance Commission has a genuine commitment to the ongoing success and development of Victorian rural businesses and farming. To this end it offers a range of financial services to rural Victorians.

### Expansion and Improvements

Loans are available for the purchase of land, stock, improving water supply and irrigation, pasture improvements, upgrading with new equipment, plant and the building of additional shedding and new dwellings.

### Re-finance or Re-structure Mortgage Loans

The Commission will review existing commitments and future plans and detail obligation-free advice and options on re-structuring of debts or re-financing of an existing mortgage.

### Young Farmers

Loans are available for suitably experienced young farmers to enter farming in conjunction with their current job in a rural enterprise.

Other loan options include assistance to purchase land, deposit gap loans and loans on stock and equipment.

### Obligation-Free Financial Advice

The Commission does not charge for its experienced and sound financial advice.

Its services are for the benefit of rural Victorians.

A responsible lender ... for the good of the Country.

# Fly JAL's better way to Europe.

Today, the JAL label on the executive luggage is fast becoming the symbol of the knowledgeable traveller.

Via the unique gateway through Tokyo, JAL daylight flights from Sydney fan out to ten major European destinations.

This way you can fly Tokyo-London non-stop. Similarly, for Tokyo-Paris. Other European capitals are only a one-stop flight away.

No other airline offers such a unique service.

A quick look at a globe of the world (instead of an ordinary flat map) will show

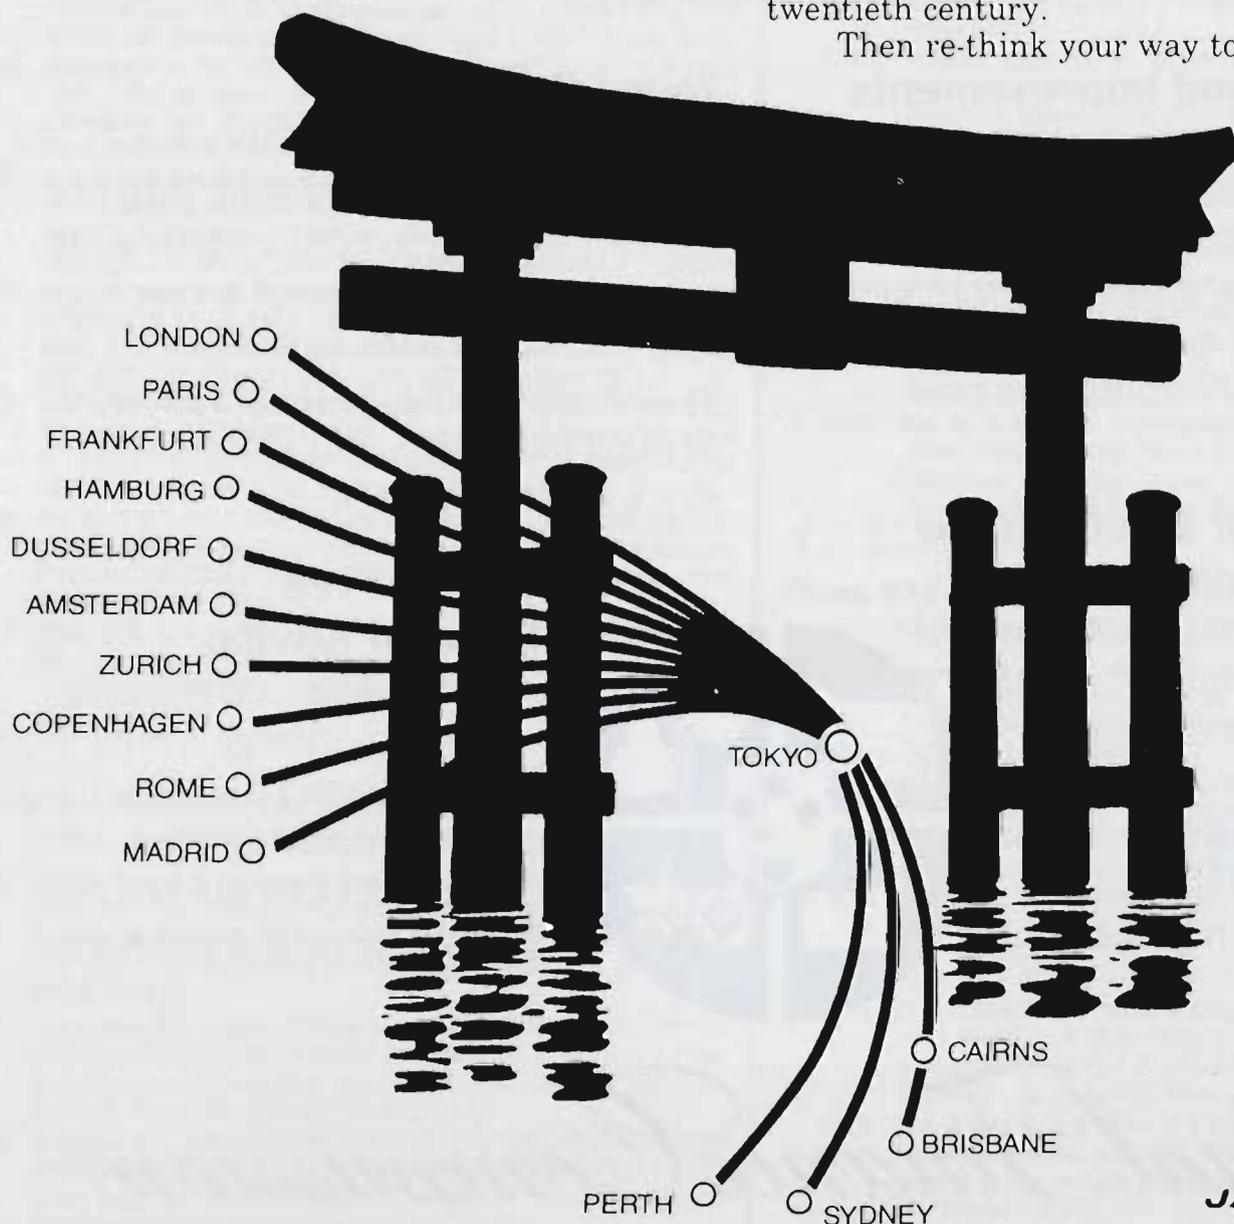

you why these JAL routes are so surprisingly direct. And fast.

A quick look at our Japanese and Western menus will show why dining-out on JAL is more like choosing a restaurant than just ordering a meal.

A quick call to your travel agent will show you a flight schedule that makes it logical to re-think your way to Europe: JAL's way (which can also mean a free overnight stopover in Tokyo, if you wish).

Add to all this, the sheer pleasure of flying the only airline that's truly brought an ancient tradition of service into the twentieth century.

Then re-think your way to Europe.

## R.A.S.V. BEEF CATTLE JUDGING CHAMPIONSHIP

### A Beef Cattle Judging Demonstration and Competition will

take place on the Bonlac Ring, on Friday 25th September, 1987, commencing at 10.30 a.m.

The Demonstration and Competition will be conducted on a Beef breed. In future years different breeds will be used.

Competitors will be asked to place six bulls in the order they fancy.

The three prominent breed Judges appointed will agree on what might be termed the correct order of placing the cattle and will question the final six competitors over the P.A. system as to the reasons for their placements when determining the ultimate winner of the Competition.

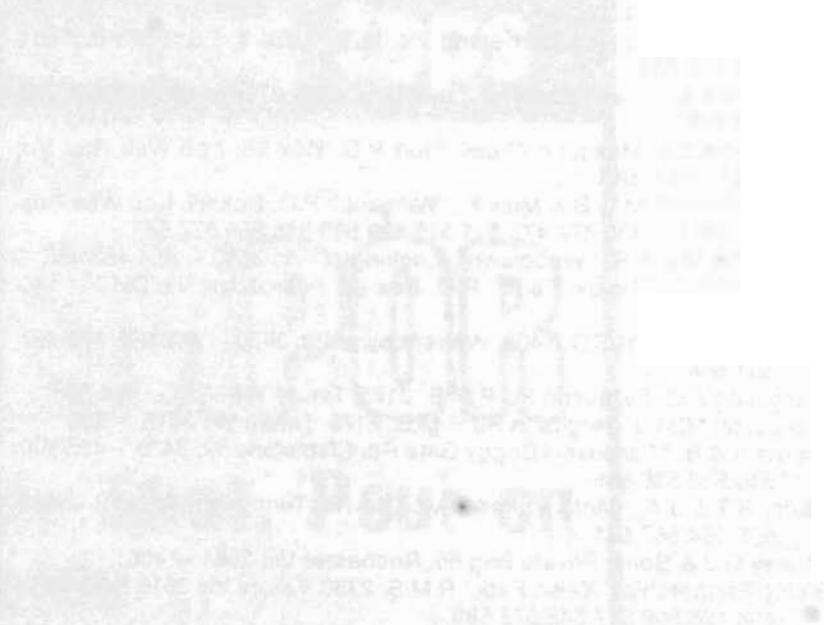

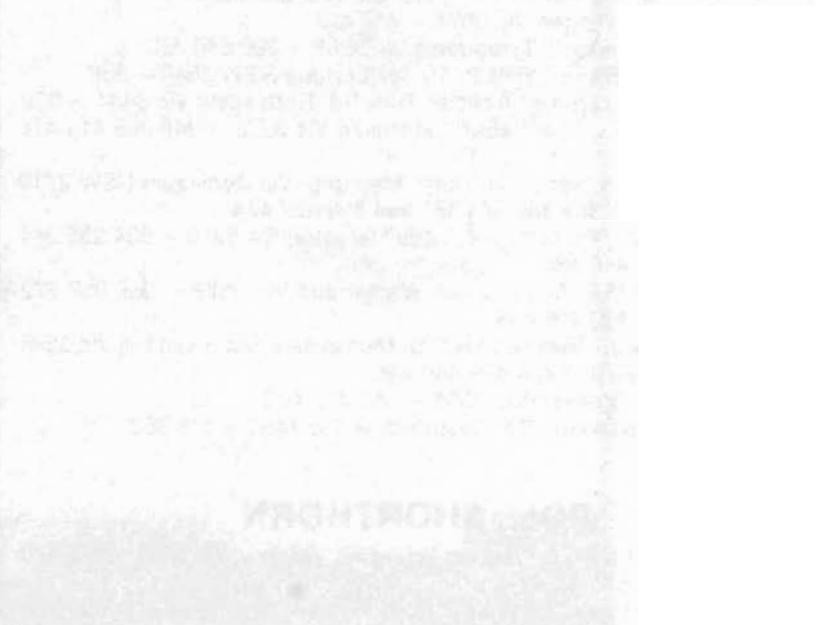

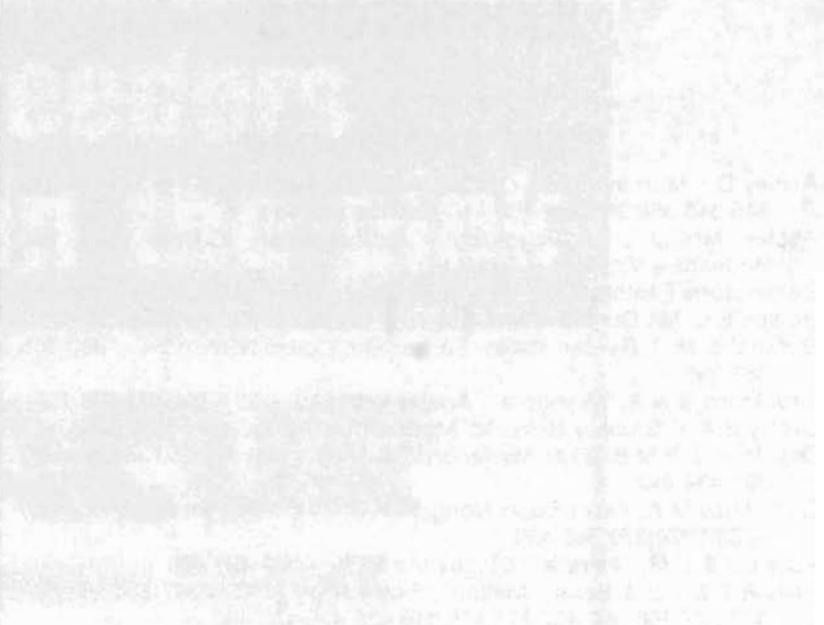

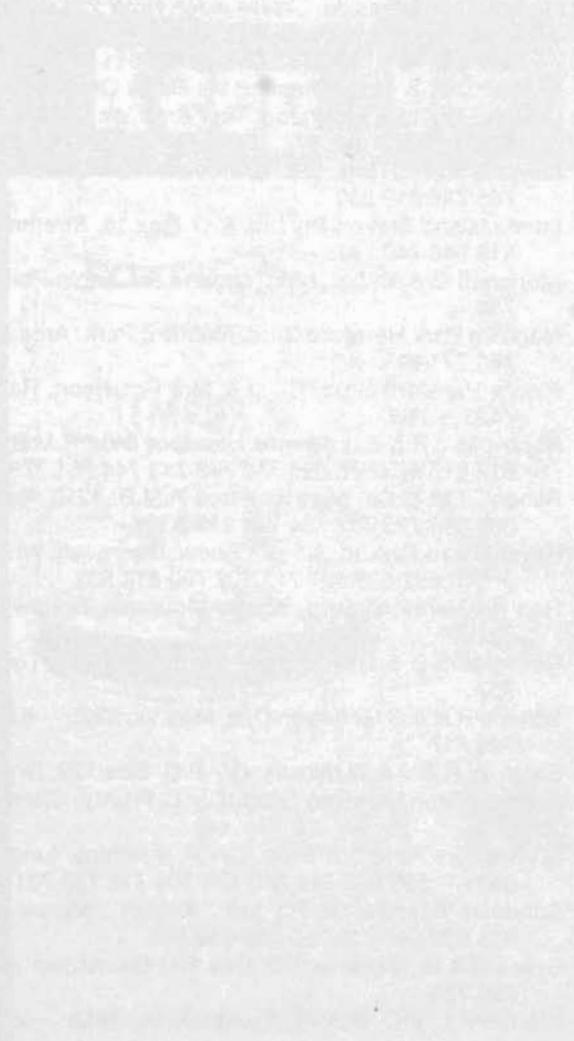

Entrants should bear in mind that the Judges will award points to competitors for correctness of dress (within reason) and footwear; the manner in which Stewards (where present) are handled, and general decisiveness and ring craft.

A Spokesman for the Judges' Panel will give explanations to competitors as to why the cattle were placed in the order decided upon by the Judges and at the same time will demonstrate the use of ring-craft as an aid to making correct decisions and as a methodical means of permitting spectators to understand the Judges' reasoning. This will be a post entry competition and there is no entry fee.

R.A.S.V. BEEF CATTLE JUDGING CHAMPIONSHIP

V.A.S.A. CATTLE JUDGING COMPETITION

The 1987 Judging Competitions will be conducted in April to allow the winner to compete in the National finals at the Perth Royal.

# IT COULD BE THE BEST KEPT SECRET IN BUSINESS. STATE BANK BUSINESS FINANCE.

You've probably never considered State Bank as a source of business finance.

And frankly, we're not surprised.

Like most business people, you probably still think of us as essentially a personal savings and loan bank.

But all that has changed.

Over the past five years, we've become aggressive in the business finance market.

And we're very, very competitive.

We'll consider any sound business proposition, and we'll act on it fast.

Suddenly, we're the bank business is talking about.

But if you're still not convinced, talk to us.

Give us the opportunity to demonstrate just how competitive we are.

We want your business.

# REFINED TOUGH

## FOR LONGER DIESEL ENGINE LIFE

### rimula x

## the oil that protects.

Use only Rimula X Oil 15W/40 multigrade, the oil ingeniously refined "tough" to better protect high performance diesel engines against wear, and to extend their operating life. You get extra protection with Rimula X Oil because the remarkable base oil is further strengthened by formidable additives that extend its long life lubrication capability well beyond most diesel engine manufacturers specifications.

Change now to Rimula X Oil 15W/40 multigrade. Your engine will start more easily. The extreme temperatures and stresses created by hard working conditions will be contained, and the engine's moving parts will be kept exceptionally clean. With Rimula X Oil your engine will run more smoothly, and emissions will be minimised. All of which means reduced down time and a better return on your diesel engine investment.

Rimula X 15W/40 multigrade is a multi-purpose oil which is excellent for lubricating your petrol engine as well as a range of transmissions and hydraulic equipment.

Convert to Rimula X Oil now. It is compatible with almost any other oil which may be in your engine.

# THIS IS A STICK-UP.

*Actually, it's more in the way of a polite request.*

*The gentleman in the picture is working with Australian steel and we'd like you to give him the support he deserves.*

*Quite apart from the contribution he makes to local industry, he's actively strengthening Australia by using Australian steel.*

*Which means he's keeping our money in our country by buying from our people.*

*And, just to let you know exactly who he is, we've created this sticker. Look for it next time you buy any product made of steel — and you'll know you're not only helping out a mate . . . you're also picking up the strength of Australia.*

# 'Farmpol' means a good night's sleep for the man on the land.

Many farmers and graziers believe their problems are peculiar to their industry.

At Federation we think that there's a lot of truth in that belief.

In fact, we have spent so much time and effort over many years working with the man on the land, that we have designed a special 'umbrella' policy called Farmpol that covers most of a Farmer's needs.

But, if you believe you have special insurance problems that are causing you a few sleepless nights, discuss them with us, we're there to help and it's all part of the service.

It is precisely because Federation has the depth of experience in the Farming and Agricultural Industry, that we can package your insurance needs like nobody else and still keep your bank manager smiling.

**Royal Melbourne Show  
1987**

**September 17th to 26th,  
1987**

**IMPORTANT NOTICES**

**THE ROYAL AGRICULTURAL SOCIETY OF VICTORIA HAS NOW INCORPORATED A COMPANY R.A.S.V. LIMITED UNDER THE COMPANIES (VICTORIA) CODE.**

**EXHIBITORS HAVE BEEN NOTIFIED THAT EXISTING CONTRACTS OF THE SOCIETY WILL BE PERFORMED BY R.A.S.V. LIMITED.**

**GENERAL REGULATIONS FOR  
ALL COMPETITIONS**

**ENTERING FOR SHOW**

1. Entries will be received in all sections of the Royal Melbourne Show (the "Show") subject to the Company's General Conditions of Entry, these regulations and the special regulations, rules and conditions appearing at the head of each section and in each class, and on the entry form. Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions.

2. The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body.

3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Principal Officer.

4. Unless otherwise permitted by the Principal Officer all entries must be made in writing on forms supplied by the Company.

5. The entry fee set out in the Schedule of Prizes shall be forwarded with each entry. The date of

closing of entries will be found in the relevant Prize Schedule. The entry fee becomes the property of the Company upon acceptance of the entry and fees for withdrawn exhibits will not be refunded under any circumstances.

6. All entry forms must be signed by the Exhibitor or his authorised agent.

7. Restrictions on the number of entries in any section or class may be made by the Company or the Principal Officer.

**OWNERSHIP OF EXHIBITS**

8. Unless the Company or the Principal Officer otherwise permits all exhibits must be the bona fide property of the Exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Company and the Principal Officer shall have the power to recognize or reject such lease as it or he deems fit.

9. An exhibit which is not the bona fide property of the Exhibitor at the time of judging or held by the Exhibitor under written lease at that time shall not be entitled to compete without the prior written approval of the Company or the Principal Officer.

10. In the case of animal entries, only one Exhibitor will be recognised as an owner from any one holding, unless otherwise determined by the Principal Officer. Any Exhibitor who enters, or permits the entry of any of his animals, in the name of any other Exhibitor, may be dealt with in accordance with the applicable regulations.

**LIABILITY FOR EXHIBITS**

11. Neither the Company nor any official, judge, steward, officer or employee of the Company nor any member of the panel of veterinary surgeons referred to in Regulation 38 shall under any circumstances be liable for:

- (a) the loss or death of any exhibit;
- (b) any damage or injury occasioned to or by any exhibit; or
- (c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.

Without prejudice to the foregoing, if the Principal Officer removes or causes to be removed from the Show Grounds any exhibit, then each such animal shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the animal shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company its servants and agents from all claims whatsoever in respect of the animal whether arising by reason of any loss of or injury to or caused by the animal or by reason of its transportation, feeding or housing or for any other reason whatsoever.

## GENERAL REGULATIONS FOR ALL COMPETITIONS

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of any member of the Company or the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company, (its officers, officials, members and employees) Directors' or members of the Company from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company and its employees, officers, officials and members for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him.

**CONTROL OF SHOW AND CONDUCT OF EXHIBITORS**

13. Should the Company or the Principal Officer be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company or the Principal Officer. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

14. The Company and the Principal Officer shall each have the power without assigning any reason to:

- (a) cancel any event or class;
- (b) alter the time or place at which any class or event is to take place;
- (c) alter the conditions of any event;
- (d) remove any exhibit from the Show Grounds.
- (e) alter the date or time for the closing of entries for any section or class or for any particular entry;
- (f) transfer an exhibit and Exhibitor from any class to any other class; or
- (g) decline to display an exhibit.

15. The Exhibitor shall at all times and in all respects comply with the directions and requests of the Company and the Principal Officer. This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes.

16. Should the Company or the Principal Officer be of the opinion that:

- (a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or

(b) an exhibit has or may have been tampered with or otherwise improperly dealt with,  
then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

17. Exhibitors must, if required by the Company or the Principal Officer, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company or the Principal Officer may in their absolute discretion require.

18. The Company reserves the absolute discretion to refuse to accept any exhibit, Exhibitor or competitor for entry in any event or class at the Show and to withdraw, disqualify, suspend for any period (and particularly future Shows conducted by the Society) or otherwise penalize any exhibit, exhibitor or competitor prior to or in the course of any event or upon the conclusion of any event (whether before or after the event has been judged) and generally to adjudicate on and finally determine any matter whatsoever concerning or in any way related to the Show involving the performance or conduct of any exhibit, Exhibitor or competitor or the presence of any drug (as defined in the regulations printed in the relevant schedule or catalogue) in any exhibit.

19. In exercising its aforementioned discretion the Company may if it thinks fit refrain from:

- (a) giving any reason or reasons for the exercise of its discretion;
- (b) giving notice in advance of its consideration of any fact, occurrence, circumstance or state of affairs which resulted in the exercise of its discretion in a particular manner;
- (c) granting a hearing (with or without legal representation) or accepting submissions (whether oral or written) on any aspect of the exercise of its discretion (including matters involving the withdrawal of an exhibit from an event or the imposition of a disqualification, suspension or other penalty);
- (d) allowing an Exhibitor or competitor who is or may be affected by the exercise of its discretion an opportunity to examine, test, clarify, confirm, question or challenge any evidence or interview any expert or other witnesses to which the Company may have had regard in exercising its said discretion;
- (e) otherwise accommodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

20. The Company and the Principal Officer reserve the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

21. An exhibit ticket will be issued by the Company for each exhibit unless the Principal Officer otherwise determines. The exhibit ticket will state the number of the exhibit and its sole purpose is to identify the exhibit. The exhibit ticket must be produced whenever required by the Company or the Principal Officer or the Steward in Charge at the time of judging.

**ACCOMMODATION OF EXHIBITS**

22. Exhibits shall be placed where directed by the Principal Officer.

**JUDGING**

23. The Company or the Principal Officer may alter the Judge for any particular class at any time if it or he deems fit.

28. Subject to the regulations in the relevant Prize Schedule, should there be a tie for any placing in any event or class, subsequent placings in that event or class will be awarded such that the next placing will be the sum of the number of exhibits already placed plus one. (For example, if two exhibits tie for first place, the next placing to be awarded is third.)

29. All prize cards awarded at the Show shall be exhibited with the exhibit for the duration of the period the exhibit is required at the Show.

# IT COULD BE THE BEST KEPT SECRET IN BUSINESS. STATE BANK BUSINESS FINANCE.

You've probably never considered State Bank as a source of business finance.

And frankly, we're not surprised.

Like most business people, you probably still think of us as essentially a personal savings and loan bank.

But all that has changed.

Over the past five years, we've become aggressive in the business finance market.

And we're very, very competitive.

We'll consider any sound business proposition, and we'll act on it fast.

Suddenly, we're the bank business is talking about.

But if you're still not convinced, talk to us.

Give us the opportunity to demonstrate just how competitive we are.

We want your business.

The Show is one of those occasions when you may need cash fast, and be right out of luck.

Not any more.

National Australia Bank has installed a FlexiTeller Automatic Teller Machine at this year's Show, for your convenience. You'll find it on the corner of Plummer Avenue and Smith Street, open from 6am to midnight.

All you need to withdraw up to \$500 a day or \$1,000 a week, is a FlexiCard with a Personal Identification Number. You can also transfer from one account to another, lodge deposits and obtain account information. All this from your Cheque Account or Everyday Savings Account!

If you don't already have a FlexiCard, now's an ideal time to apply at your local branch.

The Show must go on! So if you need cash fast, simply pop over to your FlexiTeller

# Fly JAL's better way to Europe.

Today, the JAL label on the executive luggage is fast becoming the symbol of the knowledgeable traveller.

Via the unique gateway through Tokyo, JAL daylight flights from Sydney fan out to ten major European destinations.

This way you can fly Tokyo-London non-stop. Similarly, for Tokyo-Paris. Other European capitals are only a one-stop flight away.

No other airline offers such a unique service.

A quick look at a globe of the world (instead of an ordinary flat map) will show

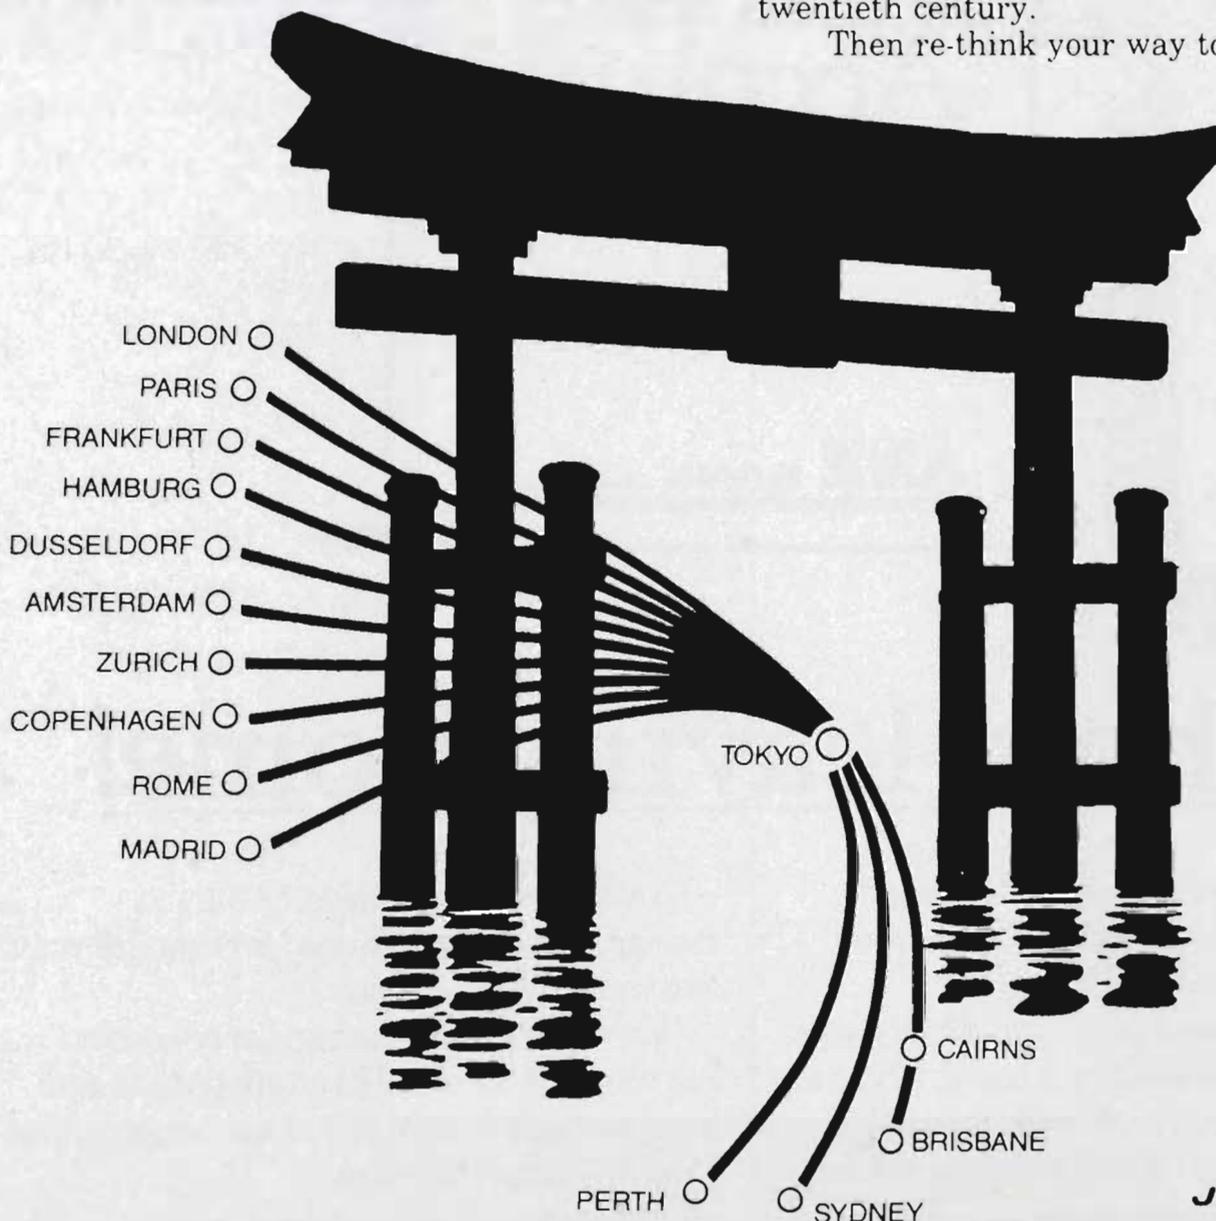

you why these JAL routes are so surprisingly direct. And fast.

A quick look at our Japanese and Western menus will show why dining-out on JAL is more like choosing a restaurant than just ordering a meal.

A quick call to your travel agent will show you a flight schedule that makes it logical to re-think your way to Europe: JAL's way (which can also mean a free overnight stopover in Tokyo, if you wish).

Add to all this, the sheer pleasure of flying the only airline that's truly brought an ancient tradition of service into the twentieth century.

Then re-think your way to Europe.

# 'Farmpol' means a good night's sleep for the man on the land.

Many farmers and graziers believe their problems are peculiar to their industry.

At Federation we think that there's a lot of truth in that belief.

In fact, we have spent so much time and effort over many years working with the man on the land, that we have designed a special 'umbrella' policy called Farmpol that covers most of a Farmer's needs.

But, if you believe you have special insurance problems that are causing you a few sleepless nights, discuss them with us, we're there to help and it's all part of the service.

It is precisely because Federation has the depth of experience in the Farming and Agricultural Industry, that we can package your insurance needs like nobody else and still keep your bank manager smiling.

Incorporated in Victoria  
by the Royal Agricultural  
Society of Victoria****Royal Melbourne Show  
1987****September 17th to 26th,  
1987****IMPORTANT NOTICES**

**THE ROYAL AGRICULTURAL SOCIETY OF VICTORIA HAS NOW INCORPORATED A COMPANY R.A.S.V. LIMITED UNDER THE COMPANIES (VICTORIA) CODE.**

**EXHIBITORS HAVE BEEN NOTIFIED THAT EXISTING CONTRACTS OF THE SOCIETY WILL BE PERFORMED BY R.A.S.V. LIMITED.**

**GENERAL REGULATIONS FOR  
ALL COMPETITIONS****ENTERING FOR SHOW**

1. Entries will be received in all sections of the Royal Melbourne Show (the "Show") subject to the Company's General Conditions of Entry, these regulations and the special regulations, rules and conditions appearing at the head of each section and in each class, and on the entry form. Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions.

2. The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body.

3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Principal Officer.

4. Unless otherwise permitted by the Principal Officer all entries must be made in writing on forms supplied by the Company.

5. The entry fee set out in the Schedule of Prizes shall be forwarded with each entry. The date of

closing of entries will be found in the relevant Prize Schedule. The entry fee becomes the property of the Company upon acceptance of the entry and fees for withdrawn exhibits will not be refunded under any circumstances.

6. All entry forms must be signed by the Exhibitor or his authorised agent.

7. Restrictions on the number of entries in any section or class may be made by the Company or the Principal Officer.

**OWNERSHIP OF EXHIBITS**

8. Unless the Company or the Principal Officer otherwise permits all exhibits must be the bona fide property of the Exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Company and the Principal Officer shall have the power to recognize or reject such lease as it or he deems fit.

9. An exhibit which is not the bona fide property of the Exhibitor at the time of judging or held by the Exhibitor under written lease at that time shall not be entitled to compete without the prior written approval of the Company or the Principal Officer.

10. In the case of animal entries, only one Exhibitor will be recognised as an owner from any one holding, unless otherwise determined by the Principal Officer. Any Exhibitor who enters, or permits the entry of any of his animals, in the name of any other Exhibitor, may be dealt with in accordance with the applicable regulations.

**LIABILITY FOR EXHIBITS**

11. Neither the Company nor any official, judge, steward, officer or employee of the Company nor any member of the panel of veterinary surgeons referred to in Regulation 38 shall under any circumstances be liable for:

- (a) the loss or death of any exhibit;
- (b) any damage or injury occasioned to or by any exhibit; or
- (c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.

Without prejudice to the foregoing, if the Principal Officer removes or causes to be removed from the Show Grounds any exhibit, then each such animal shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the animal shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company its servants and agents from all claims whatsoever in respect of the animal whether arising by reason of any loss of or injury to or caused by the animal or by reason of its transportation, feeding or housing or for any other reason whatsoever.

**GENERAL REGULATIONS FOR ALL COMPETITIONS**

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of any member of the Company or the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company, (its officers, officials, members and employees) Directors' or members of the Company from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company and its employees, officers, officials and members for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him.

**CONTROL OF SHOW AND CONDUCT OF EXHIBITORS**

13. Should the Company or the Principal Officer be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company or the Principal Officer. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

14. The Company and the Principal Officer shall each have the power without assigning any reason to:

- (a) cancel any event or class;
- (b) alter the time or place at which any class or event is to take place;
- (c) alter the conditions of any event;
- (d) remove any exhibit from the Show Grounds.
- (e) alter the date or time for the closing of entries for any section or class or for any particular entry;
- (f) transfer an exhibit and Exhibitor from any class to any other class; or
- (g) decline to display an exhibit.

15. The Exhibitor shall at all times and in all respects comply with the directions and requests of the Company and the Principal Officer. This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes.

16. Should the Company or the Principal Officer be of the opinion that:

- (a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or

(b) an exhibit has or may have been tampered with or otherwise improperly dealt with,  
then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

17. Exhibitors must, if required by the Company or the Principal Officer, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company or the Principal Officer may in their absolute discretion require.

18. The Company reserves the absolute discretion to refuse to accept any exhibit, Exhibitor or competitor for entry in any event or class at the Show and to withdraw, disqualify, suspend for any period (and particularly future Shows conducted by the Society) or otherwise penalize any exhibit, exhibitor or competitor prior to or in the course of any event or upon the conclusion of any event (whether before or after the event has been judged) and generally to adjudicate on and finally determine any matter whatsoever concerning or in any way related to the Show involving the performance or conduct of any exhibit, Exhibitor or competitor or the presence of any drug (as defined in the regulations printed in the relevant schedule or catalogue) in any exhibit.

19. In exercising its aforementioned discretion the Company may if it thinks fit refrain from:

- (a) giving any reason or reasons for the exercise of its discretion;
- (b) giving notice in advance of its consideration of any fact, occurrence, circumstance or state of affairs which resulted in the exercise of its discretion in a particular manner;
- (c) granting a hearing (with or without legal representation) or accepting submissions (whether oral or written) on any aspect of the exercise of its discretion (including matters involving the withdrawal of an exhibit from an event or the imposition of a disqualification, suspension or other penalty);
- (d) allowing an Exhibitor or competitor who is or may be affected by the exercise of its discretion an opportunity to examine, test, clarify, confirm, question or challenge any evidence or interview any expert or other witnesses to which the Company may have had regard in exercising its said discretion;
- (e) otherwise accommodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

20. The Company and the Principal Officer reserve the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

21. An exhibit ticket will be issued by the Company for each exhibit unless the Principal Officer otherwise determines. The exhibit ticket will state the number of the exhibit and its sole purpose is to identify the exhibit. The exhibit ticket must be produced whenever required by the Company or the Principal Officer or the Steward in Charge at the time of judging.

**ACCOMMODATION OF EXHIBITS**

22. Exhibits shall be placed where directed by the Principal Officer.

**JUDGING**

23. The Company or the Principal Officer may alter the Judge for any particular class at any time if it or he deems fit.

## GENERAL REGULATIONS FOR ALL COMPETITIONS

24. No competitor or Exhibitor or person acting on behalf of any competitor or Exhibitor shall in any way influence consult or interfere with or attempt to influence consult or interfere with the Judge or endeavour to interfere with his freedom of choice or judgment.

25. No exhibit or person in charge thereof shall be equipped with, wear or display anything which indicates the ownership of the exhibit before or during judging unless this practice is expressly authorised in the regulations in the relevant prize schedule.

26. The decision of the Judge as to the merits of the exhibit and the competitor shall be final and binding whether or not such decision was made or purported to be made in accordance with these or any other relevant regulations and no appeal may be made or order for review or similar order sought therefrom to any court of law or other body on the question of merit of the exhibit or on any matter arising out of or in connection with the manner in which the Judge's decision was made or purported to be made or otherwise.

27. Subject to the regulations in the relevant Prize Schedule, the Judge may award a second or third prize instead of a first prize or may withhold a prize altogether where he considers in his absolute discretion that such prize is not to be awarded.

28. Subject to the regulations in the relevant Prize Schedule, should there be a tie for any placing in any event or class, subsequent placings in that event or class will be awarded such that the next placing will be the sum of the number of exhibits already placed plus one. (For example, if two exhibits tie for first place, the next placing to be awarded is third.)

29. All prize cards awarded at the Show shall be exhibited with the exhibit for the duration of the period the exhibit is required at the Show.

**PROTESTS**

30. An Exhibitor or competitor may protest against an award won by an exhibit or competitor in the same class alleging infringement of the rules or ineligibility.

31. Subject to the regulations in the relevant Prize Schedule, protests shall be addressed to the Principal Officer and be lodged at his office on the 1st Floor, Administration Building, cnr. DeGraves Street and Plummer Avenue, Show Grounds, before 12 noon the day after the award in question has been made or on the first day of the Show, whichever occurs later. Such protests shall be accompanied with a deposit of \$20.00 which may be forfeited to the Company if in the sole opinion of the Principal Officer the protest is unfounded, frivolous or vexatious.

32. If any exhibit which has been awarded a prize is disqualified the next in order for award does not necessarily become entitled to that or any prize.

33. The protest and all matters arising therefrom shall be determined conclusively as to all matters by either the Company or the Principal Officer and shall not be the subject of any appeal to any court or any order for review or of a similar nature.

**FIRE REGULATIONS**

34. The use of primus or similar stoves or any heating or lighting appliance of a like nature or any naked light is strictly prohibited in or near any pen, stall or pavilion. The alteration or interference with any electrical wiring, wiring, switch or plug is strictly forbidden.

**VEHICLE PARKING**

35. Motor vehicles including trucks and stock transports will not be permitted to remain on the Show Grounds after unloading. They must be removed immediately, and will not be re-admitted to load for return until such time as the Company or the Principal Officer determines. Vehicles parked improperly on the Show Grounds may be towed away at the owner's costs.

36. Caravans will not be admitted to or remain within the Show Grounds without the prior written permission of the Principal Officer.

# IT COULD BE THE BEST KEPT SECRET IN BUSINESS. STATE BANK BUSINESS FINANCE.

You've probably never considered State Bank as a source of business finance.

And frankly, we're not surprised.

Like most business people, you probably still think of us as essentially a personal savings and loan bank.

But all that has changed.

Over the past five years, we've become aggressive in the business finance market.

And we're very, very competitive.

We'll consider any sound business proposition, and we'll act on it fast.

Suddenly, we're the bank business is talking about.

But if you're still not convinced, talk to us.

Give us the opportunity to demonstrate just how competitive we are.

We want your business.

# RURAL CAPITAL

## Responsible lending to rural enterprises.

The management decisions on finance are critical to the success of rural enterprises. Cashflow, when to borrow, when to modernise, expand, to set aside funds for contingencies, all play a role in operating a successful and secure enterprise.

The Rural Finance Commission has a genuine commitment to the ongoing success and development of Victorian rural businesses and farming. To this end it offers a range of financial services to rural Victorians.

### Expansion and Improvements

Loans are available for the purchase of land, stock, improving water supply and irrigation, pasture improvements, upgrading with new equipment, plant and the building of additional shedding and new dwellings.

### Re-finance or Re-structure Mortgage Loans

The Commission will review existing commitments and future plans and detail obligation-free advice and options on re-structuring of debts or re-financing of an existing mortgage.

### Young Farmers

Loans are available for suitably experienced young farmers to enter farming in conjunction with their current job in a rural enterprise.

Other loan options include assistance to purchase land, deposit gap loans and loans on stock and equipment.

### Obligation-Free Financial Advice

The Commission does not charge for its experienced and sound financial advice.

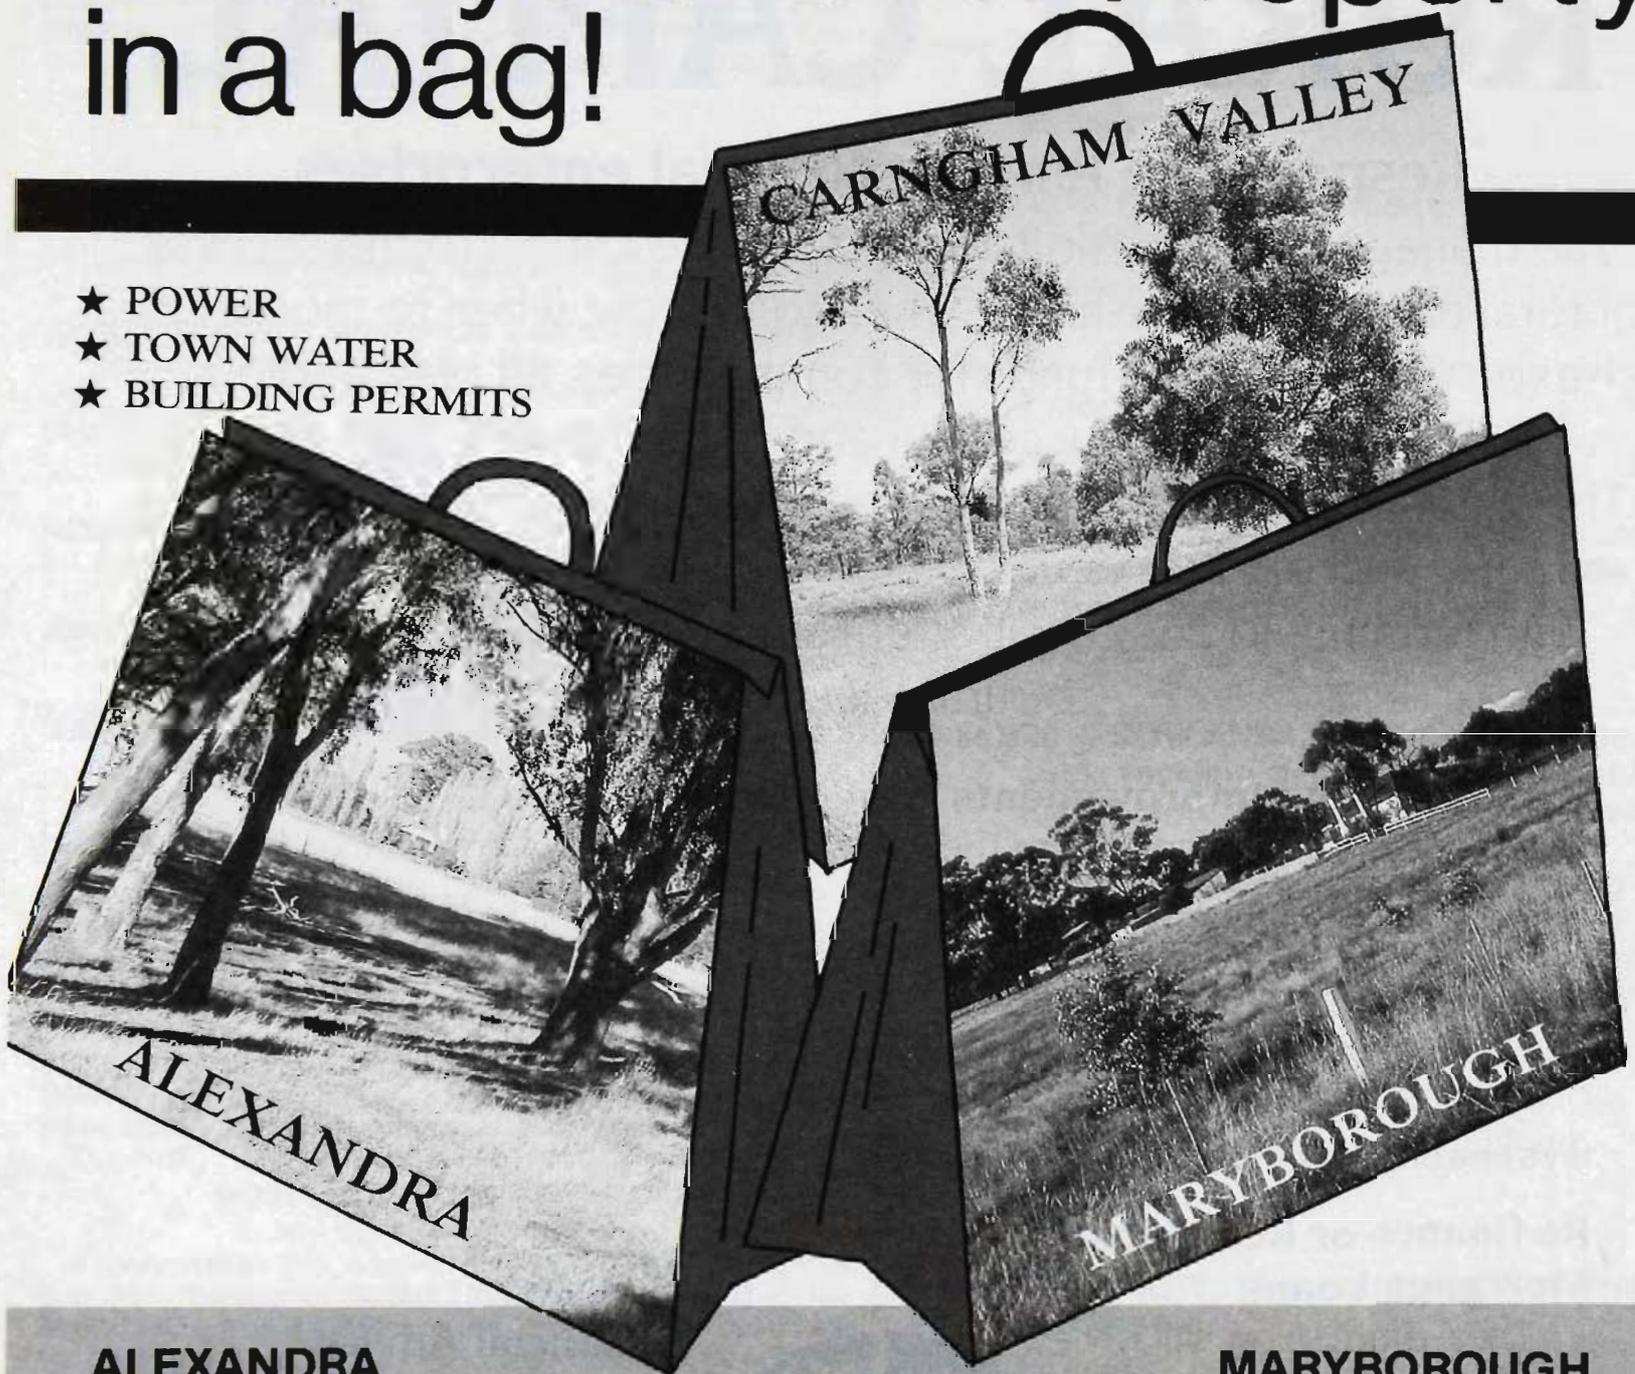

Its services are for the benefit of rural Victorians.

*Rural Finance Commission*

A responsible lender...for the good of the Country.

# 'Farmpol' means a good night's sleep for the man on the land.

Many farmers and graziers believe their problems are peculiar to their industry.

At Federation we think that there's a lot of truth in that belief.

In fact, we have spent so much time and effort over many years working with the man on the land, that we have designed a special 'umbrella' policy called Farmpol that covers most of a Farmer's needs.

But, if you believe you have special insurance problems that are causing you a few sleepless nights, discuss them with us, we're there to help and it's all part of the service.

It is precisely because Federation has the depth of experience in the Farming and Agricultural Industry, that we can package your insurance needs like nobody else and still keep your bank manager smiling.

# Fly JAL's better way to Europe.

Today, the JAL label on the executive luggage is fast becoming the symbol of the knowledgeable traveller.

Via the unique gateway through Tokyo, JAL daylight flights from Sydney fan out to ten major European destinations.

This way you can fly Tokyo-London non-stop. Similarly, for Tokyo-Paris. Other European capitals are only a one-stop flight away.

No other airline offers such a unique service.

A quick look at a globe of the world (instead of an ordinary flat map) will show

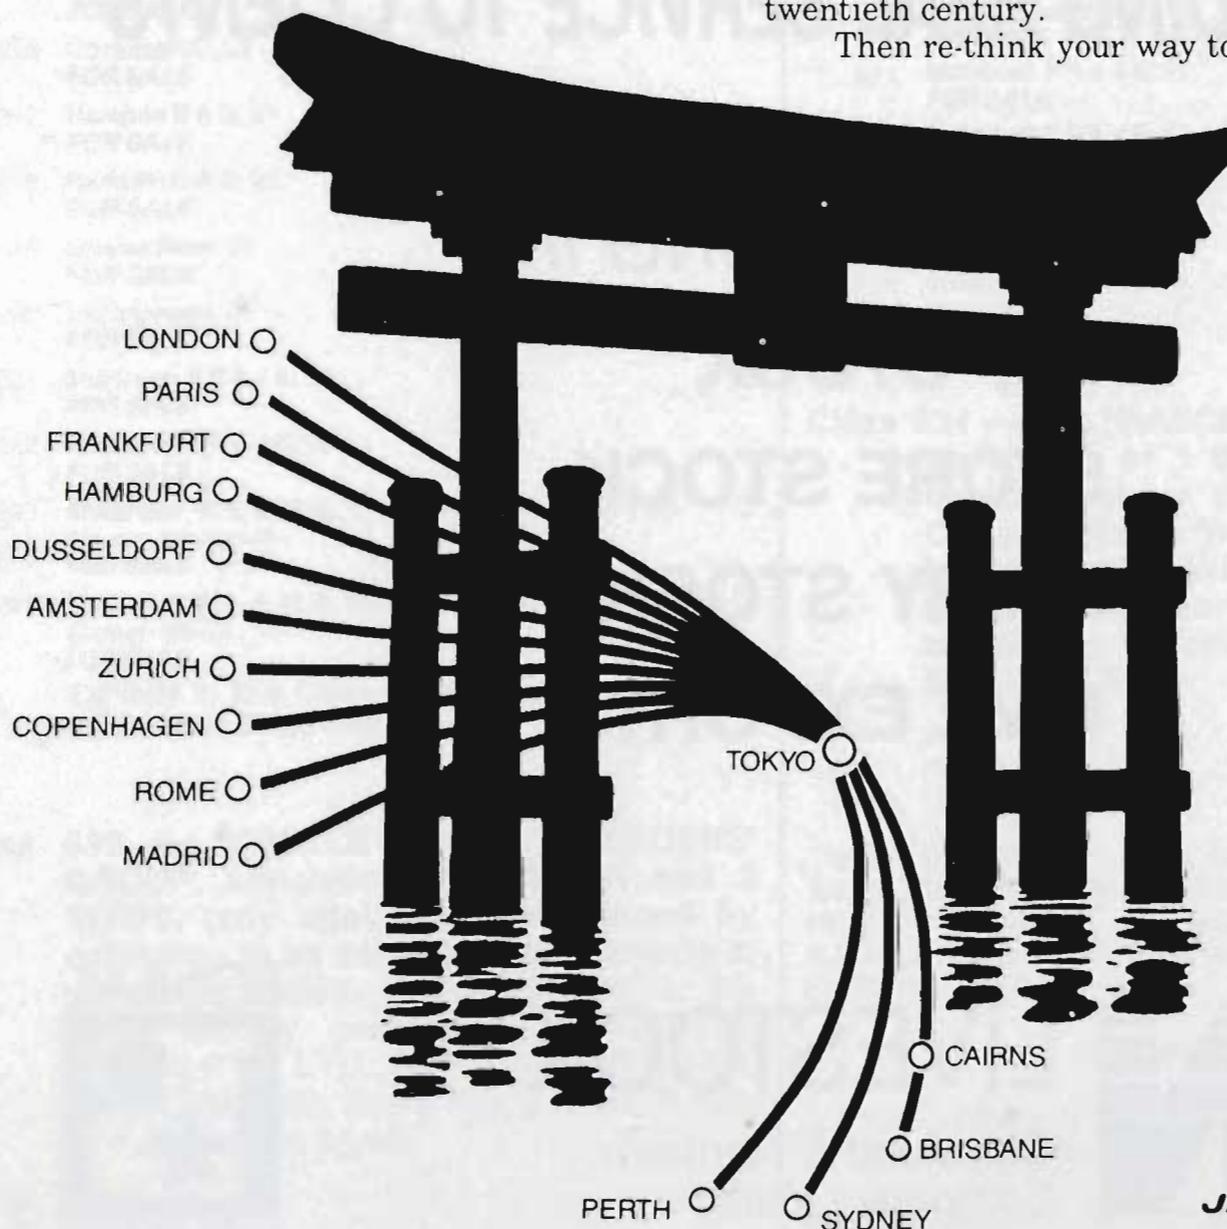

you why these JAL routes are so surprisingly direct. And fast.

A quick look at our Japanese and Western menus will show why dining-out on JAL is more like choosing a restaurant than just ordering a meal.

A quick call to your travel agent will show you a flight schedule that makes it logical to re-think your way to Europe: JAL's way (which can also mean a free overnight stopover in Tokyo, if you wish).

Add to all this, the sheer pleasure of flying the only airline that's truly brought an ancient tradition of service into the twentieth century.

Then re-think your way to Europe.

Entry Fee: Free

This class will feature Boars which have successfully completed the 17th Test at the Victorian Australian Pig Breeders Society Boar Testing Station at Toolleen.

The judges will visually assess the exhibits, irrespective of breed, for those characteristics which they believe to be the most valuable needed in breeding stock for present day commercial conditions.

1st, 2nd and 3rd awards may be made within each Breed.

Visual judging will take place on Sunday, 20th September and each Breed winner will be eligible to compete for the Junior Championship of its respective Breed.

**THE AUSTRALIAN PIG BREEDERS SOCIETY (Victorian Branch)** will donate a trophy to the exhibit which scores the highest index in the Test. **EXH. 265**

(This index will be calculated using a formula combining growth rate over the test period, with the measurement of fat at the P2 position, using an ultrasonic measuring device. For Boars to pass the test, they must achieve an above average score in growth rate and back fat measurement).

Incorporated in Victoria  
by the Royal Agricultural  
Society of Victoria**

**Royal Melbourne Show  
1987**

**September 17th to 26th,  
1987**

**IMPORTANT NOTICES**

**THE ROYAL AGRICULTURAL SOCIETY OF VICTORIA HAS NOW INCORPORATED A COMPANY R.A.S.V. LIMITED UNDER THE COMPANIES (VICTORIA) CODE.**

**EXHIBITORS HAVE BEEN NOTIFIED THAT EXISTING CONTRACTS OF THE SOCIETY WILL BE PERFORMED BY R.A.S.V. LIMITED.**

**GENERAL REGULATIONS FOR  
ALL COMPETITIONS**

**ENTERING FOR SHOW**

1. Entries will be received in all sections of the Royal Melbourne Show (the "Show") subject to the Company's General Conditions of Entry, these regulations and the special regulations, rules and conditions appearing at the head of each section and in each class, and on the entry form. Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions.

2. The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body.

3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Principal Officer.

4. Unless otherwise permitted by the Principal Officer all entries must be made in writing on forms supplied by the Company.

5. The entry fee set out in the Schedule of Prizes shall be forwarded with each entry. The date of

closing of entries will be found in the relevant Prize Schedule. The entry fee becomes the property of the Company upon acceptance of the entry and fees for withdrawn exhibits will not be refunded under any circumstances.

6. All entry forms must be signed by the Exhibitor or his authorised agent.

7. Restrictions on the number of entries in any section or class may be made by the Company or the Principal Officer.

**OWNERSHIP OF EXHIBITS**

8. Unless the Company or the Principal Officer otherwise permits all exhibits must be the bona fide property of the Exhibitor at the time of entry or be held by him under written lease in existence at the time of entry and the Company and the Principal Officer shall have the power to recognize or reject such lease as it or he deems fit.

9. An exhibit which is not the bona fide property of the Exhibitor at the time of judging or held by the Exhibitor under written lease at that time shall not be entitled to compete without the prior written approval of the Company or the Principal Officer.

10. In the case of animal entries, only one Exhibitor will be recognised as an owner from any one holding, unless otherwise determined by the Principal Officer. Any Exhibitor who enters, or permits the entry of any of his animals, in the name of any other Exhibitor, may be dealt with in accordance with the applicable regulations.

**LIABILITY FOR EXHIBITS**

11. Neither the Company nor any official, judge, steward, officer or employee of the Company nor any member of the panel of veterinary surgeons referred to in Regulation 38 shall under any circumstances be liable for:

- (a) the loss or death of any exhibit;
- (b) any damage or injury occasioned to or by any exhibit; or
- (c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.

Without prejudice to the foregoing, if the Principal Officer removes or causes to be removed from the Show Grounds any exhibit, then each such animal shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the animal shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company its servants and agents from all claims whatsoever in respect of the animal whether arising by reason of any loss of or injury to or caused by the animal or by reason of its transportation, feeding or housing or for any other reason whatsoever.

## GENERAL REGULATIONS FOR ALL COMPETITIONS

12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of any member of the Company or the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company, (its officers, officials, members and employees) Directors' or members of the Company from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor shall be liable to the Company and its employees, officers, officials and members for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him.

**CONTROL OF SHOW AND CONDUCT OF EXHIBITORS**

13. Should the Company or the Principal Officer be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company or the Principal Officer. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

14. The Company and the Principal Officer shall each have the power without assigning any reason to:

- (a) cancel any event or class;
- (b) alter the time or place at which any class or event is to take place;
- (c) alter the conditions of any event;
- (d) remove any exhibit from the Show Grounds.
- (e) alter the date or time for the closing of entries for any section or class or for any particular entry;
- (f) transfer an exhibit and Exhibitor from any class to any other class; or
- (g) decline to display an exhibit.

15. The Exhibitor shall at all times and in all respects comply with the directions and requests of the Company and the Principal Officer. This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes.

16. Should the Company or the Principal Officer be of the opinion that:

- (a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or

- (b) an exhibit has or may have been tampered with or otherwise improperly dealt with,

then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

17. Exhibitors must, if required by the Company or the Principal Officer, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company or the Principal Officer may in their absolute discretion require.

18. The Company reserves the absolute discretion to refuse to accept any exhibit, Exhibitor or competitor for entry in any event or class at the Show and to withdraw, disqualify, suspend for any period (and particularly future Shows conducted by the Society) or otherwise penalize any exhibit, exhibitor or competitor prior to or in the course of any event or upon the conclusion of any event (whether before or after the event has been judged) and generally to adjudicate on and finally determine any matter whatsoever concerning or in any way related to the Show involving the performance or conduct of any exhibit, Exhibitor or competitor or the presence of any drug (as defined in the regulations printed in the relevant schedule or catalogue) in any exhibit.

19. In exercising its aforementioned discretion the Company may if it thinks fit refrain from:

- (a) giving any reason or reasons for the exercise of its discretion;
- (b) giving notice in advance of its consideration of any fact, occurrence, circumstance or state of affairs which resulted in the exercise of its discretion in a particular manner;
- (c) granting a hearing (with or without legal representation) or accepting submissions (whether oral or written) on any aspect of the exercise of its discretion (including matters involving the withdrawal of an exhibit from an event or the imposition of a disqualification, suspension or other penalty);
- (d) allowing an Exhibitor or competitor who is or may be affected by the exercise of its discretion an opportunity to examine, test, clarify, confirm, question or challenge any evidence or interview any expert or other witnesses to which the Company may have had regard in exercising its said discretion;

# Every farmer can benefit from this Harvest.

## Without leaving home!

Because not only does an ANZ Harvest™ account offer high interest at call, it lets you control your finances from home.

Simply pick up the phone to transfer funds out of Harvest into your working account, wherever you bank. This way you can settle your bills and maximise returns all without travelling to town!

\*Interest rate subject to change without notice, and no interest payable when the balance falls below \$1,000.

So what are you waiting for? ANZ can arrange for your grain 'cheque' to be paid directly into your Harvest account.

That way you start making money sooner. But you must act now. For an application and brochure reach for the phone today and ring your local ANZ Bank Manager.

# RURAL CAPITAL

## Responsible lending to rural enterprises.

The management decisions on finance are critical to the success of rural enterprises. Cashflow, when to borrow, when to modernise, expand, to set aside funds for contingencies, all play a role in operating a successful and secure enterprise.

The Rural Finance Commission has a genuine commitment to the ongoing success and development of Victorian rural businesses and farming. To this end it offers a range of financial services to rural Victorians.

### Expansion and Improvements

Loans are available for the purchase of land, stock, improving water supply and irrigation, pasture improvements, upgrading with new equipment, plant and the building of additional shedding and new dwellings.

### Re-finance or Re-structure Mortgage Loans

The Commission will review existing commitments and future plans and detail obligation-free advice and options on re-structuring of debts or re-financing of an existing mortgage.

### Young Farmers

Loans are available for suitably experienced young farmers to enter farming in conjunction with their current job in a rural enterprise.

Other loan options include assistance to purchase land, deposit gap loans and loans on stock and equipment.

### Obligation-Free Financial Advice

The Commission does not charge for its experienced and sound financial advice.

Its services are for the benefit of rural Victorians.

# *Rural Finance Commission*

A responsible lender ... for the good of the Country.

- (ii) The bird is unfit for exhibition due to injury or disease.
- (iii) The bird has become ineligible for the class entered.

# IT COULD BE THE BEST KEPT SECRET IN BUSINESS. STATE BANK BUSINESS FINANCE.

You've probably never considered State Bank as a source of business finance.

And frankly, we're not surprised.

Like most business people, you probably still think of us as essentially a personal savings and loan bank.

But all that has changed.

Over the past five years, we've become aggressive in the business finance market.

And we're very, very competitive.

We'll consider any sound business proposition, and we'll act on it fast.

Suddenly, we're the bank business is talking about.

But if you're still not convinced, talk to us.

Give us the opportunity to demonstrate just how competitive we are.

We want your business.

# Fly JAL's better way to Europe.

Today, the JAL label on the executive luggage is fast becoming the symbol of the knowledgeable traveller.

Via the unique gateway through Tokyo, JAL daylight flights from Sydney fan out to ten major European destinations.

This way you can fly Tokyo-London non-stop. Similarly, for Tokyo-Paris. Other European capitals are only a one-stop flight away.

No other airline offers such a unique service.

A quick look at a globe of the world (instead of an ordinary flat map) will show

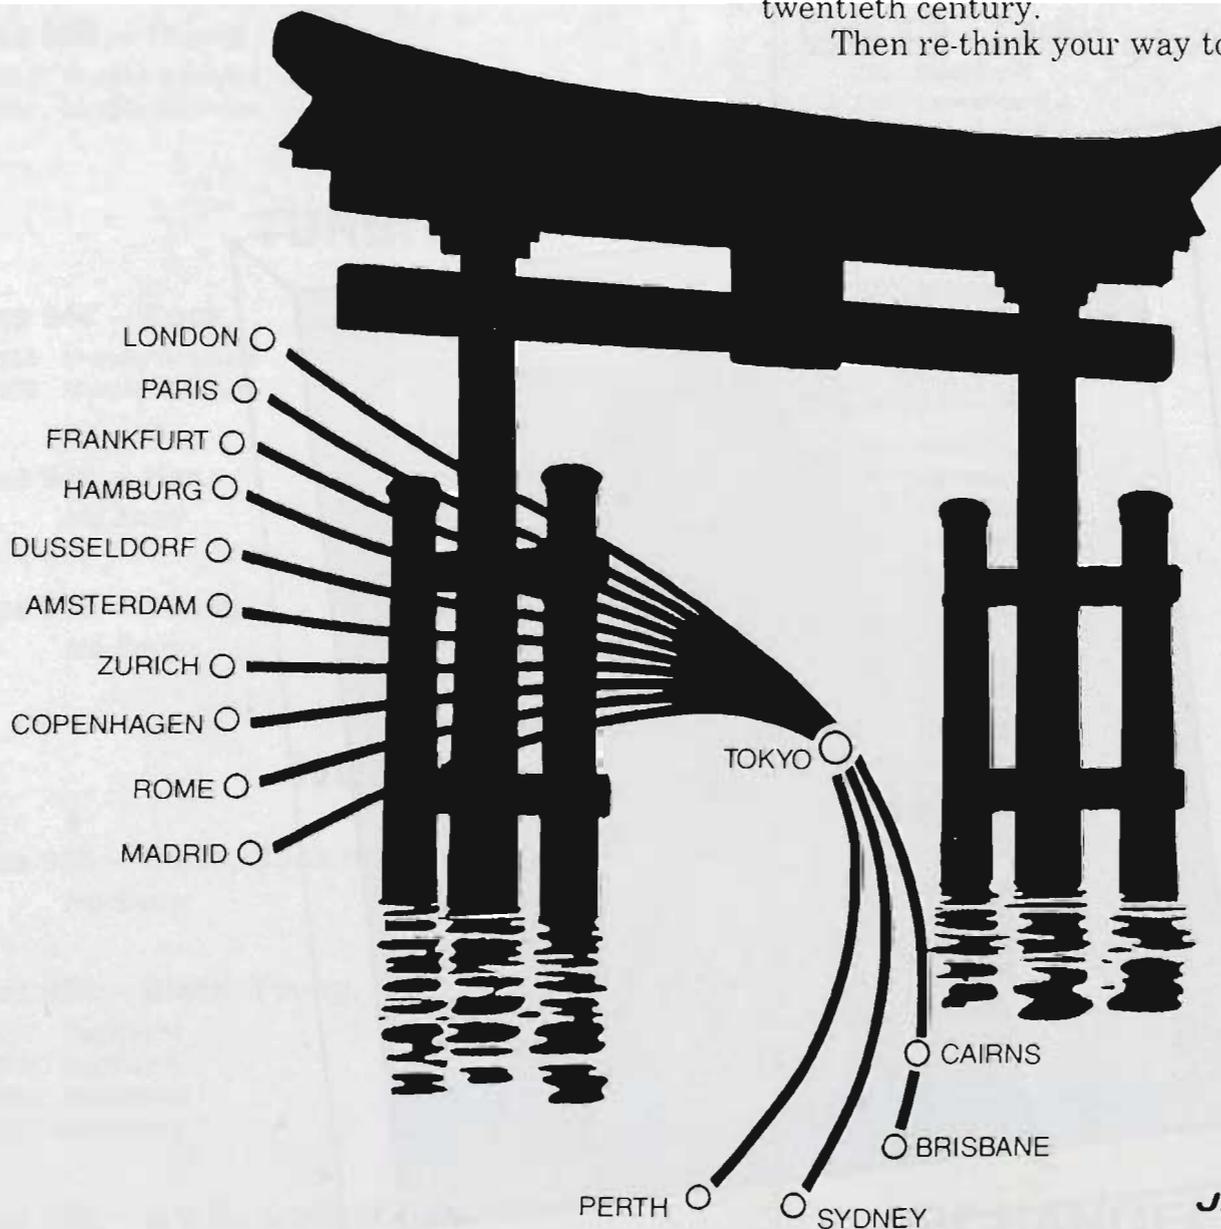

you why these JAL routes are so surprisingly direct. And fast.

A quick look at our Japanese and Western menus will show why dining-out on JAL is more like choosing a restaurant than just ordering a meal.

A quick call to your travel agent will show you a flight schedule that makes it logical to re-think your way to Europe: JAL's way (which can also mean a free overnight stopover in Tokyo, if you wish).

Add to all this, the sheer pleasure of flying the only airline that's truly brought an ancient tradition of service into the twentieth century.

Then re-think your way to Europe.

- (ii) The bird is unfit for exhibition due to injury or disease.
- (iii) The bird has become ineligible for the class entered.
