# THIS TRACTOR IS ONE IN A MILLION.

In 130 countries around the world, more than a million Kubota tractors have been sold. In fact, Kubota is the biggest selling tractor under 40 horsepower.

There are some good reasons why. High on the list is Kubota's rugged and reliable diesel engine. It comes standard with every tractor Kubota builds.

Also important is advanced engineering. Kubota tractors come with features often found on the best engineered automobiles. For example, fuel-injection and turbo-charging.

Kubota is just as proud of another new idea, no-frills utility tractors that go back to basics.

So if you're looking for a tractor from small to large, you really ought to take a look at a Kubota. A million people can't be wrong.

Putting technology to work.

# More Victorians have bought their homes with the help of the State Bank than any other bank or building society.

If you're looking for a home, whether it's your first home, a bigger home or even a retirement home, come and have a chat with your local State Bank Victoria Manager first.

And you'll find out why, over the years, we've helped more Victorians buy their own homes.

Because at State Bank Victoria we're dedicated to making home loans simpler not more complicated.

There's bound to be a branch near you, because we've got more of them too.

### DURACIDE

#### "TRIPLE TOUGH ON LICE"

Duracide Sustained Action Spray-on Lice treatment for shorn sheep. Contains high levels of alphamethrin (20g/L), a powerful lousicide with high safety margins.

The high levels of alphamethrin in Duracide ensure sustained action against reinfestation, hence the guaranteed 10 week protection period.

Duracide can be applied to wet sheep, and rain after application does not affect the products efficacy.

Duracide is sprayed on the sheep's backline with a scourable green dye for identification of treated sheep.

### VANQUISH LONG WOOL

#### "KNOCK LICE OUT OF LONG WOOL AND STRIKE A BLOW AGAINST FLIES"

Vanquish Long Wool is the first and only backline wool treatment to give a total kill of susceptible lice and protect against body strike for up to 10 weeks.

Vanquish Long Wool is a powerful management tool allowing flexible lice eradication and fly prevention strategies over most types of sheep management practices.

Vanquish Long Wool contains high levels of active ingredient (50g/L alphamethrin) ensuring thorough lice control and bodystrike protection.

Vanquish Long Wool contains a fully scourable pink dye for identification of treated sheep, has no withholding period and is effective when applied to wet sheep. It is also effective if rain occurs after treatment.

Vanquish Long Wool is conveniently applied by a single stripe on the sheep's backline, saving manpower and equipment associated with jetting or dipping.

### BASTION

#### PLUNGE AND SHOWER SHEEP DIP

#### "YOUR STRONGEST WEAPON AGAINST LICE"

Bastion is effective, and is specifically formulated to eliminate lice, including those "backline resistant" strains.

Bastion is suitable for use in all plunge and shower dips and is "Your strongest Weapon Against Lice".

For a Limited time, "Your Strongest Weapon Against Lice" is available in the Bastion Essentials Pack.

## R.A.S.V. BEEF CATTLE JUDGING CHAMPIONSHIP

A Beef Cattle Judging Demonstration and Competition will take place in the Federation Ring, on Friday, 27th September, 1991, commencing at 10.30 a.m.

The Demonstration and Competition will be conducted on a Beef breed. In future years different breeds will be used. Competitors will be asked to place six bulls in the order they fancy.

The three prominent breed Judges appointed will agree on what might be termed the correct order of placing the cattle and will question the final six competitors over the P.A. system as to the reasons for their placements when determining the ultimate winner of the Competition.

Entrants should bear in mind that the Judges will award points to competitors for correctness of dress (within reason) and footwear; the manner in which Stewards (where present) are handled, and general decisiveness and ring craft.

A Spokesman for the Judges' Panel will give explanations to competitors as to why the cattle were placed in the order decided upon by the Judges and at the same time will demonstrate the use of ring-craft as an aid to making correct decisions and as a methodical means of permitting spectators to understand the Judges' reasoning.

This will be a post entry competition and there is no entry fee.

Upon submission of an entry the Exhibitor agrees irrevocably to be bound by all applicable regulations, rules and conditions.
2. The Company may in its absolute discretion reject entries from competitors or Exhibitors who, or whose exhibits, are or have been subject to disqualification from any Royal or other show or a breed society or similar body.
3. Subject to regulations in the relevant Prize Schedule no entry may be changed by the Exhibitor after entries close unless otherwise permitted by the Company.
4. Unless otherwise permitted by the Company all entries must be made in writing on forms supplied by the Company.
5. The entry fee set out in the Schedule of Prizes shall be forwarded with each entry. The date of closing of entries will be found in the relevant Prize Schedule. The Exhibitor is responsible for the correctness of all information on the entry form.

7. Restrictions on the number of entries in any section or class may be made by the Company.
8. Subject to the regulations in the relevant Prize Schedule, no exhibit may be entered in more than one Ordinary Class. Sweepstakes, Special Classes, Trophy Classes, and Championships do not count as Ordinary Classes. Throughout the Prize Schedules, Special Classes are designated with a star (\*). 10. An exhibit which is not the bona fide property of the Exhibitor at the time of judging or held by the Exhibitor under written lease at that time shall not be entitled to compete without the prior written approval of the Company.

**LIABILITY FOR EXHIBITS**

11. Neither the Company nor the Society shall under any circumstances be liable for:
  - (a) the loss or death of any exhibit;
  - (b) any damage or injury occasioned to or by any exhibit; or
  - (c) any loss, damage or injury occasioned to or by any Exhibitor or person acting on his behalf.
 Without prejudice to the foregoing, if the Company removes or causes to be removed from the Show Grounds any exhibit, then each such exhibit shall at all times remain at the sole risk and responsibility of the Exhibitor and the person or persons removing the exhibit shall at all times be deemed to be the agents of the Exhibitor and all acts and omissions on the part of such person or persons shall be deemed to be the acts and omissions of the Exhibitor. Without limiting the foregoing, the Exhibitor shall indemnify and keep indemnified and hold harmless the Company and the Society from all claims whatsoever in respect of the exhibit whether arising by reason of any loss of or injury to or caused by the exhibit or by reason of its transportation, feeding or housing or for any other reason whatsoever.
12. The Exhibitor enters entirely at his own risk. In case any exhibit whilst on the Show Grounds shall cause or be the cause of injury or damage to any other exhibit or Exhibitor or to the person or property of the Company or the Society or any members thereof or to the general public, the Exhibitor of such exhibit shall indemnify and keep indemnified the Company and the Society from and against all damages, costs, claims, expenses and liabilities (including without limitation consequential loss and loss of profits) thereby incurred. The Exhibitor

shall be liable to the Company and the Society for any damage or loss occasioned to any of them by the exhibit or Exhibitor or any person acting on his behalf or otherwise representing him.

13. The Company will arrange compulsory Owners' Liability Insurance cover for all exhibitors in the horse, beef cattle, beef carcass, dairy cattle, dog, sheep, goat, pig and cat sections. The compulsory insurance levy forms part of the entry fee. Details of the cover provided are shown in the relevant prize schedules.

#### CONTROL OF SHOW AND CONDUCT OF EXHIBITORS

14. Exhibitors are responsible for ensuring that their family, employees and assistants are familiar with, and comply with these Regulations. Exhibitors may be penalised or disciplined for the actions of their family, employees or agents in contravention of these Regulations. "Employees" includes any person agent or company, whether remunerated by the Exhibitor or not, engaged by, or on behalf of, the Exhibitor to carry, care for or prepare exhibits.

15. Should the Company be of the opinion that any rule, condition or regulation whether set out in these regulations or at the heading of a section or in a class or on an entry form has been broken or not observed or performed then the exhibit or Exhibitor or competitor or all or any of them may be disqualified, suspended for any period, fined, removed from the Show Grounds or otherwise penalised at the discretion of the Company. Any awards may be forfeited and should this occur, any prizes, ribbons or prize cards must be returned to the Company.

16. The Company has the power without assigning any reason to:

- (a) cancel any event or class;
- (b) alter the time or place at which any class or event is to take place;
- (c) alter the conditions of any event;
- (d) remove any exhibit from the Show Grounds;
- (e) alter the date or time for the closing of entries for any section or class or for any particular entry;
- (f) transfer an exhibit and Exhibitor from any class to any other class; or
- (g) decline to display an exhibit.

17. The Exhibitor shall at all times and in all respects comply with the directions and requests of the Company. This shall, without limiting the generality of the foregoing, apply to the entry of the exhibit, the Exhibitor, the competitor, the conditions of event, the conduct of the Exhibitor, the conduct of the event, the decisions of the judge and the awarding of prizes.

18. Should the Company be of the opinion that:

- (a) a statement which is fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive has been made regarding an exhibit, whether or not the person making that statement was or ought to have been aware that the statement was fraudulent, false, erroneous, misleading or deceptive, or likely to mislead or deceive (as the case requires); or

- (b) an exhibit has or may have been tampered with or otherwise improperly dealt with, then the exhibit and the Exhibitor or either of them may be dealt with in accordance with the applicable regulations.

19. Exhibitors must, if required by the Company, make a statutory declaration in such form and with respect to such matters regarding their entries and otherwise as the Company may in its absolute discretion require.

20. The Company reserves the absolute discretion to refuse to accept any exhibit, Exhibitor or competitor for entry in any event or class at the Show and to withdraw, disqualify, suspend for any period (and particularly future Shows conducted by the Company) or otherwise penalize any exhibit, exhibitor or competitor prior to or in the course of any event or upon the conclusion of any event (whether before or after the event has been judged) and generally to adjudicate on and finally determine any matter whatsoever concerning or in any way related to the Show involving the performance or conduct of any exhibit, Exhibitor or competitor or the presence of any drug (as defined in the regulations printed in the relevant schedule or catalogue) in any exhibit.

21. In exercising its aforementioned discretion the Company may if it thinks fit refrain from:

- (a) giving any reason or reasons for the exercise of its discretion;
- (b) giving notice in advance of its consideration of any fact, occurrence, circumstance or state of affairs which resulted in the exercise of its discretion in a particular manner;
- (c) granting a hearing (with or without legal representation) or accepting submissions (whether oral or written) on any aspect of the exercise of its discretion (including matters involving the withdrawal of an exhibit from an event or the imposition of a disqualification, suspension or other penalty);
- (d) allowing an Exhibitor or competitor who is or may be affected by the exercise of its discretion an opportunity to examine, test, clarify, confirm, question or challenge any evidence or interview any expert or other witnesses to which the Company may have had regard in exercising its said discretion;
- (e) otherwise accommodating the Exhibitor or competitor affected by the exercise of the discretion, as required from time to time by principles of natural justice.

If the Company elects in its absolute discretion to accord natural justice to an Exhibitor or competitor then the Company shall unilaterally determine the content and extent of that natural justice and notify the same to the Exhibitor or competitor.

22. The Company reserves the right to rule at any time that any exhibit, Exhibitor or competitor may not compete. This right remains notwithstanding the Company's acceptance of the entry, its inclusion in the Company's catalogue or the issue by the Company of an exhibit ticket, number or any other document.

23. Subject to regulations in the relevant Prize Schedule, an exhibit ticket will be issued by the Company for each exhibit unless the Company otherwise determines. The exhibit ticket will state the number of the exhibit and its sole purpose is to identify the exhibit. The exhibit ticket must be produced whenever required by the Company or the Steward in Charge at the time of judging.

24. Except with the prior written approval of the Company, no livestock or animals, other than livestock or animals entered for the Show, are permitted on the Show Grounds. Domestic animals belonging to Exhibitors are included in this prohibition.

25. No person, whether the Show is open to the public or not, may ride bicycles or skateboards in the Show Grounds without prior written permission.

### ACCOMMODATION

26. The Company is under no obligation to provide space for exhibits or accommodation for people accompanying the exhibits. However, if the Company, in its discretion, does allocate space for exhibits or space for people to sleep, exhibits may be placed and people may sleep only in the areas allocated for such purposes by the Company. Any personal belongings, equipment or property brought by Exhibitors, their employees or families, to the Show Grounds must be kept in the accommodation lockers or other areas allocated by the Company for storage purposes.

### JUDGING

27. The Company may alter the Judge for any particular class at any time if it deems fit.

28. No competitor or Exhibitor or person acting on behalf of any competitor or Exhibitor shall in any way influence consult or interfere with or attempt to influence consult or interfere with the Judge or endeavour to interfere with his freedom of choice or judgment.

29. No exhibit or person in charge thereof shall be equipped with, wear or display anything which indicates the ownership of the exhibit before or during judging unless this practice is expressly authorised in the regulations in the relevant prize schedule.

30. The decision of the Judge as to the merits of the exhibit and the competitor shall be final and binding whether or not such decision was made or purported to be made in accordance with these or any other relevant regulations and no appeal may be made or order for review or similar order sought therefrom to any court of law or other body on the question of merit of the exhibit or on any matter arising out of or in connection with the manner in which the Judge's decision was made or purported to be made or otherwise.

31. Subject to the regulations in the relevant Prize Schedule, the Judge may award a second or third prize instead of a first prize or may withhold a prize altogether where he considers in his absolute discretion that such prize is not to be awarded.

32. Subject to the regulations in the relevant Prize Schedule, should there be a tie for any placing in any event or class, subsequent placings in that event or class

will be awarded such that the next placing will be the sum of the number of exhibits already placed plus one. (For example, if two exhibits tie for first place, the next placing to be awarded is third.)

33. The Judge may make a reserve number, by marking it as such, of the exhibit next in order beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize, he may also give commendations, in his opinion, they are deserved.

34. Subject to Regulations 20 and 38, where a prize is disqualified, the Company may promote to that prize the exhibit next in order, whether such exhibit was awarded a prize or reserve number. Exhibits next in order thereafter, whether awarded a prize or reserve number may also be promoted to the prize immediately next in order.

35. All prize cards awarded at the Show shall be exhibited with the exhibit for the duration of the period the exhibit is required at the Show.

### PROTESTS

36. An Exhibitor or competitor may protest against an award won by an exhibit or competitor in the same class alleging infringement of the rules or ineligibility.

37. Subject to the regulations in the relevant Prize Schedule, protests shall be addressed to the Principal Officer and be lodged at his office on the 1st Floor, Administrative Building, cnr. DeGraves Street and Plummer Avenue, Show Grounds, before 12 noon the day after the award in question has been made or on the first day of the Show, whichever occurs later. Such protests shall be accompanied with a deposit of \$20.00 which may be forfeited to the Company if in the sole opinion of the Principal Officer the protest is unfounded, frivolous or vexatious.

38. If any exhibit which has been awarded a prize is disqualified the next in order for award does not necessarily become entitled to that or any prize.

39. The protest and all matters arising therefrom shall be determined conclusively as to all matters by the Company and shall not be the subject of any appeal to any court or any order for review or of a similar nature.

### FIRE REGULATIONS

## FACTS ABOUT THE COMPETITION

Victoria's premier competition for commercial woolgrowers was given a major boost this year. The 1991 Weekly Times RASV Commercial Flock of the Year was open to any commercial grower running a flock of sheep from a recognised wool breed. Whether you run fine, medium or strong wool, you were eligible.

The competition aims to find the best commercial woolgrower in four regions of Victoria and, ultimately, the leading grower in the state. Each regional winner will be required to host a field day on their property. As well, the grower will be required to provide a sample of their sheep and be available themselves to be part of The Weekly Times' displays at one major event in each region.

The Weekly Times, Australia's biggest-selling rural newspaper, has taken over the major sponsorship of the competition this year as part of its commitment to sustaining agriculture in Victoria.

The Flock of the Year is run by the Royal Agricultural Society of Victoria, DARA and the Victorian Agricultural Societies Association.

# THE BEST "DAM" CHOICE.

## **Border Leicester Dalgety Farmers Feature Breed 1991 Royal Melbourne Show**

It's been proven over the years that when it comes to breeding prime lambs, the Border Leicester first cross ewes, Border-Merino, Border-Romney and Border-Corriedale, are the best "dam" choice.

# BORDER LEICESTERS ARE THE "BEST DAM CHOICE"

With their distinctive Roman noses, the tall and aristocratic Border Leicesters will make their presence felt at this year's Melbourne Royal Show.

Accorded the unique double of feature breed and feature fleece, the Border Leicesters will generate great excitement and interest in the sheep pavilion.

Breeders have responded to the challenge of the special occasion magnificently, with 22 exhibitors from five states entering sheep for the Dalgety Farmers Border Leicester Feature Show.

The 'big event' marks an important milestone in the Border Leicester calendar, as this year celebrates the 50th anniversary of the Victorian Border Leicester Sheep Breeders Association.

Founded in 1941, the association has a great record of continuity, with many of the current members being sons and daughters, grandsons and granddaughters and even great grandsons and great granddaughters of the founding members.

The Association is the guiding force for breeders in Victoria, maintaining breed standards, organising field days and educational activities, arranging shows, and handling promotions.

While the dates surrounding the first shipment of Border Leicesters to Australia are not clear, it is 110 years since the first stud was registered in Victoria. However records indicate the breed was firmly ensconced and in commercial use in most states prior to 1881.

But if the actual date of arrival is uncertain, Borders are one of the few British Breeds whose origins are not clouded by history. The sheep are lineal descendants of the Dishley Leicesters, made famous by the outstanding work of Robert Bakewell (1726-1795) in England.

The breed's role in the Australian prime lamb industry is best summed up by the green and gold

banners which will be hanging proudly above the pens.

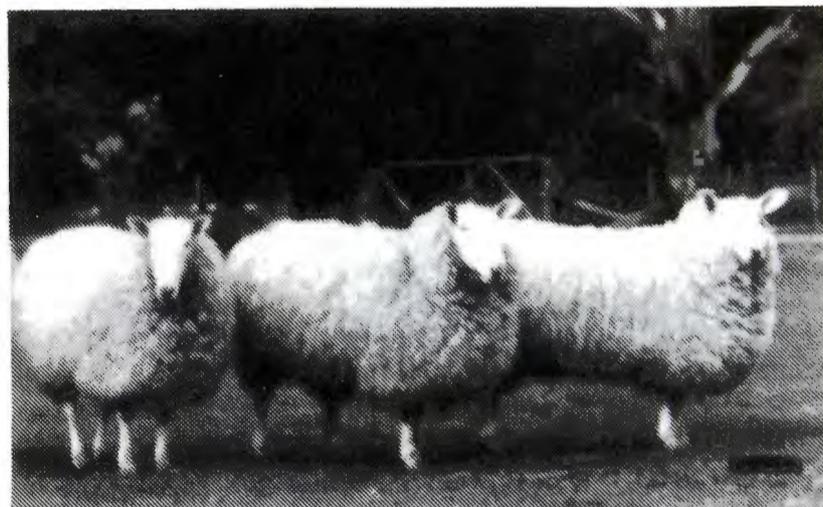

Border Leicesters have a firmly established role in prime lamb production throughout Australia. The breed's consistent performance as a crossing sire has been outstanding. Carcase, conformation, size, leanness, wool, fertility and mothering traits have given the Border Leicester pride of place in the production of prime lambs.

The first cross ewe, derived from the mating of a Border Leicester ram with a Merino ewe, is famous as a mother of prime lambs. Highly versatile she produces a high percentage of lambs when mated to Downs type rams, and has a great ability to rear them well.

In her own right the first cross ewe is a big, robust animal, able to handle most regional conditions, while still producing a fleece of good quality medium to strong wool.

The first cross wether is sought after by the hospitality and catering trades for its lean carcase and larger cuts of meats.

But while the first cross Border Leicester-Merino is widely recognised, Borders also cross satisfactorily with Romneys, particularly in southern districts, and Corriedales (the origin of the Borderdale).

To demonstrate the quality and versatility of the Border Leicester as a crossing sire, the Association has organised pens of Border Leicester crossbreeds, from Merino, Romney and Corriedale mothers, to be displayed in the sheep pavilion.

Borders have retained their popularity in Britain over the centuries, where they are referred to as "the improver sheep." Widespread in England, Scotland and Wales, they cross well with many different breeds and regardless of the cross, the progeny is popular with the meat trade throughout the country.

# BORDER LEICESTERS ARE THE "BEST DAM CHOICE"

As a result of the breed's strength in Great Britain, the RASV has invited top UK judge, Mrs Rosemary Whitcombe, to Melbourne to adjudicate at the feature show.

Mrs Whitcombe has judged at most of the Royal and major regional shows and sales in the UK, and has been a successful exhibitor for many years.

Judging day is Sunday, September 22, with classes commencing in the morning and concluding with the group events under lights in the evening. There are 23 classes, for various ages of sheep, in the wool and shorn, classes for novice and open competition, and sections for groups of sheep.

Because wool quality on the first cross ewe is important, Border Leicester breeders place considerable

emphasis on the fleece.

Border Leicester wool is strong, in the 44-46's range. The staple is long, and the wool should be soft and lustrous with a bold crimp. It is ideal for blending for the manufacture of carpets, but is also very popular for handcrafts as the wool spins extremely well.

Some of Australia's best Border Leicester fleeces

will be displayed in the fleece competition, where classes are available for ram's and ewe's wool, as well as a group of three weaner fleeces and lamb's wool.

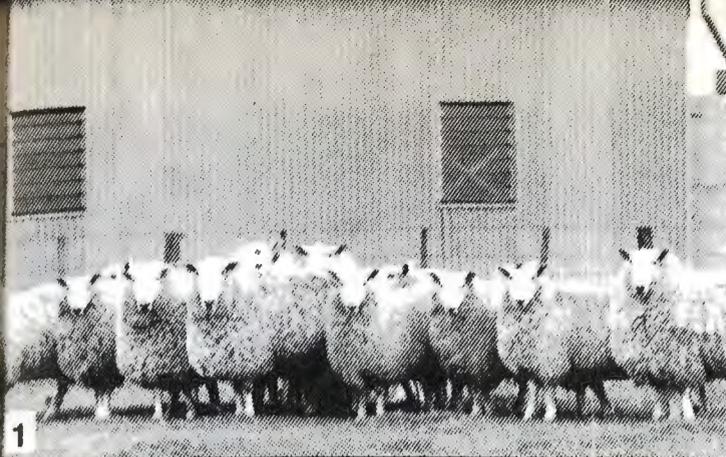

The Association has gathered together a collection of Border wool, fleeces from crossbreds of Border origin, and handspun garments, to highlight yet another use for the versatile breed.

Visitors to the show who see Border Leicesters for the first time are usually captivated by their appearance. They are big, generally intelligent sheep, and their bare heads and prominent Roman noses never fail to attract attention.

The long soft handling wool is yet another unforgettable feature and most people like to feel the handle of the fleece.

Anyone who would like to take a closer look at these magnificent sheep is invited to visit the sheep pavilion, where Border Leicester breeders will be on hand to introduce visitors to their sheep.

1. *Number off from the left please gentlemen! These lads at The Oaks stud aren't averse to posing for a photo.*
2. *Dad's sending the boys back east this year. At least, sons of this ram, Colorado Stirling, are flying over from W.A. to check out the opposition. Pictured with Ken Manton.*
3. *Steward Alan McClelland and wife Laurin make sure this ram has not been fleeced.*
4. *Got you at last! Stan Fisher's grand-daughter gets a firm grip on the progeny of the champion ewe in 1984.*
5. *Wilson Beer seems to be doing anything but pull the wool over anybody's eyes.*
6. *Do I really have to be in it? Three curious lambs, certainly not camera-shy, seem to have dragged in an unwilling mate.*
7. *Royal regulars are NSW entrants, Graham and Isabella Grinter.*
8. *When you are cornered you may as well present your best angle, as these Border Leicester ewes with lambs at foot put a brave face on the inevitable.*
9. *And they are coming from S. A. too, with John Corbin bringing a team to take part in the feature Show.*
10. *Every hard worker deserves a meal break.*
11. *1991 will be the 38th year that Royal Show stalwarts Allan and Val Sedgley have exhibited. This ram, a champion sever years ago, certainly made the trip worthwhile.*

### DURACIDE

#### "TRIPLE TOUGH ON LICE"

Duracide Sustained Action Spray-on Lice treatment for shorn sheep. Contains high levels of alphamethrin (20g/L), a powerful lousicide with high safety margins. The high levels of alphamethrin in Duracide ensure sustained action against reinfestation, hence the guaranteed 10 week protection period.

Duracide can be applied to wet sheep, and rain after application does not affect the products efficacy.

Duracide is sprayed on the sheep's backline with a scourable green dye for identification of treated sheep.

### VANQUISH LONG WOOL

#### "KNOCK LICE OUT OF LONG WOOL AND STRIKE A BLOW AGAINST FLIES"

Vanquish Long Wool is the first and only backline wool treatment to give a total kill of susceptible lice and protect against body strike for up to 10 weeks.

Vanquish Long Wool is a powerful management tool allowing flexible lice eradication and fly prevention strategies over most types of sheep management practices.

Vanquish Long Wool contains high levels of active ingredient (50g/L alphamethrin) ensuring thorough lice control and bodystrike protection.

Vanquish Long Wool contains a fully scourable pink dye for identification of treated sheep, has no withholding period and is effective when applied to wet sheep. It is also effective if rain occurs after treatment.

Vanquish Long Wool is conveniently applied by a single stripe on the sheep's backline, saving manpower and equipment associated with jetting or dipping.

### BASTION

#### PLUNGE AND SHOWER SHEEP DIP

#### "YOUR STRONGEST WEAPON AGAINST LICE"

Bastion ensure rapid lice control-within 1 week of dipping.

Bastion is easy to use-having a low stripping propensity allowing for one mixing rate for dip charging, replenishing (topping up) or reinforcing (dipping out).

Bastion is effective, and is specifically formulated to eliminate lice, including those "backline resistant" strains.

Bastion is suitable for use in all plunge and shower dips and is "Your strongest Weapon Against Lice".

For a Limited time, "Your Strongest Weapon Against Lice" is available in the Bastion Essentials Pack.

The "Essentials Pack" contains all you need for dipping sheep from the first sheep to the last.

# THIS TRACTOR IS ONE IN A MILLION.

In 130 countries around the world, more than a million Kubota tractors have been sold. In fact, Kubota is the biggest selling tractor under 40 horsepower.

There are some good reasons why. High on the list is Kubota's rugged and reliable diesel engine. It comes standard with every tractor Kubota builds.

Also important is advanced engineering. Kubota tractors come with features often found on the best engineered automobiles. For example, fuel-injection and turbo-charging.

Kubota is just as proud of another new idea, no-frills utility tractors that go back to basics.

So if you're looking for a tractor from small to large, you really ought to take a look at a Kubota. A million people can't be wrong.

Putting technology to work.
