The Council shall be regulated in its proceedings by such By-laws as shall from time to time be enacted by it, conformably with the Constitution and objects of the Society; but no By-law shall in any case be altered, or new one proposed, unless notice of such intention has been given at a previous meeting and sent to each member of the Council.

28. The Council shall be the sole authority for the interpretation of these Rules, and of the By-laws and Regulations made thereunder; and the decision of the Council upon any question of interpretation or upon any matter affecting the Society or the administration of its affairs, whether provided for by these Rules or by the By-laws and Regulations made thereunder or otherwise, shall be final and binding on the Members.
