# The Show comes to town

Welcome  
to the  
biggest  
event in  
the event  
state!

**W**ELCOME to the biggest event in the event state. It's the Royal Melbourne Show where the city meets the country for 11 days with agricultural events, competition, rural lifestyle, animal education, food offerings and entertainment.

The Show will be on from September 21 until October 1. It will have a diverse and dazzling array of activities with something for everyone: animals, horticulture, education, main arena entertainment, hundreds of competitive judging classes, events from making jam to woodchopping, as well as fabulous food.

Outstanding new attractions will include rodeo, extreme sports, aquaculture, massed orchid showings, the Fibre Factory and Timber Town.

You can enjoy your time at the Show and not miss any of the Olympic Games action on TV sets around the Showgrounds.

**Rodeo** returns to the Show on the main arena with an international-standard event that promises to be spectacular with riding, wrestling and roping.

The competition will form part of the Rodeo Championship of Australia in 2000.

Relax in the fabulous Lone Star Country Music Muster — hear the biggest and best line-up of country music stars while you enjoy the finest steaks and other great food and drinks.

**XS Zone for extreme sports** will incorporate spectacular displays from the world's best athletes in skateboarding and BMX.

## Internet

FOR those bitten by the Internet bug, the Show has its own Internet site. Visiting this informative and interactive site will provide a snapshot of the Show and what it takes to organise and run the biggest event in the event state.

The Royal Show Internet site address is:  
[www.royal-show.com.au](http://www.royal-show.com.au)

The Show's e-mail address is: [rasv@melbourne.net](mailto:rasv@melbourne.net)

**Aquaculture** shows the latest techniques in this specialised farming business with huge tanks of live fish and educational displays detailing all aspects of this growing industry.

**Horticulture** means many different things and the 2000 Royal Melbourne Show will feature a massed orchids display, other flowers, fruit, vegetables and produce in one of the most impressive exhibitions of the Show in the Coles and Melbourne Markets pavilions.

The **Funtastic Farm Animal Kingdom** near the main car park entrance will take you straight into the farmyard to see and touch animals including bulls, sheep, horses, pigs and goats as your first experience of the Show.

Walk through the Kingdom to see the specially created **MooTown Dairy Industry Showcase** where you can see cows being milked and then follow the processing of milk from farm to fridge.

Walk on into the **Nomad Fibre Factory** — a new interactive exhibit which will display a world of fibre-producing animals and their wool, fur and hair manufactured into a vast array of valuable end products. Of course, no Fibre Factory would be complete without a shearing display and a working sheep dog. You'll also be able to relive the rich history of wool in Australia, thanks to an informative display.

The ever popular **Cadbury Animal**

**Nursery** with its spectacular 'patting paddock' where visitors can have close encounters with lambs, kid goats, piglets, calves, chickens and ducks will be at the Show again as the other major animal attraction.

Visitors will also throng to the huge animal sheds housing the magnificent cattle, horses, sheep, alpacas, goats, dogs, poultry and others which compete for broad ribbon honors.

The **Royal Melbourne Show** has confirmed its status as a leader on the beef cattle showing circuit, with more than 1200 animals entered for the 2000 event.

Quality continues to be the focus of the beef cattle competition. Feature beef breed for the second week of judging is the shorthorn. For the first week of judging, the lowline is the feature breed.

In the horses section, the Show this year will continue to host to some of Australia's best saddle classes, hunting, riding, show jumping, novelty, stockhorse, tent pegging and camp drafting events.

Harness events and judging will be held during the evening, under lights (not racing), while the most sought-after equestrienne trophy in Australia for lady riders, the Garryowen, will be contested on the morning of Friday, September 22.

The competition this year has a fabulous new event — The National Pony Club Prince Philip Mounted Games — which is a battle of skill and horsemanship, contesting 21 novelty-style events including ball and racket, stepping stones, hurdles and balloon bursting, that is guaranteed to have the crowd on its toes on Sunday, October 1.

Outstanding entertainment is another passion of The Show. As well as the **Country Music Muster**, Show entertainment has continuous street theatre and other performers.

The pavilions at the Show house a thousand surprises to delight Showgoers.

The **Dairy Foods Pavilion** showcases Victoria's best dairy cuisine in the form of winning produce from the Royal Melbourne Dairy Show.

The **Art & Craft Pavilions** cater for all tastes, from prize-winning photographs and paintings to cooking demonstrations.

The **Rural Pavilion** includes displays of alternative farming and different foods such as yabbie pies and venison burgers, plus stalls featuring natural products.

The **Advantage Australia Pavilion** (formerly Whisky Hill) will feature quality Australian-made products and Advantage Australia, the only buy Australian loyalty program, with Interflora flowers and fashion parades on stage and a live-in storyteller.

The **Government Expo** mixes entertainment with information and the latest technology with traditional fun.

Take the hassle out of getting to The Show — go by train! It is quick and convenient and drops you right at the gates of the Showgrounds.

The Show is open 8.30am-10.00pm daily except the last day, (October 1) when the Show closes at 8.30pm.

Some pavilions and halls open later and close earlier each day.

# Rodeo

OUTSTANDING new and enhanced attractions at the Show this year include a full-blooded

international-standard Rodeo, close by the upbeat Lone Star Country Music Muster; a spectacular XS Zone for extreme sports; a stunning aquaculture display; massed orchids; the fabulous Nomad Fibre Factory with displays, educational shows and demonstrations; the magnificent Fantastic Farm Animal Kingdom alongside MooTown Dairy Industry Showcase; and Stihl & Kennards Hire Timbertown.

Rodeo returns in the Main Arena and promises an action spectacular including saddle bronc, bull riding, steer wrestling, steer roping and a women's barrel race.

The rough-and-tumble excitement of rodeo makes a welcome return to the Royal Melbourne Show this year. For four nights from Thursday, September 28, the Bundy Gold Melbourne Show Rodeo will bring Australia's best professional riders together as they bronc, wrestle and barrel race their way around the Main Arena.

And it's all a part of the Australian Championships, so you can be sure entrants will be giving it their all.

With so much at stake, there'll be plenty of bucking and bone-crunching action as competitors throw their legs over some of the toughest rodeo animals around.

For those that can't make it to the full rodeo, a display will be on every evening from Thursday, September 21 to Saturday, September 23, with bareback bronc, saddle bronc and bull riding.

# Yellow brick road

FOLLOWING *The Weekly Times* Yellow Brick Road is one of the most rewarding and enjoyable ways to see the Show.

The road takes visitors on a grand tour through the Show's most exciting pavilions and exhibits with something special to collect at each stop.

The journey starts by paying your \$8 toll at any one of five sites in the Showgrounds, including *The Weekly Times* General Store. There, travellers can collect their collectible bag and map and proceed on their journey.

If you bring a calico bag from previous years you receive a 50 cent discount.

The yellow road is clearly marked and easy to follow. By presenting the collectible bag at each of the listed pavilions visitors can pick up an array of free edible treasures.

This year there are a host of new items to collect, including Bulla ice cream from the Dairy Pavilion, drinking yogurt from the Girl Guides, noodles from the Harvard Pavilion and SPC Cool Fruits from the Advantage Australia Pavilion.

Another stop is at the Fibre Factory to pick up a sample of wool taken from a descendant of John Macarthur's first merino stud.

Other healthy favorites to collect include apples, kiwi fruit, tomatoes, sultanas and pears.

So follow *The Weekly Times* Yellow Brick Road for a fun and healthy day at the Show.

There will be daily instant prizes as well. The major \$50,000 cash prize will be drawn on the final day of the Show.

## Tanks for the fish

FROM crustaceans to cod, you'll discover the wonders of our water-based bounty at the Royal Melbourne Show's aquaculture display.

This new attraction will reveal the secrets of this growth industry which is responsible for putting an increasing amount of fish and other seafood on plates all around Australia and the world.

On display will be a huge variety of fish including cod, trout, salmon, silver and jade perch and bream. There will also be huge tanks full of eels, yabbies, abalone, mussels and lobster.

And while you may think it looks easy, you'll be surprised at the technology and skill required to breed and feed these fresh and saltwater morsels. Breeding programs rely on the right water temperatures, filtration and specially formulated diets.

Highly trained industry representatives from Fishing Victoria, the Department of Natural Resources and Environment and other aquaculture sectors will be on hand to make sure your visit is an informative journey.

# Animal attractions

all your animal favorites are at the Show

WHAT do kids want to see when they come to the Show? Animals!

This year the Show makes it even easier for the young and young at heart

to get up close and personal with a host of animals usually found on the farm.

An expanded animal precinct starts with the introduction of the new Nomad Fibre Factory and runs right through from The Show's main carpark entrance for hundreds of metres along Lennon Avenue to the Cadbury Animal Nursery.

The precinct begins with the Funtastic Farm Animal Kingdom, where animals rule the roost — although they don't mind the odd pat or scratch.

Among the friendly four-legged inhabitants of this exhibit, you'll find ducklings (in a special pond), pigs and piglets, a variety of stud cattle and their equine pals (including a Shetland pony), a towering Clydesdale and a stunning Pinto.

From a purpose-built ramp, patrons can see for themselves the impressive size of stud bulls and give them a well-deserved tickle under the ears.

A couple of steps away from the Funtastic Farm Animal Kingdom is MooTown, The Dairy Industry Showcase, where you will discover how milk gets from the cow to the carton.

MooTown shows what it's like to be a dairy farmer and explores the many scientific, technological and commercial skills that can be developed as part of a dynamic, forward-thinking industry.

The exhibit includes interactive displays about how milk becomes many other products like butter and cheese.

Animals form the main attraction of MooTown, with milking displays held on the hour while games also give patrons the chance to win samples of dairy products.

The newest animal attraction within the precinct is the Nomad Fibre Factory.

Adjacent to MooTown, the Nomad Fibre Factory showcases the animals that make up the Australian fibre industry including seep, goats and alpacas.

Shearing and working dog demonstrations will be held on the hour accompanied by expert commentary, while a variety of sheep, alpacas and goats will be penned within the exhibit to give patrons a first-hand look and feel of Australia's fibre-producing animals.

And the Show's favorite, the Animal Nursery, has received a fabulous facelift thanks to new sponsorship with Cadbury.

The Cadbury Animal Nursery will be splashed with a new coat of vibrant purple paint, while a new feeding feature allows patrons to find out what goes into the diet of the Nursery's chooks, ducks, goats, the odd donkey and a calf or two.

Don't forget inside the Nursery you'll find the famous patting paddock where young patrons can nurse a lamb or inspect a piglet — if you can catch it!

## Crafty demos

EVERY day will be a free demonstration day in the Art and Craft

section. The demonstrations will be held in the P.B. Ronald Pavilion (Map ref. D3) and the Family Circle Books Art and Craft Pavilion (F5) at various times during the Show.

They will cover everything from Family Circle Books cooking and craft demonstrations and cake decorating, to bead craft, folk art, calligraphy, mouth and foot painting, tapestry and ceramics.

## Trade fair

THERE'S a special retail experience waiting in The Weekly Times Livestock Pavilion for Show patrons on Sunday, October 1.

About 50 stands will fill the Pavilion to create an amazing market atmosphere where you can buy everything from Chinese lanterns to dog collars.

Each stand is the result of a group of young people's dedication and hard work under the Young Achievement Australia (YAA) Business Skills program, sponsored by Small Business Victoria.

Under YAA, groups of young people (secondary

and tertiary students, graduates and the unemployed) form their own company, make their own products and market, promote and sell them. Then the company is liquidated and any profits are distributed to shareholders.

On that Sunday at the Show, each company will be doing its level best to sell its product.

There will be judges on hand, taking into account the look of the display, customer service and pricing. So come and get some retail therapy and help out our future businessmen and women.

# Fur, feathers & other animals

THE Royal Melbourne Show is a mecca for thousands of beef and dairy cattle, sheep, alpacas, horses, cats, dogs, rabbits, guinea pigs and cage birds.

There is hardly a day goes by at the Show without a grand champion ribbon being presented to a prize-winning animal and its proud handler or owner.

In 1999 there were more than 32,000 animals of all description at the Show and in 2000 the Royal Agricultural Society of Victoria is expecting even more.

The beef cattle display has almost 1300 entries. Feature breeds this year are the lowline in week one and the shorthorn in week two.

In the dairy cattle section the holstein is the feature breed and in the sheep section the border leicester is the Show's highlight.

The alpaca display is not to be missed, with almost 300 animals on show.

One of the Show's favorites, the cat

judging, has a new home this year, having moved from the Pet Precinct to a new location (formerly the Paddock To Plate Pavilion).

Cat judging is held from Sunday, September 24 to Sunday, October 1 except for the second Friday, September 29, when every cat gets a chance to show off in a general display just for the public.

Show patrons are encouraged to come along and view the cat judging and see some of the country's favorite felines.

For our feathered friends, the feature breed in the poultry section is the Australorp. Cage birds will be in the new Cat Pavilion on Thursday, September 21 and Friday, September 22 while Cavies will be in the same pavilion on Saturday, September 23.

And no Show would be complete without rabbit judging, which this year will be held on the first Saturday, September 23 on the mezzanine floor of the Mitchell Stand.

# What's new

RELAX in the fabulous **Lone Star Country Music Muster** and hear the biggest and best stars.

**XS Zone** will have the world's best skateboarding and BMX athletes.

**Aquaculture** will show off the latest techniques in this specialised activity. In **Horticulture**, the Coles and Melbourne Markets pavilions will feature a **massed orchids display** as well as an array of flowers, fruit, vegetables and other produce.

The **Funtastic Farm Animal Kingdom** introduces you to the farmyard animals. Walk through the **MooTown Dairy Industry Showcase** and watch cows being milked.

**Nomad Fibre Factory** will show how wool, fur and hair is manufactured into a vast array of valuable end products. The **Cadbury Animal Nursery** is back with its "patting paddock".

# Extreme sport debuts at Royal Melbourne

EXTREME sport will land at the Royal

Melbourne Show in a big way with the launch of the XS Zone.

The XS Zone is a brand new attraction, featuring a purpose-built vertical ramp that will host some of the best extreme sports exponents from Australia and the United States.

The XS Zone has seating for 1000 to provide Show patrons with a bird's eye view of all the moves pulled by BMX riders and skateboarders as they go off in an awesome display of their unique talents.

Included in the Royal Melbourne line-up are Maple's Charlie Wilkins, 151's Neil Heddings, Peter Hewitt and Darren Navarette, the Huffu BMX Team and BMX dirt bike jump demonstrations.

But the XS Zone action does not stop there. On the final day of The Show (Sunday, October 1), the XS Zone will host Xtreme Xposed — a qualifying round of the vertical in-line skating and vertical skateboarding for the Summer Xtreme Games, to be held in Melbourne in December 2000.

The qualifying event alone (scheduled for 12-3pm) will see more than 60 of Australia's best in-line skaters and skateboarders in action.

And to cap off a truly extreme day, the Huffu BMX Team, along with skateboarders and in-line skaters will put in the big ones for their XS Zone finale.

The Royal Melbourne Show XS Zone is proudly supported by XSIQ.

Session times may alter depending on weather conditions.

# Music muster will get your feet tappin'

THE masters of country music will gather at one of the Show's biggest attractions — the Lone Star Country Music Muster.

The Muster proved extremely popular in 1999 and 2000 will be no different.

It's a great place to relax, hear some great musicians and enjoy the finest steaks and other food and drinks every night and day.

There's also plenty of room to get off your butt and bootscoot the night away on the huge dance floor in front of the stage.

Headlining the talent in the Music Muster is the internationally renowned Canadian band Blue Rodeo, comprising Jim Cuddy, Greg Keelor, Bazil Donovan, Glenn Milchem, James Gray and Bob Egan.

Further foot stompin' rhythms will be provided by Treacle Line, featuring Keith Pearson, Jasper Dingwell and Seth Pitt.

And in their only Melbourne performance for spring 2000, Wolverines will be performing two sets each night on September 28 and 29.

Others scheduled for the Muster include Crakajack, Cyndi Boste, Kerrigan La-Broody, the Country Party, Shonky Tonks and Doug Mansfield and the Dust Devils.

# Street Theatre will keep you entertained

THE streets of the Show will be lined with roving entertainers who specialise in impromptu performances that will have you and the kids laughing all the way to the ferris wheel.

Be on the look out for the likes of Grandma, a performance phenomenon in polyester.

She is an exuberant older woman, charming, witty and very musical.

Armed with her accordion, Grandma can belt out the latest in pop music or wind the clock back and play a few golden oldies.

With her cross-country, four-wheel vinyl shopping jeep fitted with state-of-the-art shock absorbers, Grandma is mobile and equipped for any situation.

Then there's the Howdy Cowdies, aka Sassafras Sal and Wyalong Willy, known for their thigh-slapping fun and mobile tricyclerator theatre.

The Howdy Cowdies will have you in fits of laughter as they present a delightful visual spectacle, with their colorful costumes and language.

The mobile Howdy Cowdies show includes duets and hair tinglin' harmonies with the accordion, guitar and ukelele.

The culmination is a show stoppin' cigarette knockout with a seven-foot long bullwhip!

And if that's not enough to keep everyone agog, the Agro Techno Expo Mumbo Jumbo Show is an over-the-top display of fringe farm technology, rural eccentricities, grass roots music and games.

In short, it's a rural variety show, hosted by long time Royal Show regular, Alf Dundy and Professor Hayworth Ramsbottom — inventor extraordinaire from the CSIOU.

A special part of the act will be the opportunity of audience involvement where kids will be invited to exhibit their parents (or siblings or a friend) and lead them around the Main Arena as part of the Grand Parade.

Of course, there will be judges to peruse entrants in classes including Best Mother With Child in Pusher and Two Children Under 10-years-old at Foot and Best Father With Funny Hat.

Like all Show judging, winners of this special Grand Parade will be awarded ribbons and rosettes.

# Take your taste buds for a ride at the Melbourne Show.

Dairy Farmers would like to invite you to the tastiest event at this year's Melbourne Show. Come along to the Dairy Industry Hall, and you'll be able to sample some of the wonderful range of Dairy Farmers yogurts, cheeses, and flavoured milks.

We'll even be hosting a special wine and cheese matching function during the evening, which

promises to be as educational as it will be fun.

There'll also be a large selection of milks, cheese and biscuits, and yogurts on sale at our stand, to keep you going throughout the hectic day.

So while you're enjoying this year's show, make sure you come and try some of Australia's dairy best.

# Seasons of change

## sweep into Art and Craft

ART and Craft will take on a new look at the Show this year with the introduction of a Seasons of Change theme.

The theme will enhance the popular Art and Craft exhibition, renowned as one of the most comprehensive displays of the finest handiwork in Australia.

Seasons of change incorporates Summer Magic, Autumn Adventure, Winter Warmers

and Springtime Carnival. This will no doubt add to the special atmosphere of the Art and Craft section where Show patrons can view thousands of award winning cakes, pottery, knitting, tapestry and painting.

The Art and Craft exhibition is located in several venues throughout the showgrounds.

Cooking demonstrations presented by Jody Vassallo from Murdoch Books and Family Circle Step By Step Cookbooks will show you how to cook up a storm in Art & Craft

Pavilion 2, which is where you can also buy Family Circle Cookbooks and cookbook showbags at special prices.

On the lower floor of the PB Ronald Pavilion, the Art and Craft display includes tapestry, ceramics, parchment, foot and mouth painting and folk art.

In the Angliss Gallery, a feature will be the Bushells Teapot Exhibition where you'll see hundreds of classic and millennium-style teapots.

# Exotic orchids

## blossom at the Show

GARDENING zealots can enjoy a fascinating new addition to the horticultural bounty at this year's Show.

To celebrate the orchid, arguably one of the world's most

exotic flowers, the Show will host the largest display of these blooms ever assembled in Victoria.

The inaugural Royal Agricultural Society of Victoria Town & Country Orchid Expo 2000 will be held in the Coles Hall of Horticulture.

Another highlight will be the search for the Show's best orchid.

Judging will be divided into two stages: the first from Thursday, September 21 to the next Monday; the second from Tuesday, September 26 to Sunday, October 1.

Other activities in the Coles Hall of Horticulture include cooking demonstrations and giveaways of hydroponic produce like tomatoes.

Plus, you could win a \$300 supply of produce from your local Fresh Daily greengrocer in this Melbourne Markets & Leader Newspapers Competition.

# Timber town

## pioneer skills on show

WOOD is the star of one of the Show's new

attractions in 2000—

Timber Town.

Located on the Woodchop lawn, Stihl and Kennards' Timber Town will display the beauty and many uses of this natural resource that has played such a vital role in the building of a nation.

It will host a variety of craftsmen, each an expert who can demonstrate how wood can be transformed from a freshly sawn log to a post and rail fence or how to use old-fashioned equipment such as an adze.

These skills and tools, often forgotten in today's modern, automated world, are a refreshing reminder of our rich heritage and the pioneering spirit of our forebears.

The masters of wood at Timber Town will also demonstrate other skills such as shingle making, cross-cut sawing and crafting old-fashioned children's toys.

And to show us how it's done using modern equipment, Timber Town has secured the services of several of Australia's best chainsaw sculptors.

You'll be amazed at the intricate detail that can be achieved by such powerful tools as the sculptors gradually carve their way through log after log to produce wooden works of art.

By spending some time at Timber Town you'll start to appreciate just how important timber is to our lives today.

Another important part of Timber Town is the ever-popular Mitre 10 Working With Wood display where kids can learn some of the basics of wood working under the supervision of experts.

Working with Wood's theme for this year is "Every kid needs a shed".

The activity, run by Monash University Faculty of Education, encourages children to explore their creativity by making virtually anything they like from timber pieces provided.

The highly interactive attraction is structured into two sections, one for children in Prep grade or younger and one for children up to 14 years of age.

The activity is free and will run from 10am-6pm daily.

# Dogs have their day

every day at The Show

NOT a day passes at the Show when dogs can't be found putting their best paws forward in the judging rings of the William Cockbill and Woodfull Pavilions.

Judging is from 9am-5pm daily.

Three new breeds will be among the more than 5000 entries in the 2000 Royal Melbourne Championship Dog Show, sponsored by Pedigree.

The new breeds are the eurasier, lagotto and petite basset griffon vendeen.

Judges listed for this year's canine competition include Canada's Flora Mackenzie, who will officiate for breeds such as boxers and australian kelpies.

Argentina's Werner Kirschbaum will judge terriers and gun dogs along with Canadian, Phyllis Wolfish, whose judging duties include rhodesian ridgebacks and whippets.

Sue Lynn Tong, from Singapore, will judge pekingese and poodles, among other breeds. Dog-lovers should also note that on Sunday 24 September, a special lunchtime ceremony will be held to honor the dogs who work in the community.

The annual Best Canine Service to the Community Award will be presented to the Quarantine Detector Dog Unit (Melbourne) in recognition of its tireless efforts. Further dog action will take place when Flyball makes its debut at the Show.

Flyball is an action-packed relay event for dogs of all shapes and sizes that is hugely popular among dog clubs.

It will be staged in the Woodfull Pavilion on Sunday 1 October.

Flyball is a fast-paced and exciting test of a dog's speed and agility, usually conducted as a relay for teams of four to six dogs.

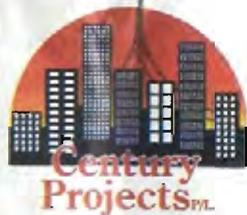

The relay involves a dog completing a series of jumps, grabbing a ball, then returning the ball to its owner by going back over the jumps.

The winning team is the one in which every dog has successfully completed the jump course and returned to its owner (with ball in mouth) in the shortest time.

Open to all-comers, the Flyball is a recipe for fast and furious canine capers guaranteed to entertain and enthrall the whole family.

Other Show highlights of the Royal Melbourne Dog Show include the action-packed Agility Trials (held outside the judging lawn, Sunday 1 October), the nerve tingling Obedience

judging (held most nights from 6.30pm) and the popular Pedigree Superdogs, performing at lunchtime and evenings on the lawn dog-judging ring.

The Main Arena

The place for action

ONCE seated in the many stands that surround the Showgrounds' Main Arena you're in pole position to enjoy some of the best family entertainment in town, courtesy of The Show.

This year's Main Arena attractions are guaranteed to have you and the kids gasping in awe, applauding, laughing and wondering how so much action can be packed into the one venue for 11 days.

There's the thrills and spills of the rodeo, one of the Show's brand new attractions made specially for a big venue like the Main Arena.

Cowboys and cowgirls will take centre stage for four nights from September 28 in a full-on international event.

Horses will provide plenty of further action in the Scurry Racing, where pairs of horses and ponies go flat out in an action-packed harness event that pits horse and driver against a challenging obstacle course.

To horses of a different kind, and you will not believe the power and grace of the Hyundai Precision Driving team.

Each driver is in control of a powerful V6 Sonata and together they perform stunts such as driving on two wheels and jumping from ramp to ramp.

The action continues with the MFB in Action where you'll see some of Melbourne's finest firefighters put through their paces in a

20-minute test of their skill and physical fitness.

In this action packed attraction, firemen are required to carry a long length of hose, pull a life-sized mannequin over a certain distance and pound a large steel sled with a sledge hammer — all while wearing full fire fighting equipment, including protective clothing and breathing apparatus.

The competition to see who performs these tasks the quickest will be red hot, so don't miss it.

Your competitive spirit will be further aroused by the Australian Hercules Strongman Challenge on Saturday, September 30 and the following Sunday.

Starting at 6.00pm, the Challenge will pit man mountains (most competitors are taller than six foot and weigh more than 120kg) against each other in acts of incredible strength and willpower.

There's the Atlas Stones of Strength, Car Rolling and Viking Axe Hold, just to name a few.

And there's no better way to end a day at Royal Melbourne than with a fireworks spectacular, thanks to Sunkist.

The fireworks will burst into the heavens every evening of the Show for a dazzling sky display of pyrotechnics.

The Olympic action

YOU won't miss any of the Olympic Games action when you visit the Show.

More than 60 television sets have been installed around the Showgrounds so you can enjoy all the Olympic achievements.

There's even a large screen near a main thoroughfare for visitors to watch.

## Bush Poetry on show

A TOUCH of real folklore comes to The Show this year with performances of Bush Poetry over five days in a unique setting.

Colin Munro, Bob Magor and Geoffrey Graham — all fine poets and balladeers in their own right — will be appearing in the colorful A Thousand Campfires Bush Pub, which will provide just the right atmosphere with magnificent tucker and fine drinks.

Colin, Bob and Geoffrey will be on stage between 11am-3pm from September 26-30, reciting some of the great verses penned by Australia's finest bush poets.

## Woodchop

world woodchop title to be decided at The Show

IN A first for Royal Melbourne, a woodchopping world championship title is up for grabs as part of 10 days of axe-wielding action in the Stihl and Kennards Woodchop pavilion.

The chance to take this coveted title has drawn a world-class field including New Zealanders Jason Wynyard (a renowned world champion axeman) and David Bolstad, Bruce Winkel from Queensland and David Foster from Tasmania.

The world championship will be a thrilling visual event that combines two of

the most popular wood chopping disciplines - underhand and standing block.

There will be three heats to decide who will be in the running to take the world title that has a total prize purse of \$5000.

The world championship will be decided on day six of the Show, Tuesday, September 26 which has officially been declared Woodchop Day.

Woodchop Day will also feature the second match of the Australia versus NZ Test series and heats of the tree-felling, underhand handicap and hard-hitting events.

No matter which day you're at the Show, a stroll to the Stihl and Kennards Hire Woodchop pavilion will be a memorable experience, fueled by the competitive spirit of the men and women devoted to this highly skilled sport.

## Fine dining

a Show time speciality

SHOW patrons can indulge themselves in a huge variety of food, from the staples of the sideshow to a large selection of new and interesting treats for the discerning foodie with a more adventurous palate.

### The Global Gourmet

Located in the Schweppes Arcade, the Global Gourmet is a veritable smorgasbord of cuisines that make Melbourne famous, including Stavros (of the multi-award winning Stavros Tavern).

As well as his famous restaurant menu, Stavros will tempt patrons on the go with his delicious lamb souvlaki.

Further along the Arcade, the Showgrounds welcomes a new concept in quality beverages.

The Royal Standard Hotel (West Melbourne) will be operating a fantastic new bar with a firm focus on some of the finest draught beers from here and abroad.

Try an ice cold Stella Artois or everyone's winter favorite, Guinness.

Old favorites in the Arcade include African, Italian and Vanuatu cuisines.

### The Country Music Muster

Another success story from the 1999 Royal Melbourne Show is the Country Music Muster.

Lone Star Steakhouse and Saloon is the ideal place to savor the tender succulence of a ribeye steak, a serving of delicious BBQ ribs, or even its special Buffalo Wings.

For those with a little less time, Lone Star has a fast take-away window, perfect for a quick steak sandwich. Or why not try a wood-fired pizza, straight from the oven or a tasty gourmet sausage, served in crusty damper roll.

If you've already eaten, or are just in for a quick spot of line dancing, there is also the general store with its selection of quality coffee and mouth watering lamingtons.

Along with the great live music, eating has never been so much fun.

### A Thousand Campfires Bush Tavern

Everyone loves a traditional Aussie

country pub and A Thousand Campfires is no exception. The menu includes steak and kidney pie, silverside served with creamy mashed potato, hearty casseroles and damper.

Your day at the Show would not be complete without trying one of the chef's special steak sandwiches, made with tender Hereford Prime striploin.

Relax in one of our many comfy couches while you enjoy a basket of crispy potato skins or our special garlic damper.

Enjoy the warmth of the roaring fire or watch the world roll by from the beer garden.

And no pub visit would be complete without an ale or two.

### Paddock to the Plate

In the tradition of some of Victoria's finest outdoor food festivals, Paddock to the Plate will feature an exciting selection of gourmet dishes in a harvest picnic atmosphere.

Set among the trees on the Network Ten Family Entertainment Lawn is a festival of food that is truly the Best of the Land. From organic noodles to gourmet sausages and fresh fruit, guests can graze their way through lunch, all the time enjoying the non-stop free entertainment.

### Country Women's Association

The CWA continues the tradition into the new century with its famous home-made scones, hearty breakfasts and warm cuppas.

### Remember to leave room for

If you are hungry after all that, there is still plenty on offer. The Rural Pavilion features everything from delicious yabby pies, venison burgers, and home-made ice cream to traditional Dutch poffertjes.

If that's not enough, there are at least 40 other catering outlets around the grounds to tempt you.

Large TV screens are located in most of the catering outlets like the Cattleman's Bar, the Golden Rice Bowl Chinese Restaurant, Degraevs Street Food Hall and the Bushells Tearooms for the Olympics.

## Royal Melbourne Show a haven for fine horse flesh

HORSE lovers should hoof it down to the Royal Melbourne Show where they'll find one of the biggest displays of equine excellence in Australia.

The National Pony Club Prince Philip Mounted Games is new to the Royal Melbourne Show. It is a battle of skill and horsemanship that is guaranteed to have the crowd on its toes.

The mounted games, which is hosted by the Pony Club Association of Victoria in 2000, sees teams representing all states of Australia contesting 21 novelty-style events including the ball and racket, stepping stones, hurdles and balloon bursting.

Most of the events are held in a relay

fashion but they also include "gung ho" sprints.

A pool of ponies will be rotated through the mounted games schedule, adding a challenging twist for competitors who must quickly adjust to a different animal each time they step up to compete.

The Prince Philip Mounted Games will be held on Sunday, October 1 on the final weekend of the Show.

Also there will be some of Australia's best hunting, riding, showjumping, novelty, stockhorse, tent pegging and campdrafting events. The most sought-after equestrienne trophy in Australia for lady riders, The Garryowen, will be contested on the morning of Friday, September 22.

In the showjumping stakes the Group A Prince of Wales Cup will be held in the evening on Thursday, September 28 in the Main Arena while the challenging six-bar event is scheduled for 6.30pm on Friday, September 29 in the Main Arena.

Up and coming, enthusiastic and experienced judges will preside over the various horse classes. They will be mixing it with their more senior counterparts like the renowned Scottish clydesdale judge Neil Christie.

Christie is a fourth generation clydesdale breeder under his family's famous "Dalfoid" stud name. He has produced animals keenly sought by Australian enthusiasts for more than 25 years.
