# CHOP CHOP!

Watch as the toughest axe men and women battle for top honours during the high-speed test of strength in the Woodchop Championships.

The chips will fly in the Woodchop Pavilion as some of the strongest Show athletes battle out the standing block, sawing, underhand and tree felling events.

Tree fellers compete in arguably the most difficult woodchopping event, testing skill, strength and accuracy. Competitors race their way up the tree pole and cut the log at the top while standing on a board almost 2m in the air.

Then there is the thrilling Axe Throwing, which sees competitors stand 6m from a target, aim and throw! The axe must lodge in the target, cutting into a scoring area.

The Royal Melbourne Show Woodchop Championships attracts the world's best woodchop athletes.

Woodchopping has been a feature of the Royal Melbourne Show for more than 100 years.

The range of woodchop events at the Show are a test of brute strength, fitness and fine skills.
