

## WW2 CAUSES CANCELLATION OF ROYAL SHOWS FROM 1940 TO 1945

Not for the first time the dark clouds of war had ramifications for the Royal Agricultural Society. In 1940, the precinct was the subject of a requisition from the Defence Department, with the R.A.A.F. becoming the tenant until January 1946 (see pic below: A Kittyhawk being craned out - a Mustang in the foreground was to be next).

## 1946 Royal Agricultural Society Show (September 19 - 28)

Mr. B. O'Sullivan was appointed judge in 1946 and he selected two first time stallion champions in Dixie Wah (square-gaiter) and Noble Scott (pacer), the latter being one of a massive N.Z. consignment imported by the Abrahams brothers.

# 1947 TRACK REVAMP FOR NIGHT TROTTING REVOLUTION

As soon as it was confirmed that a new body, The Trotting Control Board, has been legislated to control Harness Racing in the State of Victoria and that the Showgrounds track would replace Ascot as the metropolitan circuit, work commenced to upgrade the existing track to exactly 660 yards and the width from 30 feet to 45 feet following the 1946 Royal Show. New light towers and banks of arc lights that would illuminate the reflective shellgrit surface were installed. The first trial took place on 10th September, 1947 with Majestic Light the "winner". The full field was:-

**MAJESTIC LIGHT (G. Gath) 1st**

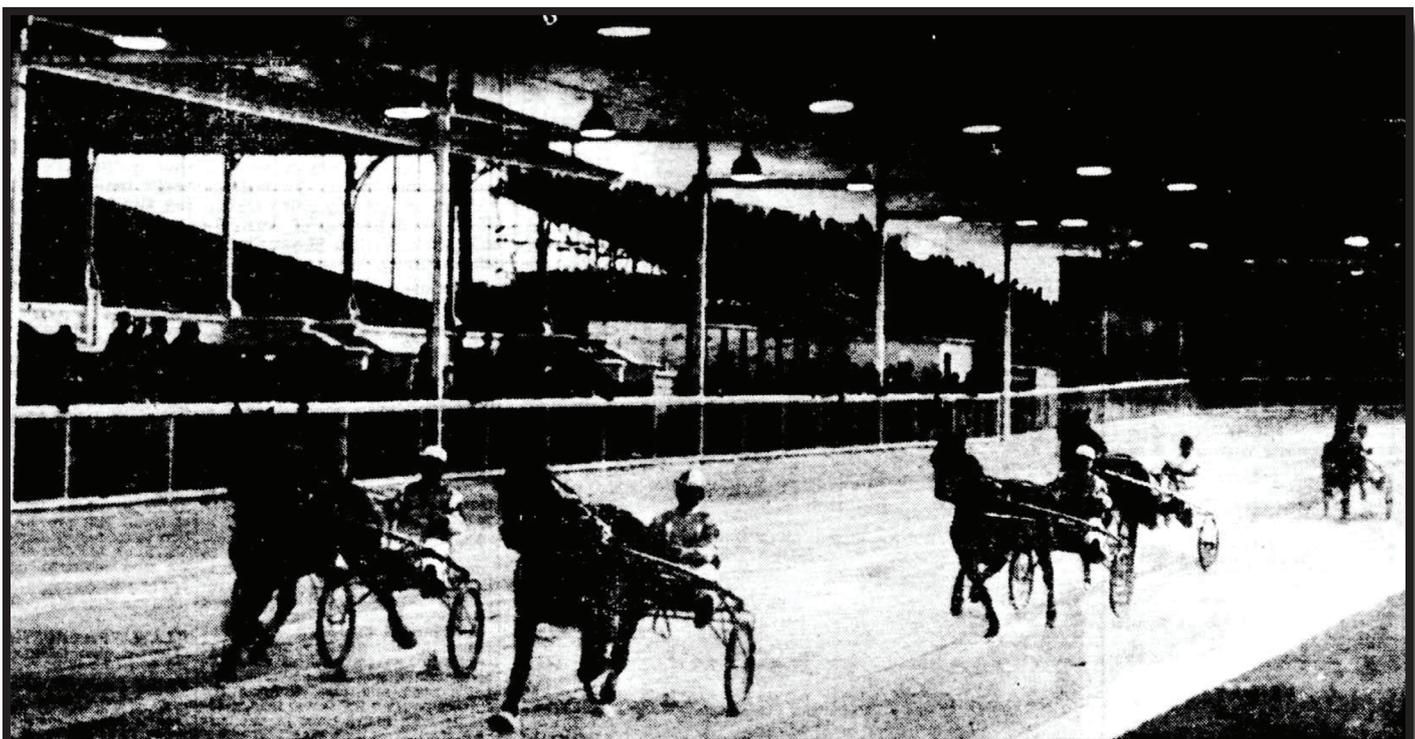

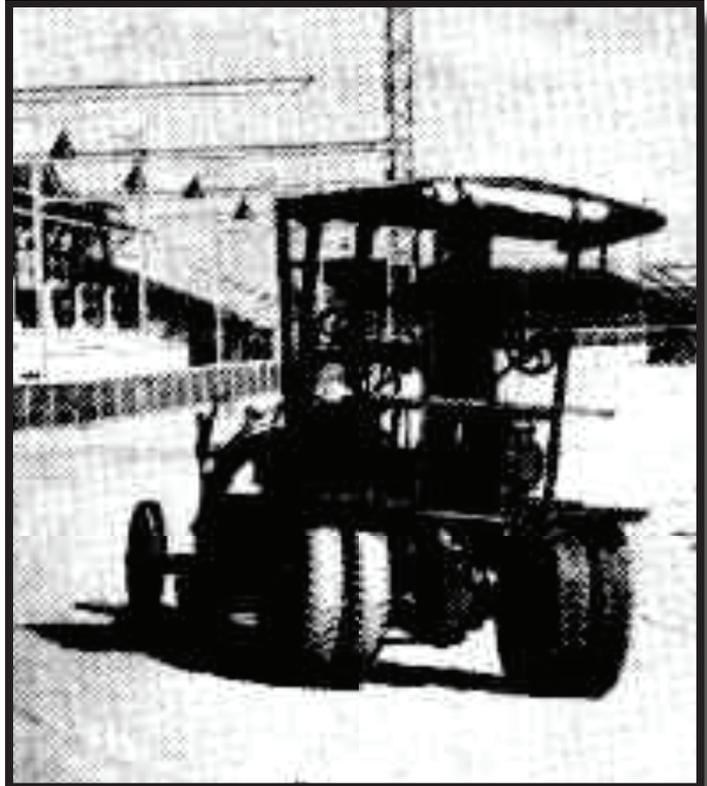

**Silver Dixie (Burke) 2nd**

**Amorous (A. Gath) 3rd**

**Others: Royal Joke (R. Brown), Chico (R. J. McCabe), Dakar (D. J. Mann), Royal Roger (F. Richardson), Peter Raider (J. Agnew), Raiarmagh (J. Stamford), Dawn Raider (D. Fitzpatrick), Esme Derby (J. Barron), Trusty Prince (E. Patten).**

The track was described at the time as being "perfectly graded, with a good depth of shell grit obtained from the Lara district."

The width of the track is 45 feet and it was planned that fields of 16 or 17 could be accommodated without any chance of overcrowding and the long straight will give all the backmarkers a better chance.

# 1947 Royal Agricultural Society Show (September 18 - 27)

Former multiple leading metropolitan driver and trainer Jack James returned as judge of the Trotters and the crowd witnessed the anointing of two new Grand Champions in the trotter Count Sure and the pacer Panther.

Breeders and owners Harry and Frank Abrahams of Meadowbrook Stud were successful twice with their broodmare exhibit Yendon Princess, the mare Roseambia and a yearling filly by their resident sire Noble Scott.

So far as action in the arena, once again 21 races were programmed, however, they produced less racing contests due to the increased width of the track. In all there were 65 racing contests, 32 during the day and 33 at night.

# DEATH OF ALICE LAIDLAW - INAGURATION OF MEMORIAL TROPHY

Alice McCulloch was born in 1894 at Deniliquin, NSW, and grew up on the family's 56,000 acre property at Navarre, "North Woodlands", where her father dabbled in thoroughbreds, once standing the stallion Pilgrims Progress, the leading sire of Australia in 1902-03 and sire of Prayer Wheel, the grandam of the immortal Phar Lap.

Thankfully for Alice and indeed Australia it was fortunate that her family's wealth allowed her to indulge her love of the horse and excel in absolutely every aspect of equestrian endeavours. In 1923 she married Adam Alexander (Sandy) Laidlaw of Hamilton and lived at "The Hill" in Ararat.

As mentioned Alice excelled at everything - educating, training, riding, driving, hunting and jumping. Alice rode in the Melbourne, Sydney, Brisbane, Adelaide and Tasmania Royal Shows as well as in England. Alice also trained and competed with trotters, ridden or in a sulky. She competed and won against the men in races as well as training gallopers, and rode them in races against the men, when authorities allowed. She even played polo on occasions.

Alice Laidlaw died of a heart attack in Ararat in 1947 several weeks after an accident with one of her horses at the Korumburra Show. After she died, the Alice Laidlaw Memorial Trophy (see above) for lady riders over 18 at the Royal Melbourne Show was commenced in her honour and continues today. The first winner of the Alice Laidlaw Trophy in 1947 was Mrs Eileen Coffey, a close friend of Alice for more than 30 years, who had actually ridden all of Alice's horses at the 1923 Royal Show when Alice was incapacitated.

# 1948 Royal Melbourne Century Show (Sept. 23 - Oct. 2)

Bearing in mind that the Society was the successor to the Port Phillip Farmers' Society which was instituted in 1948 the Show was renamed to commemorate 100 years of service to the primary producers of Australia in general, and Victoria in particular. There was also news that the Olympic Invitation Committee had chosen the Showgrounds for development as the Olympic Stadium. Later Princes Park was chosen before the Melbourne Cricket Ground won out.

Joe Glenn was appointed as judge of the Trotters for the first time and created a first by announcing an unnamed horse as the Grand Champion Trotting Stallion (it was later named Dalla Delavan).

So far as action in the arena, a record 23 races resulting in 74 racing contests - an increase of eleven on 1947 - with 41 races during the day and 33 at night. Albert "Darky" Gath set a new driving record by winning 15 races.

Undoubtedly the highlight was the enthralling interstate match race from a moving start of the champion trotters Bingen Redmond (Victoria) and Strettawah (South Australia), with the local prevailing by three metres in not only a track record time of 2:09 3/4s, but a time that represented a new Australasian mile race record for trotters.

# 1949 Royal Agricultural Society Show (Sept. 22 - Oct. 1)

Disappointingly for the Royal Agricultural Society, an announcement from the Health Department just before opening day that following reports of the spread of poliomyelitis that parents were urged parents that in no account to permit children to attend the Show. That also discouraged visitors from country areas and also from interstate, so much so that the total attendance was slashed to just 306,881, a figure that was a massive 240,000 less than the 1948 total. It also had a dramatic effect on the numbers of trotters competing despite an outstanding number of nominations.

Mr. B. O'Sullivan returned as judge for the breeding classes and three new Grand Champions were named, Yarrowalla (square-gaited), Warrick Derby (pacer) and the mare Flo Raider. The latter figured as the dam of Willie Raider, runner-up in the yearling colt class.

So far as action in the arena, a 24 races - one more than 1948 - were programmed and that resulted in 52 racing contests - a decrease of 23 on 1948 - with 31 races during the day and 21 at night.

PREDICTION 2:11 3/5s**

**ANNETTE VOYAGE 2:12 1/2s**

**RANGE FINDER 2:13.0**

Champion trotter Bingen Redmond yesterday broke the mile record for trotters at the show By trotting 2.8, he clipped three seconds off the previous record and equalled White Globe's Australian record.

Bingen Redmond's great run caused a change in match race plans! Instead of meeting Hatteras In a special match on Wednesday, he will now meet champion pacer Amorous, over the flying mile.

Mr. C. Brown, who races both Hatteras and Amorous, decided last night to make the change because of- the great form displayed by Bingen Redmond. Amorous is one of the best pacers in Australia today and has wins over Silver Peak and Bandbox to' his credit.

Sectional times taken by Bingen Redmond were:— First furlong in 16 seconds, two in 32, three in 48, half-mile in 1.4, five in 1.19, six in 1.35, seven in 1.51, and the mile in 2.8.

**CLASH OF THE GAITS – One mile (Flying start)**

1. AMOROUS, scr (A. Gath)  
2. Bingen Redmond, scr (G. Gath)  
Margin: Won by 2yds Time: 2m 11s

Amorous narrowly defeated Bingen Redmond in last night's clash running the flying mile in the fast time of 2.11.

Bingen Redmond broke soon after the start, but lost little ground through his mistake, as G. Gath soon had the gelding back into stride. Amorous followed the lead of the trotter until they reached the furlong post, where he threw out a challenge to the leader.

There was little between the pair as they came down the home stretch stride for stride. Amorous, came away over the last few yards, and won by two yards.
